PROXY STATEMENT

April 29, 2004

This Proxy Statement is furnished on behalf of the Board of Directors (the "Board of Directors") of U.S. RealTel, Inc. ("U.S. RealTel"). This proxy statement contains information related to the 2004 Annual Meeting of Stockholders (the "Annual Meeting") of U.S. RealTel, to be held on Friday, June 11, 2004, beginning at 9:00 a.m., local time, at U.S. RealTel's principal executive office located at Fifteen Piedmont Center, 3575 Piedmont Road, Suite 100, Atlanta, Georgia 30305, and at any postponements and adjournments thereof. U.S. RealTel is first mailing this proxy statement, the foregoing notice of the Annual Meeting and the enclosed proxy card to its stockholders on or about April 29, 2004. The enclosed proxy card is being solicited on behalf of the Board of Directors.

ABOUT THE ANNUAL MEETING

What is the purpose of the Annual Meeting?

At the Annual Meeting, stockholders will be requested to act upon the matters outlined in the Notice of Annual Meeting, including the election of directors, the ratification of the appointment of independent auditors and the change of U.S. RealTel's name. In addition, U.S. RealTel's management will report on U.S. RealTel's performance during fiscal 2003 and respond to questions from stockholders.

Who is entitled to vote at the Annual Meeting?

Only stockholders of record at the close of business on the record date, April 16, 2004, are entitled to receive notice of and to vote at the Annual Meeting, or any postponements or adjournments thereof.

What are the voting rights of stockholders?

Each stockholder will be entitled to one vote for each share of capital stock held by the stockholder. Each holder of common stock will vote (i) for the election of Ross J. Mangano and Gerard H. Sweeney to the Board of Directors, (ii) to ratify the appointment of Deloitte & Touche LLP as U.S. RealTel's independent auditors for fiscal year 2004 and (iii) to approve the change of U.S. RealTel's name. Each holder of Series A Preferred Stock ("Preferred Stock") will only vote, as a single class, for the election of Steve G. Nussrallah and Michael F. Elliott to the Board of Directors. Stockholders are not entitled to cumulative voting with respect to the election of directors.

Who may attend the Annual Meeting?

All stockholders as of the record date, or their duly appointed proxies, may attend the Annual Meeting.

What constitutes a quorum?

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the shares of common stock issued and outstanding on the record date and entitled to vote at the Annual Meeting will constitute a quorum, permitting the conduct of business for all matters other than the election of the two director nominees designated by the holders of Preferred Stock. The presence at the Annual Meeting, in person or by proxy, of the

Table of Contents

holders of a majority of the shares of Preferred Stock issued and outstanding on the record date and entitled to vote at the Annual Meeting will constitute a quorum, permitting the conduct of business with respect to the election of the two director nominees designated by the holders of Preferred Stock. As of the record date, 5,873,395 shares of U.S. RealTel's common stock were issued and outstanding and 100 shares of Preferred Stock were issued and outstanding. Abstentions and broker non-votes will be included in calculating the number of shares present at the Annual Meeting for purposes of determining quorum.

How do I vote?

If you complete, properly sign and return the accompanying proxy card, it will be voted as you direct. If you are a registered stockholder and attend the Annual Meeting, you may deliver your completed proxy card in person. Street name stockholders who wish to vote at the Annual Meeting will need to obtain a proxy card from the institution that holds their shares in order to attend and vote at the Annual Meeting.

Can I change my vote after I return my proxy card?

Yes. Even after you have submitted your proxy, you may change your vote at any time before the proxy is exercised by filing with the Secretary of U.S. RealTel either a notice of revocation or a duly executed proxy bearing a later date. The powers of your proxy holder will be suspended if you attend the Annual Meeting in person and so request, although attendance at the Annual Meeting will not, by itself, revoke a previously granted proxy.

How will uninstructed proxies be cast?; What are the Board of Directors' recommendations?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of the Board of Directors. The Board of Directors recommends (1) a vote FOR election of the applicable nominated slate of directors; (2) a vote FOR the ratification of the appointment of Deloitte & Touche LLP as independent auditors for fiscal year 2004; and (3) a vote FOR approval of the change of U.S. RealTel's name.

With respect to any other matter that properly comes before the Annual Meeting, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, in their own discretion.

What vote is required to approve each proposal?

The affirmative vote of a plurality of the issued and outstanding shares of common stock or Preferred Stock, respectively, present, in person or by proxy, and entitled to vote at the Annual Meeting is required for the election of directors. A properly executed proxy marked WITHHOLD with respect to the election of one or more directors will not be voted with respect to the director or directors indicated. If a quorum is present at the Annual Meeting, the nominees receiving the greatest number of votes will be elected as directors. Shares represented by proxies which were marked WITHHOLD for a nominee will have the same effect as a vote AGAINST the nominee when determining which nominees receive a plurality of the votes cast at the Annual Meeting.

For each other proposal, when a quorum is present, the affirmative vote of the holders of a majority of the voting power of the stock issued and outstanding and entitled to vote at the meeting, present in person or represented by proxy, is required to approve the applicable matter. A properly executed proxy marked ABSTAIN with respect to any

such matter will have the effect of a vote AGAINST the applicable matter.

What are the effects of broker non-votes ?

