PROXY STATEMENT

*Annual Meeting of Stockholders
To Be Held On Tuesday, December 12, 2006*

General

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the "Board of Directors" or the "Board") of NaviSite, Inc., a Delaware corporation ("NaviSite"), for use at NaviSite's 2006 Annual Meeting of Stockholders, which will be held on Tuesday, December 12, 2006 (the "Annual Meeting") at 9:00 a.m., local time, at The Westin Boston Waterfront hotel, 425 Summer Street, Boston, MA 02210, and at any adjournments thereof, for the purposes set forth in the Notice of Annual Meeting of Stockholders (the "Notice of Annual Meeting").

The Notice of Annual Meeting, this Proxy Statement, the accompanying proxy card and NaviSite's Annual Report to Stockholders for the fiscal year ended July 31, 2006 (the "2006 Annual Report") are being mailed to stockholders on or about November 3, 2006. NaviSite's principal executive offices are located at 400 Minuteman Road, Andover, Massachusetts 01810 and its telephone number is (978) 682-8300.

Solicitation

The cost of soliciting proxies, including expenses in connection with preparing and mailing this Proxy Statement, will be borne by NaviSite. NaviSite may engage a paid proxy solicitor to assist in the solicitation. Copies of solicitation materials will be furnished to brokerage houses, nominees, fiduciaries and custodians to forward to beneficial owners of NaviSite's common stock, \$.01 par value per share, held in their names. In addition to the solicitation of proxies by mail, NaviSite's directors, officers and other employees may, without additional compensation, solicit proxies by telephone, facsimile, electronic communication and personal interviews. NaviSite will also reimburse banks, brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy materials to stockholders.

Record Date, Voting Securities and Votes Required

Only holders of record of NaviSite common stock as of the close of business on Monday, October 23, 2006 (the "Record Date") will be entitled to receive notice of and vote at the Annual Meeting and any adjournments thereof. On the Record Date, NaviSite had approximately 29,065,200 shares of common stock issued and outstanding and entitled to be voted. The holders of common stock are entitled to one vote for each share held as of the Record Date on any proposal presented at the Annual Meeting.

A majority of the shares of common stock issued and outstanding and entitled to be voted at the Meeting will constitute a quorum at the Annual Meeting. Votes withheld, abstentions and broker non-votes shall be counted for purposes of determining the presence or absence of a quorum for the transaction of business at the Annual Meeting.

The affirmative vote of the holders of a plurality of the votes cast at the Annual Meeting is required for the election of directors (Proposal No. 1). The affirmative vote of the holders of a majority of the shares of NaviSite common stock present or represented by proxy and voting on the matter is required to ratify the appointment of KPMG LLP as NaviSite's independent registered public accounting firm for the fiscal year ending July 31, 2007 (Proposal No. 2).

Table of Contents

Shares which abstain from voting on a particular matter and shares held in street name by brokers or nominees who indicate on their proxies that they do not have discretionary authority to vote such shares as to a particular matter (broker non-votes) will not be counted as votes in favor of such matter and will also not be counted as votes cast or shares voting on such matter. Accordingly, neither abstentions nor broker non-votes will have any effect upon the outcome of voting with respect to the election of directors (Proposal No. 1), which requires a plurality of the votes cast, or the ratification of the appointment of KPMG LLP as NaviSite's independent registered public accounting firm (Proposal No. 2), which requires an affirmative vote of a majority of the shares of NaviSite common stock present or represented by proxy and voting on the matter.

An automated system administered by NaviSite's transfer agent tabulates the votes. The votes on each matter are tabulated separately.

To vote by mail, complete, date and sign the enclosed proxy card and return it in the enclosed envelope. No postage is necessary if the proxy card is mailed in the United States. If you hold your shares through a bank, broker or other nominee, they will give you separate instructions for voting your shares.

Proxies

Voting By Proxy

Voting instructions are included on your proxy card. If you properly complete, sign and date your proxy card and return it to us (in the postage prepaid envelope provided) in time to vote, one of the individuals named as your proxy will vote your shares as you have directed. If you sign and timely return your proxy card but do not indicate how your shares are to be voted with respect to one or more of the proposals to be voted on at the Annual Meeting, your shares will be voted for each of such proposals and in accordance with the judgment of the proxy holders as to any other matter that may be properly brought before the Annual Meeting, and the individuals named in the proxy card will have discretionary authority to vote upon any adjournment of the Annual Meeting.

