REPORT OF INDEPENDENT AUDITORS

To the Participants and Administrator of
Popular, Inc. U.S.A. Profit Sharing/401(k) Plan

In our opinion, the accompanying statements of net assets available for benefits and the related statement of changes in net assets available for benefits present fairly, in all material respects, information regarding the net assets available for benefits of Popular, Inc. U.S.A. Profit Sharing/401(k) Plan (the "Plan") at December 31, 2002 and 2001 and the changes in net assets available for benefits for the year ended December 31, 2002 in conformity with accounting principles generally accepted in the United States of America. These financial statements are the responsibility of the Plan's management; our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits of these statements in accordance with auditing standards generally accepted in the United States of America, which require that we plan and perform the audit to obtain reasonable assurance about whether the financial

Edgar Filing: POPULAR INC - Form 11-K

statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets held for investment purposes is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audits of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

1. DESCRIPTION OF THE PLAN

The following brief description of the Popular, Inc. U.S.A. Profit Sharing/401(k) Plan (the "Plan") provides only general information. Popular, Inc. is the sponsor of the Plan. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

GENERAL

Pioneer Bank & Trust Company Profit Sharing Plan (the "Pioneer Plan") was established on January 1, 1972, as a qualified defined contribution plan. The Pioneer Plan was amended and restated, effective January 1, 1976 and again restated, effective July 1, 1982, to comply with the requirements of the Employee Retirement Income Security Act of 1974 (ERISA). On July 1, 1989, the Pioneer Plan was amended to include a cash or deferred arrangement under Section 401(k) of the Internal Revenue Code ("401(k)"). The Pioneer Plan sponsor was Banco Popular, Illinois, a wholly-owned subsidiary of Popular, Inc.

On March 1, 1997, the Pioneer Plan was restated and converted into a defined contribution participant-directed plan under the name of BanPonce U.S.A. Profit Sharing/401(k) Plan. On October 14, 1998, certain provisions related to rollover contributions and distributions of the Plan were amended.

During 1998 the employees of Banco Popular, Illinois, Banco Popular, California, N.A., Banco Popular, Florida, N.A., Banco Popular, Texas N.A., Popular Leasing U.S.A., Inc. and Banco Popular, FSB participated in the Plan.

Effective January 1, 2000, the entities participating in the Plan merged to form a single banking entity under the name of Banco Popular North America (the "Bank").

On January 1, 2000 employees from the Bank, Banco Popular, N.A. (Texas), First State Bank of Southern California and Gore Bronson Bancorp became eligible to participate in the Plan. The Plan was also amended to allow for additional discretionary contributions to be made to the Plan on behalf of participants who were employees of the New York branch of Banco Popular de Puerto Rico on December 31, 1998.

On April 30, 2000, the BanPonce U.S.A. Profit Sharing/401(k) Plan adopted the name of Popular, Inc. U.S.A. Profit Sharing/401(k) Plan.

During 2000, the Plan was amended to allow for a merger of assets from Citizens National Bank Profit Sharing Savings Plan with total assets of \$607,998, Banco Popular de Puerto Rico Employee Stock Plan with total assets of \$5,445,596 and the Gore Bronson Bancorp Profit Sharing Plan and Trust with total assets of \$509,895.

Effective January 1, 2001, the Plan was amended to allow participation by employees of Banco Popular de Puerto Rico (BPPR) that are employed in the Virgin Islands (VI) or British Virgin Islands (BVI). These employees can contribute from 1% to 10% of eligible pre-tax annual compensation (post tax for BVI employees) up to IRS limits. The Bank contributes 50 cents for each

Edgar Filing: POPULAR INC - Form 11-K

dollar the employee contributes up to 2% of their eligible compensation that has been invested in Popular Inc. Common Stock subject to compliance with certain requirements as outlined in the Plan. Assets from the prior plan were transferred in 2001.

Effective August 1, 2001, Article 9 of the Plan was amended by adding Section 9.4 that allows a participant who has attained age 59 1/2 to elect to receive 100% of the value of his before-tax deposit account and his after-tax deposit account and the vested portion of Matching Employer Contributions.

Effective February 13, 2002, US employees of Popular Insurance, Inc. were eligible to participate in the plan as of September 25, 2001.

On February 19, 2002, a restated plan was submitted to the IRS for a new determination letter. The restated plan incorporates prior amendments. In addition the plan extends benefits to employees of the GM Group in the United States as of July 1, 2001 and Popular Insurance Inc. employees in the United States as of September 25, 2001.

Effective April 1, 2002, the Ivy International Fund was replaced by the Templeton Foreign Fund. In addition, three new funds were added; Fidelity Advisor Equity Growth Fund, Marshall Mid-Cap Value Fund and Strong Advisor Small Cap Value Fund.

Effective August 1, 2002, the Capital Bank Plan, with assets of \$1,014,942, was merged into the Plan.

Effective December 12, 2002 the plan was amended to conform to the Economic Growth and Tax Relief Reconciliation Act of 2001 and to allow for amendment to eliminate the option of annuity for distribution.

The Plan is subject to the provisions of ERISA.