Under the rules of self-regulatory organizations governing brokers, brokers holding shares of record for customers generally are entitled to vote on routine matters without voting instructions from their customers. The election of directors, the ratification of the appointment of Deloitte & Touche LLP and the change of U.S. RealTel's name are considered routine matters. On non-routine matters, brokers must obtain voting instructions from customers. If a broker does not receive voting instructions from a customer on non-routine matters and accordingly does not vote on these matters, this is called a broker non-vote.

Table of Contents

Who will pay for the preparation of the proxy?

U.S. RealTel will pay the cost of preparing, assembling, and mailing the proxy statement, Notice of Annual Meeting and enclosed proxy card. In addition to the use of mail, U.S. RealTel's employees may solicit proxies personally, by fax, via the Internet and by telephone. U.S. RealTel's employees will receive no compensation for soliciting proxies other than their regular salaries. U.S. RealTel may request banks, brokers, and other custodians, nominees, and fiduciaries to forward copies of the proxy material to the beneficial owners of U.S. RealTel's common stock and to request authority for the execution of proxies and U.S. RealTel may reimburse such persons for their expenses incurred in connection with these activities.

May I view the list of stockholders entitled to vote at the Annual Meeting?

A list of stockholders entitled to vote at the Annual Meeting will be available at U.S. RealTel's principal executive offices for a period of ten days prior to the Annual Meeting and at the Annual Meeting itself for examination by any stockholder for any proper purpose germane to the Annual Meeting. U.S. RealTel's principal executive offices are located at Fifteen Piedmont Center, 3575 Piedmont Road, Suite 100, Atlanta, Georgia 30305, and U.S. RealTel's telephone number is (404) 442-0120.

PROPOSAL 1 ELECTION OF DIRECTORS

Directors Standing for Election

U.S. RealTel's Bylaws provide that the Board of Directors shall consist of not less than five nor more than ten members, with the exact number fixed from time to time by resolution of the Board of Directors. U.S. RealTel's Board of Directors by resolution has set the number of directors at five and the current term of each director expires at the Annual Meeting. U.S. RealTel currently has one vacant seats on its Board of Directors and is currently seeking a qualified candidate to fill a vacant seat.

As noted elsewhere, the holders of a majority of the issued and outstanding shares of Preferred Stock are entitled to designate two directors to the Board of Directors and vote as a single class to elect the two directors at the Annual Meeting. The holders of the Preferred Stock have notified U.S. RealTel that they intend to designate and elect Michael F. Elliot and Steve G. Nussrallah, each of whom are currently serving as directors, at the Annual Meeting. If elected, Messrs. Elliot and Nussrallah will serve until the 2005 annual stockholders' meeting or until their successors are duly elected and qualified. Messrs. Elliot and Nussrallah have consented to stand for re-election.

The Board of Directors has nominated the following individuals, all of whom are currently serving as directors, to stand for re-election, and proxies representing U.S. RealTel common stock will be voted for their re-election absent contrary instructions. Each nominee, if elected by the holders of common stock, will serve until the 2005 annual stockholders' meeting or until his successor is duly elected and qualified.

Ross J. Mangano
Gerard H. Sweeney

Messrs. Mangano and Sweeney have consented to stand for re-election. For additional information regarding the above nominees, including a description of their business experience, please see Management Executive Officers and Directors below.

If a nominee being considered by the holders of common stock becomes unavailable to serve as a director, the Board of Directors may designate a substitute nominee. The Board of Directors has no reason to believe that any nominee will refuse to act or be unable to accept election; however, in the event that a nominee for a directorship to be elected is unable to accept election or if any other unforeseen contingencies should arise, it is intended that proxies will be voted for the remaining nominees and for such other person as may be designated by the Board of Directors, unless directed by a proxy to do otherwise.

Compensation Committee. The Board of Directors maintains a Compensation Committee which is responsible for U.S. RealTel's management compensation strategy and incentive compensation plans. The Compensation Committee's responsibilities include reviewing and making recommendations regarding (i) annual salaries of, and awards granted under U.S. RealTel's incentive plans to, the executive officers and directors of U.S. RealTel and each of its subsidiaries and (ii) stock compensation arrangements for all the employees of U.S. RealTel and each of its subsidiaries. The Compensation Committee also administers U.S. RealTel's 1999 Employee Equity Incentive Plan. The Compensation Committee met six times during the fiscal year 2003. A copy of the Compensation Committee Charter is available at www.cypresscom.net by clicking Investors then Corporate Governance. The information set forth on this website should not be deemed filed with, and is not incorporated by reference into, this proxy statement or any of U.S. RealTel's other filings under the Securities Act or the Exchange Act, except to the extent that U.S. RealTel specifically so provides.

Audit Committee. The Board of Directors maintains an Audit Committee which is primarily responsible for assisting the Board of Directors in fulfilling its fiduciary oversight responsibilities by reviewing (i) the financial information provided to stockholders and other systems of internal controls which management and the Board of Directors have established, (ii) the legal and ethical conduct of U.S. RealTel and its employees relating to preparation of financial information and (iii) the audit process. The Audit Committee met four times during the fiscal year 2003. A copy of the Audit Committee Charter is available at www.cypresscom.net by clicking Investors then Corporate Governance. The information set forth on this website should not be deemed filed with, and is not incorporated by reference into, this proxy statement or any of U.S. RealTel's other filings under the Securities Act or the Exchange Act, except to the extent that U.S. RealTel specifically so provides.

