Item 2.02 Results of Operations and Financial Condition

On February 4, 2009, we issued a press release reporting our financial results for the three and twelve months ended December 31, 2008 (the Press Release). We also hosted a conference call and webcast on February 4, 2009 during which we made a presentation on our financial results for the three and twelve months ended December 31, 2008 (the Presentation). The Press Release and the Presentation are available on our website at www.ryder.com.

The Press Release and Presentation include information regarding (1) comparable net earnings and comparable earnings per share for both fourth quarter and full year 2008, (2) comparable effective income tax rate for the fourth quarter 2008, (3) comparable earnings per share forecast for first quarter and full year 2009, which are non-GAAP financial measures as defined by SEC regulations. We believe that these non-GAAP financial measures provide useful information to investors, and allow for better year-over-year comparison, as the measures exclude from our GAAP net earnings, earnings per share, earnings per share forecast and comparable effective tax rate, as applicable, (1) fourth quarter 2008 restructuring and other charges and expected 2009 restructuring and other charges related to previously announced strategic initiatives and workforce reduction, (2) fourth quarter 2008 reversal of reserves related to uncertain tax positions, (3) fourth quarter 2008 international asset impairments and write-offs, (4) third quarter 2008 net tax benefit from tax law changes, and (5) the impact of charges in the second quarter 2008 for prior years adjustments associated with our Brazilian Supply Chain Solutions operation, all of which are unrelated to our ongoing business operations.

Additional information regarding non-GAAP financial measures can be found in the Press Release, the Presentation and our reports filed with the SEC.

The information in this Report, including Exhibits 99.1 and 99.2, is being furnished pursuant to Item 2.02 of Form 8-K and General Instruction B.2 thereunder and shall not be deemed to be incorporated by reference in any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except as expressly set forth by specific reference to such filing.
