ITEM 5. OTHER EVENTS AND REGULATION FD DISCLOSURE.

On April 29, 2004, NaviSite, Inc. ("NaviSite") entered into a Second Loan Modification Agreement, by and among Silicon Valley Bank, NaviSite, ClearBlue Technologies Management, Inc., Avasta, Inc., Conxion Corporation and Intrepid Acquisition Corp. The agreement amended NaviSite's accounts receivable financing agreement, as amended, with Silicon Valley Bank, among other things, to: (i) increase the maximum borrowing level from \$12.8 million to \$20.4 million; and (ii) extend the term until April 29, 2006. The current balance outstanding under the amended agreement is approximately \$9 million, following a payment on May 3, 2004 of \$7 million.

Under the amended agreement, borrowings are based on monthly recurring revenues. NaviSite is required to prepare and deliver a written request for an advance of up to three times the value of total recurring monthly revenues, calculated to be monthly revenues (including revenues from New York State Department of Labor) less professional services revenues. Silicon Valley Bank may then provide an advance of 85% of such value (or such other percentage as the bank may determine). The interest rate under the amended agreement is variable and is currently calculated at the bank's published "prime rate" plus

four percent. Following the completion of certain equity or debt financings, and provided NaviSite continues to meet certain ratios under the amended agreement, the interest rate shall be reduced to the bank's prime rate plus one percent. In no event, however, will the bank's prime rate be less than 4.25%.

The foregoing description of the agreement to amend NaviSite's accounts receivable financing agreement, as amended, does not purport to be complete and is qualified in its entirety by reference to the full text of the Second Loan Modification Agreement, which is filed as an exhibit to this Form 8-K and is incorporated by reference herein.