Revoking Your Proxy

You may revoke your proxy at any time before it is voted by:

Notifying NaviSite's Secretary in writing at the principal executive offices of NaviSite located at 400 Minuteman Road, Andover, MA 01810, Attention: Secretary, before the Annual Meeting that you have revoked your proxy; or

Attending the Annual Meeting and voting in person at the Annual Meeting.

Voting in Person

If you plan to attend the Annual Meeting and wish to vote in person, we will give you a ballot at the meeting. However, if your shares are held in the name of your broker, bank or other nominee, you must bring a proxy from your nominee authorizing you to vote your street name shares held as of the Record Date.

Householding of Annual Meeting Materials

Some banks, brokers and other nominee record holders may participate in the practice of householding proxy statements and annual reports. This means that only one copy of our Proxy Statement or 2006 Annual Report may have been sent to multiple stockholders in your household. We will promptly deliver a separate copy of either

document to you if you write or call us at the following address or telephone number: Investor Relations Department, NaviSite, Inc., 400 Minuteman Road, Andover, Massachusetts 01810, telephone: (978) 682-8300. If you want to receive separate copies of the Proxy Statement or 2006 Annual Report in the future, or if you are receiving multiple copies and would like to receive only one copy for your household, you should contact your bank, broker, or other nominee record holder, or you may contact NaviSite at the above address and telephone number.

Table of Contents

Security Ownership of Certain Beneficial Owners and Management

The following table sets forth certain information as of September 30, 2006 (unless otherwise indicated), with respect to the beneficial ownership of NaviSite common stock by the following:

each person known by NaviSite to beneficially own more than 5% of the outstanding shares of NaviSite common stock;

each of NaviSite's directors;

all of the current executive officers and directors as a group.

For purposes of the following table, beneficial ownership is determined in accordance with the rules promulgated by the Securities and Exchange Commission (the "SEC") and the information is not necessarily indicative of beneficial ownership for any other purpose. Except as otherwise noted in the footnotes to the table, NaviSite believes that each person or entity named in the table has sole voting and investment power with respect to all shares of NaviSite common stock shown as beneficially owned by them (or shares such power with his or her spouse). Under such rules, shares of NaviSite common stock issuable under options that are currently exercisable or exercisable within 60 days after September 30, 2006 ("Presently Exercisable Options"), shares of our common stock issuable under warrants that are currently exercisable, or exercisable within 60 days after September 30, 2006 ("Presently Exercisable Warrants"), and shares of our common stock issuable upon conversion of amounts owed by us under an outstanding promissory note held by Atlantic Investors, LLC (the "Atlantic Note") are deemed outstanding and are included in the number of shares beneficially owned by a person named in the table and are used to compute the percentage ownership of that person. These shares are not, however, deemed outstanding for computing the percentage ownership of any other person or entity. Unless otherwise indicated, the address of each person listed in the table is c/o NaviSite, Inc., 400 Minuteman Road, Andover, Massachusetts 01810.

The percentage ownership of NaviSite common stock of each person or entity named in the following table is based on 29,059,977 shares of NaviSite common stock outstanding as of September 30, 2006 plus any shares subject to Presently Exercisable Options held by such person.

PROPOSAL NO. 2

**RATIFICATION OF SELECTION OF INDEPENDENT
REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee has selected KPMG LLP as NaviSite's independent registered public accounting firm to audit NaviSite's financial statements for the fiscal year ending July 31, 2007. KPMG LLP has audited the financial statements of NaviSite for each fiscal year since NaviSite's inception. If the stockholders do not ratify the selection of KPMG LLP as NaviSite's independent registered public accounting firm, the Audit Committee will reconsider its selection. Even if the appointment is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee determines that such a change would be in NaviSite's and its stockholders' best interests. A representative of KPMG LLP is expected to be present at the Annual Meeting and will have the opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions from stockholders.