Independent Directors and Audit Committee Financial Expert. As a company with its common stock traded on the Over-the-Counter Bulletin Board and not on Nasdaq or the New York Stock Exchange, U.S. RealTel is not required to have independent directors. However, the SEC rules require U.S. RealTel to disclose whether its directors would be independent under the rules of one of such trading markets' listing standards. The Board of Directors has determined that Gerard H. Sweeney is independent within the meaning of Rules 4200(a)(15) and 4350(d) of the National Association of Securities Dealers (NASD) listing standards. The Board of Directors determined that Michael F. Elliot, Ross J. Mangano and Steve G. Nussrallah were not independent because their beneficial share ownership may cause each of them to be deemed an affiliate of U.S. RealTel and because each received, or may be deemed to have received, certain payments under U.S. RealTel's Bridge Loan described in Certain Relationships and Related Transactions elsewhere in this proxy statement. The Board of Directors has determined that Gerard H. Sweeney is an audit committee financial expert as such term is defined in the rules promulgated by the SEC under the Sarbanes-Oxley Act of 2002.

How are nominees to the Board of Directors identified?

The Nominating Committee identifies nominees for director on its own as well as by considering recommendations from other members of the Board of Directors, officers and employees of U.S. RealTel, and other sources that the committee deems appropriate. The Nominating Committee also will consider stockholder recommendations for nominees for director subject to such recommendations being made in accordance with U.S. RealTel's Bylaws. The Nominating Committee will not alter the manner in which it evaluates nominee candidates based on the source from which the nominee candidate was identified to the Nominating Committee.

May stockholders nominate directors?

U.S. RealTel's Bylaws permit stockholders to nominate directors by timely providing notice in writing to the Secretary of U.S. RealTel. To be timely, a stockholder's notice must be delivered to, or mailed and received by, the Secretary of U.S. RealTel at the principal executive offices of U.S. RealTel not less than one hundred twenty (120) nor more than one hundred fifty (150) days prior to the Annual Meeting; provided, however, that if U.S. RealTel has not publicly disclosed the date of the Annual Meeting at least seventy (70) days prior to the Annual Meeting date, the stockholder must deliver written notice to, or mail such written notice so that it is received by, the Secretary of U.S. RealTel, at the principal executive offices of U.S. RealTel, within ten (10) days after U.S. RealTel has publicly disclosed the date of the Annual Meeting. U.S. RealTel publicly disclosed the date of the Annual Meeting on March 30, 2004. The stockholder's notice shall set forth (i) as to each person whom the stockholder proposes to nominate for election or re-election as a director, all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors, or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (including such persons written consent to being named in the proxy statement as a nominee and to serving as a director if elected); and (ii) as to the stockholder giving notice (A) the name and address, as they appear on U.S. RealTel's books, of such stockholder, and (B) the class and number of shares of U.S. RealTel which are beneficially owned by such stockholder. U.S. RealTel expects to hold its 2005 Annual Meeting of Stockholders on or about June 10, 2005.

How are prospective director nominees evaluated?

When evaluating prospective nominees, the Nominating Committee considers the current composition of the Board of Directors and the characteristics of each individual under consideration, including that individual's competencies, demonstrated leadership in business and community affairs, knowledge of, and experience in,

telecommunications-related business activities, experience in board of directors membership or management of other business enterprises, reputation, integrity, independence, support of U.S. RealTel's philosophy and mission, potential for conflicts of interest and other qualities the committee deems appropriate. When considering a director standing for re-election as a nominee, in addition to the attributes described above, the Nominating Committee also considers that individual's past contribution, record of participation and future commitment to U.S. RealTel. The Nominating Committee evaluates the totality of the merits of each prospective nominee that it considers and does not restrict itself by establishing minimum qualifications or attributes. The Nominating Committee will also seek to assure that the board, and consequently the Audit Committee, will have at least one member who qualifies as an audit committee financial expert.

Table of Contents

What is the source of the current nominees?

Each of the nominees are currently directors of U.S. RealTel. In addition, Steve G. Nussrallah and Michael F. Elliott were designated as nominees by the holders of Preferred Stock.

What is the Board of Directors policy on stockholder communication?

The Board of Directors encourages stockholders to communicate with it by sending written correspondence to U.S. RealTel, Inc., Attention: Chairperson of the Nominating Committee, c/o Corporate Secretary, 15 Piedmont Center, Suite 100, Atlanta, Georgia 30305. The Chairperson of the Nominating Committee and his or her duly authorized agents shall be responsible for collecting and organizing stockholder communications. Absent a conflict of interest, the Chairperson of the Nominating Committee is responsible for evaluating the materiality of each stockholder communication and determining which stockholder communications are to be presented to the full Board or other appropriate body.

What is U.S. RealTel's policy regarding attendance at annual meetings?

Historically, U.S. RealTel's annual meetings have not been well attended by stockholders. U.S. RealTel has not had a policy with respect to director attendance at these meetings, and last year Ross J. Mangano, Steve G. Nussrallah and Michael F. Elliott attended the annual meeting. This year, however, U.S. RealTel has instituted a policy encouraging directors to attend annual meetings.

