PROXY STATEMENT

For the Annual Meeting of Shareowners to be held on October 26, 2005

SOLICITATION

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of SPARTON CORPORATION, an Ohio corporation (the Company), of proxies for use at the 2005 Annual Meeting of Shareowners of the Company (the Annual Meeting) to be held at the Holiday Inn, 2000 Holiday Inn Drive, Jackson, Michigan 49202, on Wednesday, October 26, 2005, at 10:00 a.m., Local Time, and at any and all adjournments thereof. The cost of solicitation will be paid by the Company. The Company has retained Morrow & Company, Inc. to assist in the solicitation of proxies at an estimated cost of \$7,500, plus expenses, which will be paid by the Company. In addition, officers and employees of the Company and its subsidiaries may solicit proxies personally, by telephone, facsimile or other means, without additional compensation. This Proxy Statement and the form of Proxy are expected to be mailed to Shareowners the week of September 26, 2005.

At the meeting, the Company's Shareowners will act upon the election of three directors, each to serve for a three-year term until the annual meeting held in the year 2008 or until their successors are qualified and elected, as described in more detail in this Proxy Statement.

OUTSTANDING STOCK AND VOTING RIGHTS

In accordance with the Code of Regulations of the Company, the Board of Directors has fixed the close of business on September 14, 2005, as the record date for determination of Shareowners entitled to notice of, and to vote at, the Annual Meeting. Only Shareowners of record on that date will be entitled to vote. As of September 14, 2005, the record date for the Annual Meeting, the Company had outstanding 8,894,099 shares of Common Stock, each entitled to vote at the Annual Meeting. Votes cast at the meeting and submitted by proxy are counted by the inspectors of the election, who are appointed by the Company.

Voting by Proxy

If a shareowner is a corporation or partnership, the accompanying proxy card should be signed in the full corporate or partnership name by a duly authorized person. If the proxy card is signed pursuant to a power of attorney or by an executor, administrator, trustee or guardian, the signer's full title should be given and a certificate or other evidence of appointment should be furnished. If shares are owned jointly, each joint owner should sign the proxy card.

You can vote in one of four ways. You can vote by mail, you can authorize the voting of your shares over the Internet, you can authorize the voting of your shares by telephone or you can vote in person at the Annual Meeting.

Table of Contents

If you choose to vote by mail, you may vote by completing and signing the proxy card that accompanies this Proxy Statement and promptly mailing it in the enclosed postage-prepaid envelope. You do not need to put a stamp on the enclosed envelope if you mail it in the United States. The shares you own will be voted according to the instructions on the proxy card you mail. If you return the proxy card, but do not give any instructions on a particular matter described in this Proxy Statement, the shares you own will be voted in accordance with the recommendations of the Company's Board of Directors. If you choose to vote by mail, your duly signed proxy card must be received by 10:00 a.m., Local Time, on October 26, 2005.

If you choose to vote by telephone or the Internet, instructions for a shareowner of record to vote by telephone or the Internet are set forth on the enclosed proxy card. The telephone and Internet voting procedures are designed to authenticate votes cast by use of a personal identification number that appears on the proxy card. These procedures, which comply with Ohio law, allow shareowners to appoint a proxy to vote their shares and to confirm that their instructions have been properly recorded. If you vote by telephone or the Internet, you do not have to mail in your proxy card, but your vote must be received by 11:59 p.m. Central Standard Time on October 24, 2005.

If you participate in the Company's 401(k) Plan and hold shares in your plan account, you may give voting instructions as to the number of shares credited to your account as of the record date. Only the trustee of the 401(k) Plan may vote your plan shares. You may provide voting instructions to the plan trustee through any of the voting methods described above, except that you may not vote your plan shares in person at the Annual Meeting. Your voting instructions must be received before 11:59 p.m. Central Standard Time on October 24, 2005.

If you are not the record holder of the shares you own because they are held in street name by a bank or brokerage firm, your bank or brokerage firm is required to vote your shares according to your instructions. In order to vote your shares, you will need to follow the directions your bank or brokerage firm provides you. Many banks and brokerage firms also offer the option of voting over the Internet or by telephone, instructions for which would be provided by your bank or brokerage firm on your vote instruction form. Under the rules of the New York Stock Exchange, if you do not give instructions to your bank or brokerage firm, it will still be able to vote your shares with respect to certain discretionary items, but it will not be allowed to vote your shares with respect to certain non-discretionary items. In the case of non-discretionary items, for which no instructions are received, the shares will be treated as broker non-votes.

