The information provided in Item 2.03 is incorporated by reference herein.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On March 16, 2007, Agilysys, Inc. (the Company) entered into the Second Amendment Agreement (the Second Amendment) to its Credit Agreement, which is dated October 18, 2005. The Credit Agreement provides for loans and letters of credit aggregating to \$200 million, including a \$20 million sub-facility for letters of credit issued by LaSalle Bank National Association or one of its affiliates and a \$20 million sub-facility for swingline loans, which are short-term loans generally used for working capital requirements. A copy of the Credit Agreement was filed with the Securities and Exchange Commission on Form 8-K dated October 21, 2005.

The Second Amendment modified the terms of the Credit Agreement to allow for, among other things, the sale of the assets and operations of the Company's KeyLink Systems distribution business. Additionally, the Second Amendment replaced, revised, and added certain definitions in the Credit Agreement, including those impacting particular affirmative, negative, and financial covenants of the Credit Agreement. Under the Second Amendment, the Company is required to comply with the leverage ratio, fixed charge coverage ratio and consolidated net worth financial covenants beginning with the period ended December 31, 2007, subject to certain events and conditions that may accelerate the compliance requirement. The Company is also required to maintain available cash liquidity of at least \$100 million until the effective date of the financial covenants discussed above.

The description of the Second Amendment set forth in this Item 2.03 is not complete and is qualified in its entirety by reference to the full text of the Second Amendment filed as Exhibit 10.1 to this Form 8-K.