Does U.S. RealTel have a code of ethics?

U.S. RealTel has adopted a Code of Ethics for its chief executive officer and senior financial officers. A copy of this code may be found at www.cypresscom.net. You will find the Code of Ethics by clicking Investors then Corporate Governance. U.S. RealTel intends to satisfy the disclosure requirement under Item 10 of Form 8-K by posting such information on its website. The information set forth on this website should not be deemed filed with, and is not incorporated by reference into, this proxy statement or any of U.S. RealTel's other filings under the Securities Act or the Exchange Act, except to the extent that U.S. RealTel specifically so provides.

PROPOSAL 2 APPOINTMENT OF INDEPENDENT AUDITORS

What am I voting on?

The Audit Committee has appointed Deloitte & Touche LLP as independent auditors to audit and report on the financial statements of U.S. RealTel for fiscal year 2004. Although U.S. RealTel's governing documents do not require submission of the selection of independent auditors to the stockholders for approval, the Audit Committee considers it desirable that its appointment of Deloitte & Touche LLP be ratified by the stockholders. This is an advisory vote. Therefore, even if the proposal is not ratified by the stockholders, the Audit Committee, in its discretion, may elect to retain Deloitte & Touche LLP as independent auditors for fiscal year 2004 while considering other options for the future. If the appointment of Deloitte & Touche LLP as independent auditors is ratified, the Audit Committee, in its discretion, may appoint new independent auditors if the Audit Committee believes such a change would be in the best interest of U.S. RealTel and its stockholders.

See Relationship With Independent Auditors elsewhere in this proxy statement.

The Board of Directors recommends a vote FOR this proposal.

Table of Contents

Will a representative of Deloitte & Touche LLP be present at the Annual Meeting?

**PROPOSAL 3 APPROVAL OF THE CHANGE OF U.S. REALTEL S NAME TO
CYPRESS COMMUNICATIONS HOLDING CO., INC.**

To what name does U.S. RealTel propose to change its name?

The Board of Directors has determined that it is in the best interests of U.S. RealTel and its stockholders to change the name of U.S. RealTel. The Board of Directors has determined that the use of both the names U.S. RealTel and Cypress Communications causes confusion among the parties with whom Cypress Communications does business, the general investing public and U.S. RealTel s stockholders. As the business relationships of U.S. RealTel and brand recognition are connected to the Cypress Communications name, the Board of Directors has determined, in order to avoid continued confusion and any adverse effect such confusion may cause to U.S. RealTel s operations and stockholder value, to change the name of U.S. RealTel to Cypress Communications Holding Co., Inc. Under Delaware law, a name change, such as the one proposed here, may be effective only upon U.S. RealTel stockholder approval. Upon stockholder approval of this name change, U.S. RealTel will change its OTCBB symbol to such symbol as is assigned to U.S. RealTel by Nasdaq.

What are the principal effects of approval or nonapproval?

If the name change proposal is approved, U.S. RealTel s Certificate of Incorporation will be amended to change the name from U.S. RealTel, Inc. to Cypress Communications Holding Co., Inc. This name change will be effective upon the filing of an amendment to U.S. RealTel s Certificate of Incorporation with the Secretary of State of Delaware providing the following:

RESOLVED, that Article I of the Certificate of Incorporation is hereby amended by deleting it in its entirety and replacing it with the following.

The name of the corporation is Cypress Communications Holding Co., Inc.

The filing is expected to take place shortly after the Annual Meeting. There will be no change in the rights of holders of U.S. RealTel common stock. If this proposal is not approved by the U.S. RealTel stockholders, then the amendment to U.S. RealTel s Certificate of Incorporation will not be filed and U.S. RealTel will retain its current name, U.S. RealTel, Inc.

The Board of Directors recommends a vote FOR this proposal.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee operates pursuant to an Audit Committee Charter, a copy of which is attached to this Proxy Statement as Appendix A. U.S. RealTel s Audit Committee is comprised of at least three directors. U.S. RealTel s

management is responsible for internal accounting controls and the financial reporting process. U.S. RealTel's independent auditors, Deloitte & Touche LLP, are responsible for performing an audit of U.S. RealTel's consolidated financial statements in accordance with auditing standards generally accepted in the United States and for expressing an opinion as to their conformity with generally accepted accounting principles. The Audit Committee's responsibility is to monitor and oversee these processes.

In fulfilling its responsibility, the Audit Committee has reviewed and discussed U.S. RealTel's audited consolidated financial statements as of and for the fiscal year ended December 31, 2003 with management and the independent auditors. In addition, the Audit Committee has discussed and reviewed with the independent auditors all communications required by generally accepted auditing standards, including those described in Statement on Auditing Standards No. 61, *Communications with Audit Committee*, as currently in effect, and, with management present, discussed and reviewed the results of the independent auditors' examination of the financial statements.

Table of Contents

The Audit Committee has also received the written disclosures from the independent auditors required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, and has discussed with the independent auditors their independence. The Audit Committee has also considered whether the provision of non-audit services by the independent auditors is compatible with maintaining independence between U.S. RealTel and the independent auditors.

