**Item 1.01 Entry into a Material Definitive Agreement.**

On October 10, 2007, HEP Pipeline Assets, Limited Partnership ( HEP Pipeline ), a wholly owned subsidiary of Holly Energy Partners, L.P. (the Partnership ), and Alon USA, LP ( Alon ) entered into an Agreement Relating to Corrected Version Of Amendment and Supplement to Pipeline Lease Agreement and a corrected version (the Amendment As Corrected ) of the Amendment and Supplement to Pipeline Lease Agreement originally entered into between HEP Pipeline and Alon on August 31, 2007 (the Original Amendment ). The Original Amendment amended and supplemented the Pipeline Lease Agreement dated February 21, 1997, between Navajo Pipeline Company (predecessor in interest to HEP Pipeline) and American Petrofina Pipe Line Company (predecessor in interest to Alon USA, LP) and was described in and filed with the Current Report on Form 8-K filed by the Partnership with the Securities and Exchange Commission on September 10, 2007. The Amendment as Corrected corrects the Original Amendment with respect to the date of effectiveness of capacity reductions, payment obligations and the option to expand the leased capacity and supersedes the Original Amendment in its entirety. The Amendment as Corrected (1) reduces the amount of leased capacity on the Partnership s Orla, Texas to El Paso, Texas pipeline by 2,500 barrels per day effective September 1, 2008, (2) extends the terms of two of Alon s separate capacity leases on the pipeline for an additional 10 years (through August 31, 2018 and July 31, 2020, respectively), and (3) proportionately reduces the amount of lease rental payments based on the reduction in the amount of leased capacity effective September 1, 2008. Additionally, the Amendment as Corrected provides Alon with an option, after September 1, 2008 and with 60 days notice, to expand the leased capacity by 2,500 barrels per day for a term of 10 years, and provides Alon with the right to renew the capacity lease expiring on August 31, 2018 for an additional 10 year term. Under the Amendment as Corrected, from September 1, 2008 the total capacity leased by Alon on the pipeline will be reduced from 20,000 barrels per day to 17,500 barrels per day, subject to Alon s right to expand the capacity as described above.

In addition to the relationship between the Partnership and Alon created under the Pipeline Lease Agreement, as amended by the Amendment as Corrected, Alon owns 937,500 Class B subordinated units of the Partnership, which are all of the Partnership s Class B subordinated units and which comprise approximately 5.7% of the Partnership s total outstanding equity ownership, and the Partnership is a party to a pipelines and terminals agreement with Alon that expires in 2020 as described in the Partnership s Annual Report on Form 10-K for the year ended December 31, 2006.

A copy of the Amendment as Corrected is attached hereto as Exhibit 10.1.
