Item 14. *Indemnification of Directors and Officers.*

Section 145(a) of the Delaware General Corporation Law provides, in general, that a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation), because he or she is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding, if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful.

Section 145(b) of the Delaware General Corporation Law provides, in general, that a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor because the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees) actually and reasonably incurred by the person in connection with the defense or settlement of such action or suit if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification shall be made with respect to any claim, issue or matter as to which he or she shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or other adjudicating court determines that, despite the adjudication of liability but in view of all of the circumstances of the case, he or she is fairly and reasonably entitled to indemnity for such

expenses which the Court of Chancery or other adjudicating court shall deem proper.

Section 145(g) of the Delaware General Corporation Law provides, in general, that a corporation may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against such person and incurred by such person in any such capacity, or arising out of his or her status as

such, whether or not the corporation would have the power to indemnify the person against such liability under Section 145 of the Delaware General Corporation Law.

Article VII of our restated certificate of incorporation (the Charter), provides that no director of our company shall be personally liable to us or our stockholders for monetary damages for any breach of fiduciary duty as a director, except for liability (1) for any breach of the director's duty of loyalty to us or our stockholders, (2) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (3) in respect of unlawful dividend payments or stock redemptions or repurchases, or (4) for any transaction from which the director derived an improper personal benefit. In addition, our Charter provides that if the Delaware General Corporation Law is amended to authorize the further elimination or limitation of the liability of directors, then the liability of a director of our company shall be eliminated or limited to the fullest extent permitted by the Delaware General Corporation Law, as so amended.

Article VII of the Charter further provides that any repeal or modification of such article by our stockholders or an amendment to the Delaware General Corporation Law will not adversely affect any right or protection existing at the time of such repeal or modification with respect to any acts or omissions occurring before such repeal or modification of a director serving at the time of such repeal or modification.

Article V of our restated by-laws (the By-Laws), provides that we will indemnify each of our directors and officers and, in the discretion of our board of directors, certain employees, to the fullest extent permitted by the Delaware General Corporation Law as the same may be amended (except that in the case of an amendment, only to the extent that the amendment permits us to provide broader indemnification rights than the Delaware General Corporation Law permitted us to provide prior to such the amendment) against any and all expenses, judgments, penalties, fines and amounts reasonably paid in settlement that are incurred by the director, officer or such employee or on the director's, officer's or employee's behalf in connection with any threatened, pending or completed proceeding or any claim, issue or matter therein, to which he or she is or is threatened to be made a party because he or she is or was serving as a director, officer or employee of our company, or at our request as a director, partner, trustee, officer, employee or agent of another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise, if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of our company and, with respect to any criminal proceeding, had no reasonable cause to believe his or her conduct was unlawful. Article V of the By-Laws further provides for the advancement of expenses to each of our directors and, in the discretion of the board of directors, to certain officers and employees.

In addition, Article V of the By-Laws provides that the right of each of our directors and officers to indemnification and advancement of expenses shall be a contract right and shall not be exclusive of any other right now possessed or hereafter acquired under any statute, provision of the Charter or By-Laws, agreement, vote of stockholders or otherwise. Furthermore, Article V of the By-Laws authorizes us to provide insurance for our directors, officers and employees, against any liability, whether or not we would have the power to indemnify such person against such liability under the Delaware General Corporation Law or the provisions of Article V of the By-Laws.

In connection with the sale of common stock being registered hereby, we intend to enter into indemnification agreements with each of our directors and our executive officers. These agreements will provide that we will indemnify each of our directors and such officers to the fullest extent permitted by law and the Charter and By-Laws.

We also maintain a general liability insurance policy which covers certain liabilities of directors and officers of our company arising out of claims based on acts or omissions in their capacities as directors or officers.

In any underwriting agreement we enter into in connection with the sale of common stock being registered hereby, the underwriters will agree to indemnify, under certain conditions, us, our directors, our officers and persons who control

us within the meaning of the Securities Act of 1933, as amended, against certain liabilities.

Item 15. *Recent Sales of Unregistered Securities.*

In the three years preceding the filing of this registration statement, the registrant has issued the following securities that were not registered under the Securities Act:

Issuances of Warrants in Financings.