Based on the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and in the Audit Committee Charter, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements of U.S. RealTel be included in the Annual Report on Form 10-KSB for the year ended December 31, 2003 for filing with the Securities and Exchange Commission.

Submitted by the Audit Committee of the Board of Directors.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In July 2002, U.S. RealTel, through its wholly owned subsidiary, Cypress Communications, completed the purchase of certain assets of Intermedia Advanced Building Networks, the shared tenant telecommunications

services business of WorldCom, Inc (ABN/STS). U.S. RealTel and Cypress Communications raised \$28 million to finance the acquisition. The \$28 million financing included:

- (i) a \$10 million senior secured revolving credit facility from Silicon Valley Bank (as amended, the Senior Credit Facility);
- (ii) an \$8 million bridge loan (the Bridge Loan) from the J. Oliver Cunningham Trust (the JOC Trust), the Anne C. McClure Trust (the ACM Trust), the Jane C. Warriner Trust (the JCW Trust), Noro-Moseley Partners V, L.P.(Noro-Mosley), and the Wakefield Group III, LLC (Wakefield and together with the JOC Trust, the ACM Trust, the JCW Trust and Noro-Mosley, the Bridge Lenders); and
- (iii) the sale of \$10 million of Fixed Rate Convertible Notes due July 1, 2009 (the Convertible Notes) to Dolphin Communications, Dolphin Netherlands, Noro-Moseley and Wakefield (collectively, the Purchasers).

The JOC Trust, the ACM Trust and the JCW Trust are affiliates of certain stockholders of U.S. RealTel and of Mr. Mangano. Mr. Michael F. Elliot is the managing director of Wakefield. Mr. Steve G. Nussrallah is the general partner of Noro-Moseley.

The Bridge Loan was obtained by U.S. RealTel and Cypress Communications pursuant to a Loan Agreement dated July 16, 2002 among U.S. RealTel, Cypress Communications and the Bridge Lenders and was amended on March 24, 2004. The Bridge Loan accrues interest at 14% per annum and matures on (A) the earlier to occur of, if the maturity date of the Senior Credit Facility is extended beyond July 16, 2004, (i) one business day following the maturity, acceleration or termination of the Senior Credit Facility and (ii) July 16, 2005 or (B) the earlier to occur of, if the maturity date of the Senior Credit Facility is not extended beyond July 16, 2004, (i) one business day following the refinancing of the Senior Credit Facility with funds sufficient to satisfy U.S. RealTel's obligations to the Bridge Lenders and (ii) July 16, 2005. Each Bridge Lender was entitled to receive an initial loan fee equal to 2.5% of that portion of the Bridge Loan that was funded by such Bridge Lender. Because the Bridge Loan was outstanding 60 days after the closing, U.S. RealTel and Cypress Communications became obligated to pay each Bridge Lender an additional loan fee equal to 1.25% of the then outstanding principal balance of such Bridge Lender's share of the Bridge Loan. Because the Bridge Loan was outstanding 90 days after the closing of the Bridge Loan, U.S. RealTel and Cypress Communications became obligated subsequent to the end of the quarterly period ended September 30, 2002 to pay each Bridge Lender an additional loan fee equal to 1.25% of the then outstanding principal balance of such Bridge Lender's share of the Bridge Loan. Additionally, as the Bridge Loan was outstanding 120 days after the closing of the Bridge Loan, U.S. RealTel and Cypress Communications became obligated to pay to each Bridge Lender an additional loan fee equal to 1.00% of the then outstanding principal balance of such Bridge Lender's share of the Bridge Loan. The loan fees described above are cumulative and are payable on the earlier to occur of the maturity date of the Bridge Loans or the date on which the Bridge Loans are paid in full. At the closing of the Bridge Loan, U.S. RealTel issued the Bridge Lenders warrants to purchase an aggregate of 400,000 shares of U.S. RealTel's common stock at an exercise price of \$1.13 per share. These warrants are exercisable for a term of 10 years.

The Convertible Notes were issued by U.S. RealTel and Cypress Communications pursuant to a Purchase Agreement dated July 16, 2002 among U.S. RealTel, Cypress Communications and the Purchasers. The Convertible Notes accrue interest at the rate of 7.5% per annum, compounded quarterly, and payable at maturity of the notes, whether upon their stated maturity of July 1, 2009, or earlier as a result of acceleration in the event of a default or upon redemption of the Convertible Notes. The principal of and accrued interest on the Convertible Notes is convertible into U.S. RealTel's common stock at \$1.13 per share. The Convertible Notes are redeemable by U.S. RealTel or Cypress Communications at any time by payment of the outstanding principal balance and accrued interest. In the event that the Convertible Notes are redeemed, the Purchasers have been issued warrants which will then be eligible for exercise to purchase the number of shares of common stock of U.S. RealTel that the Convertible Notes were convertible into on the redemption date at a conversion price of \$1.13 per share. In connection with the issuance

of the Convertible Notes, U.S. RealTel, the Purchasers and the Bridge Lenders entered into a registration rights agreement, which provides for the registration of the common stock issuable upon (i) the conversion of the

Convertible Notes; (ii) the exercise of the Warrants issued in connection with the Bridge Loan; and (iii) the exercise of the Warrants exercisable upon the redemption of the Convertible Notes.