The Board of Directors recommends a vote FOR ratification of the selection of KPMG LLP as NaviSite's independent registered public accounting firm for the fiscal year ending July 31, 2007.

CORPORATE GOVERNANCE AND BOARD MATTERS

Independence of Members of the Board of Directors

Our Board of Directors has determined that our company is a Controlled Company, as defined in the rules of The Nasdaq Stock Market, Inc. because Atlantic Investors, LLC is the beneficial owner of more than 50% of our voting power. We therefore are exempt from certain independence requirements of the Nasdaq rules, including the requirement to maintain a majority of independent directors on our Board of Directors, an independent compensation committee (although we do have a Compensation Committee comprised of three independent directors) and a standing nominating committee or committee performing a similar function.

To increase the quality of the Board's oversight and to lessen the possibility of damaging conflicts of interest, the Board intends to have at least three independent directors, as defined from time to time by The Nasdaq Stock Market, by law or by any rule or regulation of any other regulatory body or self-regulatory body applicable to NaviSite. No director will be considered independent unless the Board of Directors affirmatively determines that the director has no material relationship with NaviSite (either directly or as a partner, shareholder or officer of an organization that has a relationship with NaviSite). The Board of Directors has determined that each of Messrs. James Dennedy, Thomas Evans and Larry Schwartz is an independent director as defined in the rules of The Nasdaq Stock Market, and none of Messrs. Dennedy, Evans and Schwartz has a material relationship with NaviSite other than by virtue of his service on the Board of Directors.

Board and Committee Meetings

The Board of Directors held 8 meetings during the fiscal year ended July 31, 2006. Each incumbent director attended at least 75% of the aggregate number of meetings of the Board of Directors and of the committees on which he served. NaviSite strongly encourages all directors to attend the annual meeting of stockholders. All members of the Board of Directors attended the 2005 Annual Meeting of Stockholders.

Table of Contents**Committees of the Board of Directors**

The Board of Directors has designated two principal standing committees, an audit committee (the Audit Committee) and a compensation committee (the Compensation Committee). The current members of the Audit Committee and the Compensation Committee are identified in the following table:

Name	Audit Committee	Compensation Committee
James Dennedy	Chair	X
Thomas R. Evans	X	X
Larry Schwartz	X	Chair

Audit Committee

The Audit Committee assists the Board of Directors in fulfilling its responsibilities to stockholders concerning NaviSite's financial reporting and internal controls. The Audit Committee facilitates open communication among the Audit Committee, Board of Directors, NaviSite's independent registered public accounting firm and management. The Audit Committee discusses with management and NaviSite's independent registered public accounting firm the financial information developed by NaviSite, NaviSite's systems of internal controls and NaviSite's audit process. The Audit Committee is solely and directly responsible for appointing, evaluating, retaining, and, where necessary, terminating the engagement of NaviSite's independent registered public accounting firm. The independent registered public accounting firm meets with the Audit Committee (both with and without the presence of NaviSite's management) to review and discuss various matters pertaining to the audit, including NaviSite's financial statements, the report of the independent registered public accounting firm on the results, scope and terms of their work, and their recommendations concerning the financial practices, controls, procedures and policies employed by NaviSite.

The Audit Committee preapproves all audit services to be provided to NaviSite by the principal auditor and all other services (including reviewing, attestation and non-audit services) to be provided to NaviSite by the independent registered public accounting firm.

The Audit Committee is charged with establishing procedures for (i) the receipt, retention and treatment of complaints received by NaviSite regarding accounting, internal accounting controls or auditing matters; and (ii) the confidential, anonymous submission by employees of NaviSite of concerns regarding questionable accounting or auditing matters. The Audit Committee reviews all related party transactions on an ongoing basis, and all such transactions must be approved by the Audit Committee. The Audit Committee is authorized, without further action by the Board of Directors, to engage independent legal, accounting and other advisors as it deems necessary or appropriate to carry out its responsibilities. The Board of Directors has adopted a written charter for the Audit Committee, a copy of which is attached as Appendix I hereto.

