This Amendment No. 1 amends and supplements the Tender Offer Statement on Schedule TO (the *Schedule TO*), filed with the Securities and Exchange Commission (the *Commission*) on December 1, 2008, by Cumulus Media Inc., a Delaware corporation (the *Company*). The Schedule TO relates to the offer (the *Offer*) by the Company to certain of its employees and non-employee directors (or a designated affiliate of one of the foregoing) to exchange their outstanding options to purchase the Company's Class A Common Stock, par value \$0.01 per share (*Class A Common Stock*) that were granted on or after October 2, 2000 (*eligible options*) for a combination of restricted shares of our Class A Common Stock (*restricted shares*) and replacement options to purchase Class A Common Stock (*new options*). The Offer is being made upon the terms and subject to the conditions described in the offer to exchange dated December 1, 2008 (as modified by this Amendment No. 1, the *Offer to Exchange*) and the related letter of transmittal (the *Letter of Transmittal*).

Item 4. Terms of the Transaction.

(b) *Purchases.*

Item 4(b) of Schedule TO, which incorporates by reference the information contained in the Offer to Exchange, is hereby amended and supplemented by adding the following paragraph and table at the end thereof. Such information supercedes and replaces the information contained in the Offer to Exchange regarding the number of restricted shares and new options to be received by our executive officers and directors in the Offer.

Pursuant to the terms and conditions of the Offer, we are offering to exchange a maximum of 300,000 restricted shares and new options exercisable for an aggregate of 1,000,000 shares of our Class A Common Stock in exchange for all eligible options outstanding as of December 1, 2008, the date the Offer was commenced. In accordance with the preexisting terms of outstanding options, certain outstanding options were forfeited and cancelled prior to the commencement of the Offer, which resulted in a reallocation, on a pro rata basis among all holders of eligible options as of December 1, 2008, of the maximum number of restricted shares and new options that will be issued pursuant to the Offer. The Participant Statements disseminated to each holder of eligible options in connection with the materials related to the Offer set forth the correct information regarding eligible options and allocation of restricted shares and new options for the respective individual holder of eligible options as of December 1, 2008. Giving effect to such reallocation, the following table sets forth, as of December 1, 2008, for each of our executive officers and directors, their titles, the number of eligible options they currently hold, the percentage of all eligible options, and the number of restricted shares and new options they will receive should they participate in the Offer.
