To the Stockholders of Great American Financial Resources, Inc.:

Dear Stockholder:

On May 17, 2007, the Board of Directors of Great American Financial Resources, Inc., a Delaware corporation (GAFRI or the Company), acting upon the unanimous recommendation of a special committee of independent directors, approved an Agreement and Plan of Merger providing for the merger of the Company with GAFRI Acquisition Corp. (GAC), a Delaware corporation and wholly-owned subsidiary of American Financial Group, Inc., an Ohio corporation (AFG). If the merger is completed, you will be entitled to receive \$24.50 in cash, without interest, for each share of the GAFRI common stock that you own, and the Company will be wholly-owned by AFG.

You will be asked, at a special meeting of the Company's stockholders, to vote to approve the Agreement and Plan of Merger. The Board of Directors, acting on the unanimous recommendation of the special committee, has determined that the Agreement and Plan of Merger and the merger are advisable, fair to, and in the best interests of the Company and its stockholders (other than AFG and its subsidiaries and affiliates, including GAFRI or any of its subsidiaries and affiliates) and approved and adopted the Agreement and Plan of Merger. **The Board of Directors (with Messrs. Carl H. Lindner, S. Craig Lindner, Kenneth C. Ambrecht, Charles R. Scheper and William R. Martin abstaining) recommends that the Company's stockholders vote FOR the approval of the Agreement and Plan of Merger.** AFG, which beneficially owns approximately 81% of the outstanding shares of GAFRI common stock, has determined to vote its shares and to cause its subsidiaries to vote their shares in favor of the Agreement and Plan of Merger.

The date, time and place of the special meeting to consider and vote upon the Agreement and Plan of Merger will be September 28, 2007 at 11:00 a.m. Eastern Daylight Savings Time at The Cincinnati Hotel, Sixth and Vine Streets, Cincinnati, Ohio 45202.

The proxy statement attached to this letter provides you with information about the proposed merger and the special meeting of the Company's stockholders. We encourage you to read the entire proxy statement carefully. You may also obtain more information about the Company from documents we have filed with the Securities and Exchange Commission.

Your vote is very important. The merger cannot be completed unless the Agreement and Plan of Merger is approved by the affirmative vote of the holders of a majority of the outstanding shares of GAFRI common stock entitled to vote on it. If you fail to vote on the Agreement and Plan of Merger, the effect will be the same as a vote against the approval of the Agreement and Plan of Merger.

Whether or not you plan to attend the special meeting and regardless of the number of shares of GAFRI common stock that you own, please vote your shares by proxy by telephone or mail to ensure that your shares are voted at the special meeting. If you receive more than one proxy card because you own shares that are registered differently, please vote all of your shares shown on all of your proxy cards.

Voting by proxy will not prevent you from voting your shares in person if you subsequently choose to attend the special meeting and wish to vote in person.

Please do not send any certificates for your shares at this time. If the merger is completed, you will receive a letter of transmittal with instructions as to how you exchange your shares for the merger consideration.

SUMMARY TERM SHEET

The next several pages summarize the material terms of the transaction detailed in this proxy statement but might not contain all of the information that is important to you. You are urged to read this proxy statement carefully and in its entirety, including the appendices, and the documents referred to or incorporated by reference in this proxy statement. You may obtain the information incorporated by reference in this proxy statement without charge by following the instructions under *Where Stockholders Can Find More Information* beginning on page 50.

In this proxy statement, the terms *we*, *us*, *our*, *GAFRI* and the *Company* refer to Great American Financial Resources Inc. and, where appropriate, its subsidiaries.

Parties Involved in the Proposed Transaction (Page 32)

GAFRI is a Delaware corporation and a holding company that markets retirement products, primarily fixed, indexed and variable annuities, and various forms of supplemental insurance through its subsidiaries, including Great American Life Insurance Company, Annuity Investors Life Insurance Company, Loyal American Life Insurance Company, United Teacher Associates Insurance Company, Continental General Insurance Company and Central Reserve Life Insurance Company.

American Financial Group, Inc., which we refer to as AFG, is a holding company that, through subsidiaries, is engaged primarily in property and casualty insurance, focusing on specialized commercial products for businesses, and, through GAFRI and its subsidiaries, in the sale of traditional fixed, indexed and variable annuities and a variety of supplemental insurance products. AFG currently owns approximately 81% of GAFRI's outstanding common stock.

GAFRI Acquisition Corp, which we refer to as GAC, is a newly-formed Delaware corporation and a wholly-owned subsidiary of AFG. AFG formed GAC for the sole purposes of entering into the merger agreement and completing the merger contemplated by the merger agreement.

The Proposed Transaction (Page 33)

You will be asked to consider and vote upon approval of the Agreement and Plan of Merger, dated as of May 17, 2007, among the Company, AFG and GAC, which we refer to in this proxy statement as the merger agreement. The merger agreement provides that GAC will be merged with and into the Company, and each outstanding share of common stock, par value \$1.00 per share, of the Company, which we refer to in this proxy statement as the GAFRI common stock, other than shares held by stockholders who perfect their appraisal rights under Delaware law, shares held by GAFRI as treasury shares or otherwise and shares held by AFG or any subsidiary of AFG, will be converted into the right to receive \$24.50 in cash, without interest and less any required withholding taxes.

GAFRI Will Hold a Special Meeting of its Stockholders to Consider Approval of the Merger Proposal (Page 33)

Date, Time and Place (Page 33). The special meeting will be held on September 28, 2007 at 11:00 a.m., Eastern Daylight Savings Time, at The Cincinnati Hotel, Sixth and Vine Streets, Cincinnati, Ohio 45202.

Record Date and Voting (Page 33). Only stockholders who hold shares of GAFRI common stock at the close of business on August 24, 2007, the record date for the special meeting, will be entitled to vote at the special meeting.

Each share of GAFRI common stock outstanding on the record date will be entitled to one vote on each matter submitted to stockholders for approval at the special meeting. As of the record date, there were 47,774,881 shares of GAFRI common stock outstanding.

Vote Required (Page 34). For us to complete the merger under Delaware law, stockholders holding at least a majority of our common stock outstanding at the close of business on the record date must vote FOR the approval of the merger agreement. A failure to vote your shares of GAFRI common stock or an abstention from voting will have the same effect as a vote against the merger.

Table of Contents

Because AFG Controls a Majority of GAFRI s Outstanding Shares, Approval of the Merger is Assured

As of the record date, AFG beneficially owned approximately 81% of GAFRI s outstanding shares. AFG has determined to vote its shares and to cause its subsidiaries to vote their shares in favor of the merger agreement. In addition, executive officers and directors of GAFRI and AFG who, in the aggregate beneficially own approximately 4.7% of GAFRI s outstanding shares, have expressed their intent to vote in favor of the merger agreement. As a result, stockholder approval of the merger agreement is assured.

GAFRI Stockholders Will Have Appraisal Rights (Page 30)

You have the right under Delaware law to dissent from the adoption and approval of the merger agreement and to exercise appraisal rights and receive payment in cash for the fair value of your shares of GAFRI common stock in the event the merger is completed. The fair value of each share of GAFRI common stock as determined in accordance with Delaware law may be more or less than the per share merger consideration to be paid to non-dissenting stockholders in the merger. To preserve your appraisal rights, you must NOT vote in favor of approval of the merger agreement, you must NOT return a signed but not voted proxy card, and you must follow specific procedures required under Delaware law. You must follow these procedures precisely in order to exercise your appraisal rights, or you may lose them. These procedures are described in this proxy statement, and the provisions of Delaware law that grant appraisal rights and govern those procedures are attached as Appendix C. We encourage you to read these provisions carefully and in their entirety and to consult your legal advisor.

When the Merger Will be Completed

We anticipate completing the merger on the date of the special meeting, subject to approval of the merger agreement by the Company s stockholders and the satisfaction of the other closing conditions.

Certain Effects of the Merger (Page 24)

If the merger agreement is approved by the Company s stockholders and certain other conditions to the closing of the merger are either satisfied or waived, GAC will be merged with and into the Company, the separate corporate existence of GAC will cease and the Company will continue its corporate existence under Delaware law as the surviving corporation in the merger, and the separate corporate existence of the Company with all of its rights, privileges, immunities, powers and franchises, shall continue unaffected by the merger.

GAFRI Stockholders Will Receive \$24.50 in Cash For Each Share of GAFRI Common Stock They Own

Upon the completion of the merger, each issued and outstanding share of GAFRI common stock held by our public stockholders (by which we mean stockholders holding shares other than shares held by GAFRI as treasury shares or otherwise and shares held by AFG or any subsidiary of AFG), except for shares held by stockholders who perfect their appraisal rights under Delaware law, will be converted into the right to receive \$24.50 in cash.

How Outstanding Options Will Be Treated

In the merger, vested employee stock options will be extinguished in exchange for a cash payment by GAFRI to each holder of an option of an amount equal to the positive number difference, less applicable taxes, between \$24.50 and the applicable option exercise price multiplied by the number of shares of GAFRI common stock formerly subject to an option. We refer to this amount as the option payment amount . In addition, so long as a holder of an option is an employee of GAFRI, AFG or any subsidiary of either of them at the vesting dates (as set forth in a GAFRI employee stock option plan or document evidencing a grant of an employee stock option), GAFRI shall pay the option payment

amount as soon as practicable after such vesting dates in 2008, 2009, 2010 and 2011. GAFRI directors have agreed that their vested and unvested stock options also will be extinguished upon the consummation of the merger in exchange for the option payment amount to the extent there is a positive difference, less applicable taxes, between \$24.50 and the applicable option exercise price. Options for which the exercise price exceeds \$24.50 per share will be cancelled. In addition, GAFRI granted options to employees of GAFRI in

Table of Contents

February 2007 at an exercise price exceeding the per share merger consideration. The compensation committee of the AFG Board of Directors has taken action to grant options to purchase shares of common stock of AFG on the date that the merger is completed to replace all of these options to purchase GAFRI common stock. The number of shares of AFG common stock that may be acquired upon exercise is identical to the number of shares of GAFRI common stock subject to the prior options, and the exercise price per share, as determined under AFG's 2005 Stock Incentive Plan, will equal the average of the high and low sales prices as reported on the New York Stock Exchange on the date that the merger is completed. The options to purchase AFG common stock will be subject to AFG's customary five year vesting. See *Special Factors - Interests of Certain Persons in the Merger*. Also, as of the effective time of the merger, GAFRI will take all action necessary to provide for the termination of its agent stock option plans or agreements and the extinguishment of all rights under such plans and agreements.

Recommendation of the Board of Directors (Page 15)

Our Board of Directors, which we sometimes refer to as the Board, began the process on February 22, 2007, to form a special committee of independent GAFRI directors who are neither employed by or otherwise affiliated with GAFRI, or who do not have a financial interest in the merger different than GAFRI's public shareholders. Initially, Mr. Ronald G. Joseph was the only GAFRI director deemed eligible to meet these qualifications. On March 1, 2007 the Board acted to appoint Mr. Joseph Tomain as a director and appointed him to serve as the second member of the special committee. On March 16, 2007, the Board acted to appoint L. Thomas Hiltz as a member of the Board and appointed him to serve as the third member of the special committee. As a result, the special committee consists of Messrs. Ronald G. Joseph, L. Thomas Hiltz and Joseph P. Tomain. The special committee was formed for the purpose of reviewing, evaluating and, as appropriate, rejecting or accepting and negotiating with respect to the proposal made by AFG on February 22, 2007 that GAFRI common stock be acquired, and to make the related recommendation to our full Board of Directors regarding the AFG proposal. The special committee unanimously determined that the merger agreement and the merger are advisable, substantively and procedurally fair to, and in the best interests of the Company and its public stockholders (other than AFG, GAFRI and their affiliates). Our Board of Directors, acting upon the unanimous determination of the special committee, has determined that the merger agreement and the merger are advisable, substantively and procedurally fair to, and in the best interests of the Company and its public stockholders (other than AFG, GAFRI and their affiliates), approved and adopted (with Messrs. Carl H. Lindner, S. Craig Lindner, Kenneth C. Ambrecht, Charles R. Scheper and William R. Martin abstaining, because of potential conflicts of interest with respect to the proposed transaction) the merger agreement and recommended that the Company's stockholders vote FOR the approval of the merger agreement.

For the factors considered by our Board of Directors in reaching its decision to approve and adopt the merger agreement and the merger, see *Special Factors - The Special Committee*; and *Special Factors - Recommendation of the Special Committee and the Board of Directors*.

Opinion of the Special Committee's Financial Advisor (Page 19)

Cochran Caronia Waller LLC, which we sometimes refer to as CCW, delivered its written opinion to the special committee and to our Board of Directors that, as of May 17, 2007, and based upon and subject to the factors and assumptions set forth therein, the \$24.50 in cash per share to be received by the public stockholders pursuant to the merger agreement was fair from a financial point of view to such holders (other than AFG, GAFRI and their affiliates).

The full text of the written opinion of CCW, dated May 17, 2007, which sets forth assumptions made, procedures followed, matters considered and limitations on the review undertaken in connection with the opinion, is attached as Appendix B to this proxy statement. CCW provided its opinion for the information and assistance of the special committee and our Board of Directors in connection with their consideration of the proposal made by AFG. The CCW

opinion is not a recommendation as to how any holder of GAFRI common stock should vote with respect to the merger. Pursuant to an engagement letter between GAFRI and CCW, GAFRI has agreed to pay CCW a fee for its advisory services, a portion of which was payable upon the issuance of any written opinion by CCW.

Table of Contents

AFG and Our Directors and Executive Officers Have Interests in the Transaction that May Be Different From, or in Addition to, Interests of GAFRI's Public Stockholders Generally (Page 26)

AFG beneficially owns approximately 81% of the outstanding shares of GAFRI common stock but may enjoy additional benefits in connection with the merger that will not be shared by the public stockholders generally, to the extent that AFG and holders of AFG common stock are better served by paying as low a price per share of GAFRI common stock as possible.

In the merger, vested employee stock options and vested and unvested director stock options will be extinguished in exchange for cash payments to each holder of an option, and certain officers of GAFRI will be granted options to purchase shares of common stock of AFG as set forth above under **How Outstanding Options Will Be Treated**.

The merger agreement provides that GAFRI will, or will cause the surviving corporation to, (i) honor all rights to indemnification existing in favor of our current and former officers and directors for acts and omissions occurring before the completion of the merger, (ii) not amend the provisions relating to indemnification or exculpation of the liability of directors in the surviving corporation's organizational documents (in a manner adverse to the current or former directors and officers) and (iii) for six years after the completion of the merger and, subject to certain conditions, maintain GAFRI's current officers' and directors' liability insurance.

A Number of Conditions Must Be Satisfied or Waived to Complete the Merger (Page 41)

The obligations of AFG, GAFRI and GAC to complete the merger are subject to various conditions, including:

the approval of the merger agreement by holders of a majority of the shares of GAFRI common stock outstanding on the record date;

the absence of any law or governmental order prohibiting or disallowing the merger or any governmental proceeding seeking such an order;

the representations and warranties of each of GAFRI, AFG and GAC with respect to organization and authorization (in addition to the representations and warranties of GAFRI with respect to capitalization) shall be true and correct in all respects with regard to any such representations containing limitations as to materiality or material adverse effect and shall be true and correct in all material respects, both individually and in the aggregate, with regard to any representation not so qualified, in each case as of the effective time of the merger (or, to the extent such representations and warranties speak as of a earlier date, they need only be true and correct in all respects as of such earlier date);

the representations and warranties of each of GAFRI, AFG and GAC (other than the representations and warranties referred to in the immediately preceding paragraph) shall be true and correct in all respects when made and as of the effective time of the merger (or, to the extent such representations and warranties speak as of a specified date, they need only be true and correct in all respects as of such specified date) interpreted without giving effect to any limitations as to materiality or material adverse effect, except where the failure of all such representations and warranties to be true and correct could not reasonably be expected to have a material adverse effect on each such party; and

the parties shall have performed in all material respects their agreements and covenants in the merger agreement that are required to be performed at or prior to the effective time of the merger.

See **Terms of the Merger** **Conditions to the Merger** beginning on page 41.

Limitations on Solicitation of Competing Proposals (Page 40)

Pursuant to the merger agreement, we have agreed not to initiate, solicit or facilitate from third parties any proposals for an alternative transaction while the merger is pending. AFG stated in its proposal letter to GAFRI dated February 22, 2007, and AFG has reiterated to GAFRI on multiple occasions since such time, that AFG is not interested in pursuing a sale of its interest in GAFRI.

Table of Contents

How the Merger May Be Terminated (Page 43)

AFG and GAFRI may mutually agree to terminate the merger agreement at any time upon the mutual written consent of the parties. With certain exceptions, any of AFG, GAC or GAFRI may also terminate the merger agreement at any time if:

the merger has not occurred on or before September 30, 2007;

any governmental entity issues an order or takes any other action permanently restraining, enjoining or otherwise prohibiting the merger, which order or other action becomes final and nonappealable; or

GAFRI stockholder approval is not obtained.

AFG may also terminate the merger agreement at any time if, with certain exceptions:

our Board of Directors or any committee (including the special committee) of the Board withdraws, qualifies or modifies the recommendation that the holders of shares of GAFRI common stock vote for the approval of the merger agreement; or

there is a breach by GAFRI of any representation, warranty, covenant or agreement contained in the merger agreement that would give rise to a failure of a closing condition and which has not been cured or is not capable of being cured within twenty (20) business days following receipt by GAFRI of written notice from GAFRI and GAC of such breach.

GAFRI may also terminate the merger agreement at any time if, with certain exceptions, there is a breach by AFG or GAC of any representation, warranty, covenant or agreement contained in the merger agreement that would give rise to a failure of a closing condition and which has not been cured or is not capable of being cured within twenty (20) business days following receipt by GAFRI or GAC of written notice from GAFRI of such breach.

Purposes, Reasons and Plans for GAFRI after the Merger

The purpose of the merger for GAFRI is to enable its public stockholders to immediately realize the value of their investment in the Company through their receipt of the per share merger consideration of \$24.50 in cash, representing a premium of approximately 15% to the \$21.31 closing price of the GAFRI common stock on The New York Stock Exchange on February 15, 2007 (being the last trading day one week prior to the announcement of the proposed transaction). For the reasons discussed under Special Factors Recommendation of the Special Committee and the Board of Directors the Board of Directors has determined that the merger agreement and the transactions contemplated thereby, including the merger, are advisable, substantively and procedurally fair to, and in the best interests of, the Company and its public stockholders. After the merger, GAFRI's operations will continue as they had before it.

Financing of the Merger

The merger and the related transaction will be funded by GAFRI's excess capital and/or by borrowings from AFG. GAFRI and AFG estimate that the total amount of funds necessary to complete the proposed merger is approximately \$235 million, which includes approximately \$225 million to be paid to the Company's public stockholders and, up to \$10 million to be paid to holders of options. AFG will also guarantee the debt of GAFRI and its subsidiaries in the merger.

Tax Considerations For GAFRI Stockholders (Page 29)

Generally, the merger will be taxable to our stockholders for U.S. federal income tax purposes. A holder of GAFRI common stock receiving cash in the merger generally will recognize gain or loss for U.S. federal income tax purposes in an amount equal to the difference between the amount of cash received and the holder's adjusted tax basis in the GAFRI common stock.

Table of Contents

QUESTIONS AND ANSWERS ABOUT THE SPECIAL MEETING AND THE MERGER

Q: What is the proposed transaction?

A: The proposed transaction is the acquisition by AFG of GAFRI shares not already beneficially owned by AFG so that AFG becomes the beneficial owner of 100% of GAFRI's common stock. This is proposed to be accomplished through the merger of GAC and GAFRI pursuant to the merger agreement among GAFRI, AFG and GAC. If the merger agreement is approved by GAFRI stockholders and the other closing conditions under the merger agreement have been satisfied or waived, GAC will merge with and into GAFRI and thereafter cease to exist, and GAFRI will be the surviving corporation and will become a wholly-owned subsidiary of AFG.

Q: What will I receive in the merger?

A: If the merger is completed, you will receive \$24.50 in cash, without interest and less any required withholding taxes, for each share of GAFRI common stock that you own. You will not be entitled to retain any interest in GAFRI or to receive any shares in the surviving corporation.

Q: Where and when is the special meeting?

A: The special meeting will take place on September 28, 2007 starting at 11:00 A.M. Eastern Daylight Savings Time at The Cincinnati Hotel, Sixth and Vine Streets, Cincinnati, Ohio 45202.

Q: What matters will be voted on at the special meeting?

A: You will be asked to consider and vote on the following proposals:

to approve the merger agreement; and

to act upon other business that may properly come before the special meeting or any adjournment or postponement thereof.

Q: What vote of our stockholders is required to approve the merger agreement?

A: For us to complete the merger, under Delaware law, stockholders holding at least a majority of our common stock outstanding at the close of business on the record date must vote FOR the approval of the merger agreement. Accordingly, failure to vote or an abstention will have the same effect as a vote against approval of the merger agreement. As of the record date, AFG beneficially owned approximately 81% of the outstanding GAFRI common stock. AFG has determined to vote its shares and cause its subsidiaries to vote their shares in favor of the merger agreement. In addition, executive officers and directors of GAFRI and AFG who, in the aggregate beneficially own 4.7% of GAFRI's shares, have expressed their intent to vote in favor of the merger agreement. As a result, stockholder approval of the merger agreement is assured.

