**Item 8.01. Other Events.**

Effective January 1, 2009, HCA Inc. (the Company) adopted the provisions of Statement of Financial Accounting Standards No. 160, Noncontrolling Interests in Consolidated Financial Statements an amendment of ARB No. 51 (SFAS No. 160). This standard requires retrospective application of its presentation and disclosure requirements. The Company is filing this Current Report on Form 8-K to retrospectively apply the provisions of SFAS No. 160 to the financial statements included in the Company's annual report on Form 10-K for the fiscal year ended December 31, 2008 (the 2008 Form 10-K). As a result of retrospectively applying the provisions of SFAS No. 160, the previously presented minority interests in equity of consolidated entities in the consolidated balance sheets have been reclassified to noncontrolling interests. Net income in the consolidated income statements has been adjusted to include the net income attributable to noncontrolling interests. Additionally, a reconciliation of the beginning and end of period equity attributable to noncontrolling interests is presented in the consolidated statements of stockholders (deficit) equity. The following Items of the 2008 Form 10-K are being adjusted retrospectively to reflect the adoption of the presentation and disclosure provisions of SFAS No. 160 as described above (which Items, as adjusted, are attached as Exhibit 99.1 through Exhibit 99.3 hereto and hereby incorporated by reference herein):

Item 6 Selected Financial Data

Item 7 Management's Discussion and Analysis of Financial Condition and Results of Operations

Item 8 Financial Statements and Supplementary Data

No Items of the 2008 Form 10-K other than those identified above are being adjusted or otherwise revised by this filing.

This Current Report on Form 8-K should be read in conjunction with the 2008 Form 10-K and the Company's quarterly report on Form 10-Q for the quarter ended March 31, 2009 and other filings with the Securities and Exchange Commission. Information in the 2008 Form 10-K is generally stated as of December 31, 2008, and this filing does not reflect any subsequent information or events other than the adoption of the presentation and disclosure provisions of SFAS No. 160 described above. Without limitation of the foregoing, this filing does not purport to update the Management's Discussion and Analysis of Financial Condition and Results of Operations contained in the 2008 Form 10-K for any information, uncertainties, transactions, risks, events or trends that subsequently occurred or became known to the Company. More current information is contained in the Company's quarterly report on Form 10-Q for the quarter ended March 31, 2009 and other filings with the Securities and Exchange Commission.