The Board of Directors has determined that all of the members of the Audit Committee are independent as defined under the rules of The Nasdaq Stock Market, and that the Audit Committee members meet the independence requirements contemplated by Rule 10A-3 under the Securities Exchange Act of 1934. During the last fiscal year, the Audit Committee held 6 meetings.

Compensation Committee

The Compensation Committee of the Board of Directors determines salaries, incentives and other forms of compensation for the Chief Executive Officer and the executive officers of NaviSite and reviews and makes

recommendations to the Board of Directors with respect to director compensation. In addition, the Compensation Committee administers NaviSite's stock incentive compensation and equity-based plans. The Board of Directors has adopted a written charter for the Compensation Committee. During the last fiscal year, the Compensation Committee held 6 meetings.

Nominating Committee

We are a Controlled Company, as defined in the rules of The Nasdaq Stock Market, Inc. because Atlantic Investors, LLC is the beneficial owner of more than 50% of our voting power. Therefore, we are

Table of Contents

exempt from certain independence requirements of the Nasdaq rules, including the requirement to maintain a standing nominating committee or committee performing a similar function, and as such we do not have a separate nominating committee.

The Board serves the function that would otherwise be provided by a separate nominating committee. Each member of the Board of Directors participates in the consideration of director nominees. Generally, the Board of Directors identifies candidates for director nominees in consultation with management and the independent members of the Board, through the use of search firms or other advisers, through the recommendations submitted by stockholders or through such other methods as the Board of Directors deems to be helpful to identify candidates. Once candidates have been identified, the Board of Directors confirms that the candidates meet the qualifications for director nominees established by the Board. The Board of Directors may gather information about the candidates through interviews, questionnaires, background checks, or any other means that the Board of Directors deems to be helpful in the evaluation process. The Board of Directors meets to discuss and evaluate the qualities and skills of each candidate, both on an individual basis and taking into account the overall composition and needs of the Board.

In considering whether to include any particular candidate in the Board's slate of recommended director nominees, the Board will consider the candidate's integrity, education, business acumen, knowledge of NaviSite's business and industry, age, experience, diligence, conflicts of interest and the ability to act in the interests of all stockholders. The Board does not assign specific weights to particular criteria and no particular criterion is a prerequisite for each prospective nominee. NaviSite believes that the backgrounds and qualifications of its directors, considered as a group, should provide a composite mix of experience, knowledge and abilities that will allow the Board to fulfill its responsibilities. The Board of Directors will consider director candidates who are recommended by the stockholders of NaviSite. Such recommendation for nomination must be in writing and include the following:

Name and address of the stockholder making the recommendation;

Number of shares of NaviSite common stock that are owned beneficially and held of record by such stockholder;

Name and address of the individual recommended for consideration as a director nominee;

Principal occupation and experience of the director nominee;

Total number of shares of NaviSite common stock that will be voted for the director nominee by the stockholder making the recommendation; and

A written statement from the stockholder making the recommendation stating whether the director nominee has indicated his or her willingness to serve if elected and why such recommended candidate would be able to fulfill the duties of a director.

Nominations must be sent to the attention of the Secretary of NaviSite by U.S. mail to NaviSite, Inc., 400 Minuteman Road, Andover, Massachusetts 01810. The Secretary will then provide the nomination to the Board for consideration. Assuming that the required material has been provided on a timely basis, the Board of Directors will evaluate stockholder-recommended candidates by following substantially the same process, and applying substantially the same criteria, as it follows for candidates submitted by others.

Stockholder Communications with the Board of Directors

Stockholders may communicate with the Board of Directors by sending written communications to the Board of Directors or any individual member of the Board of Directors to the following address: Board of Directors, c/o Secretary, NaviSite, Inc., 400 Minuteman Road, Andover, Massachusetts 01810. The Secretary will forward all such correspondence accordingly, except for mass mailings, job inquiries, surveys, business solicitations or advertisements, personal grievances, matters as to which NaviSite tends to receive repetitive or duplicative communications, or patently offensive or otherwise inappropriate material.

Compensation Committee Report on Executive Compensation

NaviSite's executive compensation program is administered by the Compensation Committee of the Board of Directors. The Compensation Committee determines the salaries of, establishes bonuses for and grants stock options to NaviSite's executive officers.