Q: Why did GAFRI's Board of Directors form the special committee?

A: Our Board of Directors believed that a special committee, comprised entirely of independent directors of GAFRI who are not officers or employees of GAFRI, are not affiliates of AFG and who have no financial interest in the merger different from our public stockholders (other than AFG, GAFRI and their affiliates), should be formed to

eliminate any conflict of interest in evaluating and, as appropriate, rejecting or accepting and negotiating the merger and recommending as appropriate the terms of the merger agreement to the full Board of Directors. The members of the special committee are Messrs. Ronald G. Joseph, L. Thomas Hiltz and Joseph P. Tomain. The special committee independently selected and retained legal counsel and a financial advisor to assist it in deliberations.

Q: What was the result of the special committee s deliberations?

A: The special committee determined that the merger was fair from a financial point of view to our public stockholders (other than AFG, GAFRI and their affiliates). This recommendation is based, in part on an opinion from the special committee s financial advisor, CCW, that, as of May 17, 2007, based on and subject to the assumptions, limitations, and qualifications set forth in such opinion, the \$24.50 per share merger consideration that our public stockholders will receive in the merger was fair from a financial point of view to such

stockholders. You should read *Special Factors – The Special Committee, Special Factors – Recommendation of the Special Committee and the Board of Directors* and *Special Factors – Opinion of the Special Committee’s Financial Advisor* for a discussion of the factors that the special committee considered in deciding to recommend the approval of the merger agreement.

Q: How does the Company’s Board of Directors recommend that I vote?

A: Acting upon the unanimous determination of the special committee, our Board of Directors (with Messrs. Carl H. Lindner, S. Craig Lindner, Kenneth C. Ambrecht, Charles R. Scheper and William R. Martin abstaining, because of potential conflicts of interest with respect to the proposed transaction) recommends that our stockholders vote **FOR** the approval of the merger agreement. You should read *Special Factors – The Special Committee and Special Factors – Recommendation of the Special Committee and the Board of Directors* for a discussion of the factors that our Board of Directors considered in deciding to recommend the approval of the merger agreement. See also *Special Factors – Interests of Certain Persons in the Merger*.

Q: What effects will the proposed merger have on GAFRI?

A: As a result of the proposed merger, GAFRI will cease to be a publicly traded company and will be wholly-owned by AFG, and you will no longer have any interest in our future earnings or growth. Following consummation of the merger, the registration of our common stock and our reporting obligations under the Securities Exchange Act of 1934, which we refer to as the Exchange Act, will be terminated upon application to the SEC. In addition, upon consummation of the merger, our common stock will no longer be listed on the New York Stock Exchange or any other stock exchange or quotation system.

Q: What happens if the merger is not consummated?

A: If the merger agreement is not approved by the Company’s stockholders or if the merger is not consummated for any other reason, the Company’s stockholders will not receive any payment for their shares in connection with the merger. Instead, the Company will remain a public company and shares of Company common stock will continue to be listed and traded on the New York Stock Exchange.

Q: How do I vote my shares of GAFRI common stock?

A: Before you vote, you should carefully read and consider the information contained in or incorporated by reference in this proxy statement, including the appendices. You should also determine whether you hold your shares of GAFRI common stock directly in your name as a registered stockholder or through a broker or other nominee because this will determine the procedure that you must follow in order to vote. If you are a registered holder of GAFRI common stock (that is, if you hold your GAFRI common stock in certificate form), you may vote in any of the following ways:

in person at the special meeting – complete and sign the enclosed proxy card and bring it to the special meeting;

by mail – complete, sign and date the enclosed proxy card and return it in the enclosed postage paid return envelope as soon as possible; or

by telephone – call 1-800-PROXIES (1-800-776-9437).

If you are a non-registered holder of shares of common stock of GAFRI (which for purposes of this proxy statement means that your shares are held in “street name”), you should instruct your broker or other nominee to vote your shares

by following the instructions provided by your broker or other nominee. You may vote in person at the special meeting if you obtain written authorization in your name from your broker or other nominee and bring evidence of your stock ownership from your broker or other nominee. Please contact your broker or other nominee to determine how to vote by mail and whether you will be able to vote by telephone.

If you are an employee of GAFRI, any shares in your retirement and savings plan account and stock purchase plan account will be voted in accordance with your instructions, if indicated. If your proxy card is signed, but does not indicate your voting preferences, we have been advised by the retirement and savings plan administrator and the plan trustee that your shares will be voted **FOR** the approval of the merger agreement.

Q: What happens if I return my proxy card but I do not indicate how to vote?

A: If you properly return your proxy card, but do not include instructions on how to vote, your shares of GAFRI common stock will be voted **FOR** the approval of the merger agreement. GAFRI's management does not currently intend to bring any other proposals to the special meeting. If other proposals requiring a vote of stockholders are brought before the special meeting in a proper manner, the persons named in the enclosed proxy card intend to vote the shares they represent in accordance with their best judgment.

Q: What happens if I abstain from voting on a proposal?

A: If you return your proxy card with instructions to abstain from voting on the merger proposal, your shares will be counted for determining whether a quorum is present at the special meeting. An abstention with respect to the merger proposal has the legal effect of a vote **AGAINST** the proposal.

Q: What happens if I do not return a proxy card or otherwise do not vote?

A: Your failure to return a proxy card or otherwise vote will mean that your shares will not be counted toward determining whether a quorum is present at the special meeting and will have the legal effect of a vote **AGAINST** the proposal to approve the merger agreement.

Q: May I change my vote after I have mailed my signed proxy card or otherwise submitted my vote?

A: Yes. You can change your vote at any time before your shares are voted at the special meeting. If you are a registered holder of GAFRI common stock, you can do this in any of the following ways:

by sending a written notice to the Corporate Secretary of GAFRI to the address specified below stating that you would like to revoke your proxy;

by completing and submitting a new, later-dated proxy card by mail to the address specified below or by recording a later telephone vote; or

by attending the special meeting and voting in person. Your attendance at the special meeting alone will not revoke your proxy. You must also vote at the special meeting in order to revoke your previously submitted proxy.

You should send any notice of revocation or your completed new, later-dated proxy card, as the case may be, to the Corporate Secretary of GAFRI at the company's headquarters, 250 East Fifth Street, Cincinnati, Ohio 45202.

If your shares are held in street name, you must contact your broker or other nominee and follow the directions provided to you in order to change your vote.

Q: If my broker or other nominee holds my shares in street name, will my broker or other nominee vote my shares for me?

A: Your broker or other nominee will not be able to vote your shares of GAFRI common stock unless you have properly instructed your broker or other nominee on how to vote. If you do not provide your broker or other nominee with voting instructions, your shares may be considered present at the special meeting for purposes of determining a quorum, but will have the legal effect of a vote **AGAINST** the proposal to approve the merger agreement.

Q: Do I have dissenters or appraisal rights?

A: Yes. Under Delaware law, you have the right to dissent from the merger and, in lieu of receiving the per share merger consideration, obtain payment in cash of the fair value of each of your shares of GAFRI common stock as determined by the Delaware Chancery Court. To exercise appraisal rights, you must strictly follow the procedures prescribed by Section 262 of the Delaware General Corporation Law.

Q: What does it mean if I receive more than one set of materials?

A: This means you own shares of GAFRI common stock that are registered under different names. For example, you may own some shares directly as a stockholder of record and other shares through a broker or you may own shares through more than one broker. In these situations, you will receive multiple sets of proxy materials.

You must complete, sign, date and return all of the proxy cards or follow the instructions for any alternative voting procedure on each of the proxy cards that you receive in order to vote all of the shares you own. Each proxy card you receive comes with its own prepaid return envelope; if you vote by mail, make sure you return each proxy card in the return envelope that accompanies that proxy card. If you vote by telephone, make sure you follow the instructions on each proxy card.

Q: When do you expect the merger to be completed?

A: The parties to the merger agreement are working toward completing the merger as quickly as possible. If the merger agreement is approved and adopted and the other conditions to the merger are satisfied or waived, the merger is expected to be completed promptly after the special meeting. The parties currently expect to complete the merger on the day of the special meeting of shareholders, although there can be no assurance that we will be able to do so.

Q: If the merger is completed, how will I receive the cash for my shares?

A: If the merger is completed, you will receive a letter of transmittal with instructions on how to send your stock certificates to American Stock Transfer Company, which has been designated to act as paying agent in connection with the merger. You will receive a check in the amount of cash for your shares from the paying agent after you comply with these instructions. If your shares of GAFRI common stock are held for you in street name by your broker, you will receive instructions from your broker as to how to effect the surrender of your street name shares and receive cash for such shares.

Q: Should I send in my stock certificates now?

A: No. Soon after the merger is completed, you will receive the letter of transmittal instructing you to send your stock certificates to the paying agent in order to receive a check for the cash payment of the per share merger consideration for each share of GAFRI common stock represented by your stock certificates. You should use the letter of transmittal to exchange your stock certificates for the cash payment to which you are entitled upon completion of the merger.

Q: What should I do now?

A: After you read and consider carefully the information contained in this proxy statement, please submit your proxy as soon as possible so that your shares may be represented at the special meeting. If your shares of GAFRI common stock are registered in your own name, you may submit your proxy by filling out and signing the proxy card and then mailing your signed proxy card in the enclosed prepaid return envelope. If your shares are held in street name you should follow the directions your broker, bank or other nominee provides.

Q: Who can help answer my questions?

A:

If you would like additional copies, without charge, of this proxy statement or if you have questions about the merger agreement or the merger, including the procedures for voting your shares, you should contact Mark F. Muething, Secretary and General Counsel of GAFRI, at (513) 333-5515 or mmuething@gafri.com.

SPECIAL FACTORS

Background of the Merger

In September 1992, STI Group, Inc. (STI), GAFRI's predecessor, reached an agreement with a subsidiary of AFG to purchase 100% of the capital stock of Great American Life Insurance Company. This acquisition was conditioned upon AFG acquiring through a tender offer and private purchase from STI no less than 80% of the outstanding common stock of STI, and STI obtaining funds sufficient to finance and consummate the acquisition of Great American Life Insurance Company. This acquisition, which was consummated on December 31, 1992, resulted in a subsidiary of AFG beneficially owning slightly more than 80% of the outstanding common stock of STI (STI changed its name to American Annuity Group, Inc. and later to GAFRI). Prior to the consummation of these transactions, AFG owned approximately 39% of the outstanding shares of STI (now GAFRI).

Members of AFG management have, from time to time, discussed the possible merits of GAFRI becoming a wholly-owned subsidiary of AFG. However, prior to February 2007 no proposal was made by AFG to GAFRI's Board of Directors in connection with these discussions. In late 2006 and early 2007, AFG's management, noting the availability of excess capital to AFG, considered a proposal to acquire the outstanding shares of GAFRI common stock not already owned by AFG and determined that such a transaction would be an appropriate investment of a portion of AFG's excess capital in a specialty-based insurance business that supports AFG's strategic initiatives. AFG's management's considerations with respect to GAFRI were discussed with the AFG board of directors in late 2006. In February 2007, AFG's management asked its board of directors to consider authorizing AFG to submit to GAFRI a proposal that AFG acquire the outstanding shares of GAFRI common stock not beneficially owned by AFG so that GAFRI would become a wholly-owned subsidiary of AFG. The proposal presented by AFG's management to its board of directors contemplated that GAFRI's public stockholders would have the right to receive \$23.50 in cash per share. The AFG Board consented to making the proposal and it was submitted to GAFRI's Board on February 22, 2007. On April 23, 2007, AFG's Board of Directors approved an increase of \$1.00 in the per share purchase price of the GAFRI common not beneficially owned by AFG. The AFG Board unanimously approved the merger agreement on May 17, 2007.

AFG did not consider any transaction other than the proposed merger involving its GAFRI ownership. AFG did, however, consider maintaining its approximate 81% ownership interest in GAFRI with GAFRI continuing as an independent public company. AFG stated in its proposal letter to GAFRI dated February 22, 2007, and AFG has reiterated to GAFRI on multiple occasions since such time, that AFG is not interested in pursuing a sale of its interest in GAFRI. AFG's reasons for proposing the merger immediately follow.

AFG's Reasons for the Merger

AFG proposed the merger to simplify its corporate structure in a manner that provides the following benefits:

Improvement of AFG's Performance. AFG's management expects that if the merger is consummated, it will increase AFG's ability to receive a greater return than what it may currently be achieving on the investment of its excess capital. The merger would increase AFG's investment in core specialty insurance businesses where AFG already has significant expertise while at the same time further simplifying AFG's organizational structure. AFG's management also believes that the merger would provide immediate expense savings and additional synergies between AFG's and GAFRI's businesses over time, be accretive to AFG's earnings and improve AFG's return on equity. Additionally, the merger would allow for easier movement of capital throughout all of AFG's operations, which may facilitate the raising of capital by AFG in the future. AFG also believes that, after evaluating other opportunities, the merger is the

best use of certain excess capital and it supports AFG's strategic objectives.

Facilitate Future Capital Raising. AFG believes that simplifying the corporate structure would facilitate the raising of capital by AFG in the future. As a wholly-owned subsidiary of AFG, GAFRI's capital needs can be met with capital raised by the AFG at the parent level, similar to the method in which AFG has funded its other wholly-owned subsidiaries. Historically, GAFRI has engaged in separate capital raising transactions, normally with rates and terms less attractive than those available to AFG, because of the inability to freely move capital from AFG to GAFRI due to the structural impediment of the minority ownership.

Table of Contents

Elimination of GAFRI as a Reporting Company. The merger would terminate GAFRI's obligations to file reports and other information as a public company required under the Exchange Act. The elimination of the burdens associated with public reporting and other tasks resulting from GAFRI's public company status, including, for example, the dedication of time and resources of management and of the Board to meet the various requirements of being a public company will increase management's focus on the operations of the business. In addition, GAFRI's expenses will decrease as a result of the elimination of costs associated with the filing of quarterly, annual or other periodic reports with the SEC or the publishing and distribution of financial information and proxy statements to its shareholders. The elimination of GAFRI's status as a public company would also result in GAFRI no longer being required to comply separately with the requirements of the Sarbanes-Oxley Act of 2002.

Determination as to Fairness AFG, GAC and Affiliates

The board of directors of AFG and GAC and Carl H. Lindner, Chairman of the Board of AFG and GAFRI, Carl H. Lindner III, Co-Chief Executive Officer, Co-President and a director of AFG, S. Craig Lindner, Chief Executive Officer and a director of GAFRI and Co-Chief Executive Officer, Co-President and a director of AFG, Kenneth C. Ambrecht, director of both AFG and GAFRI, and William R. Martin, director of both AFG and GAFRI did not independently analyze the merger but relied upon and adopted the conclusions, analyses, determinations and findings of the special committee as set forth below and determined that the merger is both procedurally and substantively fair to the public stockholders of GAFRI, excluding officers, directors and other affiliates of AFG and GAFRI. Carl H. Lindner, S. Craig Lindner, Mr. Ambrecht and Mr. Martin each abstained from voting as members of the Board of Directors of GAFRI on the merger proposal because of their potential conflict of interest arising from their positions with both AFG and GAFRI.

The Special Committee

On February 22, 2007, our Board of Directors authorized the formation of a special committee of independent directors of GAFRI, which we refer to as the special committee, designated Mr. Ronald Joseph as the initial member of the special committee and gave Mr. Joseph the authority to recommend to the Board the appointment of one or more additional persons to serve on the special committee. The special committee was authorized to (i) review and evaluate the terms of the transaction proposed by AFG, (ii) establish such procedures, review such information and engage such financial advisors and legal counsel as it deemed appropriate to assist it in the performance of its duties, (iii) recommend to the Board and the public stockholders of GAFRI to accept the proposed transaction, (iv) recommend to the Board and the public stockholders of GAFRI to reject the proposed transaction, and/or (v) negotiate the terms of a transaction, if any, with AFG.

On March 1, 2007, upon the recommendation of Mr. Joseph, the Board elected Mr. Joseph Tomain, dean emeritus and a professor of law at the University of Cincinnati College of Law, as a member of the Board and appointed Mr. Tomain to serve on the special committee.

Between February 27 and March 1, 2007, the special committee interviewed several law firms to serve as independent legal counsel to the special committee. On March 3, 2007, the special committee engaged Squire, Sanders & Dempsey, L.L.P. (Squire Sanders) as its legal counsel to advise it regarding its duties in connection with the proposed transaction. Thereafter on the same day the special committee met with Squire Sanders to discuss the special committee's responsibilities, business issues which potentially would need to be addressed in connection with the proposed transaction, and the probable timeline for the transaction.

On March 6, 2007, the special committee met with Squire Sanders and continued discussions regarding issues that potentially would need to be addressed in connection with the proposal by AFG. Counsel also advised the special committee on the special committee's fiduciary and other legal responsibilities. Counsel further advised the special

committee on the legal principles applicable to, and the legal consequences of, actions taken by the special committee with respect to any offers to acquire GAFRI, including but not limited to the AFG proposal. At this meeting, the special committee and Squire Sanders also discussed the process to be undertaken in selecting an independent financial advisor, and identified firms that may be suitable to serve as the special committee's financial advisor. The discussion resulted in the special committee granting a mandate to Squire Sanders to solicit proposals

Table of Contents

from prospective financial advisors identified on the basis of general criteria set forth by the special committee, with instructions that any response be received on or before March 13, 2007.

The solicitation by Squire Sanders, on behalf of the special committee, resulted in the submission of written preliminary presentations and proposals by thirteen (13) prospective financial advisors. On March 15, 2007, the special committee and its counsel extensively evaluated these materials, and based on its general criteria of potential conflicts, cost and competence, the special committee selected five financial advisors with whom to conduct additional separate meetings. The special committee and its legal counsel also discussed the advisability of adding another independent director to the GAFRI Board of Directors and to the special committee, and the discussion led to the special committee and counsel considering persons that the special committee may recommend to our Board of Directors.

On March 16, 2007, upon the recommendation of Messrs. Joseph and Tomain, the Board elected L. Thomas Hiltz, an independent private attorney, as a member of the Board and further appointed Mr. Hiltz to serve on the special committee.

On March 20, 2007, the special committee, together with Squire Sanders, conducted separate meetings with representatives from five prospective financial advisors selected from the initial list of thirteen. At the conclusion of those meetings and subsequent discussions with counsel, the special committee selected Cochran Caronia Waller LLC, which we refer to in this proxy statement as CCW, to serve as its financial advisor for the purpose of advising the special committee, assisting the special committee in any negotiations with AFG, and rendering a fairness opinion to the special committee in connection with the proposed transaction. The special committee concluded that CCW was qualified and independent of AFG, and selected CCW based principally on its knowledge of GAFRI and the insurance industry, institutional strength, expertise and experience in representing special committees. On the evening of March 20, 2007, the special committee advised CCW that it had been selected as independent financial advisor to the special committee, and instructed Squire Sanders to negotiate an engagement letter with CCW and to have CCW commence an investigation and analyses of the value of GAFRI.

On March 22, 2007, CCW met with members of GAFRI's management and Squire Sanders to commence CCW's due diligence process. There was also a detailed discussion of the expectations of the special committee and its advisors with respect to the due diligence process and GAFRI's production of documents and information. GAFRI management pledged its cooperation in the due diligence meeting and made a summary presentation to, and answered questions from, CCW and Squire Sanders regarding GAFRI's operations, strategic plan and financial statements, including recent financial and operating history. On March 28, 2007, CCW and Squire Sanders met again with members of GAFRI's management to discuss tax and environmental liability aspects of the initial due diligence process, and on March 30, 2007, CCW and Squire Sanders met telephonically with the management of GAFRI and GAFRI's real estate advisors to discuss GAFRI's real estate investments.

On April 4, 2007, GAFRI's management made a detailed day-long presentation to, and answered questions from, the special committee and its legal and financial advisors regarding GAFRI's operations and financial condition. The presentation included a discussion of the history and organizational structure of GAFRI, recent acquisitions and dispositions made by GAFRI, a review of each of GAFRI's Cincinnati-based and Austin-based insurance operations, a review of GAFRI's investments and strategic plan, a discussion of GAFRI's financial condition, tax-related matters and available financial statements and a review of all litigation and contingent reserves. In addition to the formal meetings of the special committee and the April 4, 2007 meeting with GAFRI's management, the special committee in the course of its review and evaluation of the proposed transaction informally consulted with GAFRI's management on several other occasions.