Any proxy duly given pursuant to this solicitation may be revoked by the shareowner, at any time prior to voting, by written notice to the Secretary of the Company, by a later-dated proxy either signed and returned by mail or transmitted using the telephone or Internet voting procedures before the Annual Meeting, or by attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not in and of itself constitute a revocation of a proxy. Participants in the Company's 401(k) Plan who hold shares in their plan account and desire to revoke their voting instructions must do so before 11:59 p.m. Central Standard Time on October 24, 2005.

Table of Contents**ELECTION OF DIRECTORS**

The following directors, whose terms of office expire at the Annual Meeting, Messrs. Richard J. Johns, MD, Richard L. Langley, and William I. Noecker are nominees for election to a three (3) year term expiring in 2008. The following portion of this Proxy Statement contains additional information about these nominees.

A plurality of the votes cast at the meeting is required to elect the nominees as directors of the Company. As such, the three individuals who receive the greatest number of votes cast by the holders of Common Stock will be elected as directors. Shares not voted at the Annual Meeting, whether by abstention, broker non-vote, or otherwise, will not be treated as votes cast at the meeting.

It is believed that all three nominees are, and will be at the time of the Annual Meeting, available for election; and, if elected, will serve. However, in the event one or more of them is or should become unavailable, or should decline to serve, it is intended that the proxies will be voted for the balance of the nominees and for such substitute nominee or nominees as the proxy holders may in their discretion select.

The Board of Directors recommends a vote FOR the election of each of the three nominees, Messrs. Richard J. Johns, MD, Richard L. Langley, and William I. Noecker. Independent and Non-Management Directors

The listing requirements of the New York Stock Exchange (NYSE) were amended to require that a majority of the members of a listed company's board of directors be non-management. The question of non-management and independence is determined with respect to every director pursuant to NYSE rules. The NYSE rules also require that certain committees be composed entirely of independent and non-management directors. The committees covered by this requirement are the Audit, Compensation, and Nominating and Corporate Governance Committees. Based upon NYSE rules, six of the Board's nine members (assuming election of the directors proposed in this proxy statement), a majority, would be independent and seven would be non-management as of June 30, 2005. All current members of the identified committees are non-management and independent in that those directors do not have a material relationship with the Company directly or as a partner, shareowner or affiliate of an entity that has a relationship with the Company. The Board made its determination of independence based on the fact that none of the independent directors:

Is an officer or, employee of the Company, its subsidiaries, or its affiliates, or has any current or past material relationship within the Company; or,

Has an immediate family member who is an officer of the Company or its subsidiaries or that has any current or past material relationship with the Company; or,

Has worked for, consulted with, or received anything of substantial value from the Company aside from his compensation as a Director; or,

Is currently, or was within the past three years, employed by the independent auditors for the Company; or,

Serves on the compensation committee or the board of directors of any corporation that employs a nominee for Director or a member of their immediate family; or,

Is an executive officer of any entity which the Company's annual sales to or purchases from exceeded one percent of either entity's annual revenues for the last fiscal year; or,

Serves as a director, trustee, executive officer or similar position of a charitable or non-profit organization to which the Company or its subsidiaries made charitable contributions or payments in fiscal year 2005 in excess of two percent of the organization's charitable receipts.

Director Qualifications

The Nominating and Corporate Governance Committee is responsible for reviewing with the Board, from time to time, the appropriate qualities, skills and characteristics desired for Board members in the context of the current make-up of the Board. This assessment includes consideration of the following summary of minimum qualifications that the Nominating and Corporate Governance Committee believes must be met by all directors, as well as the following considerations for the composition of the Board as a whole:

Process for Identifying and Evaluating Director Nominees

The Board is responsible for selecting its own members. The Board delegates the evaluation, selection and nomination process to the Nominating and Corporate Governance Committee, with the expectation that other members of the Board and management will be requested to take part in the process as appropriate.

Once candidates have been identified, the Nominating and Corporate Governance Committee confirms that the candidates meet all of the minimum qualifications for director nominees established by the Nominating and Corporate Governance Committee. Potential candidates for directors are generally suggested to the committee by current board members and shareowners, and are evaluated at meetings of the committee. Based on the results of the evaluation process, the Nominating and Corporate Governance Committee recommends candidates for the Board's approval as director nominees for election to the Board. The Nominating and Corporate Governance Committee also recommends candidates for the Board's appointment to the committees of the Board.

