As of the date hereof, each of the Reporting Persons may be deemed to beneficially own 3,620,143 shares of Common Stock, consisting of (i) 411,765 shares of Common Stock, which were acquired in the Issuer's initial public offering of Common Stock (the "IPO") with an aggregate purchase price of \$3,500,003 (the "Purchase"), (ii) 3,208,378 shares of Common Stock, after giving effect to a stock split at a ratio of 1.27-for-1 effected by the Company on April 4, 2013, which were acquired by the Reporting Persons prior to the IPO in connection with the Issuer's merger transactions as reported previously by the Reporting Persons in the Schedule 13D Statement. The source of the purchase price for the Purchase was capital contributions from the partners of Aisling. No borrowed funds were used to purchase the Common Stock.

Item 4. Purpose of Transaction.

Reporting Persons expect to evaluate on an ongoing basis the Issuer's financial condition and prospects and their interest in, and intentions with respect to, the Issuer and their investment in the securities of the Issuer, which review may be based on various factors, including the Issuer's business and financial condition, results of operations and prospects, general economic and industry conditions, the securities markets in general and those for the Issuer's securities in particular, as well as other developments and other investment opportunities, which, if effected, could result in, among other things, any of the matters identified in Items 4(a)–(j) of Schedule 13D. Accordingly, Reporting Persons reserve the right to change their intentions and develop plans or proposals at any time, as they deem appropriate. In

particular, Reporting Persons may at any time and from time to time, (i) in the open market, in privately negotiated transactions or otherwise, acquire additional Common Stock or other securities of the Issuer, including acquisitions from affiliates of the Reporting Persons; (ii) dispose or transfer of all or a portion of the securities of the Issuer, including the Common Stock, that the Reporting Persons now own or may hereafter acquire to any person or entity, including dispositions to affiliates of the Reporting Persons; (iii) enter into derivative transactions with institutional counterparties with respect to the Issuer's securities; (iv) cause or seek to cause the Issuer or any of its subsidiaries to acquire all or a portion of another person's assets or business, including acquisitions from affiliates of the Reporting Persons; (v) cause or seek to cause the Issuer or any of its subsidiaries to enter into one or more acquisitions, business combinations or mergers or to sell, transfer or otherwise dispose of all or any portion of its assets or business to any person or entity, including acquisitions, business combinations, mergers, sales, transfers and other dispositions with or to affiliates of the Reporting Persons; (vi) restructure the Issuer's or any of its subsidiaries' capitalization, indebtedness or holding company arrangements; (vii) make personnel changes to the present management of the Issuer deemed necessary or desirable; (viii) change the identity of the directors of the Issuer; (ix) make or propose any other material change in the Issuer's or any of its subsidiaries' corporate structure or business; or (x) engage in communications with one or more stockholders, officers or directors of the Issuer and other persons regarding any of the matters described in clauses (i) through (ix) above.

Item 5. Interest in Securities of the Issuer.

(a) The aggregate percentage of shares of Common Stock reported as owned by each Reporting Person is based on 9,223,943 shares of the Issuer's common stock issued and outstanding following the IPO, as reported in the Issuer's final prospectus filed with the SEC on October 17, 2013, assuming no exercise by the underwriters of their overallotment option. - (c) On October 22, 2013, Aisling acquired 411,765 shares of Common Stock in the IPO.
- (d) The partners of Aisling have the right to participate in the receipt of dividends from, or proceeds from the sale of, the shares of Common Stock held for the account of Aisling in accordance with their ownership interests in Aisling.
- (e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

Aisling has entered into a registration right agreement with the Issuer with respect to Common Stock acquired by Aisling prior to the IPO, as previously reported by the Reporting Persons in the Schedule 13D Statement.

On September 24, 2013, Aisling entered into a lock-up agreement with Oppenheimer & Co. Inc., as a representative of certain underwriters, in connection with the IPO, and agreed that until April 15, 2014, it will not offer, pledge, sell, contract to sell, grant any option or contract to purchase, purchase any option or contract to sell, or otherwise dispose of, directly or indirectly, any shares of Common Stock or securities convertible into or exchangeable or exercisable for any shares of Common Stock, or enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of Common Stock, whether any such transaction is to be settled by delivery of Common Stock or such other securities, in cash or otherwise. Such restrictions do not apply, subject to certain conditions, to transactions relating to (i) bona fide gifts, (ii) shares of Common Stock acquired in the open market on or after the completion of the Merger, (iii) the transfer of shares of Common Stock to a family member or a trust for the benefit of the restricted party or a family member (including by will or intestacy) or (iv) a distribution to the partners, members or shareholders of the restricted party, provided that the recipient agrees in writing prior to such transfer to be bound by the foregoing restrictions.

From time to time, each of the Reporting Persons may lend portfolio securities to brokers, banks or other financial institutions. These loans typically obligate the borrower to return the securities, or an equal amount of securities of the same class, to the lender and typically provide that the borrower is entitled to exercise voting rights and to retain dividends during the term of the loan. From time to time, to the extent permitted by applicable laws, each of the Reporting Persons may borrow securities, including the Common Stock, for the purpose of effecting, and may effect, short sale transactions, and may purchase securities for the purpose of closing out short positions in such securities.

The Joint Filing Agreement is attached as an exhibit hereto and is incorporated herein by reference.

Item 7. Material to be Filed as Exhibits.