In February 2005, we issued (i) a warrant to purchase 10,000 shares of Series E Convertible Preferred Stock at an exercise price of \$5.04 per share to Silicon Valley Bank and (ii) a warrant to purchase 26,945 shares of Series E Convertible Preferred Stock at an exercise price of \$5.04 per share to ORIX Venture Finance LLC. In November 2006, ORIX Venture Finance LLC assigned the rights to 5,000 of their shares under the February 2005 warrant. Consequently, we cancelled their February 2005 warrant and issued (i) a warrant to purchase 5,000 shares of Series E Convertible Preferred Stock at an exercise price of \$5.04 per share to Banc of America Strategic Investments Corporation and (ii) a warrant to purchase 21,945 shares of Series E Convertible Preferred Stock at an exercise price of \$5.04 per share to ORIX Venture Finance LLC.

In December 2005, we issued a warrant to purchase 124,000 shares of Series E Convertible Preferred Stock at an exercise price of \$5.04 per share to ORIX Venture Finance LLC.

In March 2006, we issued a warrant to purchase 3,711 shares of Series E Convertible Preferred Stock at an exercise price of \$5.04 per share to Oxford Finance Corporation.

In June 2006, we issued a warrant to purchase 2,373 shares of Series E Convertible Preferred Stock at an exercise price of \$5.04 per share to Oxford Finance Corporation.

In September 2006, we issued (i) a warrant to purchase 1,050 shares of Series E Convertible Preferred Stock at an exercise price of \$5.04 per share to Oxford Finance Corporation and (ii) a warrant to purchase 24,000 shares of Series E Convertible Preferred Stock at an exercise price of \$5.04 per share to ORIX Venture Finance LLC.

In December 2006, we issued a warrant to purchase 2,296 shares of Series E Convertible Preferred Stock at an exercise price of \$5.04 per share to Oxford Finance Corporation.

In June 2007, we issued a warrant to purchase 5,000 shares of Series E Convertible Preferred Stock at an exercise price of \$9.30 per share to ORIX Venture Finance LLC.

We issued each of these warrants to financial institutions in consideration of these institutions entering into debt financing arrangements with us. No cash or additional consideration was received by us in consideration of our issuance of these securities.

No underwriters were used in the foregoing transactions. All sales of securities described above were made in reliance upon the exemption from registration provided by Section 4(2) of the Securities Act for transactions by an issuer not involving a public offering. In the case of each warrant issuance, these warrants were only offered to the individual warrant holder. As a result, none of these transactions involved a public offering. All of the purchasers in these transactions represented to us in connection with their purchase that they were accredited investors or not U.S. persons, as applicable, and were acquiring the shares for investment and not distribution, that they could bear the risks of the investment and could hold the securities for an indefinite period of time. Such purchasers received written disclosures that the securities had not been registered under the Securities Act and that any resale must be made pursuant to a registration or an available exemption from such registration. All of the foregoing securities are deemed restricted securities for the purposes of the Securities Act.

Grants and Exercises of Stock Options.

Since June 1, 2004, we have granted stock options to purchase 2,290,723 shares of common stock with exercise prices ranging from \$1.97 to \$15.27 per share, to employees, directors and consultants pursuant to our stock option plans. All of these options were issued in consideration of services rendered to us, with exercise prices equal to the estimated fair value of our common stock on the date of grant. No cash or additional

consideration was received by us in consideration of our issuance of these options. Of the options granted after June 1, 2004, seventy-two holders of those options to purchase shares of our common stock exercised those options for an aggregate of 261,160 shares at a weighted average exercise price of \$2.79. The issuances of these options and the common stock upon exercise of these options were exempt either pursuant to Rule 701, as a transaction pursuant to a compensatory benefit plan, or pursuant to Section 4(2), as a transaction by an issuer not involving a public offering. The common stock issued upon exercise of options are deemed restricted securities for the purposes of the Securities Act.

Item 16. *Exhibits and Financial Statement Schedules.*

(a) *Exhibits:*

See the Exhibit Index on the page immediately following the signature page for a list of exhibits filed as part of this registration statement on Form S-1, which Exhibit Index is incorporated herein by reference.

(b) *Consolidated Financial Statements Schedules:*

Schedules have been omitted because the information required to be set forth therein is not applicable or is shown in the financial statements or notes thereto.

Item 17. *Undertakings.*

The undersigned registrant hereby undertakes to provide to the underwriter at the closing specified in the underwriting agreements, certificates in such denominations and registered in such names as required by the underwriter to permit prompt delivery to each purchaser.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

The undersigned hereby undertakes that:

(1) For purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act of 1933 shall be deemed to be part of this registration statement as of the time it was declared effective.

(2) For the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
