DEREGISTRATION OF SECURITIES

On July 8, 2003, Juniper Networks, Inc. (the Company) filed its Registration Statement on Form S-3 (File No. 333-106889) covering \$400,000,000 principal amount of Zero Coupon Convertible Senior Notes due June 15, 2008 (the Notes) and 19,860,973 shares of the Company's Common Stock issuable upon conversion of such notes to be sold by certain noteholders of the Company. On November 20, 2003, the Commission declared the Registration Statement effective.

The Registration Statement was filed in order to register the Notes issued to purchasers in private placements on June 2 and June 5, 2003. Based on the records of the Company's transfer agent, the selling noteholders re-sold \$381,563,000 principal amount of the Notes under the Registration Statement.

In accordance with the undertaking contained in the Registration Statement pursuant to Item 512(a)(3) of Regulation S-K promulgated under the Securities Act, the Company respectfully requests that the Commission remove from registration the Notes and shares of Common Stock remaining unsold under the Company's Registration Statement on Form S-3. The Company is requesting the de-registration of the Notes and shares of Common Stock of the Company remaining unsold under the Registration Statement because, pursuant to the terms of the Registration Rights Agreement between the Company and the initial purchasers of the Notes, the Company's obligations to maintain the effectiveness of the Registration Statement expired on June 5, 2005.

Accordingly, the Company hereby de-registers \$18,349,000 principal amount of the Notes, and 911,072 shares of its Common Stock into which the Notes are convertible, registered pursuant to the Registration Statement remaining unsold thereunder.
