On January 19, 2009, the Board of Directors of Move, Inc. (the Company) appointed Steven H. Berkowitz to the position of Chief Executive Officer of the Company effective January 21, 2009. Mr. Berkowitz has served on the Company's Board of Directors since June 2008 and will continue to serve as a director. He succeeds W. Michael Long, who retired from the positions of Chief Executive Officer and director of the Company effective January 21, 2009.

Mr. Berkowitz is 50 years old, and served as Senior Vice President of the Online Services Group at Microsoft Corporation, a software and services company, from May 2006 to August 2008. Mr. Berkowitz was part of a team that oversaw Microsoft's online advertising business, which included the advertising global sales force, Microsoft adCenter, Live Search, as well its content and advertising supported channels such as MSN and Windows Live. Prior to joining Microsoft in May 2006, Mr. Berkowitz served as chief executive officer of Ask Jeeves, an online search engine, from January 2004 until August 2005, when the business was sold to IAC/InterActiveCorp. After acquisition by IAC/InterActiveCorp., Ask Jeeves was renamed IAC Search and Media, and Mr. Berkowitz served as its chief executive officer until May 2006. Mr. Berkowitz was president of the Web Properties Division of Ask Jeeves from May 2001 until December 2003. Mr. Berkowitz also serves on the Board of Directors of TheLadders.com.

Mr. Berkowitz will have an initial annual base salary of \$525,000 and will be eligible to earn an annual performance bonus equal to 100% of his annual salary if he achieves certain pre-established performance goals at target levels, with the ability to earn up to 200% of his annual salary for outstanding performance in excess of target levels.

On his start date, Mr. Berkowitz was granted 3,000,000 stock options with an option exercise price of \$1.52 (the closing price of the Company's common stock on his start date) and a term of ten years from the date of grant. 2,250,000 of the stock options will vest monthly over thirty-six months commencing on the first anniversary of Mr. Berkowitz's start date, subject to his continued employment on each vesting date. The remaining 750,000 stock options will be immediately vested and exercisable as of Mr. Berkowitz's start date.

On his start date, Mr. Berkowitz was granted 1,800,000 restricted shares of the Company's common stock with the following vesting schedule: 700,000 shares vested on his start date, 500,000 will vest on the first anniversary of his start date, subject to his continued employment on such anniversary, and 600,000 shares will vest on the second anniversary of his start date, subject to his continued employment on such anniversary.

Mr. Berkowitz was also awarded 700,000 performance-based restricted stock units. Under the terms of the award, he may earn up to 700,000 of such units of the Company's common stock based on the attainment of certain performance goals relating to the Company's revenues and EBITDA for the fiscal year ending December 31, 2011.
