Item 1.01 Entry Into Material Definitive Agreement.

On July 20, 2007, Spectrum Pharmaceuticals, Inc. (the Company) entered into a world-wide license agreement (the License Agreement) with Indena S.p.A., a Italian company (Indena), for ortataxel, a third-generation taxane classified as a new chemical entity that has demonstrated clinical activity in taxane-refractory tumors, effective as of July 17, 2007. Pursuant to the License Agreement, the Company obtained an exclusive license to certain patents, know-how and regulatory filings related to ortataxel to research, develop, make, have made, use, offer for sale, sell, have sold, distribute, import and export ortataxel for all uses worldwide. The Company has the right to sublicense the license it received under the License Agreement. Under the terms of the License Agreement, Indena is eligible to receive an upfront payment, upon the satisfaction of certain conditions, as well as payments upon achievement of certain regulatory and sales milestones, in addition to royalties on potential net sales, if any. The term of the License Agreement is determined on a product-by-product and country-by-country basis until royalties are no longer owed under the License Agreement.

A complete copy of the press release is attached hereto as exhibit 99.1, and is incorporated herein by reference.

Item 8.01 Other Events.

On July 25, 2007, the Company issued a press release announcing that the United States Food and Drug Administration s (the FDA) Oncologic Drugs Advisory Committee recommended that the FDA should wait for the overall survival analysis of satraplatin. A complete copy of the press release is attached hereto as exhibit 99.2, and is incorporated herein by reference.