From March 22 through April 17, 2007, CCW reviewed financial and other information concerning GAFRI, including GAFRI's audited and interim financial statements, business plans and projections provided by GAFRI's management, and other information concerning GAFRI, as described below in Special Factors Opinion of the Special Committee's Financial Advisor. On April 17, 2007, CCW made a preliminary presentation of its ongoing valuation analyses to a meeting of the special committee. At that meeting, members of the special committee and its legal counsel held extensive discussions with CCW regarding due diligence performed by CCW, the approaches taken by CCW to value GAFRI, the manner in which CCW may arrive at an opinion as to the fairness, from a financial point of view, of the consideration to be received by public stockholders under the proposed transaction

Table of Contents

and the assumptions upon which CCW's valuation work was based, including forecasts of the expected future performance of GAFRI provided by GAFRI's management, which represent GAFRI's best good faith estimate of its future performance, data from comparable transactions, and the terms of the proposed transaction.

After describing the due diligence it had performed in the process and discussing the financial analyses techniques utilized in undertaking the valuation of GAFRI, CCW then presented its preliminary valuation of GAFRI, which was based on six valuation methodologies: historical stock price analysis, historical trading multiple analyses, price to book value versus return on equity analysis, public market trading analysis, dividend discount analysis and premiums paid analysis. During this presentation, CCW answered various questions from the special committee regarding the valuation methodologies and the implications of their results. At the conclusion of CCW's April 17, 2007 presentation of its preliminary valuation and twice by telephonic conference calls on April 18, 2007, the special committee engaged in robust deliberations on the preliminary valuation analyses. Each member of the special committee asked a number of questions of CCW, all of which were answered to the satisfaction of the special committee.

On April 20, 2007, the special committee and its advisors met with the management of GAFRI and a representative of our Board of Directors to inform them of its preliminary conclusions with respect to the transaction proposed by AFG as a prelude to meeting with representatives of AFG. Squire Sanders opened the meeting with a report on the legal standards governing the actions of the special committee. This report covered issues such as the independence of the members of the special committee and the independence of CCW and Squire Sanders as advisors to the special committee. The report also discussed the deliberative nature of the actions taken by the special committee up to that date, including meeting with the management of GAFRI for a presentation of GAFRI's operations, financial condition and strategic initiatives, additional due diligence meetings with GAFRI's management on tax, environmental and real estate evaluation matters, and the thirteen (13) meetings of the special committee up to that date that included about 4 meetings solely on valuation.

Thereafter, on April 20, 2007, the special committee, together with Squire Sanders and CCW, met with representatives of AFG to discuss the financial terms of the proposed transaction. Squire Sanders reviewed the terms of the initial proposal from AFG, and then discussed the process being undertaken by the special committee and the special committee's work up to that date, including the selection and engagement of Squire Sanders as legal counsel and CCW as financial advisor, due diligence meetings with management of GAFRI, the management's responsiveness to due diligence requests and the deliberate and robust nature of the special committee's meetings and discussions, particularly on the subject matter of valuation. The special committee then informed the AFG representatives of the special committee's resolution not to recommend acceptance of AFG's initial proposal to pay cash consideration of \$23.50 per share for GAFRI common stock held by the public stockholders, and suggested that the special committee might be able to recommend an offer of \$25.50 per share, coupled with other conditions it considered to be in the best interest of the public stockholders.

AFG responded unequivocally that it would not consider an offer of \$25.50 per share of GAFRI common stock. AFG then presented its valuation of GAFRI, which was based on the operations and business prospects of each of GAFRI's individual lines of business, as well as its own analyses of various valuation metrics, and informed the special committee that the special committee's suggestion of \$25.50 per share was considerably in excess both of what AFG was willing to offer to the public stockholders and of AFG's valuation of GAFRI which had resulted in an average price of \$21.32 per share of GAFRI common stock based on AFG's various valuation metrics. AFG further stated that because of the regulatory uncertainty with respect to the future of the medical supplement line of the insurance business, its valuation of GAFRI would not justify paying \$25.50 per share for GAFRI common stock held by the public stockholders. In response to a question posed by a member of the special committee, AFG indicated that the \$25.50 per share valuation would result in a return on equity on GAFRI common stock of about 6.3% in 2007, in comparison to approximately 10% for comparable companies in the insurance industry. CCW asked the AFG representatives questions regarding AFG's valuation analyses and received responses thereto from the AFG

representatives. CCW further discussed the market price analysis of GAFRI as well as other preliminary analyses used by CCW in evaluating the financial fairness of the proposed transaction.

Following deliberations between the special committee and its advisors, and further discussions among the special committee and its advisors and the AFG representatives over valuation methodologies and the market value

Table of Contents

of GAFRI common stock, the special committee stated that it could recommend acceptance of an offer of \$24.50 per share of GAFRI common stock held by the public stockholders, contingent upon the satisfaction of other conditions in the best interests of the public stockholders. The AFG representatives thereafter acceded to the non-binding recommendation to raise its offer to \$24.50 per share of GAFRI common stock held by the public stockholders, it being understood that the accord was preliminary in nature as to what the special committee might recommend to our Board of Directors and would not be binding upon the special committee until a definitive merger agreement was negotiated and its execution approved by the special committee, and that even then the recommendation could be withdrawn under customary circumstances. The AFG representatives stated that AFG would withdraw its proposal before it would agree to a price of more than \$24.50 per share of GAFRI common stock. AFG then suggested further discussions between AFG's counsel and the special committee's legal counsel regarding other merger terms.

On April 24, 2007, Squire Sanders, on behalf of the special committee, met with AFG's counsel for discussions regarding conditions to the proposed transactions and the negotiation of a definitive merger agreement. Between April 26, 2007 and May 10, 2007, the special committee met several times either in person or telephonically with Squire Sanders to deliberate upon and resolve issues with respect to the proposed transaction as it deemed such resolution to be in the best interests of the public stockholders, and to receive updates on the negotiation of a definitive merger agreement and related matters. On May 15, 2007, the special committee met with CCW for an update on its preliminary valuation analyses, which had not changed in any significant respect.

On May 17, 2007, the special committee met with CCW and Squire Sanders to receive the final valuation report and fairness opinion of CCW, and to receive a draft of the negotiated definitive merger agreement. CCW reviewed the financial analyses methodologies that it had utilized in the valuation of GAFRI, and then presented its valuation of GAFRI. In addition, CCW delivered its fairness opinion, both orally and by presenting a confirming opinion letter, that the merger consideration of \$24.50 per share of GAFRI common stock would be fair to the public stockholders (other than AFG, GAFRI and their affiliates) from a financial point of view. Squire Sanders reviewed the draft merger agreement with the special committee discussing the course of negotiations with AFG's counsel. Based in part on the CCW opinion and the valuation analyses presented by CCW to the special committee, the special committee's belief that the \$24.50 per share price is a fair offer from a financial point of view and the other factors described below in *Special Factors*—*Recommendation of the Special Committee and the Board of Directors*—*Reasons for the Special Committee's Determination; Fairness of the Merger*, and after further detailed discussions, the special committee unanimously voted to accept the proposed merger, and to recommend to our Board of Directors that the merger and the merger agreement be approved by the Board and recommended to the public stockholders.

Thereafter, also on May 17, 2007, our Board of Directors met to receive and deliberate upon the report of the special committee. The special committee, in concert with Squire Sanders and CCW, reported to the Board on the process undertaken by the special committee and the special committee's review of the merger agreement, and unanimously recommended to our Board of Directors that the Board accept the offer of \$24.50 per share of GAFRI common stock held by the public stockholders and to approve and adopt the definitive merger agreement. After the presentation of the report, and responses to questions posed by various members of the Board to the special committee and its advisors, our Board of Directors (with Messrs. Carl H. Lindner, S. Craig Lindner, Kenneth C. Ambrecht, Charles R. Scheper and William R. Martin abstaining, because of potential conflicts of interest with respect to the proposed transaction) approved and adopted the recommendations of the special committee with respect to the proposed transaction, the definitive merger agreement and the transactions contemplated thereby, and resolved to recommend the approval of the proposed transaction and the merger agreement to the public stockholders. Thereafter, GAFRI issued a press release announcing that, based on the recommendation of the special committee, our Board of Directors had approved the proposed transaction and the offer of \$24.50 per share in cash.

AFG's acceptance of the final terms of the merger (including the increase in the consideration to be paid for the GAFRI shares) reflected the separate negotiations with counsel for certain shareholders of GAFRI who filed lawsuits

in February challenging the original merger terms proposed by AFG. See Special Factors Certain Litigation Regarding the Merger.

Recommendation of the Special Committee and the Board of Directors

At a meeting held on May 17, 2007, the special committee determined that the proposed transaction, including the merger, the merger agreement and the transactions contemplated thereby, were fair to the public stockholders (other than AFG, GAFRI and their affiliates) and in the best interests of the public stockholders and unanimously recommended that our Board of Directors approve the proposed transaction, the merger, the merger agreement and the other transactions contemplated thereby and recommend to the public stockholders the merger, the merger agreement and the transactions contemplated thereby. In reaching its conclusion, the special committee was assisted in its deliberations by CCW and Squire Sanders. See *Special Factors* The Special Committee. Additionally, the special committee met on 22 occasions between February 23, 2007 and the date of this proxy statement, in person or by telephone conference, to consider developments relating to the proposed transaction. The special committee is unaware of any development since its May 17, 2007 meeting that would affect its determination, and, accordingly, the special committee reconfirms that, as of the date of this proxy statement, its determination that the proposed transaction, including the merger, the merger agreement and the transactions contemplated thereby, are fair to the public stockholders (other than AFG, GAFRI and their affiliates) and in the best interests of the public stockholders.

Reasons for the Special Committee's Determination; Fairness of the Merger

In reaching its conclusions and recommending the proposed transaction, the merger and the merger agreement to the Board, the special committee considered the current overall position of GAFRI, and relied upon the Company's management to provide financial information, projections and assumptions (based on the best information available to management at that time), as the starting point for its analyses, and upon its financial advisor to provide independent analyses for the consideration of the special committee in its valuation of the Company and its evaluation of the proposed transaction. The following discussion of the factors considered by the special committee in reaching its conclusions and recommendation includes all of the material factors considered by the special committee.

Specifically, the material factors that the special committee considered in reaching its determination and making its recommendation and which it believed supported its determination are:

The special committee's belief that it was unlikely another bidder would make a definitive proposal that would result in a transaction providing greater value to the public stockholders than the proposed transaction. This view was reinforced by the lack of any interest in acquiring GAFRI by any person other than AFG. In addition, the special committee believes that the \$24.50 per share consideration is the highest price that could be obtained from AFG, and considered the possibility that AFG would withdraw its bid at a price in excess of \$24.50 per share. Furthermore, in its proposal letter of February 22, 2007, AFG stated that it was not interested in pursuing a sale of its approximately 81% equity stake in GAFRI.

The special committee's consideration of the Company as a viable, going concern, and its understanding that AFG would not consider liquidating GAFRI. The special committee therefore did not consider liquidation value as a relevant valuation methodology. Furthermore, the special committee determined, in the exercise of its business judgment and experience, that the valuation of GAFRI as a going concern will result in a greater value for the public stockholders (other than AFG, GAFRI and their affiliates) that is more certain and more immediate than the value that would otherwise be realized in a liquidation of GAFRI. The special committee does not believe there is a single method of determining going concern value, although the special committee believes the analyses of CCW in their totality is reflective of, among other things, the going concern value. Accordingly, in making a determination as to the going concern value of GAFRI, the special committee adopted the analyses and conclusions of CCW. CCW's analyses and conclusions were considered by the special

committee in the context of GAFRI's current financial position, operations, strategic business plan, potential for future viability and growth and current market conditions, and the special committee considers such analyses and conclusions as reflective of the going concern value.

The special committee's consideration and adoption of CCW's written opinion, in its entirety, delivered to the special committee on May 17, 2007, that the per share merger consideration of \$24.50 to be received by the public stockholders (other than AFG, GAFRI and their affiliates) is fair to such holders from a financial point of view. The full text of the written opinion of CCW, sets forth assumptions made, matters considered

and limitations on the review undertaken in connection with its opinion, is attached hereto as Appendix B and is incorporated herein by reference. GAFRI's shareholders are urged to and should read CCW's fairness opinion in its entirety.

The special committee consideration of the various analyses undertaken by CCW, each of which is described below in "Special Factors" Opinion of the Special Committee's Financial Advisor.

The special committee's consideration of the then-current market prices of GAFRI common stock, and its determination that the per share merger consideration of \$24.50 was fair to the public stockholders (other than AFG, GAFRI and their affiliates) from a financial point of view as it represents an approximate 15% premium over the market price of GAFRI common stock on February 15, 2007 (being the last trading day one week prior to the announcement of the proposed transaction).

The special committee's consideration of the historical market prices of GAFRI common stock, and the special committee's subsequent determination that, based on the fact that GAFRI common stock had not closed above the \$24.50 per share price during the five-year period preceding the announcement of the proposed merger, the per share merger consideration of \$24.50 was fair to the public stockholders (other than AFG, GAFRI and their affiliates) from a financial point of view.

The special committee's consideration of premiums paid in comparable merger transactions, and the special committee's subsequent determination that, based on the indication that the premium represented by the consideration offered in the proposed merger was within the median range of premiums paid in the various transactions compared to the merger, the proposed per share merger consideration was fair to the public stockholders of GAFRI stockholders (other than AFG, GAFRI and their affiliates).

The special committee's consideration of the net book value of GAFRI of \$22.37 per share as of December 31, 2006, and its determination that, based on the indication that the proposed merger consideration represents a premium over the net book value per share of GAFRI, the per share merger consideration of \$24.50 was fair to the public stockholders (other than AFG, GAFRI and their affiliates) from a financial point of view.

The special committee's consideration of the proposed terms and conditions of the merger agreement. In particular, the special committee considered the fact that the merger agreement does not provide for any termination fees and expense reimbursement obligations which would have the effect of unreasonably discouraging competing bids or hurt the financial results of GAFRI if the merger is not completed. The special committee also concluded that provisions of the merger agreement permitting the Board, in the exercise of its fiduciary duties, to withdraw or modify its recommendation to the shareholders regarding the merger, would facilitate any competing bid, if such a bid becomes available prior to the consummation of the merger.

The fact that the merger and the merger agreement are the product of arm's-length negotiations between AFG and the special committee. During the course of these negotiations, the special committee was able to negotiate terms and conditions of the merger agreement that it believes are beneficial to GAFRI and the public stockholders.

The fact that GAFRI and AFG reported to the special committee in the course of their due diligence that neither is aware of any firm offer by any unaffiliated person during the past two years for the merger, consideration, sale or change of control of GAFRI.

The fact that the per share merger consideration is all cash, which provides certainty of value and complete liquidity to the public stockholders, compared to a transaction in which the public stockholders would receive

stock or some other form of consideration.

The likelihood of completion of the merger.

The ability of the public stockholders who may not support the merger to obtain fair value for their shares if they properly perfect and exercise their appraisal rights under Delaware General Corporation Law. The special committee felt that it was important that the Delaware General Corporation Law provides the public

Table of Contents

stockholders with the opportunity to exercise appraisal rights and to seek a judicial determination of the fair value of their shares if they are dissatisfied with the consideration offered in the merger.

The foregoing discussion of the information relied upon, the analyses adopted by, and factors considered by, the special committee in reaching its conclusions and recommendation includes all of the material factors considered by the special committee. In view of the wide variety of factors considered by the special committee in evaluating the terms of the merger, the special committee did not find it practicable, and did not attempt, to quantify, rank or otherwise assign relative weight to those factors.

The special committee believes that sufficient procedural safeguards were and are present to ensure the fairness of the merger and to permit the special committee to represent effectively the interests of the public stockholders. The special committee believes that sufficient procedural safeguards were and are present to ensure the fairness of the merger and to permit the special committee to represent effectively the interests of the public stockholders. The special committee believes that the procedure that was followed in determining the per share merger consideration to be paid to the public stockholders was fair to the public stockholders other than AFG, GAFRI and their affiliates because, among other things:

The Board established a special committee comprised of three non-employee directors who are not affiliated with AFG.

The Board granted the special committee exclusive authority on behalf of the Board to evaluate, review, reject or accept and negotiate the proposed transaction.

The special committee retained and received advice from its own independent legal and financial advisors in evaluating, negotiating and recommending the terms of the proposed transaction, and these advisors reported directly to and took direction solely from the special committee.

The special committee, together with its legal and financial advisors, conducted extensive due diligence and negotiations for the benefit of the public stockholders other than AFG, GAFRI and their affiliates.

The fact that, under the terms of the merger agreement the Board (acting upon the recommendation of the special committee) or the special committee is not prohibited from withdrawing, modifying or changing its recommendation that the public stockholders other than AFG, GAFRI and their affiliates approve and adopt the merger agreement, the merger and the transactions related thereto if the special committee determines that such withdrawal, modification or change is necessary in order for the special committee or the Board to comply with its fiduciary duties.

The merger consideration of \$24.50 per share and the other terms and conditions of the proposed transaction was the result of active and lengthy negotiations between the special committee and its legal and financial advisors on the one hand, and AFG on the other hand.

The special committee met in excess of 20 times to consider the proposed transaction and the fairness of the proposed transaction to the public stockholders other than AFG, GAFRI and their affiliates.

Under Delaware law, the public stockholders have the right to demand appraisal of their shares.

In light of the foregoing procedural safeguards, the special committee determined that the merger is procedurally fair to the public stockholders other than AFG, GAFRI and their affiliates. Accordingly, the special committee did not consider it necessary to retain an unaffiliated representative to act solely on behalf of the public stockholders (other

than AFG, GAFRI and their affiliates) for purposes of negotiating the terms of the merger agreement or preparing a report concerning the fairness of the merger agreement and the merger.

The special committee also considered certain risks and other potentially negative factors concerning the merger agreement, the merger and the transactions contemplated thereby, but ultimately determined that these

Table of Contents

factors were outweighed by the factors that supported the special committee's determination. These potentially negative factors included:

The fact that GAFRI will no longer be a public company following completion of the merger, with the resultant effect that the public stockholders will have no further opportunities to participate in any future growth of GAFRI.

The possibility that the merger will not be completed, and the risks associated with such an occurrence.

The closing of the merger is not conditioned upon the affirmative vote of a majority of the public stockholders, but instead is conditioned upon the affirmative vote of a majority of all stockholders.

The fact that, as of the record date, AFG beneficially owned approximately 81% of GAFRI's outstanding shares and has determined to vote, or cause to be voted, such shares in favor of the merger agreement, which means that the proposed merger does not require the affirmative vote of any public stockholders other than AFG, GAFRI and their affiliates.

The possibility of disruption to GAFRI's operations following the announcement of the merger agreement, and the resulting effect on GAFRI if the merger does not close.

The special committee concluded, however, that the aforementioned risks and potentially negative factors could be managed or mitigated by GAFRI or were unlikely to have a material impact on the merger, and that, overall, the potentially negative factors associated with the merger were outweighed by the potential benefits of the merger.

The special committee views its determination and recommendation that the merger agreement and the merger are fair to, and in the best interests of, the public stockholders as being based upon its judgment, in light of the totality of the information presented and considered, of the overall effect of the merger on the public stockholders compared to any alternative transaction and the likely effect of rejecting the merger. The special committee believes that the procedure that was followed in determining the per share merger consideration to be paid to the public stockholders was fair to the public stockholders. The Board appointed as the only members of the special committee three non-employee directors who are not affiliated with AFG, and granted the special committee exclusive authority on behalf of the Board to evaluate, review, reject or accept and negotiate the proposed transaction.

Based on the foregoing, the special committee unanimously determined that the AFG proposal, including the merger, the merger agreement and the transactions contemplated thereby, were fair to, and in the best interests of, the public stockholders other than AFG, GAFRI and their affiliates and recommended to our Board of Directors approval of the merger agreement and that it be recommended to the shareholders of GAFRI.

Position of the Board of Directors as to Fairness of the Merger

Our Board of Directors consists of 10 members, three of whom served on the special committee. At the May 17, 2007 meeting of the Board, the special committee, with representatives of CCW and Squire Sanders participating, reported to the entire Board of Directors on its review of the proposed transaction and the merger agreement. Messrs. Carl H. Lindner, S. Craig Lindner, Kenneth C. Ambrecht, Charles R. Scheper and William R. Martin abstained from any vote with respect to the merger or the merger agreement. The members of the special committee, namely L. Thomas Hiltz, Ronald G. Joseph and Joseph P. Tomain, as well as directors Robert A. Adams and John T. Lawrence III voted to approve the proposed transaction and the merger agreement. The Board considered the analyses performed by, and the conclusions and recommendations of, the special committee. Our Board of Directors believes that, given the careful deliberations and process employed by the special committee, including the advice received by the special committee

from each of CCW and Squire Sanders, and based upon the recommendation of the special committee, the merger and the merger agreement are fair to the public stockholders (other than AFG, GAFRI and their affiliates) and in the best interest of the public stockholders (other than AFG, GAFRI and their affiliates) and GAFRI.

Opinion of the Special Committee's Financial Advisor

Pursuant to an engagement letter dated March 20, 2007, the special committee engaged CCW to act as its financial advisor in connection with the special committee's evaluation of the transaction proposed by AFG, and to render to the special committee a written opinion as to whether the per share merger consideration to be received by the unaffiliated public stockholders was fair to such unaffiliated public stockholders from a financial point of view. As used in this section, the term "unaffiliated public stockholders" does not include (i) AFG and its affiliates or (ii) GAFRI or any of its affiliates with respect to shares held in treasury or otherwise, and CCW's opinion does not address the fairness of the merger or the per share merger consideration to be received by any such party or holders of shares who have properly exercised appraisal rights, if any.