Compensation Philosophy. NaviSite's executive compensation program has three objectives: (i) to align the interests of its executive officers with the interests of NaviSite's stockholders by basing a significant portion of an executive's compensation on NaviSite's performance; (ii) to attract and retain talented executive officers who can contribute to the success of NaviSite; and (iii) to provide incentives for superior performance by NaviSite's executives. To achieve these objectives, the Compensation Committee has developed a compensation program that consists of base salary, short-term incentive compensation in the form of a bonus, and long-term incentive compensation in the form of stock options. These compensation elements are in addition to the general benefit programs that are offered to all of NaviSite's executive officers.

Base Salaries and Short-term Incentive Compensation. The Compensation Committee reviews NaviSite's executive compensation program annually. In its review, the Compensation Committee assesses the competitiveness of NaviSite's executive compensation program by comparing its pay practices with those of other companies whose business and financial condition are similar to that of NaviSite's. In determining individual salaries and bonuses, the Compensation Committee considers overall corporate performance, business unit performance, individual performance and an individual's historical salary and bonus levels. The Compensation Committee established the FY2006 Executive Bonus Program pursuant to which NaviSite paid a bonus of \$25,000 to Mr. Gavin and options to purchase 50,000 shares of common stock and \$20,000 to Ms. Cormier on October 13, 2006 for FY2006. In addition, Mr. Becker received options to purchase 103,125 shares of common stock, Mr. Gavin received options to purchase 50,000 shares of common stock, and Ms. Cormier received options to purchase 12,500 shares of common stock on February 17, 2006, all of which were fully accelerated upon the achievement of the FY2006 corporate objectives in accordance with the FY2006 Executive Bonus Program.

Long-Term Incentive Compensation. The Compensation Committee believes that placing a portion of an executive's total compensation in the form of stock options achieves three objectives: (i) it aligns the interest of NaviSite's executives directly with those of NaviSite's stockholders; (ii) it gives executives a significant long-term interest in NaviSite's success; and (iii) it helps NaviSite retain key executives. In determining the number and terms of options to grant an executive, the Compensation Committee will primarily consider the executive's past performance and the degree to which an incentive for long-term performance would benefit NaviSite. The Compensation Committee also considers the number of shares of NaviSite common stock covered by, and the exercise price of, outstanding stock options, the total number of shares reserved for issuance under NaviSite's stock option plans, NaviSite's projected hiring needs for the near future and the recent performance of NaviSite.

Compensation of the Chief Executive Officer. The Compensation Committee believes that the compensation of the Chief Executive Officer is consistent with NaviSite's general policies concerning executive compensation and is appropriate in light of NaviSite's financial objectives and performance. Awards of intermediate and long-term incentive compensation to the Chief Executive Officer are considered concurrently with awards to other executive officers and follow the same general policies as such other intermediate and long-term incentive awards. In determining the Chief Executive Officer's compensation, the Compensation Committee considers the factors described above with respect to other executive officers. In addition, the Compensation Committee considers the extent to which the Chief Executive Officer anticipates opportunities and takes advantage of them, the extent to which he anticipates problems and avoids them, the success of his efforts towards building NaviSite's management team, business and infrastructure and his involvement in improving the operating and financial performance of NaviSite. Based on these factors and considerations, the Compensation Committee elected to set Mr. Becker's annual base salary for fiscal 2006

at \$275,000. Because of NaviSite's financial condition, NaviSite did not pay any cash bonuses to Mr. Becker in fiscal 2006. In lieu of a cash bonus, the Compensation Committee granted Mr. Becker an option to purchase 103,125 shares of NaviSite common stock at an exercise price per share equal to \$1.48. The stock option vested as to 25% of

Table of Contents

the original number of shares on August 16, 2006 and vests thereafter in equal installments on a monthly basis until fully vested on August 16, 2009.