Procedure for Recommendation of Director Nominees by Shareowners

The Nominating and Corporate Governance Committee will consider director candidates who are recommended by shareowners of the Company. To recommend a nominee, a shareowner should write to the Company's Corporate Secretary at 2400 E. Ganson St., Jackson, MI 49202. To be considered by the Committee for nomination and inclusion in the Company's Proxy Statement for its 2006 Annual Meeting of Shareowners, a shareowner recommendation for a Director must be received by the Company's Secretary no later than 60 days prior to the Annual Meeting. Any recommendation must include (i) the name and address of the candidate, (ii) a brief biographical description, including his or her occupation for at least the last five years, and a statement of the qualifications of the candidate, taking into account the qualification requirements summarized above, and (iii) the candidate signed consent to be named in the Proxy Statement and to serve as a Director if elected. The Committee may seek additional biographical and background information from any candidate that must be received on a timely basis to be considered by the Committee. Further information regarding shareowner recommendation of director candidates is contained in the Nominating and Corporate Governance Committee Charter, which is available at the Company's website.

Assuming the appropriate biographical and background material is provided for candidates submitted by shareowners, the Committee will evaluate those candidates by following substantially the same process, and applying substantially the same criteria, as for candidates submitted by Board members. All Directors nominees recommended for election by the shareowners at the 2005 Annual Meeting are current members of the Board. The Committee did not receive any nominations from shareowners for the 2005 Annual Meeting.

COMPENSATION OF EXECUTIVE OFFICERS

The following tables provide certain data and information on the compensation of the Company's Chief Executive Officer and its four most highly compensated executive officers (other than the CEO) whose annual salary and bonus exceeded \$100,000 (collectively referred to as the "Named Executives"). The following report addresses the Company's compensation policies and programs for the fiscal year ended June 30, 2005, the details of which are reflected in the tables set forth in the following pages of this Proxy Statement. The Company's and the Board's policies and practices pertaining to the compensation of executive officers and management have been in effect for a number of years.

Compensation Committee Report

Decisions on the compensation of the Company's executive officers are monitored by the Board's Compensation Committee. This Committee is composed of three independent, non-management directors; Messrs. W. Peter Slusser (Chairman), James N. DeBoer, and David P. Molfenter.

The Company has long-established policies and practices intended to compensate its salaried employees in a manner that will enable the Company to attract, retain and motivate them to accomplish corporate goals and objectives. These policies and practices encourage management to remain dedicated to the maximization of shareholder value.

The Company's compensation program encompasses several elements: cash compensation (including salary and incentive bonus), incentive stock options and defined benefit and defined contribution retirement plans. Reflective of the Company's goal of relating compensation to corporate performance, the incentive bonus compensation plan permits certain executive officers to earn additional compensation if pre-tax earnings are in excess of an established goals. The performance goals for this plan are reviewed and approved annually by the Compensation Committee, and the results are reported to the Board of Directors. In addition, at the discretion of the Committee, bonuses may be paid in addition to or in lieu of bonuses earned under the incentive bonus plan based on the Committee's evaluation of the employee's individual performance, level of responsibility and experience. During the past fiscal year, discretionary bonuses, as well as bonuses under the incentive bonus compensation plan, were paid.

The Committee members use the same procedures described above in setting the annual salary, bonus, and incentive stock option grants for Mr. David W. Hockenbrocht, the Company's Chief Executive Officer and President. These Committee members evaluate the performance of Mr. Hockenbrocht at least annually based on both the Company's financial performance and the extent to which the strategic and business goals established for the Company are met. Mr. Hockenbrocht's annual base salary for the fiscal year ended June 30, 2005, was \$330,750, and he does not have an employment agreement with the Company. However, Mr. Hockenbrocht is eligible, as are the other officers and employees of the Company, to participate in the Company's salaried employees severance program. The Company's severance program provides severance pay equal to one weeks pay per year of service, to a maximum of twelve weeks of severance pay.

Retirement Programs

The Company maintains a defined benefit retirement plan for domestic employees of the Company which provides for monthly pensions following retirement. During the past year, no cash contribution was made by the Company to the plan as in the judgment of the Company s independent actuaries, the pension plan was fully funded. The plan provides a basic benefit of \$2.25 per month for each year of credited service up to a maximum of \$90 per month. In addition, for those participants who contributed 5% of their monthly compensation (excluding bonuses) per month, the plan provides for an additional monthly pension amount equal to 1-1/2% of the participant s final five-year average monthly compensation (excluding bonuses) times the participant s years of contributory credited service to a maximum of 30 years. Effective April 1, 2000, the Company amended its defined benefit retirement plan to determine benefits by a cash balance formula. Under the cash balance formula, each participant has a benefit equal to their cash balance account which is credited yearly with 2% of their salary, as well as the interest earned on their previous year-end cash balance. Service under the Company s prior salary-based formula was frozen as of March 31, 2000, and the benefit formula amended to calculate the monthly pension based upon the participant s five-year average earnings as defined.
