**Item 1.01. Entry into a Material Definitive Agreement.**

On March 30, 2009, PRG-Schultz International, Inc. (the Company ) and PRG-Schultz USA, Inc. ( PRG-Schultz USA and collectively with the Company, the Borrower ) entered into Amendment Number Two (the Amendment ) to the Amended and Restated Financing Agreement, originally dated as of September 17, 2007 (the Financing Agreement ), by and among the Borrower, Ableco Finance LLC, as collateral agent, and Wells Fargo Foothill, Inc., as administrative agent (collectively, the Agents ), and the lenders from time to time party thereto (the Lenders ). The Amendment amends certain provisions of the Financing Agreement, as previously amended, among the Borrower, the Agents and the Lenders, pursuant to which the Lenders have made available to the Borrower certain credit facilities described therein (the Credit Facilities ).

Under the existing Financing Agreement, revolving loans are made available to the Borrower under the Credit Facilities based on a Borrowing Base, the calculation of which includes a Borrowing Base Addition. As used in the Borrowing Base calculation, the Borrowing Base Addition may provide additional availability to the Borrower by increasing the Borrowing Base by a certain dollar amount over and above the Borrowing Base that would otherwise apply, subject to an overall dollar limit on the Borrowing Base Addition determined in accordance with a schedule set forth in the Financing Agreement. Pursuant to the Amendment, the availability under the Financing Agreement may be reduced somewhat as the Borrowing Base Addition in effect for each quarter will now be limited to the lesser of the amount set forth in such schedule and the AR Addition as defined in the Amendment. The Borrowing Base continues to be subject to an overall limit equal to the trailing twelve month EBITDA of the Company and its subsidiaries.

In addition, the Amendment permits the Company, subject to certain conditions, to repurchase up to an additional \$5 million of its common stock between April 1, 2009 and March 31, 2010 pursuant the Company s previously announced stock repurchase program.

Finally, the thresholds for the minimum Fixed Charge Coverage Ratio covenant and the minimum Consolidated EBITDA covenant set forth in the Financing Agreement have been lowered through March 31, 2010.

Except as described above, all other material terms of the Credit Facilities remain in full force and effect. The foregoing description is qualified in its entirety by reference to the Amendment, a copy of which is filed herewith as Exhibit 10.1 and is incorporated herein by reference.