Policy on Deductibility of Executive Compensation. Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), generally disallows a federal income tax deduction to public companies for certain compensation over \$1,000,000 paid to a company's Chief Executive Officer and four other most highly compensated executive officers. Qualifying performance-based compensation will not be subject to the deduction limit if certain requirements are met. The Compensation Committee intends to review the potential effects of Section 162(m) periodically and intends to structure NaviSite's stock option grants and certain other equity-based awards in a manner that is intended to avoid disallowances under Section 162(m) of the Code unless the Compensation Committee believes that such compliance would not be in the best interest of NaviSite or its stockholders.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting Firm

These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. Audit Committee Financial Expert

The Board of Directors has determined that James Dennedy is an audit committee financial expert as defined in Item 401(h) of Regulation S-K.

Audit Committee Report

The Audit Committee of the Board of Directors has reviewed and discussed NaviSite's audited financial statements for fiscal year 2006 with NaviSite's management. The Audit Committee has discussed with KPMG, NaviSite's independent registered public accounting firm, the matters required to be discussed by Statement on Auditing Standards No. 61. The Audit Committee has received the written disclosures and the letter from KPMG required by Independence Standards Board Standard No. 1 and has discussed with KPMG its independence. The Audit Committee also considered whether KPMG's provision of non-audit services to NaviSite is compatible with maintaining KPMG's independence. Based on the review and discussions described above, among other things, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in NaviSite's Annual Report on Form 10-K for fiscal year 2006.

Certain Relationships and Related Transactions

SPCP Group, L.L.C. and SPCP Group III LLC

On April 11, 2006, we entered into a Credit and Guaranty Agreement (the Credit Agreement) with Silver Point Finance, LLC (Silver Point) and certain affiliated entities whereby Silver Point and the lenders named in the Credit Agreement provided to us a \$70 million senior secured term loan facility and a \$3 million senior secured revolving credit facility (collectively, the Credit Facility). Each of our subsidiaries is also a party to the Credit Agreement as guarantors of our obligations.

The term loan was funded in full on the closing date. During the first twelve (12) months of the loan, we are required to make quarterly interest-only payments to the lenders under the Credit Agreement. We are scheduled to make quarterly repayments of principal commencing approximately one year after the first anniversary of the closing date. The maturity date of the term loan is April 11, 2011.

Outstanding amounts under the term loan bear interest at either: (a) 7% per annum plus, the greater of (i) Prime Rate, and (ii) the Federal Funds Effective Rate plus 3% (the Base Rate), or (b) 8% per annum plus the floating rate of LIBOR (the LIBOR Rate). To the extent interest payable on the term loan (a) exceeds the LIBOR Rate plus 5% in

year one or (b) exceeds the LIBOR Rate plus 7% for the years thereafter, such amounts will be capitalized and added to the outstanding principal amount of the term loan and shall therefore bear interest. Interest is payable in arrears on the last day of the month for Base Rate loans, and the last day of the chosen interest period (one, two or three months) for LIBOR Rate loans.

Table of Contents

Principal under the term loan that we repay may not be re-borrowed. In addition, the Credit Agreement requires us to prepay principal prior to its scheduled payment date in certain circumstances, including if we sell assets, have excess cash or close an equity financing transaction; *provided that*, in connection with an equity financing, the first \$10,000,000 of net proceeds and 50% of all amounts raised thereafter shall not be subject to the mandatory prepayment requirement and may be kept by us. Generally, prepayments are subject to a prepayment premium.

The revolving facility provides us with the right to borrow up to \$3,000,000. The amounts borrowed and repaid under the revolving facility generally may be re-borrowed by us. The revolving facility terminates on April 11, 2011. Outstanding amounts will bear interest at either: (a) the Base Rate, or (b) the LIBOR Rate. Interest is payable in arrears on the last day of the month for Base Rate loans, and the last day of the chosen interest period (one, two or three months) for LIBOR Rate loans.

The Credit Facility is secured by a security interest in substantially all of our and each of our subsidiary's assets. In connection with the grant of such security interest, the parties entered into a Pledge and Security Agreement.