In connection with the issuance of the Convertible Notes, the Purchasers were issued a total of 100 shares of U.S. RealTel's Preferred Stock without additional consideration. The rights of the Preferred Stock are set forth in a Certificate of Designations adopted by the Board of Directors. The holders of a majority of the Preferred Stock are entitled to elect two members of the Board of Directors and the holders of the Preferred Stock are entitled to receive dividends and distributions equal to those payable to the holders of an equivalent number of shares of U.S. RealTel's common stock. In addition, U.S. RealTel may not, without the prior written consent of holders of a majority of the Preferred Stock, (i) increase or decrease (other than by redemption or conversion) the authorized number of shares of Preferred Stock; (ii) cancel or modify the voting rights of the holders of Preferred Stock; cancel or modify the rights of the holders of Preferred Stock; or (iii) amend, waive, alter, modify or repeal any provision of the Certificate of Incorporation or Bylaws of U.S. RealTel, if such amendment, alternation, modification or repeal would adversely affect the Preferred Stock, including the issuance of preferred stock with voting rights senior to or pari passu with the Preferred Stock. The Preferred Stock is redeemable by U.S. RealTel in the event that:

- (a) at least 75% of the principal amount of the Convertible Notes is converted into shares of common stock of U.S. RealTel;
 - (b) at least 75% of the principal amount of the Convertible Notes is redeemed;
 - (c) U.S. RealTel has submitted an application in good faith to apply for listing on AMEX, NASDAQ or another national exchange to register its securities on such exchange, the average daily trading price per share of the common stock as reported in such application is at least \$4.00 per share, and U.S. RealTel subsequently receives a comment from such exchange that its application for listing will not be accepted so long as the Series A Preferred remains outstanding with the voting rights described herein; or
 - (d) the outstanding principal and interest on the Convertible Notes are paid in full on the maturity date of the Convertible Notes.
- The redemption price for the Preferred Stock is \$0.001 per share.

U.S. RealTel believes that all transactions between it and the related parties are on terms no less favorable to us than those terms U.S. RealTel could have obtained from unaffiliated third parties.

COMPLIANCE WITH SECTION 16(a) OF THE SECURITIES EXCHANGE ACT OF 1934

Section 16(a) of the Exchange Act requires U.S. RealTel's directors and executive officers, and persons who own more than 10% of U.S. RealTel's outstanding common stock, to file with the SEC initial reports of ownership and reports of changes in ownership of common stock. These persons are required by SEC regulation to furnish us with copies of all such reports they file.

To U.S. RealTel's knowledge, based solely on a review of Forms 3 and 4 and amendments thereto furnished to U.S. RealTel under Exchange Act Rule 16a-3(e) during the year ended December 31, 2003 and Form 5 and amendments thereto furnished to U.S. RealTel with respect to the year ended December 31, 2003, and any written representation that a Form 5 is not required to be filed, U.S. RealTel believes that all of its directors, executive officers, 10% stockholders and other individuals designated as Section 16 filers by U.S. RealTel complied during the year ended December 31, 2003 with the reporting requirements of Section 16(a) of the Exchange Act other than: the Form 4 reporting the stock option grant to Deena K. Snipes on June 25, 2003 was filed late on July 1, 2003.

RELATIONSHIP WITH INDEPENDENT AUDITORS

The firm of Deloitte & Touche LLP has served as U.S. RealTel's independent auditors since the fourth quarter ended December 31, 2002. The Audit Committee has appointed Deloitte & Touche LLP as U.S. RealTel's independent auditors for 2004.

On September 25, 2002, U.S. RealTel dismissed its independent auditors, BDO Seidman, LLP. The dismissal was recommended by the Audit Committee and approved by the Board of Directors. On October 16, 2002, U.S. RealTel engaged Deloitte & Touche LLP as its independent auditors for the fiscal year ending December 31, 2002. The engagement of Deloitte & Touche LLP was approved by the Audit Committee.

During U.S. RealTel's two most recent fiscal years and the subsequent interim period through September 25, 2002, U.S. RealTel did not consult with Deloitte & Touche LLP regarding any of the matters or events set forth in Item 304(a)(2)(i) or (ii) of Regulation S-B.

BDO Seidman, LLP audited the financial statements for U.S. RealTel for the fiscal year ended December 31, 2001 and for the fiscal year ended December 31, 2000. Neither of the audit reports of BDO Seidman, LLP for those years contained any adverse opinion or a disclaimer of opinion, or was qualified or modified as to uncertainty, audit scope, or accounting principles.

In connection with the audits for the fiscal years ended December 31, 2001 and 2000 and for the unaudited interim period through the date hereof, there were no disagreements with BDO Seidman, LLP on any matter of accounting principle or practice, financial statement disclosure, or audit procedure or scope which disagreement, if not resolved to the satisfaction of BDO Seidman, LLP would have caused it to make reference to the subject matter of the disagreement in its report.