The special committee chose to retain CCW to serve as its financial advisor because CCW is a leading investment banking firm specializing in the insurance industry and its investment banking professionals have substantial experience in transactions similar to the transaction proposed by AFG. CCW, as part of its investment banking business, is continually engaged in performing financial analyses with respect to businesses and their securities in connection with mergers and acquisitions, negotiated underwritings, competitive biddings, secondary distributions of listed and unlisted securities, private placements and other transactions as well as for corporate and other purposes. In addition, CCW was retained by Ceres Group, Inc. (prior to its acquisition by GAFRI) to act as financial advisor in connection with its acquisition by GAFRI in August 2006. CCW has not had any relationship with the Company, GAC or AFG during the two years preceding the date hereof, other than with regard to the merger. On May 17, 2007, at a meeting of the special committee, CCW delivered its oral opinion, which was confirmed by delivery of a written opinion dated May 17, 2007, to the special committee that, as of such date, on the basis of its analyses summarized below and subject to the limitations described below and in the written opinion the per share merger consideration to be received by the unaffiliated public stockholders was fair to such unaffiliated public stockholders from a financial point of view.

The full text of CCW's written opinion, which is attached as Appendix B to this proxy statement and is incorporated herein by reference, describes, among other things, the assumptions made, general procedures followed, matters considered and limitations on the review undertaken by CCW in rendering its opinion. GAFRI's unaffiliated public stockholders are urged to and should read CCW's opinion carefully and in its entirety. CCW's opinion is addressed to the special committee for its use in evaluating the transaction proposed by AFG and it addresses only the fairness from a financial point of view of the consideration to be received by the unaffiliated public stockholders pursuant to the merger agreement and does not address any other aspect of the transaction proposed by AFG. CCW's opinion does not constitute a recommendation to the special committee or any of the public stockholders on whether or not to vote in favor of or against any matter related to the merger.

As compensation to CCW for its services to the special committee in connection with its evaluation of the transaction proposed by AFG, the special committee paid CCW \$250,000 upon execution of the engagement letter dated March 20, 2007 and an additional \$250,000 upon the delivery of CCW's opinion. Additional compensation of \$250,000 will be payable after GAFRI mails definitive proxy materials to its shareholders or alternatively decides not to proceed with the merger. In addition, regardless of whether the merger is consummated, the special committee has agreed to reimburse CCW for customary expenses, including reasonable attorneys' fees and disbursements, and to indemnify CCW and related persons against various liabilities arising out of CCW's engagement. No portion of the CCW fee or its right to expense reimbursement is contingent upon the successful completion of the merger or on the conclusions reached in the CCW opinion.

In connection with rendering its opinion and performing its related financial analyses, CCW reviewed, among other things:

the final draft of the definitive merger agreement;

certain historical financial statements of GAFRI as of and for each of the five years ended December 31, 2002 through December 31, 2006 and certain unaudited historical financial statements of GAFRI as of and for the quarter ended March 31, 2007;

certain internal business, operating and financial information, projections and forecasts of GAFRI, referred to herein as Forecasts, prepared by the management of GAFRI;

Table of Contents

information regarding certain publicly traded companies comparable to GAFRI;

information regarding publicly available financial terms of certain transactions that CCW deemed comparable to the merger;

current and historical market prices and trading volumes of the common stock of GAFRI; and

certain other publicly available information on GAFRI and AFG.

In addition, CCW held discussions with members of the management of GAFRI concerning past and current business operations, assets, liabilities, financial condition and future prospects of GAFRI. CCW also considered other matters which it has deemed relevant to its inquiry and has taken into account such accepted financial and investment banking procedures and considerations as it has deemed relevant.

CCW was not requested to opine to, and did not address, among other things:

the underlying business decision of GAFRI, the Board, the special committee, the public stockholders or any other party to proceed with or to effect the merger; or

the relative merits of the merger as compared to any alternative business strategies that might exist for GAFRI or the effect of any other transaction in which GAFRI might engage.

In arriving at its opinion, CCW relied upon and assumed, without independent verification, the accuracy and completeness of all financial, accounting, legal, tax and other information examined by it or otherwise reviewed or discussed with GAFRI. In that regard, CCW assumed, with the consent of the special committee and GAFRI, that the Forecasts were reasonably prepared by the management of GAFRI on a basis reflecting the best then currently available estimates and judgments of the management of GAFRI and CCW expressed no opinion with respect to such Forecasts or the assumptions on which they are based.

CCW is not an actuary and its services did not include any actuarial determination or evaluation by CCW or any attempt to evaluate actuarial assumptions and CCW has relied on GAFRI's actuaries with respect to reserve adequacy. In that regard, CCW made no analysis of, and expressed no opinion as to, the adequacy of the insurance and investment contract liabilities or the policy liabilities of GAFRI. In addition, CCW did not make an independent evaluation or appraisal of the assets, liabilities (including any derivative or off-balance-sheet assets and liabilities) or solvency of GAFRI or any of its respective subsidiaries and CCW was not furnished with any such evaluation or appraisal. CCW's opinion does not address the underlying business decision of GAFRI to engage in the merger, nor did CCW express any opinion as to the prices at which shares of GAFRI common stock will trade at any time.

CCW relied as to all legal, tax and regulatory matters on advice of counsel to GAFRI, and assumed that the merger will be consummated on the terms described in the merger agreement, without any waiver of any material terms or conditions by GAFRI. The special committee did not request that CCW, and CCW did not, solicit third party indications of interest in respect of the merger.

In the ordinary course of its investment banking activities, CCW and its affiliates may provide such services to GAFRI, AFG and their respective affiliates, may actively trade the debt and equity securities (or related derivative securities) of GAFRI and AFG for its own account and for the accounts of its customers and may at any time hold long and short positions of such securities.

Financial Analyses of the Special Committee s Financial Advisor

The following is a summary of the material financial analyses presented by CCW to the special committee on May 17, 2007, in connection with providing its opinion, which we refer to herein as the CCW presentation. The following summary does not purport to be, and is not, a complete description of the financial analyses performed by CCW. Financial analyses involve complex considerations and judgments concerning financial and operating characteristics and other factors that could affect the acquisition, public trading or other values of the companies, business segments or transactions analyzed and, therefore, financial analyses are not readily susceptible to summary description. No company, transaction or business utilized by CCW in conducting its financial analyses as a comparison is identical to GAFRI, the merger agreement or the merger, and an evaluation of the results of those analyses is not entirely mathematical. The estimates used in, and the valuation ranges resulting from, such analyses are inherently subject to substantial uncertainty and, thus, such analyses do not purport to be, and should not be construed in any respect as, a guaranty of value at which GAFRI, the common stock of GAFRI or any other interests in GAFRI actually could be acquired or sold. The summaries

of the financial analyses include information presented in tabular format. The tables must be read together with the full text of each summary and are alone not a complete description of CCW's financial analyses.

Except as otherwise noted, the following quantitative information, to the extent that it is based on market data, is based on market data as it existed on or before May 17, 2007, and is not necessarily indicative of current market conditions. CCW's financial analyses were necessarily based on the information available to CCW and general economic, financial and stock market conditions and circumstances as they existed and could be evaluated by CCW as of the date of preparation of the CCW presentation. Although subsequent developments may affect the financial analyses performed by CCW, CCW does not have any obligation to update, revise or reaffirm any of the information included in the CCW presentation.

Overview

As part of its financial analysis, CCW performed a Public Market Trading Analysis, a Dividend Discount Analysis, and a Premiums Paid Analysis. These analyses and the resulting per share reference ranges for GAFRI indicated by these analyses are described below. As part of CCW's financial analysis, CCW reviewed the historical stock price performance and average trading volume of GAFRI and selected companies and the historical financial performance and trading multiples of GAFRI. The order of analyses described below does not represent the relative importance or weight given to those analyses by CCW. CCW considered the results of all of its analyses as a whole, did not attribute any particular weight to any analysis or factor considered by it and did not draw, in isolation, conclusions from or with regard to any one factor or method of analysis. Accordingly, CCW believes that the summary set forth below and its analyses must be considered as a whole and that selecting portions thereof, without considering all of its analyses, could create an incomplete view of the processes underlying its analyses.

Public Market Trading Analysis

In order to access how the public market values shares of similar publicly traded companies, CCW reviewed and compared specific financial and market data relating to GAFRI with selected companies that CCW, based on its experience with companies in the life insurance and annuities industries, deemed appropriate as comparables to GAFRI, including: American Equity Investment Life Holding Co., Conseco, Inc., FBL Financial Group, Inc., National Western Life Insurance Company, Nationwide Financial Services, Inc., Presidential Life Corporation, Protective Life Corporation and Torchmark Corporation.

The financial information compared included current stock price, previous 52 weeks high and low stock price, average weekly trading volume over the last year as a percentage of shares outstanding, market capitalization, stock performance over the last year, GAAP book value, including and excluding the impact of unrealized gains and losses, as of March 31, 2007, return on equity, or ROE, for the last twelve months ended March 31, 2007, or LTM, estimated ROE for 2007 and 2008, dividend yield, LTM diluted EPS, LTM operating EPS, estimated operating EPS for 2007 and 2008 and beta. The credit statistic compared included the ratio of long-term debt to book capitalization. In order to arrive at a public market reference range for GAFRI, CCW derived multiples for the comparable companies, including price as a multiple of (i) LTM operating EPS, (ii) 2007 estimated operating EPS, (iii) 2008 estimated operating EPS, and (iv) GAAP book value per share, excluding the impact of unrealized gains and losses, as of March 31, 2007. Additionally, CCW examined the correlation between 2007 estimated ROEs and price to book value multiples of the comparable companies for which 2007 earnings estimates were publicly available. The resulting regression line provides the implied price to book value multiple for a company at a given 2007 estimated ROE. The market price information used in the analysis was as of May 15, 2007. The earnings per share estimates used were based on First Call consensus estimates as of May 15, 2007. First Call is a product of Thomson Financial, a data service that monitors and publishes a compilation of earnings estimates regarding companies of interest to institutional investors produced by selected research analysts.

Table of Contents

The following table presents the selected results of the financial analysis described above for the comparable companies:

	LTM Oper. EPS	2007E Oper. EPS	Price to: 2008E Oper. EPS	Book Value (Excl. FAS 115)	2007E ROE
American Equity	13.8x	9.7x	8.1x	1.02x	10.6%
Conseco	NM	15.6x	11.2x	0.70x	4.4%
FBL Financial	13.2x	13.1x	12.2x	1.31x	9.2%
National Western Life	19.6x	NA	NA	0.95x	NA
Nationwide	12.3x	13.7x	12.5x	1.57x	10.6%
Presidential Life	10.6x	NA	NA	1.06x	NA
Protective Life	13.7x	12.8x	12.4x	1.51x	10.9%
Torchmark	13.5x	12.9x	11.9x	1.98x	14.3%
Total Median	13.5x	13.0x	12.0x	1.18x	10.6%

CCW then derived from this the ranges of these multiples deemed most meaningful for this analysis (which were 13.0x 14.0x LTM operating EPS, 12.5x 13.5x 2007 estimated operating EPS, 11.5x 12.5x 2008 estimated operating EPS and 0.90x 1.10x GAAP book value per share, excluding the impact of unrealized gains and losses, as of March 31, 2007) and applied these multiples to corresponding financial data of GAFRI. Estimated financial data of GAFRI were based on internal estimates of GAFRI's management. CCW also derived a range of 0.90x 1.00x GAAP book value per share, excluding the impact of unrealized gains and losses, as of March 31, 2007 based on the price to book value multiple implied by inputting GAFRI's 2007 estimated ROE into the regression line discussed above. These calculations indicated an overall mean range of implied per share equity values for GAFRI of \$20.58 to \$22.96. CCW noted that the merger consideration of \$24.50 was above the range of implied per share equity values for GAFRI based on the Public Market Trading Analysis.

CCW selected the comparable companies named above because their businesses and operating profiles are reasonably similar to those of GAFRI. However, because of the inherent differences between business, operations and prospects of GAFRI and the businesses, operations and prospects of the comparable companies, CCW believed that it was inappropriate to, and therefore did not, rely solely on the quantitative results of the Public Market Trading Analysis. Accordingly, CCW also made qualitative judgments concerning differences between the financial and operating characteristics and prospects of GAFRI and the companies included in this analysis that would affect the public trading values of each in order to provide a context in which to consider the results of the quantitative analysis. These qualitative judgments related primarily to the differing sizes, growth prospects, profitability levels and degree of operational risk between GAFRI and the companies included in the Public Market Trading Analysis.

Dividend Discount Analysis

In order to estimate the present value of GAFRI common stock, CCW modeled a dividend discount cash flow analysis using the dividends available to GAFRI's common shareholders for fiscal years 2007 through 2011 based on estimates provided by GAFRI management.

A dividend discount cash flow analysis is a traditional valuation methodology used to derive a valuation of an asset by calculating the present value of estimated future dividends of the asset. Dividends represent the cash available to common shareholders after funding capital requirements, working capital needs and debt financing requirements.

Present value refers to the current value of future cash flows or amounts and is obtained by discounting those future cash flows or amounts by a discount rate that takes into account macro-economic assumptions and estimates of risk, the opportunity cost of capital, expected returns and other appropriate factors.

CCW performed a dividend discount cash flow analysis for GAFRI by adding (1) the present value of GAFRI's projected dividends to (2) the present value of the terminal value of GAFRI. The terminal value refers to the value of all future cash flows from an asset at a particular point in time.

To determine terminal value, CCW used a terminal forward net income multiple range of 12.5x - 13.5x based on the peer group and a terminal book value multiple range of 1.12x - 1.22x based on the price to book value

Table of Contents

versus 2007 estimated ROE regression analysis utilized in the Public Market Trading Analysis. CCW discounted the dividend streams and the estimated terminal value to a present value using a discount rate range of 11.0% - 12.0% based on GAFRI's estimated weighted average cost of equity. CCW used a capital asset pricing model to calculate GAFRI's estimated weighted average cost of equity using standard industry pricing models.

These calculations indicated an overall mean range of implied per share equity values for GAFRI of \$22.27 to \$25.22. The results of this analysis are summarized as follows:

	Terminal Multiple Range		Implied per Share Range		
Price / Estimated Earnings	12.5x	13.5x	\$	22.41	\$25.28
Price / Estimated Book Value	1.12x	1.22x	\$	22.13	\$25.17
Indicative Reference Range			\$	22.27	\$25.22

CCW noted that the merger consideration of \$24.50 per share was within the implied per share equity value ranges that resulted from the Dividend Discount Analysis.

Premiums Paid Analysis

In order to assess the premium proposed to be paid by AFG in the merger, CCW reviewed premiums paid by acquirers in selected minority buy-out transactions since 1996 where the acquirer owned at least 50% of the target before the transaction and the acquired entity equity value was at least \$50 million. These 116 transactions included 74 all-cash transactions, 30 transactions in which the acquired company was a financial institution, eleven transactions in which the acquired company was an insurance company, and seven all-cash transactions in which the acquired company was an insurance company. CCW utilized the premiums paid based on SDC Platinumtm calculations for the 1 week prior to the transaction. SDC Platinumtm is a product of Thomson Financial, a company that designs and develops information systems to address specific needs of the capital markets industry. The following table summarizes the results of such calculations:

	All 116 Transactions	74 All-Cash Transactions	30 Financial Institution Transactions	11 Insurance Company Transactions	7 All-Cash & Insurance Company Transactions
Median	22.8%	28.6%	12.9%	17.2%	17.4%

25 th Percentile	11.7%	13.6%	9.1%	11.0%	14.3%

CCW selected ranges based on the median premiums and applied these ranges to the share price of GAFRI's common stock for the same period to calculate the implied per share equity value ranges of GAFRI as follows:

	GAFRI Price⁽¹⁾	Selected Premium Range		Implied per Share Range	
All 116 Transaction	\$ 21.31	17.8%	27.8%	\$25.10	\$27.23
74 All-Cash Transactions	\$ 21.31	23.6%	33.6%	\$26.34	\$28.47
30 Financial Institution Transactions	\$ 21.31	7.9%	17.9%	\$22.99	\$25.12
11 Insurance Company Transactions	\$ 21.31	12.2%	22.2%	\$23.91	\$26.04
7 All-Cash & Insurance Company Transactions	\$ 21.31	12.4%	22.4%	\$23.95	\$26.08
Indicative Reference Range				\$24.46	\$26.59

⁽¹⁾ Represents the closing price of GAFRI common stock one trading week prior to February 22, 2007.

Based on the analysis above, these calculations indicated an overall mean range of implied per share equity values for GAFRI of \$24.46 to \$26.59. CCW noted that the merger consideration of \$24.50 per share was within this range.

The premiums paid analysis utilized by CCW represents a comparative analysis with many factors that may be unique to each transaction and may or may not be applicable to the merger and to GAFRI. CCW believed that it was inappropriate to, and therefore did not, rely solely on the quantitative results of the premiums paid analysis and, accordingly, also made certain qualitative judgments that would affect the reference ranges of GAFRI.

A copy of the CCW presentation has been attached as an exhibit to the Schedule 13E-3 filed with the SEC in connection with the merger. The CCW presentation will be available for any interested shareholder (or any representatives of the shareholder who have been so designated in writing) to inspect and copy at our principal executive offices during regular business hours.

Certain Effects of the Merger

Conversion of Outstanding GAFRI Common Stock and Treatment of Stock Options

If the merger agreement is approved by GAFRI's stockholders and the other conditions to the completion of the merger are either satisfied or waived, GAC will be merged with and into GAFRI, with GAFRI continuing as the surviving corporation in the merger. In addition, GAFRI will be a wholly-owned subsidiary of AFG, Carl H. Lindner will continue as Chairman of the Board of AFG, Carl H. Lindner III and S. Craig Lindner will continue as Co-Chief Executive Officers, Co-Presidents and directors of AFG and Kenneth C. Ambrecht and William R. Martin will continue as directors of AFG. Upon the completion of the merger, each issued and outstanding share owned by our public stockholders, (other than shares held by stockholders who perfect their appraisal rights under Delaware law) will be converted into the right to receive the per share merger consideration. GAFRI stockholders will be required to surrender their stock certificates upon the completion of the merger to receive a cash payment equal to the per share merger consideration for each share of GAFRI common stock tendered. After completion of the merger, stockholders will not have the opportunity to liquidate their shares at a time and for a price of their own choosing.

In the merger, vested employee stock options will be extinguished in exchange for a cash payment by GAFRI to each holder of an option of an amount equal to the positive number difference, less applicable taxes, between \$24.50 and the applicable option exercise price multiplied by the number of shares of GAFRI common stock formerly subject to an option. We refer to this amount as the option payment amount. In addition, so long as a holder of an option is an employee of GAFRI, AFG or any subsidiary of either of them at the vesting dates (as set forth in a GAFRI employee stock option plan or document evidencing a grant of an employee stock option), GAFRI shall pay the option payment amount as soon as practicable after such vesting dates in 2008, 2009, 2010 and 2011. Also, as of the effective time of the merger, GAFRI will take all action necessary to provide for the termination of its agent stock option plans or agreements and the extinguishment of all rights under such plans and agreements. See Interests of Certain Persons in the Merger below.

Effect on Ownership Structure of GAFRI; Beneficial and Detrimental Effects

After the merger, GAFRI will be a wholly-owned subsidiary of AFG. The benefit of the merger to public stockholders (other than stockholders who perfect their appraisal rights under Delaware law) is the right to receive the per share merger consideration for each share of GAFRI common stock held by such public stockholders. The public stockholders will additionally be able to dispose of their shares without paying the usual transaction costs associated with open market sales and will no longer have to bear the risk of any future losses or decrease in GAFRI's enterprise value. The detriments are that public stockholders will cease to have ownership interests in GAFRI or rights as stockholders. Therefore, public stockholders will no longer benefit from any increases in GAFRI's value, nor will they participate in any earnings or growth of GAFRI following the merger. Further, the receipt of the payment for their shares will be a taxable transaction for federal income tax purposes. See Special Factors Material U.S. Federal Income Tax Consequences.

A benefit of the merger to AFG is that GAFRI will be a wholly-owned subsidiary of AFG. Future earnings and growth will be solely for the benefit of AFG and will not benefit the public stockholders. Detriments of the merger to AFG include the risk that GAFRI will decrease in value following the merger and the payment by AFG of an aggregate of approximately \$3 million in transaction costs and estimated fees and expenses relating to the merger and financing

transactions.