On the closing date of the Credit Facility, we issued two warrants to purchase an aggregate of 3,514,933 shares of our common stock. We issued a warrant to SPCP Group, L.L.C. to purchase 2,636,200 shares of our common stock at an exercise price of \$.01 per share, and we issued a warrant to SPCP Group III LLC to purchase 878,733 shares of our common stock at an exercise price of \$.01 per share. The warrants are subject to potential weighted-average anti-dilution adjustments that could result in additional shares being issuable upon exercise of the warrants. The warrants expire on April 11, 2016.

At any time and from time to time until April 11, 2016, the warrant holders are entitled to demand and piggyback registration rights, whereby either warrant holder may request that we file a registration statement, or include within a registration statement to be filed, with the Securities and Exchange Commission for the warrant holders' resale of the shares of common stock issuable upon exercise of the warrants.

Atlantic Investors, LLC

Atlantic Investors, LLC owns approximately 59% of our outstanding common stock. Following the closing of the Credit Agreement described above on April 11, 2006, Atlantic Investors' ownership was approximately 43% on a fully diluted basis. In addition, Atlantic Investors holds a promissory note in the principal amount of \$3.0 million, the maturity date of which was extended, pursuant to an amended loan agreement dated April 11, 2006, to 90 days after the maturity date of the Credit Agreement.

Some of the members of our management group also serve as members of the management group of Atlantic Investors and its affiliates. Specifically, Andrew Ruhan, the Chairman of our Board, holds a 10% equity interest in Unicorn Worldwide Holdings Limited, a managing member of Atlantic Investors. Arthur Becker, our President and Chief Executive Officer and a member of our Board of Directors, is the managing member of Madison Technology LLC, a managing member of Atlantic Investors.

In connection with and as a condition precedent to the Credit Facility, we entered into an Amended and Restated Loan Agreement (the "Atlantic Amendment") with Atlantic Investors, which amended and restated our existing Loan Agreement with Atlantic Investors dated January 29, 2003 (the "2003 Atlantic Agreement," collectively with the Atlantic Amendment, the "Atlantic Loan #1"). The amounts outstanding under the Atlantic Loan #1 are convertible at any time, at Atlantic Investors' option, into shares of our common stock at a conversion price of \$2.81.

Also in connection with and as a condition precedent to the Credit Facility, we entered into a Term Loan Agreement with Atlantic Investors whereby we established a subordinated term loan facility with Atlantic in an amount not to

exceed \$5,000,000. Unicorn Worldwide Holdings Limited (a British Virgin Islands corporation and an affiliate of Atlantic) has guaranteed Atlantic's performance obligations under the Atlantic term loan, pursuant to that certain Atlantic Fund Guaranty made and executed by Unicorn in favor of the Company.

Table of Contents

Credit advances under the Atlantic term loan shall bear interest at either: (a) 7% per annum plus, the greater of (i) Prime Rate, and (ii) the Federal Funds Effective Rate plus 3%, or (b) 8% plus the floating rate of LIBOR. Interest may, at our option, be paid in cash or quarterly by promissory notes executed by us on behalf of Atlantic. All outstanding amounts under the Atlantic term note shall be paid in full by us no later than the date that is 90 days after the earlier of: (a) April 11, 2011, and (b) the date all obligations under the Credit Facility have been paid in full.

Under the Atlantic term loan and related transaction documents, Atlantic agreed to subordinate this indebtedness to amounts owed to Silver Point and its affiliates and that such amounts shall be unsecured obligations.

Hewlett-Packard Financial Services Company and Affiliates

In connection with our acquisition of ClearBlue Technologies Management, Inc., a subsidiary of CBT, (CBTM), we assumed CBTM's equipment lease pursuant to which CBTM had leased hardware and software from HPFS. Pursuant to the assumed equipment lease, we are required to make monthly payments to HPFS through May 2007, following which we will own the leased items. In connection with our acquisition of Surebridge, we assumed Surebridge's equipment lease pursuant to which Surebridge had leased hardware and software from HPFS. Pursuant to the assumed equipment lease, we are required to make monthly payments to HPFS through May 2007, following which we will own the leased items. In October 2004 we entered into a Reaffirmation and Modification Agreement with HPFS pursuant to which we restructured the equipment lease to refinance past due amounts and remaining obligations under the equipment lease and to finance the buyout amount with respect to the leased hardware and software. In connection with this restructuring, we were required to guaranty the obligations of CBTM and ManagedOps.com, Inc. with respect to the restructured leases. In May 2006 we entered into a Forbearance and Modification Agreement with HPFS pursuant to which we restructured the equipment lease to refinance past due amounts and remaining obligations under the equipment. As of July 31, 2006, the aggregate balance outstanding under the assumed leases was approximately \$2.0 million.

