Item 2.05 Costs Associated with Exit or Disposal Activities.

In order to fuel long-term growth and raise the productivity of its manufacturing operations, Home Products International, Inc. (the Company) announced in a press release issued on November 18, 2005 (the Press Release), that it will be consolidating its plastics manufacturing operations and closing its Louisiana, Missouri, and Thomasville, Georgia plants. Approximately 260 full time and temporary employees will be affected. The capacity from these locations will be moved to the Company's Chicago and El Paso facilities. The Company expects that these actions will be completed on or about June 30, 2006.

A copy of the Press Release is attached to this Current Report on Form 8-K as Exhibit 99.1 and is incorporated by reference herein.

Item 8.01 Other Events.

The Press Release also announced that, in connection with the consolidation of its plastics manufacturing operations, the Company plans to expand and modernize its plastics manufacturing facilities located in Chicago, Illinois, and El Paso, Texas. The two locations will primarily be responsible for producing storage and organizational containers and carts and plastic hangers.

The Company will be adding approximately 15 injection molding machines to its Chicago location. The El Paso facility will almost double its machine count. The two locations combined currently employ approximately 350 people. The Company expects to hire a total of approximately 150 additional full-time employees at the two facilities.

A copy of the Press Release is attached to this Current Report on Form 8-K as Exhibit 99.1 and is incorporated by reference herein.