ELIGIBILITY AND VESTING

Prior to September 1, 2000, employees were automatically enrolled in the Plan upon the first day of the month coinciding with or next following the date they became an employee. Beginning September 1, 2000, employees are automatically enrolled into the Plan upon the first day of the month following 30 days of service. Participants are immediately vested in their voluntary contributions and earnings thereon. Vesting in the Bank's matching and discretionary contribution portion of their account plan plus actual earnings thereon is based on years of credited service. A participant begins to vest in the Plan according to the following table:

YEARS OF CREDITED SERVICE

VESTING PERCENTAGE

Edgar Filing: POPULAR INC - Form 11-K

Less than 2	0%
2	25
3	50
4	75

CONTRIBUTIONS

Each year, employees may contribute from 1% to 10% of eligible pre-tax annual compensation up to a maximum of \$11,000 based on IRS limitations, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Bank contributes 50 cents for each pre-tax \$1 contributed by an employee. Additionally, the Bank contributes 50 cents for each pre-tax \$1 contributed by an employee that has been invested in the Popular, Inc. Common Stock Fund, subject to compliance with certain requirements defined in the

Plan agreement. Total contributions from the Bank will not exceed 6% of the employee's pre-tax compensation. The Bank will also make a profit sharing contribution in an amount determined by the Board of Directors of the Bank. The Bank's profit sharing and 401(k) matching contribution is limited to the total amount which the Bank can deduct for federal income tax purposes.

PARTICIPANT ACCOUNTS

As of the last day of each quarter, net earnings or losses are allocated among eligible participants in proportion to their account balances relative to the total of all such account balances as of the previous valuation date, adjusted for distributions and employee contributions. As of the last day of the Plan year, the Bank's profit sharing contribution is allocated to participant accounts based upon the participants' eligible compensation, as defined, and subject to compliance with certain requirements included in the Plan agreement.

As of the last day of the plan year, the Bank's additional matching contribution is allocated based on each employee's contribution, as described above. The Bank's contributions plus the employee's after-tax and pre-tax contributions are limited to the lesser of 25% of the employee's eligible compensation or a maximum amount set annually by federal authorities.

INVESTMENT OPTIONS

Upon enrollment in the Plan, a participant may direct his/her investments and reinvestments, other than his/her Bonus Matching Contribution, into any of the following investment options. As noted earlier, the Bank switched

Edgar Filing: POPULAR INC - Form 11-K

Participants may borrow against their fund accounts a minimum of \$500 up to a maximum of the lesser of \$50,000 or 50% of the vested portion of the participant's equity in the Plan. Loans are charged a reasonable interest rate, which is determined by the Plan Committee and which meets all regulatory requirements.

DISTRIBUTIONS

Distributions may occur for termination, retirement, disability, or death. The Plan provides that benefits be distributed in one of the following manners as selected by the participant or beneficiary: (a) payment in one single sum; or (b) payment in substantially equal installments determined by the participant or beneficiary.

PLAN TERMINATION

Although it has not expressed any intent to do so, the sponsor may terminate the Plan for any reason at any time, in which event there shall be no employer duty to make contributions. In the event of termination, all participants become fully vested and have a nonforfeitable right to their full account balance.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF PRESENTATION

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America. A description of the more significant accounting policies follows.

VALUATION OF INVESTMENTS

Plan investments are stated at fair value, with the exception of M&I Stable Principal Fund that is stated at contract value, which approximates fair value. Shares of registered investment companies are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end. Popular Inc. Common Stock is valued at its quoted market price.

POPULAR, INC. U.S.A. PROFIT SHARING/401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

8

The registered investment companies retain and reinvest all dividends. Such undistributed income is included in the statement of changes in net assets available for benefits and is recorded as an increase in the cost basis of fund units held at year end in the statement of net assets available for benefits.

Temporary investments are stated at cost, which approximates fair value.

Purchases and sales of securities are recorded on a trade-date basis.

INVESTMENT INCOME

Net gain on investments is a combination of net realized gains (losses) and the change in unrealized appreciation (depreciation) from the previous

Edgar Filing: POPULAR INC - Form 11-K

year-end. Dividends are recorded on the ex-dividend date. Interest income on temporary investments is recorded on the accrual basis.

ADMINISTRATIVE EXPENSES

Legal and other administrative expenses are paid by the Bank and, accordingly, have not been reflected in the Plan's financial statements.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

FORFEITED ACCOUNTS

Forfeited nonvested accounts totaled \$539,749 and \$308,284 at December 31, 2002 and 2001, respectively. These accounts were used to reduce Employer contributions.

REFUNDABLE CONTRIBUTIONS

Refundable contributions totaled \$182,454 and \$282,187 at December 31, 2002 and 2001, respectively. These excess contributions arise as a result from failing non-discrimination tests in accordance with the Internal Revenue Service Regulations.

USE OF ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from these estimates.

RISKS AND UNCERTAINTIES

The Plan provides for various investment options in any combination of stocks, fixed income securities, mutual funds and other investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statement of net assets available for benefits.

3. INCOME TAXES

The Popular, Inc. U.S.A. Profit Sharing/401(k) Plan received a favorable determination letter from the Internal Revenue Service, dated April 7, 1999, indicating that it qualified under Section 401(a) of the Internal Revenue Code (IRC). The Plan has been restated since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC. A request for a new determination letter was submitted to the IRS on February 19, 2002.

4. INVESTMENTS HELD

Investments held by the Plan are summarized below. Those investments that represent 5 percent or more of the Plan's net assets at the end of the year are noted with an asterisk (*).