Effect on Listing; Registration and Status of GAFRI Common Stock

GAFRI common stock is currently registered as a class of equity securities under the Exchange Act and is listed on the New York Stock Exchange under the symbol GFR . As a result of the merger, GAFRI will be a

Table of Contents

privately-held company, with no public market for its common stock. After the merger, GAFRI common stock will cease to be traded on the New York Stock Exchange, and prices with respect to sales of shares of GAFRI common stock in the public market will no longer be available. In addition, registration of GAFRI common stock under the Exchange Act will be terminated. This termination and the delisting of GAFRI common stock from the New York Stock Exchange will make certain provisions of the Exchange Act, such as the short-swing recovery provisions of Section 16(b) and the requirement to furnish a proxy or an information statement in connection with a stockholders meeting, the liability provisions of the Exchange Act and the corporate governance requirements under New York Stock Exchange rules and regulations and under the Sarbanes-Oxley Act of 2002, such as the requirement that certain executive officers of GAFRI certify the accuracy of GAFRI's financial statements and that annual reports contain management's report on the effectiveness of the company's internal controls, no longer applicable to GAFRI. AFG will guarantee \$280 million of debt of GAFRI and its subsidiaries in the merger. In addition, following the completion of the merger, we expect to deregister the shares of GAFRI common stock and cease to be a public reporting company. Accordingly, GAFRI will no longer be required to file periodic reports with the SEC after the effective time of the merger. If GAFRI, as the entity surviving the merger, completes a registered exchange or public offering of debt securities, however, it would be required to file periodic reports with the SEC under the Exchange Act for a period of time following that transaction.

Source of Funds

The total funds needed to complete the merger are estimated to be \$235 million. These funds will come from amounts available at GAFRI as well as borrowings from AFG. As a result, it is expected that GAFRI's indebtedness after completion of the merger will be greater. The amount borrowed from AFG will be dependent on funds available at GAFRI at the time the merger is completed. However, the rate at which the funds shall be borrowed is expected to be seventy-five basis points over LIBOR and such indebtedness is expected to mature on March 29, 2011.

Considerations Relating to the Proposed Merger

Set forth below are various risks relating to the proposed merger. The following is not intended to be an exhaustive list of the risks relating to the merger and should be read in conjunction with the other information in this proxy statement. In addition, you should refer to the section entitled "Risk Factors" in GAFRI's Annual Report on Form 10-K for the fiscal year ended December 31, 2006 which is incorporated in this proxy statement by reference, for risks relating to GAFRI's business.

Failure to complete the merger could negatively impact the market price of GAFRI common stock.

If the merger is not completed for any reason, GAFRI will be subject to a number of material risks, including:

The market price of GAFRI common stock may decline to the extent that the current market price of its shares reflects a market assumption that the merger will be completed;

The diversion of management's attention from the day-to-day business of GAFRI and the potential disruption to its employees and its relationships with agents and other distributors during the period before the completion of the merger may make it difficult for GAFRI to regain its financial and market positions if the merger does not occur.

If the merger is not approved by GAFRI's stockholders at the special meeting, GAFRI, AFG and GAC will not be permitted under Delaware law to complete the merger and each of GAFRI, AFG and GAC will have the right to terminate the merger agreement.

Until the merger is completed or the merger agreement is terminated, under certain circumstances, GAFRI will not be able to solicit any proposals for a merger or business combination with another party at a favorable price because of restrictions in the merger agreement.

Unless or until the merger agreement is terminated, subject to specified exceptions, GAFRI is restricted from soliciting, initiating, knowingly encouraging or knowingly facilitating any inquiries or proposals that may lead to a

Table of Contents

proposal or offer for an alternative transaction with any person or entity other than AFG. See Terms of the Merger Agreement No Solicitation of Competing Proposals. AFG stated in its proposal letter to GAFRI dated February 22, 2007, and AFG has reiterated to GAFRI on multiple occasions since such time, that AFG is not interested in pursuing a sale of its approximately 81% equity holding in GAFRI.

Uncertainties associated with the merger may cause GAFRI to lose key personnel.

Our current and prospective employees may be uncertain about their future roles and relationships with GAFRI if the merger is not completed. If the merger is not completed, this uncertainty may adversely affect our ability to attract and retain key management, marketing and technical personnel.

Interests of Certain Persons in the Merger

In considering the recommendations of our Board of Directors, GAFRI stockholders should be aware that some of GAFRI's executive officers and members of the Board have interests in the transaction that are different from, or in addition to, the interests of the public stockholders generally. The Board appointed the special committee, consisting solely of directors who are not officers or employees of GAFRI, to evaluate, reject or accept and negotiate the proposed transaction, including the merger, and to evaluate whether such transactions are in the best interests of the public stockholders. The special committee was aware of these differing interests and considered them, among other matters, in evaluating the proposed transaction and negotiating the merger and in recommending to the Board that the merger and the merger be approved and adopted.

Pursuant to the merger, for not less than six years from the completion of the merger, the surviving corporation is required to maintain in effect directors' and officers' liability insurance policies for the current and former directors and officers of GAFRI or any of its subsidiaries. Subject to certain limitations, these policies must provide at least the same coverage, and contain terms and conditions that are no less advantageous to the directors and officers who are covered by them as GAFRI's policies in effect on May 17, 2007 (the date of signing the merger agreement).

It is expected that some of GAFRI's executive officers will continue to serve in their current capacities following the merger.

Certain directors and executive officers of GAFRI have interests in the merger or have relationships with AFG that present actual or potential, or the appearance of actual or potential, conflicts of interest in connection with the merger.

In addition, in the merger, vested employee stock options (including those held by GAFRI's executive officers) and vested and unvested director stock options will be extinguished in exchange for a cash payment by GAFRI to each holder of an option as set forth under Terms of the Merger Agreement Consideration to be Received Pursuant to the Merger; Treatment of Stock Options.

Table of Contents

The table below sets forth the amounts that officers and directors of GAFRI would be entitled to receive as a result of the completion of the merger:

	Amount to be Received For Shares of GAFRI Common Stock Owned Upon Completion of the Merger	Amount to be Received For Options to Purchase GAFRI Common Stock Upon Completion of the Merger(1)	Maximum Amount that May Be Received Upon Vesting of Options to Purchase GAFRI Common Stock(2)

(1) All stock options held by directors of GAFRI, both vested and unvested, will receive the merger consideration of \$24.50 per share minus the exercise price for the option. Employees of GAFRI will receive payment at the closing of the merger with respect to vested options only of the merger consideration of \$24.50 per share minus the exercise price for the option.

(2) Pursuant to the merger agreement, so long as a holder of an option is an employee of GAFRI, AFG or any subsidiary of either of them at the vesting date (as set forth in a GAFRI employee stock option plan or document evidencing a grant of an employee stock option), GAFRI shall pay the option payment amount as soon as practicable after such vesting dates in 2008, 2009, 2010 and 2011.

In addition, GAFRI granted options to employees of GAFRI in February 2007 at an exercise price exceeding the per share merger consideration. The compensation committee of the AFG Board of Directors has taken action to grant options to purchase shares of common stock of AFG on the date that the merger is completed to replace all of these options to purchase GAFRI common stock. The number of shares of AFG common stock that may be acquired upon exercise is identical to the number of shares of GAFRI common stock subject to the prior options, and the exercise price per share, as determined under AFG's 2005 Stock Incentive Plan, will equal the average of the high and low sales prices as reported on the New York Stock Exchange on the date that the merger is completed. The options to purchase

AFG common stock will be subject to AFG's customary five year vesting. As a result, the following officers will be granted the following number of options to purchase shares of AFG common stock upon the closing of the merger: Mr. Berding 20,000; Mr. Magoteaux 20,000; Mr. Miliano 20,000; Mr. Moffett 20,000; Mr. Muething 20,000; Mr. Prager 20,000; and Mr. Scheper 50,000.

Except as set forth in the immediately preceding paragraphs, we are not aware of any other benefits or additional compensation in connection with this transaction that will not be shared by the public stockholders generally. The proposed transaction does not constitute a change of control for purposes of any existing employment agreement with the executive officers of GAFRI, and GAFRI has not and does not anticipate entering into any new employment or other compensation agreements with its executive officers as a result of the proposed

Table of Contents

transaction. We understand that all of the directors of GAFRI and all of the executive officers intend at this time to vote their shares in favor of the proposal to approve and adopt the merger and the merger agreement.

Certain Litigation Regarding the Merger

Following the announcement of the AFG proposal on February 22, 2007, two actions were filed in the Court of Common Pleas of Hamilton County, Ohio. The two actions, which we refer to as the actions, are styled *Webb, et al. v. Great American Financial Resources, Inc., et al.*, Case No. A-0701905 and *Call 4U, Limited, et al. v. Carl H. Lindner, et al.*, Case No. A-0701929, and were filed on February 28, 2007 as putative class actions on behalf of all of GAFRI public stockholders other than members of the GAFRI Board of Directors, naming AFG, GAFRI and the members of our Board of Directors as defendants. The actions alleged that the our Board of Directors had a conflict of interest in considering the AFG proposal on behalf of GAFRI's largest shareholder that prevented them from acting independently and in the best interest of the public stockholders. The actions also alleged that all of the defendants breached their fiduciary duties to the public stockholders by failing to obtain the highest value for the shares held by the public stockholders and by failing to implement a process that would produce an outcome and a price that was entirely fair to such public stockholders. The actions seek primarily injunctive relief to enjoin the proposed transaction and to require the defendants to implement a fair process to produce an entirely fair transaction and the highest possible price for the GAFRI common stock not owned by AFG and its affiliates. Both actions seek to recover attorneys' fees and costs, and one of the actions also seeks unspecified damages. On May 7, 2007, the actions were consolidated and lead counsel was appointed for the plaintiffs.

During this time, counsel for Defendants and Plaintiffs entered into discussions regarding the facts and law at issue in the actions. Defendants produced financial information and other documents to Plaintiffs' counsel and Plaintiffs' expert financial consultant regarding the merger, events leading up to the merger, and included documents obtained from and prepared by CCW. Plaintiffs' counsel negotiated to provide their expert financial consultant with the opportunity to directly discuss the merger and the financial analysis of CCW directly with representatives of CCW. Counsel for Plaintiffs and Defendant AFG also met directly to discuss issues related to potential settlement of the actions, including a price at which AFG's purchase of the remaining shares of GAFRI could be deemed fair to the minority shareholders of GAFRI. Through April and into May, the expert for Plaintiffs continued to directly discuss the financial analyses of GAFRI and counsel for Plaintiffs and counsel for Defendant AFG continued their independent discussions and negotiations regarding the merger process and the price to be paid by AFG to minority shareholders.

On May 17, 2007, as a result of extensive arms-length negotiations between counsel for the plaintiffs and representatives of AFG, and after review of financial information regarding GAFRI as well as negotiations with counsel for the special committee, the parties reached an agreement in principle for the settlement of the actions. Pursuant to such settlement, AFG agreed to acquire the outstanding shares of GAFRI common stock that it did not already beneficially own from the public stockholders at a purchase price of \$24.50 per share, a price in excess of what originally was offered by AFG in its February 22, 2007 proposal. AFG and GAFRI further agreed to provide plaintiffs' counsel an opportunity to review and comment upon the disclosures contained in the publicly filed disclosure documents relating to the transaction including, but not limited to, any definitive merger agreement and the proxy statement to be sent to GAFRI shareholders. Defendants also have agreed not to oppose the application of plaintiffs' counsel for an award of attorneys' fees and expenses in a total amount not to exceed \$850,000.00. All parties agree that the settlement is fair and is in the best interests of GAFRI and the public stockholders. Confirmatory discovery has been completed, and the court has preliminarily approved the settlement. A final hearing on the approval of the settlement has been scheduled for October 29, 2007.

Regulatory Matters

We are not aware of any regulatory approvals to be obtained, or waiting periods to expire, to complete the merger. If the parties discover that other approvals or waiting periods are necessary, they will seek to obtain or comply with them. Should any such approval or other action be required, it is our present intention to seek such approval or action. There can be no assurance however that any such approval or other action, if needed, would be obtained without substantial effort or that adverse consequences might not result to our business, or that certain parts of our business might not have to be disposed of or held separate or other substantial conditions complied with

Table of Contents

in order to obtain such approval or other action or in the event that such approval was not obtained or such other action was not taken.

Material U.S. Federal Income Tax Consequences

The merger will be a tax free reorganization with respect to AFG, GAFRI and GAC.

The following is a summary of the material U.S. federal income tax consequences of the merger to public stockholders, including Carl H. Lindner, Carl H. Lindner III, S. Craig Lindner, Kenneth C. Ambrecht and William R. Martin. This summary is based on the Internal Revenue Code of 1986, as amended, referred to as the Code in this proxy statement, regulations promulgated under the Code, administrative rulings by the Internal Revenue Service and court decisions now in effect. All of these authorities are subject to change, possibly with retroactive effect so as to result in tax consequences different from those described below. This summary does not address all of the U.S. federal income tax consequences that may be applicable to a particular public stockholder. In addition, this summary does not address the U.S. federal income tax consequences of the merger to public stockholders who are subject to special treatment under U.S. federal income tax law, including, for example, banks and other financial institutions, insurance companies, tax-exempt investors, S corporations, holders that are properly classified as partnerships under the Code, dealers in securities, holders who hold their common stock as part of a hedge, straddle or conversion transaction, holders whose functional currency is not the U.S. dollar, holders who acquired common stock through the exercise of employee stock options or other compensatory arrangements, holders who are subject to the alternative minimum tax provisions of the Code and holders who do not hold their shares of GAFRI common stock as capital assets within the meaning of Section 1221 of the Code. This summary does not address the U.S. federal income tax consequences to any public stockholder who, for U.S. federal income tax purposes, is a nonresident alien individual, a foreign corporation, a foreign partnership or a foreign estate or trust and this summary does not address the tax consequences of the merger under state, local or foreign tax laws. This summary does not address any tax consequences under state, local or foreign laws.

The summary that follows neither binds the Internal Revenue Service nor precludes the Internal Revenue Service from adopting a position contrary to that expressed in this proxy statement, and we cannot assure you that such a contrary position could not be asserted successfully by the Internal Revenue Service or adopted by a court if the positions were litigated. GAFRI does not intend to obtain a ruling from the Internal Revenue Service with respect to the U.S. federal income tax consequences of the merger. In addition, we do not intend to obtain an opinion from tax counsel with respect to the federal income tax consequences of the merger.

Each public stockholder should consult the holder's individual tax advisors as to the particular tax consequences of the merger to such holder, including the application and effect of any state, local, foreign or other tax laws and the possible effect of changes to such laws.

Exchange of Common Stock for Cash

Generally, the merger will be taxable to stockholders for U.S. federal income tax purposes. A holder of GAFRI common stock receiving cash in the merger generally will recognize gain or loss for U.S. federal income tax purposes in an amount equal to the difference between the amount of cash received and the holder's adjusted tax basis in the GAFRI common stock surrendered. Any such gain or loss generally will be capital gain or loss if the GAFRI common stock is held as a capital asset at the effective time of the merger. Any capital gain or loss will be taxed as long-term capital gain or loss if the holder has held the GAFRI common stock for more than one year prior to the effective time of the merger. If the holder has held the GAFRI common stock for one year or less prior to the effective time of the merger, any capital gain or loss will be taxed as short-term capital gain or loss. Currently, long-term capital gain for non-corporate taxpayers is taxed at a maximum federal tax rate of 15%. The deductibility of capital losses is subject to

certain limitations.

Backup Withholding

Under the U.S. federal backup withholding tax rules, unless an exemption applies, the paying agent will be required to withhold, and will withhold, 28% of all cash payments to which a holder of GAFRI common stock is entitled pursuant to the merger agreement unless the holder provides a tax identification number (social security

Table of Contents

number in the case of an individual or employer identification number in the case of other holders), certifies that such number is correct and that no backup withholding is otherwise required and otherwise complies with such backup withholding rules. Each holder of GAFRI common stock should complete, sign and return to the paying agent the Substitute Form W-9 in order to provide the information and certification necessary to avoid backup withholding, unless an exemption applies and is satisfied in a manner satisfactory to the paying agent. The Substitute Form W-9 will be included as part of the letter of transmittal mailed to each record holder of GAFRI common stock. See Terms of the Merger Agreement Payment for GAFRI Common Stock in the Merger beginning on page 36 of this proxy statement.

Appraisal Rights

The discussion below is not a complete summary regarding your appraisal rights under Delaware law and is qualified in its entirety by reference to the text of the relevant provisions of Delaware law, which are attached to this proxy statement as Appendix C. Stockholders intending to exercise appraisal rights should carefully review Appendix C. Failure to follow precisely any of the statutory procedures set forth in Appendix C may result in a termination or waiver of these rights.

If the merger is completed, dissenting holders of GAFRI common stock who follow the procedures specified in Section 262 of the Delaware General Corporation Law within the appropriate time periods will be entitled to have their shares of GAFRI common stock appraised and receive the fair value of such shares in cash as determined by the Delaware Court of Chancery in lieu of the consideration that such stockholder would otherwise be entitled to receive under the merger agreement.

The following is a brief summary of Section 262, which explains the procedures for dissenting from the merger and demanding statutory appraisal rights. Failure to follow the procedures described in Section 262 precisely could result in the loss of appraisal rights. This proxy statement constitutes notice to holders of GAFRI common stock concerning the availability of appraisal rights under Section 262. A stockholder of record wishing to assert appraisal rights must hold the shares of stock on the date of making a demand for appraisal rights with respect to such shares and must continuously hold such shares through the effective time of the merger.

Stockholders who desire to exercise their appraisal rights must satisfy all of the conditions of Section 262. A stockholder must file a written demand for appraisal of shares with GAFRI before the special meeting on September 28, 2007. This written demand for appraisal of shares must be in addition to and separate from a vote against the merger. Stockholders electing to exercise their appraisal rights must not vote **FOR** the adoption and approval of the merger agreement. Also, because a submitted proxy not marked **AGAINST** or **ABSTAIN** will be voted **FOR** the proposal to adopt and approve the merger agreement, the submission of a proxy not marked **AGAINST** or **ABSTAIN** will result in the waiver of appraisal rights. Any proxy or vote against the adoption and approval of the merger agreement, by itself, will not, by itself, constitute a demand for appraisal within the meaning of Section 262.

A demand for appraisal must be executed by or for the stockholder of record, fully and correctly, as such stockholder's name appears on the share certificate. If the shares are owned of record in a fiduciary capacity, such as by a trustee, guardian or custodian, this demand must be executed by or for the fiduciary. If the shares are owned by or for more than one person, as in a joint tenancy or tenancy in common, such demand must be executed by or for all joint owners. An authorized agent, including an agent for two or more joint owners, may execute the demand for appraisal for a stockholder of record. However, the agent must identify the record owner and expressly disclose the fact that, in exercising the demand, he is acting as agent for the record owner. A person having a beneficial interest in GAFRI common stock held of record in the name of another person, such as a broker or nominee, must act promptly to cause the record holder to follow the steps summarized below in a timely manner to perfect whatever appraisal rights the

beneficial owners may have.

A stockholder of ours who elects to exercise appraisal rights should mail or deliver such stockholder's written demand to Great American Financial Resources, Inc. at our address at 250 East Fifth Street, Cincinnati, Ohio 45202, Attention: Corporate Secretary. The written demand for appraisal should specify the stockholder's name and mailing address, and that the stockholder is thereby demanding appraisal of such stockholder's GAFRI common

Table of Contents

stock. Within ten (10) days after the effective time of the merger, we must provide notice of the effective time of the merger to all of our stockholders who have complied with Section 262 and have not voted for the merger.

Within 120 days after the effective time of the merger (but not thereafter), any stockholder who has satisfied the requirements of Section 262 may deliver to us a written demand for a statement listing the aggregate number of shares not voted in favor of the merger and with respect to which demands for appraisal have been received and the aggregate number of holders of such shares. GAFRI, as the surviving corporation in the merger, must mail such written statement to the stockholder within ten (10) days after the stockholders' request is received by GAFRI or within ten (10) days after the latest date for delivery of a demand for appraisal under Section 262, whichever is later.

Within 120 days after the effective time of the merger (but not thereafter), either GAFRI or any stockholder who has complied with the required conditions of Section 262 and who is otherwise entitled to appraisal rights may file a petition in the Delaware Court of Chancery demanding a determination of the fair value of the GAFRI shares of stockholders entitled to appraisal rights. GAFRI has no present intention to file such a petition if demand for appraisal is made.

Upon the filing of any petition by a stockholder in accordance with Section 262, service of a copy must be made upon GAFRI, which must, within twenty (20) days after service, file in the office of the Register in Chancery in which the petition was filed, a duly verified list containing the names and addresses of all stockholders who have demanded payment for their shares and with whom agreements as to the value of their shares have not been reached by GAFRI. If a petition is filed by us, the petition must be accompanied by the verified list. The Register in Chancery, if so ordered by the court, will give notice of the time and place fixed for the hearing of such petition by registered or certified mail to us and to the stockholders shown on the list at the addresses therein stated, and notice will also be given by publishing a notice at least one week before the day of the hearing in a newspaper of general circulation published in the City of Wilmington, Delaware, or such publication as the court deems advisable. The forms of the notices by mail and by publication must be approved by the court, and we must bear the costs thereof. The Delaware Court of Chancery may require the stockholders who have demanded an appraisal for their shares (and who hold stock represented by certificates) to submit their stock certificates to the Register in Chancery for notation of the pendency of the appraisal proceedings and the Delaware Court of Chancery may dismiss the proceedings as to any stockholder that fails to comply with such direction.

