ITEM 1.01 ENTRY INTO A DEFINITIVE MATERIAL AGREEMENT

As reported in the Company's Form 8-K filed on May 17, 2005, in contemplation of his assuming the role of chief executive officer of the Company as of July 1, 2005, Jackson W. Moore and the Company memorialized in a letter of understanding their agreement to certain amendments to Mr. Moore's compensation arrangements, which they believe to be consistent with Region Financial

Corporation's aspirations of best governance practices. Consistent with those aspirations, Regions and Mr. Moore implemented the letter of understanding by formally amending Mr. Moore's employment agreement with Regions, in the form of an amended and restated employment agreement dated as of June 29, 2005 (the "employment agreement," filed as exhibit 99.1 to the Company's Form 8-K filed on July 6, 2005). Both the letter of understanding and the employment agreement contemplate that Company aircraft will be made available for personal use by Mr. Moore from time to time and that Mr. Moore will pay the Company for his personal use. In the employment agreement, Regions and Mr. Moore agreed to establish the arrangement by which Mr. Moore would bear the cost of his personal use of Company aircraft, subject to compliance with applicable Federal Aviation Administration (FAA) regulations.

Accordingly, on November 2, 2005, Regions and Mr. Moore entered into an aircraft time sharing agreement pursuant to which Mr. Moore will pay the Company for his personal use of company aircraft. Mr. Moore will pay the Company for the actual expenses of each specific flight for: (a) fuel, oil, lubricants and other additives; (b) travel expenses of the crew, including food, lodging and ground transportation; (c) hangar and tie down costs away from the aircraft's base of operation; (d) insurance obtained for the specific flight; (e) landing fees, airport taxes and similar assessments; (f) customs, foreign permit and similar fees directly related to the flight; (g) in-flight food and beverages; (h) passenger ground transportation; (i) flight planning and weather contract services; and (j) an additional charge equal to fifty percent (50%) of the expenses listed in clause (a) above. These are the only categories of expenses permitted to be paid by Mr. Moore under applicable FAA regulations.

The Company and flight crew retain the authority to determine what flights may be scheduled and when a flight may be cancelled or changed for safety or maintenance reasons.

This agreement will terminate on the earlier of (a) termination by mutual consent, (b) the date of Mr. Moore's termination of employment with the Company or (c) the date of Mr. Moore's death.

A copy of the aircraft time sharing agreement is attached hereto as Exhibit 99.1 and hereby incorporated by reference.
