The indebtedness under the Credit Agreement is unsecured and not guaranteed by any of the Partnership's subsidiaries. make Distributions during certain Defaults and during any Event of Default;

engage in business substantially different in nature than the business currently conducted by the Partnership and its subsidiaries;

engage in transactions with affiliates;

enter into restrictive agreements; and

enter into speculative hedging contracts.

The Credit Agreement also contains a financial covenant that provides that on each date the Borrower makes a Distribution, the Leverage Ratio shall not exceed 5.0 to 1, with a permitted increase to 5.5 to 1 during a specified Acquisition Period.

The above description of the Credit Agreement does not purport to be complete and is qualified in its entirety by reference to the Credit Agreement that is attached hereto as Exhibit 10.1 and incorporated herein by reference.