If a petition for an appraisal is filed in a timely fashion, after a hearing on the petition, the court will determine which stockholders are entitled to appraisal rights and will appraise the shares owned by these stockholders, determining the fair value of such shares, exclusive of any element of value arising from the accomplishment or expectation of the merger, together with a fair rate of interest to be paid, if any, upon the amount determined to be the fair value.

Stockholders considering seeking appraisal of their shares should note that the fair value of their shares determined under Section 262 could be more, the same or less than the consideration they would receive pursuant to the merger agreement if they did not seek appraisal of their shares. Stockholders should also be aware that investment banking opinions as to the fairness from a financial point of view of the consideration payable in a merger are not opinions as to fair value under Section 262. The costs of the appraisal proceeding may be determined by the court and taxed against the parties as the court deems equitable under the circumstances. Upon application of a dissenting stockholder, the court may order that all or a portion of the expenses incurred by any dissenting stockholder in connection with the appraisal proceeding, including reasonable attorneys' fees and the fees and expenses of experts, be charged pro rata against the value of all shares entitled to appraisal. In the absence of a determination or assessment, each party bears such party's own expenses. The exchange of shares for cash pursuant to the exercise of appraisal rights will be a taxable transaction for United States federal income tax purposes and possibly state, local and foreign income tax purposes as well.

Any stockholder who has duly demanded appraisal in compliance with Section 262 will not, after the effective time of the merger, be entitled to vote for any purpose the shares subject to demand or to receive payment of dividends or other distributions on such shares, except for dividends or distributions payable to stockholders of record at a date prior to the effective time of the merger.

Table of Contents

At any time within sixty (60) days after the effective time of the merger, any stockholder will have the right to withdraw such stockholder's demand for appraisal and to accept the terms offered in the merger agreement. After this period, a stockholder may withdraw such stockholder's demand for appraisal and receive payment for such stockholder's shares as provided in the merger agreement only with our consent. If no petition for appraisal is filed with the court within 120 days after the effective time of the merger, stockholders' rights to appraisal (if available) will cease. Inasmuch as we have no obligation to file such a petition, any stockholder who desires a petition to be filed is advised to file it on a timely basis. No petition timely filed in the court demanding appraisal may be dismissed as to any stockholder without the approval of the court, which approval may be conditioned upon such terms as the court deems just.

Failure by any GAFRI stockholder to comply fully with the procedures described above and set forth in Appendix C to this proxy statement may result in termination of such stockholder's appraisal rights. In view of the complexity of exercising your appraisal rights under Delaware law, if you are considering exercising these rights you should consult with your legal counsel.

THE SPECIAL MEETING

General

The enclosed proxy is solicited on behalf of our Board of Directors for use at a special meeting of stockholders to be held on September 28, 2007, at 11:00 a.m., Eastern Daylight Savings Time, or at any adjournments of the special meeting, for the purposes set forth in this proxy statement and in the accompanying notice of special meeting. The special meeting will be held at The Cincinnati Hotel, Sixth and Vine Streets, Cincinnati, Ohio 45202. GAFRI intends to mail this proxy statement and the accompanying proxy card on or about August 30, 2007 to all stockholders entitled to vote at the special meeting.

At the special meeting, stockholders will be asked to consider and vote upon proposals to:

approve the merger agreement which provides for the merger of GAC with and into GAFRI, with GAFRI continuing as the surviving corporation in the merger, and the conversion of each outstanding share of GAFRI common stock held by public stockholders (other than shares held by stockholders who perfect their appraisal rights under Delaware law) into the right to receive \$24.50 in cash; and

transact such other business as may properly come before the special meeting or any adjournments of the special meeting.

GAFRI does not expect a vote to be taken on any other matters at the special meeting. If any other matters are properly presented at the special meeting for consideration, however, the holders of the proxies, if properly authorized, will have discretion to vote on these matters in accordance with their best judgment.

Record Date and Voting Information

Stockholders of record of GAFRI common stock at the close of business on August 24, 2007, the record date for the special meeting, are entitled to notice of, and to vote at, the special meeting and any adjournments thereof. At the close of business on the record date, 47,774,881 shares of GAFRI common stock were outstanding and entitled to vote. Each holder of record of GAFRI common stock on the record date will be entitled to one vote on each matter submitted to stockholders for approval at the special meeting for each share held. If you sell or transfer your shares of GAFRI common stock after the record date but before the special meeting, you will transfer the right to receive the per share merger consideration, if the merger is completed, to the person to whom you sell or transfer your shares, but you will retain your right to vote at the special meeting.

All votes will be tabulated by the inspector of election appointed for the special meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes. Brokers who hold shares in street name for clients typically have the authority to vote on routine proposals when they have not received instructions from beneficial owners. Absent specific instructions from the beneficial owner of the shares, however, brokers are not allowed to exercise their voting discretion with respect to the approval of non-routine matters, such as approval of the merger agreement. Proxies submitted without a vote by brokers on these matters are referred to as broker non-votes.

Quorum

Shares entitled to vote at the special meeting may take action on a matter at the special meeting only if a quorum of those shares exists with respect to that matter. Accordingly, the presence in person or by proxy of the holders of shares

of stock having a majority of the votes that could be cast by the holders of all outstanding shares of GAFRI common stock entitled to vote at the special meeting is necessary and sufficient to constitute a quorum for the transaction of business at the special meeting. If a share is represented for any purpose at the special meeting, other than for the purpose of objecting to the special meeting or the transacting of business at the special meeting, it will be deemed present for purposes of determining whether a quorum exists.

Any shares of GAFRI common stock held in treasury by GAFRI are not considered to be outstanding on the record date or otherwise entitled to vote at the special meeting for purposes of determining a quorum. Shares

Table of Contents

represented by proxies reflecting abstentions and properly executed broker non-votes are counted for purposes of determining whether a quorum exists at the special meeting.

Required Vote

The affirmative vote of a majority of the shares of GAFRI common stock outstanding on the record date is required to approve the merger agreement and the transactions contemplated thereby, including the merger. Approval of the meeting adjournment proposal requires the affirmative vote of a majority of the shares of GAFRI common stock present and entitled to vote at the special meeting.

As of the record date, AFG beneficially owned approximately 81% of GAFRI's outstanding shares. AFG has determined to vote its shares and to cause its subsidiaries to vote their shares in favor of the merger agreement. In addition, executive officers and directors of GAFRI and AFG who, in the aggregate beneficially own approximately 4.7% of GAFRI's outstanding shares, have expressed their intent to vote in favor of the merger agreement. As a result, stockholder approval of the merger agreement is assured.

Proxies that reflect abstentions and broker non-votes, as well as proxies that are not returned, will have the same effect as a vote against approval of the merger agreement. A broker non-vote will have the same effect as a vote against approval of the meeting adjournment proposal.

If the special meeting is adjourned or postponed for any reason, at any subsequent reconvening of the special meeting, all proxies will be voted in the same manner as they would have been voted at the original convening of the meeting, except for any proxies that have been revoked or withdrawn in the interim.

Proxies and Revocation of Proxies

Registered stockholders may vote by using a toll-free telephone number, by completing a proxy form and mailing it to the proxy tabulator, or by attending the meeting and voting in person. The telephone voting facilities will open following the mailing of materials on August 30, 2007, and close at 9:00 a.m. Eastern Daylight Savings Time on the meeting date. The telephone voting procedures are designed to authenticate stockholders by use of a proxy control number to allow stockholders to confirm that their instructions have been properly recorded.

Stockholders whose shares are held in the name of a broker, bank or other nominee should refer to the proxy card or the information forwarded by such broker, bank or other nominee to see what voting options are available.

To vote by telephone, stockholders should call 1-800-PROXIES (1-800-776-9437), using any touch-tone telephone, and have their proxy form at hand. To vote by mail, stockholders should complete and sign the bottom portion of the proxy form and return only that portion to the proxy tabulator.

Solicitation of proxies through the mail, in person and otherwise, is being made by management at the direction of the Board of Directors, without additional compensation. We will pay all costs of soliciting proxies. In addition, we will request brokers and other custodians, nominees and fiduciaries to forward proxy soliciting material to the beneficial owners of shares held of record by such persons, and we will reimburse them for their expenses.

Proxies received at any time before the special meeting and not revoked or superseded before being voted will be voted at the special meeting. If the proxy indicates a specification, it will be voted in accordance with the specification. If no specification is indicated, the proxy will be voted **FOR** approval of the merger agreement. A properly executed proxy gives the persons named as proxies on the proxy card authority to vote in their discretion with respect to any other business that may properly come before the meeting or any adjournment of the meeting.

Please do not send in stock certificates at this time. If the merger is completed, you will receive instructions regarding the procedures for exchanging your GAFRI stock certificates for the payment of the per share merger consideration.

The execution of a proxy or vote by phone does not affect the right to vote in person at the meeting, and a proxy or vote by phone may be revoked by the person giving it prior to the exercise of the powers conferred by it. A stockholder may revoke a prior vote by writing to our Secretary at our principal offices or by properly executing and

Table of Contents

delivering a proxy bearing a later date (or recording a later telephone vote) or by voting in person at the meeting. In addition, persons attending the meeting in person may withdraw their proxies. Attending the meeting will not serve to vote your proxy unless you vote at the meeting. Attendance at the special meeting will not, by itself, revoke a proxy. If you have given voting instructions to a broker or other nominee that holds your shares in street name, you may revoke those instructions by following the directions given by the broker or other nominee.

Householding

Some banks, brokers and other nominee record holders may be participating in the practice of householding proxy statements and annual reports. This means that only one copy of this proxy statement or annual report may have been sent to multiple stockholders in your household. GAFRI will promptly deliver a separate copy of this proxy statement, including the attached appendices, to you if you write or call GAFRI at the following address or phone number:

Adjournments

If the special meeting is adjourned to a different place, date or time, GAFRI need not give notice of the new place, date or time if the new place, date or time is announced at the meeting before adjournment, unless the adjournment is for more than thirty (30) days or a new record date is or must be set for the adjourned meeting.

Attending the Special Meeting

In order to attend the special meeting in person, you must be a stockholder of record on the record date, hold a valid proxy from a record holder or be an invited guest of GAFRI. You will be asked to provide proper identification at the registration desk on the day of the meeting or any adjournment of the meeting.

Certain Litigation

Following the announcement of the AFG proposal on February 22, 2007, litigation was initiated by certain shareholders of GAFRI challenging the proposed transaction. See Special Factors Certain Litigation Regarding the Merger.

TERMS OF THE MERGER AGREEMENT

The following is a summary of the material terms of the merger agreement. This summary does not purport to describe all the terms of the merger agreement and is qualified by reference to the complete merger agreement which is attached as Appendix A to this proxy statement. We urge to you to read the merger agreement carefully and in its entirety because it, and not this proxy statement, is the legal document that governs the merger.

The text of the merger agreement has been included to provide you with information regarding its terms. The terms of the merger agreement (such as the representations and warranties) are intended to govern the contractual rights and relationships, and to allocate risks, among the parties in relation to the merger. The merger agreement contains representations and warranties that AFG, GAFRI and GAC made to each other as of specific dates. The representations and warranties were negotiated between the parties with the principal purpose of setting forth their respective rights with respect to their obligation to complete the merger and may be subject to important limitations and qualifications as set forth therein, including a contractual standard of materiality different from that generally applicable under federal securities laws.

General; The Merger

At the effective time of the merger, upon the terms and subject to the satisfaction or waiver of the conditions of the merger agreement and in accordance with the Delaware General Corporation Law, GAC will merge with and into GAFRI and the separate corporate existence of GAC will end. GAFRI will be the surviving corporation in the merger and will continue to be a Delaware corporation after the merger, wholly-owned by AFG. The certificate of incorporation and bylaws of GAC at the effective time of the merger will be the certificate of incorporation and bylaws of the surviving corporation.

Table of Contents

The directors of GAFRI, as the surviving corporation, will initially, from and after the effective time of the merger, be S. Craig Lindner, Charles R. Scheper and Mark F. Muething, until the earlier of their resignation or removal or until their successors are duly elected and qualified. Each of Mr. Lindner, Mr. Scheper and Mr. Muething are currently officers of GAFRI. The officers of GAC immediately prior to the effective time of the merger will, from and after the effective time of the merger, be the initial officers of GAFRI, as the surviving corporation, until the earlier of their resignation or removal or until their successors are duly elected and qualified.

When the Merger Becomes Effective

GAC and GAFRI will file a certificate of merger with the Secretary of State of the State of Delaware as soon as practicable after the satisfaction or waiver of the conditions to the merger. The merger will become effective at the close of business on the date on which the certificate of merger is filed or at such other later date and time as GAC and GAFRI agree and specify in the certificate of merger.

If stockholders approve the merger agreement, the parties intend to complete the merger as soon as practicable thereafter. The parties to the merger agreement expect to complete the merger in GAFRI's third fiscal quarter of 2007. Because the merger is subject to certain conditions, the exact timing of the merger cannot be presently determined.

Consideration to be Received Pursuant to the Merger; Treatment of Stock Options

The merger agreement provides that, at the effective time of the merger:

each share of GAFRI common stock issued and outstanding immediately prior to the effective time of the merger held by public stockholders (other than shares held by stockholders who perfect their appraisal rights under Delaware law) will be converted into the right to receive \$24.50 in cash; and

each share of GAFRI common stock owned by GAFRI as a treasury share and each share owned by AFG, GAC or a subsidiary of AFG or GAC will automatically be converted into one share of common stock of GAFRI, as the surviving corporation.

In the merger, vested employee stock options will be extinguished in exchange for a cash payment by GAFRI to each holder of an option of an amount equal to the positive number difference, less applicable taxes, between \$24.50 and the applicable option exercise price multiplied by the number of shares of GAFRI common stock formerly subject to an option. We refer to this amount as the option payment amount. In addition, so long as a holder of an option is an employee of GAFRI, AFG or any subsidiary of either of them at the vesting dates (as set forth in a GAFRI employee stock option plan or document evidencing a grant of an employee stock option), GAFRI shall pay the option payment amount as soon as practicable after such vesting dates in 2008, 2009, 2010 and 2011. GAFRI directors have agreed that their vested and unvested stock options also will be extinguished upon the consummation of the merger in exchange for the option payment amount to the extent there is a positive difference, less applicable taxes, between \$24.50 and the applicable option exercise price. See Special Factors Interests of Certain Persons in the Merger. Also, as of the effective time of the merger, GAFRI will take all action necessary to provide for the termination of its agent stock option plans or agreements and the extinguishment of all rights under such plans and agreements.

AFG will also guarantee \$280 million of net debt of GAFRI and its subsidiaries in the merger.

Payment for GAFRI Common Stock in the Merger

As soon as reasonably practicable after the effective time of the merger, the paying agent designated by AFG and GAFRI will mail (and make available for collection by hand) to each record holder of GAFRI common stock a letter

of transmittal and instructions for use in effecting the surrender of their GAFRI common stock certificates in exchange for the merger consideration. You should not send in your GAFRI common stock certificates until you receive the letter of transmittal. The letter of transmittal and instructions will tell you what to do if you have lost a certificate, or if it has been stolen or destroyed. You will have to provide an affidavit to that fact and, if required by GAFRI (as the surviving corporation), post a bond in a reasonable amount as GAFRI directs as indemnity against any claim that may be made against GAFRI with respect to such certificate.

Table of Contents

The paying agent will promptly pay you your per share merger consideration for each share of GAFRI common stock represented by your certificates after you have surrendered your certificates to the paying agent and provided to the paying agent any other items specified by the letter of transmittal and instructions. The surrendered certificates will be canceled upon delivery of the related per share merger consideration. Interest will not be paid or accrued in respect of cash payments of the related per share merger consideration. AFG, GAFRI or the paying agent may reduce the amount of the related per share merger consideration paid to you by any applicable withholding taxes.

If payment is to be made to a person other than the person in whose name the GAFRI common stock certificate surrendered is registered, it will be a condition of payment that the certificate so surrendered be properly endorsed and otherwise in proper form for transfer and that the person requesting such payment pay any transfer or other taxes required by reason of the payment to a person other than the registered holder of the certificate surrendered of the amount due under the merger agreement, or that such person establish to the satisfaction of the paying agent that such tax has been paid or is not applicable.

None of AFG, the paying agent, GAFRI, GAC or any other person will be liable to any stockholder for any merger consideration delivered to a public official pursuant to applicable abandoned property, escheat and similar laws.

After the effective time of the merger, there will be no further transfers in the records of GAFRI or its transfer agent of certificates representing GAFRI common stock and, if any certificates are presented to GAFRI for transfer, they will be canceled against payment of the related per share merger consideration. After the effective time of the merger, subject to the right to surrender your certificate in exchange for payment of the merger consideration, you will cease to have any rights as a stockholder of GAFRI.

Representations and Warranties

GAFRI has made certain customary representations and warranties in the merger agreement to AFG and GAC, including as to:

corporate existence and power, qualification to conduct business and good standing;

corporate authority to enter into, and carry out the obligations under, the merger agreement and enforceability of the merger agreement;

absence of a breach of our certificate of incorporation, bylaws, contracts, permits or any laws as a result of the merger;

reserves;

no requirement to be registered as an investment company; and

no downgrading of insurance company ratings.

Certain aspects of the representations and warranties of GAFRI are qualified by the concept of material adverse effect. For the purposes of the merger agreement, a material adverse effect on GAFRI means any effect, change or development that, individually or in the aggregate, with other effects, changes or developments, has been or would reasonably be expected to be material and adverse to the financial condition, business operations or results of operations of GAFRI and its subsidiaries, taken as a whole, or that could reasonably be expected to adversely affect the ability of GAFRI to consummate the merger.

Notwithstanding the foregoing, to the extent any effect, change or development is caused by or results from any of the following, it shall not be taken into account in determining whether there has been a material adverse effect on GAFRI:

the announcement of the merger agreement and the transactions contemplated by the merger agreement;

factors affecting the economy or financial markets as a whole;

the suspension of trading in securities generally on the New York Stock Exchange or NASDAQ Global Market; and

the commencement, occurrence or continuation of any war, armed hostilities or acts of terrorism involving or affecting the United States of America or any part thereof.

Each of AFG and GAC has made certain representations and warranties in the merger agreement to GAFRI, including as to:

corporate existence and power, qualification to conduct business and good standing;

corporate authority to enter into, and carry out the obligations under, the merger agreement and enforceability of the merger agreement;

absence of a breach of their respective charters, bylaws, contracts, permits or any laws as a result of the merger;

information supplied for use in this proxy statement;

brokers;

funds to complete merger; and

prior operations of GAC.

Certain aspects of the representations and warranties of AFG and GAC are qualified by the concept of material adverse effect. For the purposes of the merger agreement, a material adverse effect on AFG and GAC means any

effect, change or development that, individually or in the aggregate, with other effects, changes or developments, has been or would reasonably be expected to be material and adverse to the financial condition, business operations or results of operations of AFG and GAC, taken as a whole, or could reasonably be expected to adversely affect the ability of AFG or GAC to consummate the merger.

Notwithstanding the foregoing, to the extent any effect, change or development is caused by or results from any of the following, it shall not be taken into account in determining whether there has been a material adverse effect on AFG and GAC:

the execution of the merger agreement and the public announcement of the merger agreement or any transaction contemplated by the merger agreement;

factors affecting the economy or financial markets as a whole;

Table of Contents

the suspension of trading in securities generally on the New York Stock Exchange or the NASDAQ Global Market; or

the commencement, occurrence or continuation of any war, armed hostilities or acts of terrorism involving or affecting the United States of America or any part thereof.

The representations and warranties contained in the merger agreement do not survive the completion of the merger or the termination of the merger agreement.

Agreements Relating to GAFRI's Interim Operations

GAFRI has agreed that, until the completion of the merger, GAFRI and its subsidiaries will carry on their businesses in the usual, regular and ordinary course of business consistent with past practice and will use commercially reasonable efforts to preserve substantially intact their present lines of business, maintain their rights and franchises and preserve substantially intact their current relationships with customers, suppliers and others having business dealings with them and keep available the services of their present officers, employees and consultants, in each case to the end that their ongoing businesses will not be impaired in a manner that would have a material adverse effect on GAFRI at the effective time of the merger.