In connection with the audit of the fiscal years ended December 31, 2001 and 2000 and for the unaudited interim period through the date hereof, BDO Seidman, LLP did not advise U.S. RealTel that:

- (i) internal controls necessary for U.S. RealTel to develop reliable financial statements did not exist;
- (ii) information had come to its attention that led it to no longer be able to rely on management's representations, or that made it unwilling to be associated with the financial statements prepared by management;
- (iii) there existed a need to expand significantly the scope of its audit, or that information had come to the attention of BDO Seidman, LLP, that if further investigated may materially impact the fairness or reliability of either: a previously issued audit report or the underlying financial statements, or the financial statements issued or to be issued covering the fiscal period subsequent to the date of the most recent financial statements covered by an audit report (including information that may prevent it from rendering an unqualified audit report on those financial statements).
- (iv) information had come to BDO Seidman, LLP's attention that it concluded materially impacts the fairness or reliability of either (a) a previously issued audit report or the underlying financial statements, or (b) the financial statements issued or to be issued covering the fiscal period subsequent to the date of the most recent financial statements covered by an audit report (including information that, unless resolved to BDO Seidman, LLP's satisfaction, would prevent it from rendering an unqualified audit report on those financial statements), and due to BDO Seidman, LLP's dismissal, the issue has not been resolved to BDO Seidman, LLP's satisfaction prior to its dismissal.

During the years ended December 31, 2002 and 2003, Deloitte & Touche and BDO Seidman LLP, collectively, billed U.S. RealTel the fees set forth below in connection with services rendered by those firms to U.S. RealTel.

Table of Contents

	2002	2003
Audit Fees	\$261,447	\$190,000
Audit Related Fees	0	9,000
Tax Fees	72,952	54,000
All Other Fees	4,300	0
Total Fees	\$338,699	287,855

Audit Fees include fees for services performed to comply with generally accepted auditing standards, including the recurring audit of U.S. RealTel's financial statements. This category also includes fees for audits provided in connection with statutory filings or services that generally only the principal accountant reasonably can provide to a client, such as procedures related to audit of income tax provisions and related reserves, comfort letters, statutory audits, attest services, consents and assistance with and review of documents filed with the SEC.

Audit-Related Fees include fees associated with assurance and related services that are reasonably related to the performance of the audit or review of U.S. RealTel's financial statements. This category includes fees related to assistance in financial due diligence related to mergers and acquisitions, consultations regarding generally accepted accounting principles, reviews and evaluations of the impact of new regulatory pronouncements, general assistance with implementation of the new SEC and Sarbanes-Oxley Act of 2002 requirements and audit services not required by statute or regulation. Audit-related fees also include audits of pension and other employee benefit plans, as well as the review of information systems and general internal controls unrelated to the audit of the financial statements.

Tax fees primarily include fees associated with tax audits, tax compliance, tax consulting, as well as domestic and international tax planning. This category also includes tax planning on mergers and acquisitions, restructurings, as well as other services related to tax disclosure and filing requirements.

All other fees primarily include fees associated with products and services provided by the principal accountant, other than those that are included in audit fees, audit-related fees and tax fees.

None of the fees paid to the independent auditors were approved by the Audit Committee after the services were rendered pursuant to the de minimis exception established by the SEC for the provision of non-audit services.

The Audit Committee has considered whether the provision of services described above under Audit Related Fees, Tax Fees, and All Other Fees is compatible with maintaining the independence of Deloitte & Touche, and has concluded that it is so compatible.

Pre-Approval Policy

The Audit Committee Charter provides that the Audit Committee shall pre-approve all audit services and permitted non-audit services (including the fees and terms thereof) to be performed for U.S. RealTel by its independent auditors; provided that the Chairman of the Audit Committee may pre-approve all auditing and permitted non-audit services that do not exceed \$25,000 and the Chairman shall report any approval given at the next Audit Committee meeting.

OTHER MATTERS

ADDITIONAL INFORMATION

Advance Notice Procedures. Under U.S. RealTel's Bylaws, no business may be brought before an annual meeting by a stockholder unless the Secretary of U.S. RealTel receives from the stockholder entitled to vote a written notice containing information specified in U.S. RealTel's Bylaws not less than 120 or more than 150 days prior to the first anniversary of the date of notice of the preceding year's annual meeting of stockholders; provided, however, that in the event that no annual meeting of stockholders or election by consent was held in the previous year, notice by the stockholder to be timely must be received by us not later than the 10th day following the day on which the annual meeting date is publicly disclosed. These requirements are separate from and in addition to the SEC's requirements in Rule 14a-8 that a stockholder must meet in order to have a stockholder proposal included in U.S. RealTel's proxy statement.

Stockholder Proposals for the 2005 Annual Meeting. Stockholders interested in submitting a proposal for inclusion in the proxy materials for U.S. RealTel's annual meeting of stockholders in 2005 may do so by following the procedures prescribed above and in SEC Rule 14a-8. To be eligible for inclusion, stockholder proposals must be received by us no later than February 11, 2005.

Beneficial Owners. Unless contrary instructions are received, U.S. RealTel may send a single copy of its annual report, proxy statement and notice of annual meeting to any household at which two or more stockholders reside if U.S. RealTel believes the stockholders are members of the same family. Each stockholder in the household will continue to receive a separate proxy card. This process, known as "householding," reduces the volume of duplicate information received at your household and helps to reduce U.S. RealTel's expenses.

If you would like to receive your own set of U.S. RealTel's annual disclosure documents this year or in future years, follow the instructions described below. Similarly, if you share an address with another stockholder and together both of you would like to receive only a single set of U.S. RealTel's annual disclosure documents, follow these instructions.