Beginning April 1, 2004, we entered into an Outsourcing Agreement with ClearBlue Technologies (UK) Limited (ClearBlue) whereby, we provide certain management services as well as manage the day-to-day operations as required by ClearBlue's customers' contracts. We charge ClearBlue a monthly fee of £4,700, plus 20% of gross profit (gross profit is revenue collected from ClearBlue customers, less the monthly fee), but in the event such calculation is less than \$0, 100% of the gross profit shall remain with ClearBlue. During the fiscal year ended July 31, 2006, we charged ClearBlue approximately \$137,000 under this agreement. As of July 31, 2006, there are no amounts outstanding under this agreement.

Pursuant to a services agreement between NaviSite and HPFS, during fiscal year 2006 HPFS provided technology support services to NaviSite for which NaviSite paid approximately \$0.3 million.

Waythere, Inc.

On June 10, 2004, we completed the acquisition of substantially all of the assets and liabilities of Waythere, Inc. (f/k/a Surebridge, Inc.) in exchange for two promissory notes in the aggregate principal amount of approximately \$39.3 million, three million shares of our common stock and the assumption of certain liabilities of Waythere.

The promissory notes that we issued to Waythere accrued interest on the unpaid balance at an annual rate of 10%, however no interest accrued on any principal paid within nine months of the closing. The maturity date of the notes was June 10, 2006.

On April 11, 2006, we used amounts borrowed under the Credit Facility described above to repay approximately \$41,000,000 to Waythere, which included all outstanding principal and accrued but unpaid interest under the two

promissory we issued on June 10, 2004.

APPENDIX I

NAVISITE, INC.

AUDIT COMMITTEE CHARTER

1. PURPOSE

The purpose of the Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibilities by reviewing the financial information which will be provided to the stockholders and others, reviewing the systems of internal controls which management and the Board of Directors have established, selecting and reviewing the performance of independent auditors, and overseeing the Company's accounting and financial reporting processes and the audits of the Company's financial statements.

The Audit Committee will fulfill these responsibilities by carrying out the activities enumerated in Section 3 of the Charter. The Audit Committee shall be given full and direct access to the Company's management and independent auditors as necessary to carry out these responsibilities. However, the Audit Committee's function is one of oversight only and shall not relieve the Company's management of its responsibilities for preparing financial statements which accurately and fairly present the Company's financial results and condition, or the responsibilities of the independent auditors relating to the audit or review of financial statements.

The independent auditors' ultimate responsibility is to the Board of Directors and the Audit Committee, as representatives of the stockholders. These representatives have the ultimate authority to select, evaluate and, where appropriate, replace the independent auditors.

2. COMPOSITION OF THE AUDIT COMMITTEE

The Audit Committee shall be comprised of not less than three directors, each of whom will be independent as required by Section 10A(m) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), any rules and regulations promulgated thereunder by the Securities and Exchange Commission (the "SEC"), and the applicable rules of NASDAQ. Members of the Audit Committee shall be appointed by the Board of Directors. The Board of Directors may remove members of the Audit Committee from such committee, with or without cause. The compensation of Audit Committee members shall be as determined by the Board of Directors.

All members of the Audit Committee shall be able to read and understand fundamental financial statements, including a balance sheet, income statement and cash flow statement. At least one member of the Committee shall have past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background which results in the individual's financial sophistication, including being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities.

3. RESPONSIBILITIES AND DUTIES

To fulfill its responsibilities and duties, the Audit Committee shall:

1. Review annually the Audit Committee Charter for adequacy and recommend any changes to the Board.

2. Review the significant accounting principles, policies and practices followed by the Company in accounting for and reporting its financial results of operations in accordance with generally accepted accounting principles (GAAP).