In addition, GAFRI has agreed, with certain exceptions, that neither it nor any of its subsidiaries will, prior to the completion of the merger, do any of the following without the prior written consent of AFG, which consent shall not be unreasonably withheld or delayed:

declare, set aside or pay any dividend or other distribution, with respect to any of its capital stock, except for dividends paid by wholly-owned subsidiaries of GAFRI;

split, combine or reclassify any of its capital stock;

repurchase, redeem or otherwise acquire any shares of its capital stock or any securities convertible into or exercisable for any shares of its capital stock;

issue, deliver or sell any shares of its capital stock or any of its equity interests or any securities convertible into or exercisable for, or any rights, warrants or options to acquire, any shares of capital stock or voting debt or convertible, exchangeable or exercisable for securities or any other equity interests, other than (a) issuances of GAFRI common stock (1) upon the exercise of stock options, (2) to directors for payment of a portion of their directors' fees consistent with past practice, (3) pursuant to GAFRI's 401(k) Plan, and (4) under GAFRI's Employee Stock Purchase Plan and Agent Stock Purchase Plan or (b) issuances by a wholly-owned subsidiary of GAFRI of capital stock to the subsidiary's parent or another wholly-owned subsidiary of GAFRI;

amend its certificate of incorporation or bylaws;

create, assume or otherwise consensually incur any lien on any asset other than liens (i) incurred in the usual, regular and ordinary course of business consistent with past practice or (ii) which could not reasonably be expected to have a material adverse effect on GAFRI;

except as agreed prior to the date of the merger agreement, pay or commit to pay any severance or termination pay, except (i) as required by law, (ii) for payments in the usual, regular and ordinary course of business consistent with past practice or (iii) as required to be paid by applicable law or to satisfy contractual

obligations;

(ii) as required by an existing employee benefits plan or (iii) as required by applicable law or to satisfy contractual obligations; or

adopt or commit to adopt any additional employee benefits plan, except in the usual regular and ordinary course of business consistent with past practice, as required by applicable law or to satisfy contractual obligations.

No Solicitation of Competing Proposals

The merger agreement provides that, until the effective time of the merger or the termination of the merger agreement, GAFRI will not, whether directly or indirectly through its affiliates, advisors, agents or other intermediaries, and GAFRI will direct and cause its and its subsidiaries' respective officers, directors, affiliates, advisors, representatives or other agents not to:

solicit, initiate, knowingly encourage or knowingly facilitate (including by way of furnishing non-public information) any inquiries or the making or submission of any proposal that constitutes an acquisition proposal (as defined below); or

participate or engage in discussions or negotiations with, or disclose or provide any non-public information or data relating to GAFRI or any of its subsidiaries to, or afford access to GAFRI's properties, books or records to, any person.

For purposes of the merger agreement, the term acquisition proposal means any offer or proposal regarding a merger, consolidation, share exchange, recapitalization, reclassification, liquidation or other business combination involving GAFRI or the acquisition or purchase of 10% or more of any class of equity securities of GAFRI or any of its material subsidiaries then outstanding, or any tender offer (including self-tenders) or exchange offer that if consummated would result in any person beneficially owning 10% or more of any class of equity securities of GAFRI or any of its material subsidiaries, or a substantial portion of the assets of, GAFRI or any of its subsidiaries taken as a whole, other than the transactions contemplated by the merger agreement.

For purposes of the merger agreement, the term material subsidiary means any subsidiary whose consolidated revenues, net income or assets constitute 10% or more of the revenues, net income or assets of GAFRI and its subsidiaries, taken as a whole.

Special Meeting of GAFRI Stockholders; Recommendation of Our Board of Directors

The merger agreement provides that GAFRI will use its commercially reasonable best efforts to duly call, give notice of, convene and hold a special meeting of its stockholders as promptly as practicable for the purpose of considering and taking action upon the merger agreement. The merger agreement further provides that our Board of Directors and the special committee must recommend approval of the merger agreement by GAFRI's stockholders, except when the Board or the special committee may determine not to so recommend or to withdraw or change such recommendation.

Indemnification and Insurance of GAFRI Directors and Officers

The merger agreement provides that:

GAFRI will honor all rights to indemnification and exculpation from liability for acts and omissions occurring at or prior to the effective time of the merger, including all rights to advancement of expenses, in favor of the current or former directors, officers, employees or agents of GAFRI under GAFRI's certificate of incorporation

or bylaws or in any indemnification agreement previously disclosed by GAFRI to AFG and GAC and all such rights will survive the merger and will not be amended, repealed or otherwise modified in any manner that would adversely affect the rights of any directors, officers, employees or agents, unless required by applicable law or consented to in writing by the affected individuals; and

for six years after the effective time of the merger, AFG will provide officers and directors liability insurance for acts or omissions occurring at or prior to the effective time of the merger covering each person covered at or prior to the effective time by GAFRI's officers and directors liability insurance policy on

Table of Contents

terms with respect to coverage and amount no less favorable than those of the policy in effect on the date of the merger agreement.

Other Agreements

The merger agreement provides that:

upon the terms and subject to the conditions of the merger agreement, GAFRI, AFG and GAC will each use its commercially reasonable best efforts to take all actions and to do, or cause to be done, all things necessary, proper or advisable under applicable laws to complete the merger;

none of AFG, GAFRI, GAC or any of their affiliates will issue any press release or public announcement regarding the merger without the prior approval of the other parties, except to the extent required by law or any national securities exchange and after reasonable prior notice to the other parties;

AFG, GAFRI and GAC will each use its reasonable best efforts to secure any required approvals under and act to eliminate or minimize the effects of any anti-takeover statute or regulation that is or may become applicable to the merger;

GAFRI will promptly notify AFG and GAC of:

any notice from any person alleging that its consent is or may be required in connection with the merger other than where the failure to obtain such consent could not reasonably be expected to have a material adverse effect on GAFRI,

any notice from any governmental entity in connection with the merger and the other transactions contemplated by the merger agreement, and

any action, suit, charge or complaint commenced or, to GAFRI's knowledge, threatened against GAFRI which is material to GAFRI or which relates to the completion of the merger;

GAFRI will use commercially reasonable efforts to obtain required third party consents to the merger;

AFG, GAFRI and GAC will cooperate with one another in taking actions to delist GAFRI common stock from the New York Stock Exchange and terminate registration under the Exchange Act, with such delisting and termination to be effective only after the effective time of the merger;

AFG shall execute documents necessary or advisable to guarantee, as of the effective time of the merger, the indebtedness of GAFRI and GAFRI's subsidiaries; and

GAC shall have been duly formed as a wholly-owned subsidiary of AFG and shall have approved, adopted, executed and delivered the merger agreement.

Conditions to the Merger

Closing Conditions for Each Party

The obligations of AFG, GAFRI and GAC to complete the merger are subject to the satisfaction or, to the extent permitted by applicable law, the waiver on or prior to the effective time of the merger, of each of the following

conditions:

the approval of the merger agreement by holders of a majority of the shares of GAFRI common stock outstanding on the record date;

the resolution of SEC comments and related issues or matters if the SEC reviews, and provides comments to, the proxy statement;

all notices, reports and other filings required to be made prior to the effective time of the merger by GAFRI or AFG or any of its subsidiaries with, and all consents, registrations, approvals, permits and authorizations required to be obtained prior to the effective time of the merger by GAFRI or AFG or any of its subsidiaries

Table of Contents

from, any governmental entity in connection with the execution and delivery of this merger agreement and the consummation of the merger shall have been made or obtained (as the case may be); and

no governmental entity of competent jurisdiction shall have enacted, issued, promulgated, enforced or entered any statute, law, ordinance, rule, regulation, judgment, decree, injunction or other order (whether temporary, preliminary or permanent) that is in effect and prohibits consummation of the merger, and no federal or state governmental entity shall have instituted any proceeding that is pending seeking any such judgment, decree, injunction or other order to prohibit the consummation of the merger.

Additional Closing Conditions for GAFRI

GAFRI's obligation to complete the merger is subject to the satisfaction or, to the extent permitted by applicable law, the waiver on or prior to the effective time of the merger, of each of the following additional conditions:

the representations and warranties of AFG and GAC with respect to organization and authorization shall be true and correct in all respects with regard to any such representations containing limitations as to materiality or material adverse effect and shall be true and correct in all material respects, both individually and in the aggregate, with regard to any representation not so qualified, in each case as of the effective time of the merger (or, to the extent such representations and warranties speak as of an earlier date, they need only be true and correct in all respects as of such earlier date);

the representations and warranties of AFG and GAC (other than the representations and warranties referred to in the immediately preceding bullet point) shall be true and correct in all respects when made and as of the effective time of the merger (or, to the extent such representations and warranties speak as of a specified date, they need only be true and correct in all respects as of such specified date) interpreted without giving effect to any limitations as to materiality or material adverse effect, except where the failure of all such representations and warranties to be true and correct could not reasonably be expected to have a material adverse effect on GAFRI and GAC;

Table of Contents

GAFRI shall have performed in all material respects each of its agreements and covenants in the merger agreement that are required to be performed by it at or prior to the completion of the merger; and

AFG and GAC shall have received certificates signed by an executive officer of GAFRI to the effect that the conditions described in the three prior bullet points have been satisfied or waived.

There is no financing condition to AFG's and GAC's obligations to complete the merger. As stated above, the closing conditions to the merger may be waived to the extent permitted by applicable law. GAFRI may waive any of the conditions listed under the heading "Additional Closing Conditions for GAFRI." Similarly, AFG or GAC may waive any of the conditions listed under the heading "Additional Closing Conditions for AFG and GAC." Despite their ability to do so, no party to the merger agreement, as of the date of this proxy statement, intends to waive any closing condition. The conditions relating to stockholder approval and prohibition or disallowance of the merger by a governmental entity may not be waived by any party to the merger agreement.

Termination of the Merger

Circumstances Under Which AFG or GAFRI May Terminate the Merger

AFG and GAFRI may mutually agree to terminate the merger agreement at any time prior to the effective time of the merger upon the mutual written consent of the parties. Either of AFG or GAFRI may also terminate the merger agreement at any time if:

the merger shall not have occurred on or before September 30, 2007 (but no party may terminate the merger agreement on this basis if its failure to fulfill any obligation, or other breach, under the merger agreement has been the cause of, or resulted in, the failure of the merger to occur on or before September 30, 2007);

any governmental entity of competent jurisdiction shall have issued an order, decree or ruling or taken any other action permanently restraining, enjoining or otherwise prohibiting the merger, and such order, decree, ruling or other action shall have become final and nonappealable; or

the approval by stockholders required for the completion of the merger shall not have been obtained at the special meeting or any adjournment of such meeting.

Circumstances Under Which AFG May Terminate the Merger

AFG may also terminate the merger agreement at any time, if:

our Board of Directors or any committee (including the special committee) thereof withdraws, modifies or changes in any manner adverse to AFG or GAC its recommendation that the holders of shares of GAFRI common stock vote for the approval of the merger agreement and the transactions contemplated thereby, including the merger; or

there is a breach by GAFRI of any representation, warranty, covenant or agreement contained in the merger agreement that would give rise to a failure of a condition described in any of the first three bullet points under "Terms of the Merger Agreement - Conditions to the Merger - Additional Closing Conditions for AFG and GAC" and which has not been cured, or is not capable of being cured, within twenty (20) business days following receipt by GAFRI of written notice from GAFRI and GAC of such breach.

Circumstances Under Which GAFRI May Terminate the Merger

GAFRI may also terminate the merger agreement at any time, if there is a breach by AFG or GAC of any representation, warranty, covenant or agreement contained in the merger agreement that would give rise to a failure of a condition described in any of the first three bullet points under Terms of the Merger Agreement Conditions to the Merger Additional Closing Conditions for GAFRI and which has not been cured, or is not capable of being cured, within twenty (20) business days following receipt by GAFRI or GAC of written notice from GAFRI of such breach.

Table of Contents

Effects of Terminating the Merger

If the merger agreement is terminated, the merger agreement shall become void and there shall be no liability or obligation on the part of AFG, GAFRI or GAC or their respective officers or directors and except that none of AFG nor GAFRI or GAC shall be relieved or released from any liabilities or damages arising out of any willful or knowing breach of the merger agreement and except that the confidentiality agreement entered into among the parties shall survive such termination.

Fees and Expenses

All costs and expenses incurred in connection with the merger agreement and the merger will be paid by the party incurring such expenses.

Modification or Amendment of the Merger

Any provision of the merger agreement may be amended, modified or waived by AFG, GAFRI or GAC, acting through their respective boards of directors, prior to the completion of the merger. However, no such amendment, modification or waiver by GAFRI will be effective unless it is authorized by the Board of Directors and, after the approval of the merger agreement by GAFRI's stockholders, there shall not be made any amendment that by applicable law or regulation requires the further approval by stockholders without such further approval.

IMPORTANT INFORMATION REGARDING GAFRI

Projected Financial Information

GAFRI's senior management does not as a matter of course make public projections as to future performance or earnings beyond the current fiscal year and is especially wary of making projections for extended earnings periods due to the unpredictability of the underlying assumptions and estimates. However, financial forecasts prepared by senior management were made available to AFG as well as to the special committee and its financial advisor in connection with their respective considerations of the merger. We have included all material information included in these projections to give our stockholders access to certain nonpublic information considered by the CCW, the special committee and our Board of Directors for purposes of considering and evaluating the merger. The inclusion of this information should not be regarded as an indication that AFG, the special committee or our Board of Directors, CCW, or any other recipient of this information considered, or now considers, it to be a reliable prediction of future results.

GAFRI advised the recipients of the projections that its internal financial forecasts, upon which the projections were based, are subjective in many respects. The projections reflect numerous assumptions with respect to industry performance, general business, economic, market and financial conditions and other matters, all of which are difficult to predict and beyond GAFRI's control. The projections also reflect estimates and assumptions related to the business of GAFRI that are inherently subject to significant economic, political, and competitive uncertainties, all of which are difficult to predict and many of which are beyond GAFRI's control. As a result, there can be no assurance that the projected results will be realized or that actual results will not be significantly higher or lower than projected. The financial projections were prepared for internal use and to assist AFG and the financial advisors to the special committee with their respective due diligence investigations of GAFRI and not with a view toward public disclosure or toward complying with GAAP, the published guidelines of the SEC regarding projections or the guidelines established by the American Institute of Certified Public Accountants for preparation and presentation of prospective financial information. GAFRI's independent registered public accounting firm has not examined or compiled any of

the financial projections, expressed any conclusion or provided any form of assurance with respect to the financial projections and, accordingly, assumes no responsibility for them. The financial projections do not take into account any circumstances or events occurring after the date they were prepared.

Projections of this type are based on estimates and assumptions that are inherently subject to factors such as industry performance, general business, economic, regulatory, market and financial conditions, as well as changes to the business, financial condition or results of operations of the Company, which factors may cause the financial

Table of Contents

projections or the underlying assumptions to be inaccurate. Since the projections cover multiple years, such information by its nature becomes less reliable with each successive year.

Since the date of the projections, the Company has made publicly available its actual results of operations for the quarters ended March 31, 2007 and June 30, 2007. You should review the Company's Quarterly Reports on Form 10-Q for the quarters ended March 31, 2007 and June 30, 2007 to obtain this information. Readers of this proxy statement are cautioned not to place undue reliance on the specific portions of the financial projections set forth below. No one has made or makes any representation to any stockholder regarding the information included in these projections.

For the foregoing reasons, as well as the bases and assumptions on which the financial projections were compiled, the inclusion of specific portions of the financial projections in this proxy statement should not be regarded as an indication that such projections will be an accurate prediction of future events, and they should not be relied on as such. Except as required by applicable securities laws, GAFRI does not intend to update, or otherwise revise the financial projections or the specific portions presented to reflect circumstances existing after the date when made or to reflect the occurrence of future events, even in the event that any or all of the assumptions are shown to be in error.

If any Certificate shall not have been surrendered prior to two years after the Effective Time (or immediately prior to such earlier date on which any Merger Consideration in respect of such Certificate would otherwise escheat to or become the property of any Governmental Entity), any such cash in respect of such Certificate shall, to the extent permitted by Applicable Law, become the property of the Surviving Corporation, free and clear of all claims or interest of any Person previously entitled thereto.

(c) **Transfer Taxes**. If any Merger Consideration is to be remitted to a Person (other than the Person in whose name the Certificate surrendered in exchange therefor is registered), it shall be a condition of such exchange that the Certificate so surrendered shall be properly endorsed and otherwise in proper form for transfer and that the Person requesting such exchange shall pay to the Surviving Corporation any transfer or other Taxes required by reason of the payment of the Merger Consideration to a Person other than the registered Holder of the Certificate so surrendered, or shall establish to the satisfaction of the Surviving Corporation that such Tax either has been paid or is not applicable.

The Surviving Corporation shall be entitled to deduct and withhold from the Merger Consideration otherwise payable pursuant to this Agreement to any Holder of a Certificate such amounts as are required to be deducted and withheld with respect to the making of such payment under the Code or any provisions of applicable state, local or foreign Tax law. To the extent that amounts are so deducted and withheld and paid over to the appropriate Taxing authority by the Surviving Corporation, such deducted and withheld amounts shall be treated for all purposes of this Agreement as having been paid to the Holder of the Certificate in respect of which such deduction and withholding was made by the Surviving Corporation.

(e) Lost Certificates. If any Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the Person claiming such Certificate to be lost, stolen or destroyed and, if required by the Surviving Corporation, the posting by such Person of a bond, in such reasonable amount as the Surviving Corporation may determine and direct, as indemnity against any claim that may be made against it with respect to such Certificate, the Surviving Corporation will issue, in exchange for such lost, stolen or destroyed Certificate, the Merger Consideration to which the Holder thereof is entitled pursuant to this Agreement.

(f) Adjustments to Prevent Dilution or Unjust Enrichment. If, prior to the Effective Time, solely as a result of a reclassification, stock split (including a reverse stock split), stock dividend or stock distribution which in any such event is made on a pro rata basis to all holders of GAFRI Common Stock, there is a change in the number of shares of GAFRI Common Stock outstanding or issuable upon the conversion, exchange or exercise of securities or rights convertible or exchangeable or exercisable for shares of GAFRI Common Stock, then the Merger Consideration shall be equitably adjusted to eliminate the effects of such event.

(g) Taking of Necessary Action; Further Action. (b) Notwithstanding any provision of this Agreement to the contrary, Holders of Dissenting Shares shall not be entitled to receive payment of the fair value of such Dissenting Shares in accordance with the provisions of Section 262 of the DGCL if such holders (i) fail to perfect, (ii) effectively withdraw or (iii) otherwise lose their rights to payment of fair value under the DGCL. If, after the Effective Time, any such Holder

None of Parent, GAC, GAFRI or the Surviving Corporation shall be liable for any failure of any Holder of shares of GAFRI Common Stock to comply with such Holder's duties under this Section 3.10.

(c) Notwithstanding anything to the contrary contained in this Section 3.10, if (i) the Merger is rescinded or abandoned or (ii) stockholders of GAFRI revoke the authority to effect the Merger, then the right of any Holder to be paid the fair value of such Holder's Dissenting Shares pursuant to Section 262 of the DGCL shall cease.

Section 6.6 Best Efforts. Upon the terms and subject to the conditions of this Agreement, each party hereto shall use its best efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper or advisable under Applicable Laws to consummate the Transactions. Notwithstanding the foregoing or any other provision of this Agreement, nothing shall limit a party's right to terminate the Agreement pursuant to Section 8.1 hereunder so long as such party has until such date complied with its obligations under this Agreement

Section 6.7 Public Announcements. None of GAFRI, Parent, GAC, or any of their respective Affiliates shall issue or cause the publication of any press release or other public announcement with respect to this Agreement or the Transactions without the prior approval of the other parties, except to the extent required by law or by any listing agreement with, or the policies of, a national securities exchange and after reasonable prior notice to the other parties hereto.

Parent shall cause the Board of Directors of GAC to approve and adopt this Agreement and shall vote its shares or consent in writing to the adoption of this Agreement in its capacity as the sole stockholder of GAC.

in part, or which prohibit actions, subsequent to the Effective Time, shall survive the Effective Time in accordance with their terms.

Section 9.3 Interpretation. For purposes of this Agreement, (i) the words include, includes and including shall be deemed to be followed by the words without limitation, (ii) the word or is not exclusive and (iii) the words herein, hereof, hereby, hereto and hereunder refer to this Agreement as a whole. Unless the context otherwise requires, a reference herein: (i) to an Article or Section means an Article and Section of this Agreement, (ii) to an agreement, instrument or other document means such agreement, instrument or other document as amended, supplemented and modified from time to time to the extent permitted by the provisions thereof and by this Agreement and (iii) to a statute means such statute as amended from time to time and includes any successor legislation thereto and any rules or regulations promulgated thereunder. Titles to Articles and headings of Sections are inserted for convenience of reference only and shall not be deemed a part of or to affect the meaning or interpretation of this Agreement. This Agreement shall be construed without regard to any presumption or rule requiring construction or interpretation against the party drafting an instrument or causing any instrument to be drafted.

Section 9.4 Amendments, Modification and Waiver.

(a) Except as may otherwise be provided herein, any provision of this Agreement may be amended, modified or waived by the parties hereto, by action taken by or authorized by their respective Boards of Directors, prior to the Closing Date if, and only if, such amendment or waiver is in writing and signed, in the case of an amendment, by GAFRI, Parent and GAC or, in the case of a waiver, by the party against whom the waiver is to be effective; provided, that, after GAFRI Stockholder Approval has been obtained, there shall not be made any amendment that by Applicable Law requires further approval by GAFRI's stockholders without such further approval.

(b) No failure or delay by any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by law or in equity.

Section 9.5 Successors and Assigns. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns; provided, that none of GAFRI, Parent or GAC may assign, delegate or otherwise transfer any of its rights or obligations under this Agreement, in whole or in part (whether by operation of law or otherwise), without the consent of the other parties hereto. Notwithstanding anything to the contrary herein, Parent may assign any of its rights hereunder to any Subsidiary of Parent.