If your shares are registered in your own name, please contact U.S. RealTel at its executive offices at Fifteen Piedmont Center, 3575 Piedmont Road, Suite 100, Atlanta, Georgia, 30305, Attention: Secretary at (404) 442-0120 to inform us of your request. If a bank, broker or other nominee holds your shares, please contact your bank, broker or other nominee directly.

Unless a quorum consisting of a majority of the outstanding shares entitled to vote is represented at the Annual Meeting, no business can be transacted. Therefore, please be sure to date and sign your proxy exactly as your name appears on your stock certificate and return it in the enclosed prepaid return envelope. Please act promptly to ensure that you will be represented at this important Annual Meeting.

**U.S. REALTEL, INC.
AUDIT COMMITTEE CHARTER**

STATEMENT OF POLICY

The Audit Committee is a committee of the Board of Directors. Its primary function is to assist the Board in fulfilling its fiduciary oversight responsibilities by reviewing the financial information provided to shareholders and others, the systems of internal controls which management and the Board of Directors have established, the legal and ethical conduct of the Company and its employees relating to preparation of financial information, and the audit process.

OPERATING POLICIES

1. The Audit Committee shall consist of no fewer than three members. To the extent applicable to the Company, the members of the Audit Committee shall meet the independence and experience requirements of Section 10A(m)(3) of the Securities Exchange Act of 1934 (the "Exchange Act"), the rules and regulations of the Securities and Exchange Commission (the "SEC") and the rules and regulations of any exchange or national market on which the Company's common stock is quoted or listed for trading and the rules of any other body with regulatory authority over the Company.

2. The members of the Audit Committee shall be appointed by the Board on the recommendation of the Nominating Committee. Audit Committee members may be replaced or added by the Board at any time.

3. The Committee shall meet at least four times per year or more frequently as circumstances require. The Audit Committee is expected to maintain free and open communication with management, the Company's internal audit staff and the Independent Accountant. This communication shall include private executive sessions, at least annually, with each of these parties. The Audit Committee Chairman shall report on all Audit Committee activities to the full Board. The Audit Committee may request any officer or employee of the Company or the Company's outside counsel or Independent Accountant to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee.

4. The Committee shall have the power to conduct or authorize investigations into any matters within the Committee's scope of responsibilities. The Committee shall be empowered to retain independent counsel, accountants, or others to assist it in the conduct of any investigation.

COMMITTEE AUTHORITY

1. The Audit Committee shall have the sole authority to appoint or replace the Independent Accountant (subject, if applicable, to shareholder ratification). The Audit Committee shall be directly responsible for the compensation and oversight of the work of the Independent Accountant (including resolutions of disagreements between management and the

Independent Accountant regarding financial reporting) for the purpose of preparing or issuing an audit report or related work. The Independent Accountant shall report directly to the Audit Committee.

2. The Audit Committee shall prepare the report required by the SEC to be included in the Company's annual proxy statement, and any other report or document required to be prepared by the Committee by the SEC or by any exchange or national market on which the Company's common stock is quoted or listed for trading.

3. The Audit Committee shall preapprove all audit services and permitted non-audit services (including the fees and terms thereof) to be performed for the Company by its Independent Accountant, subject to the de minimis exceptions for non-audit services described in Section 10A(i)(1)(B) of the Exchange Act which are approved by the Audit Committee prior to the completion of the audit; provided that the Chairman of the Audit Committee may pre-approve all audit services and permitted non-audit services that, individually, would not cause the Company to incur expenses in excess of \$25,000. The Chairman shall report to the Audit Committee any such approval given at the next Audit Committee meeting.

4. The Audit Committee may form and delegate authority to subcommittees consisting of one or more members when appropriate, including the authority to grant preapprovals of audit and permitted non-audit services, provided that decisions of such subcommittee to grant preapprovals shall be presented to the full Audit Committee at its next scheduled meeting.

5. The Company shall provide for appropriate funding, as determined by the Audit Committee, for payment of compensation to the Independent Accountant for the purpose of rendering or issuing an audit report and to any advisor employed by the Audit Committee.

RESPONSIBILITIES

In meeting its responsibilities, the Audit Committee is expected to:

1. Review its charter on an annual basis and, as appropriate, recommend amendments to the Board.
2. Request and review a statement from the Independent Accountant delineating all relationships between the Independent Accountant and the Company to determine the independence of the Independent Accountant.
3. Provide an open and independent avenue of communication between the Company's internal audit staff, if any, the Independent Accountant and the Board of Directors.
4. Review and recommend to the Board of Directors the appointment, replacement, reassignment, or dismissal of any member of the internal audit staff, if any.
5. Inquire of the Independent Accountant and appropriate management about significant risks or exposures and assess the steps management has taken to minimize such risks to the Company.

Recommend to the Board of Directors whether the audited annual financial statements should be included in the Company's Annual Report on Form 10-K.

12. Review disclosures made to the Audit Committee by the Company's Chief Executive Officer and Chief Financial Officer during their certification process for the Form 10-K and Form 10-Q about any significant deficiencies in the design or operation of internal controls or material weaknesses therein and any fraud involving management or other employees who have a significant role in the Company's internal controls.