Section 9.6 Specific Performance. The parties acknowledge and agree that any breach of the terms of this Agreement would give rise to irreparable harm for which money damages would not be an adequate remedy and accordingly the parties agree that, in addition to any other remedies, each party shall be entitled to enforce the terms of this Agreement by a decree of specific performance without the necessity of proving the inadequacy of money damages as a remedy, and to seek an injunction or injunctions to prevent a breach of this Agreement.

Section 9.7 Governing Law; Consent to Jurisdiction; Waiver of Trial by Jury.

(a) This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware (regardless of the laws that might otherwise govern under applicable principles of conflicts of laws thereof).

(b) Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the jurisdiction of the courts located in the City of Cincinnati, Ohio in any action or proceeding arising out of or relating to this Agreement or the agreements delivered in connection herewith or the Transactions or for recognition or enforcement of any judgment relating thereto, and each of the parties hereby irrevocably and unconditionally (i) agrees not to commence any such action or proceeding except in such courts, (ii) agrees that any claim in respect of any such action or proceeding may be heard and determined in such courts, (iii) waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any such action or proceeding in such courts and (iv) waives, to the fullest extent permitted by Applicable Law, the defense of an inconvenient forum to the maintenance of such action or proceeding in such courts. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Applicable Law. (c) EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE IT HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT AND ANY OF THE AGREEMENTS DELIVERED IN CONNECTION HEREWITH OR THE TRANSACTIONS OR THEREBY. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (A) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE EITHER OF SUCH WAIVERS, (B) IT UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF SUCH WAIVERS, (C) IT MAKES SUCH WAIVERS VOLUNTARILY, AND (D) IT HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.7(c).

Section 9.8 Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule of law, or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated herein are not affected in any manner materially adverse to any party hereto, and the application of such other conditions and provisions to other persons or circumstances will be interpreted so as reasonably to effect the

intent of the parties hereto.. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated by this Agreement may be consummated as originally contemplated to the fullest extent possible.

Special Committee of the Board of Directors of Great American Financial Resources, Inc.

250 East Fifth Street, 10th Floor

Cincinnati, OH 45202

Ladies and Gentlemen:

You have requested our opinion as to the fairness, from a financial point of view, to the holders of the outstanding shares of common stock (collectively the **Stockholders**) of Great American Financial Resources, Inc. (the **Company**) of \$24.50 per share in cash (the **Per Share Merger Consideration**) proposed to be paid to the Stockholders pursuant to the Agreement and Plan of Merger substantially in the form of the draft dated May 14, 2007 (the **Merger Agreement**) among the Company, American Financial Group, Inc. (**AFG**) and GAFRI Acquisition Corp., a wholly-owned subsidiary of AFG (**GAC**). Pursuant to the terms of and subject to the conditions set forth in the Merger Agreement, (i) GAC will merge with and into the Company, with the Company being the surviving company and becoming a wholly-owned subsidiary of AFG (the **Merger**) and (ii) each outstanding share of the Company's outstanding common stock will be converted into the right to receive the Per Share Merger Consideration upon consummation of the Merger. You have not asked us to express, and we are not expressing, any opinion with respect to any of the other terms, conditions, determinations or actions with respect to the Merger. For purposes of this opinion, the term **Stockholders** does not include (i) AFG and its affiliates, (ii) the Company or any of its affiliates with respect to shares held in treasury or otherwise or (iii) holders of shares who have properly exercised dissenters' rights under the Delaware General Corporation Law, if any, and our opinion does not address the fairness of the Merger or of any consideration to be received by any such party.

CCW was retained by Ceres Group, Inc. (prior to its acquisition by the Company) to act as financial advisor in connection with its acquisition by the Company in August 2006. CCW has not had any relationship with the Company, GAC or AFG during the two years preceding the date hereof, other than with regard to the Merger.

In connection with our review of the proposed Merger and the preparation of our opinion herein, we have examined: (a) the Merger Agreement; (b) certain historical financial statements of the Company as of and for each of the five years ended December 31, 2002 through December 31, 2006 and certain unaudited historical financial statements of the Company as of and for the quarter ended March 31, 2007; (c) certain internal business, operating and financial information and forecasts of the Company (the **Forecasts**) prepared by the management of the Company; (d) information regarding certain publicly traded comparable companies; (e) information regarding publicly available financial terms of certain transactions we deemed comparable to the Merger; (f) current and historical market prices and trading volumes of the common stock of the Company; and (g) certain other publicly available information on the Company and AFG. We

have also held discussions with members of the management of the Company to discuss the foregoing, have considered other matters which we have deemed relevant to our inquiry and have taken into account such accepted financial and investment banking procedures and considerations as we have deemed relevant.

In rendering our opinion, we have assumed and relied, without independent verification, upon the accuracy and completeness of all the information examined by or otherwise reviewed or discussed with us for purposes of this opinion. We are not actuaries and our services did not include any actuarial determinations or evaluations by us. We have not made or obtained an independent valuation or appraisal of the assets, liabilities or solvency of the Company. In addition, we did not make an independent evaluation of, and express no view as to, the adequacy of the reserves of the Company nor have we reviewed any individual insurance claims files or contracts relating to the Company.

We have been advised by the management of the Company that the Forecasts examined by us have been reasonably prepared and reflect the best currently available estimates and judgments of the management of the Company. In that regard, we have assumed, with your consent, that the Forecasts will be realized in the amounts and at the times contemplated thereby. We express no opinion with respect to the Forecasts or the estimates and judgments on which they are based. We were not asked to consider, and our opinion does not address, the relative merits of the Merger as compared to any alternative business strategies that might exist for the Company or the effect of any other transaction in which the Company might engage.

Our opinion herein is based upon economic, market, financial and other conditions existing on, and other information disclosed to us as of, the date of this letter. It should be understood that, although subsequent developments may affect this opinion, we do not have any obligation to update, revise or reaffirm this opinion. We have relied as to all legal, tax and regulatory matters on advice of counsel to the Company, and have assumed that the Merger will be consummated on the terms described in the Merger Agreement, without any waiver of any material terms or conditions by the Company. We were not requested to, nor did we, solicit third party indications of interest in respect of the proposed Merger.

Cochran Caronia Waller LLC and its affiliates are regularly engaged in the valuation of insurance company securities in connection with business combinations, investments and other transactions. As specialists in the securities of companies in the insurance industry, Cochran Caronia Waller LLC has experience in, and knowledge of, the valuation of such enterprises. We expect to receive a fee for our services in connection with the Merger, a portion of which is due upon our issuance of this opinion. In addition, the Company has agreed to reimburse our customary expenses and indemnify us against certain liabilities arising out of our engagement. Other than the fees described above, we will not receive any other payment or compensation.

In the ordinary course of business, we or our affiliates may actively trade the equity securities of the Company and AFG for our own account and for the accounts of customers and, accordingly, may at any time hold a long or short position in such securities.

We are expressing no opinion herein as to the price at which the common stock of the Company and AFG will trade at any future time or as to the effect of the Merger on the trading

price of the common stock of the Company or of AFG. Such trading price may be affected by a number of factors, including but not limited to (i) dispositions of the common stock of AFG by stockholders within a short period of time after the effective date of the Merger, (ii) changes in prevailing interest rates and other factors which generally influence the price of securities, (iii) adverse changes in the current capital markets, (iv) the occurrence of adverse changes in the financial condition, business, assets, results of operations or prospects of the Company or of AFG or in the insurance industry, (v) any necessary actions by or restrictions of federal, state or other governmental agencies or regulatory authorities, and (vi) timely completion of the Merger on terms and conditions that are acceptable to all parties having an interest therein.

Our investment banking services and our opinion were provided for the use and benefit of the Special Committee of the Board of Directors and senior management of the Company in connection with its consideration of the transaction contemplated by the Merger Agreement. Our opinion is limited to the fairness, from a financial point of view, to the Stockholders of the Company of the Merger Consideration in connection with the Merger, and we do not address the merits of the underlying decision by the Company to engage in the Merger and this opinion does not constitute a recommendation to any stockholder as to how such stockholder should vote on the proposed Merger. It is understood that this letter may not be summarized, described, reproduced, disseminated, quoted from, referred to or otherwise disclosed without our prior written consent, except that the opinion may be included in its entirety in submissions to state insurance regulatory authorities as required by applicable law or in a proxy statement or other filings required to be made with the Securities and Exchange Commission (SEC) and mailed to the stockholders of the Company with respect to the Merger, provided that we will have the right to review and approve in advance all such disclosures, including any description or reference to us or this opinion prior to any filing thereof with the SEC or any state insurance regulatory authority and prior to any dissemination to the Company's stockholders.

Based upon and subject to the foregoing, we are of the opinion that, as of the date hereof, the Merger Consideration is fair, from a financial point of view, to the Stockholders. This opinion has been approved by our fairness committee.

Very truly yours,

COCHRAN CARONIA WALLER LLC

Appendix C

§ 262. Appraisal rights.

(a) Any stockholder of a corporation of this State who holds shares of stock on the date of the making of a demand pursuant to subsection (d) of this section with respect to such shares, who continuously holds such shares through the effective date of the merger or consolidation, who has otherwise complied with subsection (d) of this section and who has neither voted in favor of the merger or consolidation nor consented thereto in writing pursuant to § 228 of this title shall be entitled to an appraisal by the Court of Chancery of the fair value of the stockholder's shares of stock under the circumstances described in subsections (b) and (c) of this section. As used in this section, the word "stockholder" means a holder of record of stock in a stock corporation and also a member of record of a nonstock corporation; the words "stock" and "share" mean and include what is ordinarily meant by those words and also membership or membership interest of a member of a nonstock corporation; and the words "depository receipt" mean a receipt or other instrument issued by a depository representing an interest in one or more shares, or fractions thereof, solely of stock of a corporation, which stock is deposited with the depository.

(b) Appraisal rights shall be available for the shares of any class or series of stock of a constituent corporation in a merger or consolidation to be effected pursuant to § 251 (other than a merger effected pursuant to § 251(g) of this title), § 252, § 254, § 257, § 258, § 263 or § 264 of this title:

(1) Provided, however, that no appraisal rights under this section shall be available for the shares of any class or series of stock, which stock, or depository receipts in respect thereof, at the record date fixed to determine the stockholders entitled to receive notice of and to vote at the meeting of stockholders to act upon the agreement of merger or consolidation, were either (i) listed on a national securities exchange or designated as a national market system security on an interdealer quotation system by the National Association of Securities Dealers, Inc. or (ii) held of record by more than 2,000 holders; and further provided that no appraisal rights shall be available for any shares of stock of the constituent corporation surviving a merger if the merger did not require for its approval the vote of the stockholders of the surviving corporation as provided in subsection (f) of § 251 of this title.

(2) Notwithstanding paragraph (1) of this subsection, appraisal rights under this section shall be available for the shares of any class or series of stock of a constituent corporation if the holders thereof are required by the terms of an agreement of merger or consolidation pursuant to §§ 251, 252, 254, 257, 258, 263 and 264 of this title to accept for such stock anything except:

a. Shares of stock of the corporation surviving or resulting from such merger or consolidation, or depository receipts in respect thereof;

b. Shares of stock of any other corporation, or depository receipts in respect thereof, which shares of stock (or depository receipts in respect thereof) or depository receipts at the effective date of the merger or consolidation will be either listed on a national securities exchange or designated as a national market system security on an interdealer quotation system by the National Association of Securities Dealers, Inc. or held of record by more than 2,000 holders;

c. Cash in lieu of fractional shares or fractional depository receipts described in the foregoing subparagraphs a. and b. of this paragraph; or

d. Any combination of the shares of stock, depository receipts and cash in lieu of fractional shares or fractional depository receipts described in the foregoing subparagraphs a., b. and c. of this paragraph.

(3) In the event all of the stock of a subsidiary Delaware corporation party to a merger effected under § 253 of this title is not owned by the parent corporation immediately prior to the merger, appraisal rights shall be available for the shares of the subsidiary Delaware corporation.

(c) Any corporation may provide in its certificate of incorporation that appraisal rights under this section shall be available for the shares of any class or series of its stock as a result of an amendment to its certificate of incorporation, any merger or consolidation in which the corporation is a constituent corporation or the sale of all or substantially all of the assets of the corporation. If the certificate of incorporation contains such a provision, the procedures of this section, including those set forth in subsections (d) and (e) of this section, shall apply as nearly as is practicable.

(d) Appraisal rights shall be perfected as follows:

(1) If a proposed merger or consolidation for which appraisal rights are provided under this section is to be submitted for approval at a meeting of stockholders, the corporation, not less than 20 days prior to the meeting, shall notify each of its stockholders who was such on the record date for such meeting with respect to shares for which appraisal rights are available pursuant to subsection (b) or (c) hereof that appraisal rights are available for any or all of the shares of the constituent corporations, and shall include in such notice a copy of this section. Each stockholder electing to demand the appraisal of such stockholder's shares shall deliver to the corporation, before the taking of the vote on the merger or consolidation, a written demand for appraisal of such stockholder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such stockholder's shares. A proxy or vote against the merger or consolidation shall not constitute such a demand. A stockholder electing to take such action must do so by a separate written demand as herein provided. Within 10 days after the effective date of such merger or consolidation, the surviving or resulting corporation shall notify each stockholder of each constituent corporation who has complied with this subsection and has not voted in favor of or consented to the merger or consolidation of the date that the merger or consolidation has become effective; or

(2) If the merger or consolidation was approved pursuant to § 228 or § 253 of this title, then either a constituent corporation before the effective date of the merger or consolidation or the surviving or resulting corporation within 10 days thereafter shall notify each of the holders of any class or series of stock of such constituent corporation who are entitled to appraisal rights of the approval of the merger or consolidation and that appraisal rights are available for any or all shares of such class or series of stock of such constituent corporation, and shall include in such notice a copy of this section. Such notice may, and, if given on or after the effective date of the

Table of Contents

merger or consolidation, shall, also notify such stockholders of the effective date of the merger or consolidation. Any stockholder entitled to appraisal rights may, within 20 days after the date of mailing of such notice, demand in writing from the surviving or resulting corporation the appraisal of such holder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such holder's shares. If such notice did not notify stockholders of the effective date of the merger or consolidation, either (i) each such constituent corporation shall send a second notice before the effective date of the merger or consolidation notifying each of the holders of any class or series of stock of such constituent corporation that are entitled to appraisal rights of the effective date of the merger or consolidation or (ii) the surviving or resulting corporation shall send such a second notice to all such holders on or within 10 days after such effective date; provided, however, that if such second notice is sent more than 20 days following the sending of the first notice, such second notice need only be sent to each stockholder who is entitled to appraisal rights and who has demanded appraisal of such holder's shares in accordance with this subsection. An affidavit of the secretary or assistant secretary or of the transfer agent of the corporation that is required to give either notice that such notice has been given shall, in the absence of fraud, be prima facie evidence of the facts stated therein. For purposes of determining the stockholders entitled to receive either notice, each constituent corporation may fix, in advance, a record date that shall be not more than 10 days prior to the date the notice is given, provided, that if the notice is given on or after the effective date of the merger or consolidation, the record date shall be such effective date. If no record date is fixed and the notice is given prior to the effective date, the record date shall be the close of business on the day next preceding the day on which the notice is given.

(e) Within 120 days after the effective date of the merger or consolidation, the surviving or resulting corporation or any stockholder who has complied with subsections (a) and (d) hereof and who is otherwise entitled to appraisal rights, may file a petition in the Court of Chancery demanding a determination of the value of the stock of all such stockholders. Notwithstanding the foregoing, at any time within 60 days after the effective date of the merger or consolidation, any stockholder shall have the right to withdraw such stockholder's demand for appraisal and to accept the terms offered upon the merger or consolidation. Within 120 days after the effective date of the merger or consolidation, any stockholder who has complied with the requirements of subsections (a) and (d) hereof, upon written request, shall be entitled to receive from the corporation surviving the merger or resulting from the consolidation a statement setting forth the aggregate number of shares not voted in favor of the merger or consolidation and with respect to which demands for appraisal have been received and the aggregate number of holders of such shares. Such written statement shall be mailed to the stockholder within 10 days after such stockholder's written request for such a statement is received by the surviving or resulting corporation or within 10 days after expiration of the period for delivery of demands for appraisal under subsection (d) hereof, whichever is later.

(f) Upon the filing of any such petition by a stockholder, service of a copy thereof shall be made upon the surviving or resulting corporation, which shall within 20 days after such service file in the office of the Register in Chancery in which the petition was filed a duly verified list containing the names and addresses of all stockholders who have demanded payment for their shares and with whom agreements as to the value of their shares have not been reached by the

Table of Contents

surviving or resulting corporation. If the petition shall be filed by the surviving or resulting corporation, the petition shall be accompanied by such a duly verified list. The Register in Chancery, if so ordered by the Court, shall give notice of the time and place fixed for the hearing of such petition by registered or certified mail to the surviving or resulting corporation and to the stockholders shown on the list at the addresses therein stated. Such notice shall also be given by 1 or more publications at least 1 week before the day of the hearing, in a newspaper of general circulation published in the City of Wilmington, Delaware or such publication as the Court deems advisable. The forms of the notices by mail and by publication shall be approved by the Court, and the costs thereof shall be borne by the surviving or resulting corporation.

(g) At the hearing on such petition, the Court shall determine the stockholders who have complied with this section and who have become entitled to appraisal rights. The Court may require the stockholders who have demanded an appraisal for their shares and who hold stock represented by certificates to submit their certificates of stock to the Register in Chancery for notation thereon of the pendency of the appraisal proceedings; and if any stockholder fails to comply with such direction, the Court may dismiss the proceedings as to such stockholder.

(h) After determining the stockholders entitled to an appraisal, the Court shall appraise the shares, determining their fair value exclusive of any element of value arising from the accomplishment or expectation of the merger or consolidation, together with a fair rate of interest, if any, to be paid upon the amount determined to be the fair value. In determining such fair value, the Court shall take into account all relevant factors. In determining the fair rate of interest, the Court may consider all relevant factors, including the rate of interest which the surviving or resulting corporation would have had to pay to borrow money during the pendency of the proceeding. Upon application by the surviving or resulting corporation or by any stockholder entitled to participate in the appraisal proceeding, the Court may, in its discretion, permit discovery or other pretrial proceedings and may proceed to trial upon the appraisal prior to the final determination of the stockholder entitled to an appraisal. Any stockholder whose name appears on the list filed by the surviving or resulting corporation pursuant to subsection (f) of this section and who has submitted such stockholder's certificates of stock to the Register in Chancery, if such is required, may participate fully in all proceedings until it is finally determined that such stockholder is not entitled to appraisal rights under this section.

(i) The Court shall direct the payment of the fair value of the shares, together with interest, if any, by the surviving or resulting corporation to the stockholders entitled thereto. Interest may be simple or compound, as the Court may direct. Payment shall be so made to each such stockholder, in the case of holders of uncertificated stock forthwith, and in the case of holders of shares represented by certificates upon the surrender to the corporation of the certificates representing such stock. The Court's decree may be enforced as other decrees in the Court of Chancery may be enforced, whether such surviving or resulting corporation be a corporation of this State or of any state.

(j) The costs of the proceeding may be determined by the Court and taxed upon the parties as the Court deems equitable in the circumstances. Upon application of a stockholder, the Court may order all or a portion of the expenses incurred by any stockholder in connection with the appraisal proceeding, including, without limitation, reasonable attorney's fees and the fees and

Table of Contents

expenses of experts, to be charged pro rata against the value of all the shares entitled to an appraisal.

(k) From and after the effective date of the merger or consolidation, no stockholder who has demanded appraisal rights as provided in subsection (d) of this section shall be entitled to vote such stock for any purpose or to receive payment of dividends or other distributions on the stock (except dividends or other distributions payable to stockholders of record at a date which is prior to the effective date of the merger or consolidation); provided, however, that if no petition for an appraisal shall be filed within the time provided in subsection (e) of this section, or if such stockholder shall deliver to the surviving or resulting corporation a written withdrawal of such stockholder's demand for an appraisal and an acceptance of the merger or consolidation, either within 60 days after the effective date of the merger or consolidation as provided in subsection (e) of this section or thereafter with the written approval of the corporation, then the right of such stockholder to an appraisal shall cease. Notwithstanding the foregoing, no appraisal proceeding in the Court of Chancery shall be dismissed as to any stockholder without the approval of the Court, and such approval may be conditioned upon such terms as the Court deems just.

(l) The shares of the surviving or resulting corporation to which the shares of such objecting stockholders would have been converted had they assented to the merger or consolidation shall have the status of authorized and unissued shares of the surviving or resulting corporation. (8 Del. C. 1953, § 262; 56 Del. Laws, c. 50; 56 Del. Laws, c. 186, § 24; 57 Del. Laws, c. 148, §§ 27-29; 59 Del. Laws, c. 106, § 12; 60 Del. Laws, c. 371, §§ 3-12; 63 Del. Laws, c. 25, § 14; 63 Del.
