SUMMARY

Juniata Valley is a registered bank holding company incorporated in Pennsylvania with corporate offices located at Bridge and Main Streets, Mifflintown, Pennsylvania 17059; its telephone number is (717) 436-8211. Juniata Valley's principal asset is its investment in its wholly-owned banking subsidiary, The Juniata Valley Bank ("JVB"). JVB engages in full service banking, including demand, savings and time deposits, commercial, consumer and mortgage loans, and the provision of trust services.

Juniata Valley adopted its Dividend Reinvestment Plan in 1995 to offer its shareholders an opportunity to purchase additional shares of Juniata Valley common stock automatically through the reinvestment of cash dividends. The Board of Directors has authorized an increase in the number of shares available under

Edgar Filing: JUNIATA VALLEY FINANCIAL CORP - Form S-3D

the Plan to meet the demands of shareholders and the Plan has been amended and restated. This Prospectus describes the Amended and Restated Dividend Reinvestment Plan in effect today.

If you own Juniata Valley common stock, directly or indirectly, you are eligible to enroll in the Plan. You may make purchases under the Plan with your cash dividends on some or all of your shares of Juniata Valley common stock, and through the Plan's voluntary cash payment feature.

You may enroll in the Plan by contacting the Plan Agent: (i) at the Plan Agent's website at www.rtc.com; (ii) by calling 1-800-368-5948; or (iii) by writing to the Plan Agent at the following address:

Registrar and Transfer Company
P.O. Box 664
Cranford, NJ 07016

If you enroll in the Plan, the Plan Agent will use the cash dividends on the shares you designate, as well as any voluntary cash payments you make, to purchase additional shares of Juniata Valley common stock. Historically, Juniata Valley has paid cash dividends; however the payment of dividends is within the discretion of the Board of Directors, and cannot be guaranteed. The payment of dividends will depend upon future earnings, the financial condition of Juniata Valley and other factors. The Board may change the amount and timing of dividends at any time without notice. If Juniata Valley does not pay a cash dividend, there will be no investment under the Plan unless you purchase shares through the Plan's voluntary cash payment feature.

Under the Plan, Juniata Valley may sell you authorized but unissued shares, shares that Juniata Valley has reacquired and holds as treasury shares, or shares bought by the Plan Agent in the open market. Juniata Valley may use a combination of these methods.

If Juniata Valley sells you authorized but unissued shares or treasury shares, the purchase price for each share will be no more than the fair market value of the shares as of the Record Date. If Juniata Valley sells you shares purchased in the open market, the purchase price will be the actual cost of the shares (including brokerage commissions).

If you choose not to enroll in the Plan, Juniata Valley will continue to send you cash dividends by check, or by automatic deposit to a bank account you designate, as and when declared.

PLAN DESCRIPTION

The following is a question and answer statement explaining the provisions of Juniata Valley's Amended and Restated Dividend Reinvestment Plan. A copy of

Edgar Filing: JUNIATA VALLEY FINANCIAL CORP - Form S-3D

the Plan may be obtained from: Ms. JoAnn N. McMinn, Senior Vice President and Chief Financial Officer, The Juniata Valley Bank, P.O. Box 66, Mifflintown, PA 17059. In the event of any conflict between the answers to these questions and the Plan, the more detailed provisions of the Plan will control.

Purpose

1. What is the purpose of the Plan?

The purpose of the Plan is to provide the shareholders of Juniata Valley with a simple and convenient method of investing cash dividends and voluntary cash contributions in additional shares of Juniata Valley common stock.

Advantages

2. What are the advantages of the Plan?

The Plan is advantageous to the shareholders by permitting them to acquire additional shares of the common stock of Juniata Valley automatically and at no brokerage commission when Stock is purchased from Juniata Valley.

Along with automatic dividend reinvestment, the Plan also affords shareholders an easy way to purchase additional shares of Stock with voluntary cash payments. Participants may increase the amount of their investment by making voluntary cash contributions of up to \$3,000 annually, with a minimum of \$500 per deposit. Under the Plan, recordkeeping is simplified by the issuance, after each dividend investment, of a detailed statement of participants' accounts, including the cost basis of the whole and fractional shares purchased.

Administration

3. Who administers the Plan?

Juniata Valley has appointed its transfer agent, the Registrar and Transfer Company, as administrator of the Plan. The administrator acts as agent for the Plan participants (the "Plan Agent"). The Plan Agent will perform administrative functions and services, such as the purchase of Stock pursuant to the Plan. Juniata Valley may choose a new administrator at any time.

7

To contact the Plan Agent, you may access the website at www.rtco.com, call 1-800-368-5948 or write to the Plan Agent at the following address:

Registrar and Transfer Company
P.O. Box 664
Cranford, NJ 07016

4. What are the duties of the Plan Agent?

The Plan Agent performs various administrative duties relating to the Plan. These include:

- o Holding shares of Juniata Valley Stock for Plan accounts.
- o Receiving cash dividend payments for participants.

Edgar Filing: JUNIATA VALLEY FINANCIAL CORP - Form S-3D

- o Receiving voluntary cash payments from participants.
- o Investing those amounts in shares of Juniata Valley common stock.
- o Maintaining continuing records of each participant's account.
- o Sending statements of account and other notices to participants.
- o Advising participants as to all transactions in and the status of their accounts.

Participation

5. Who is eligible to participate in the Plan?

All holders of record of Juniata Valley common stock are eligible to participate in the Plan. If you do not hold shares registered in your name but instead, hold shares through a broker, bank or other nominee, you must become a shareholder of record by having all or a part of your shares transferred into your own name in order to participate in the Plan.

Juniata Valley may refuse to allow certain shareholders to participate if those shareholders live in states which have additional securities registration or other burdensome requirements with respect to the Plan. Regulations in certain countries may limit or prohibit participation in a dividend reinvestment plan. Accordingly, persons residing outside the United States who wish to participate in the Plan should first determine whether they are subject to any governmental regulation prohibiting their participation.

6. How does an eligible shareholder enroll in the Plan?

Any eligible shareholder may enroll in the Plan by completing and signing an Authorization Card and returning it to the Plan Agent. The Plan Agent will send any shareholder an Authorization Card upon written or oral request. See Question 3 for information on how to contact the Plan Agent.

7. When may an eligible shareholder enroll in the Plan?

8

An eligible shareholder may enroll in the Plan at any time. If the Authorization Card requesting reinvestment of dividends is received by the Plan Agent on or before the Record Date established for a particular dividend, reinvestment will commence with that dividend. If the Authorization Card is received by the Plan Agent after the Record Date established for a particular dividend, the reinvestment of dividends will begin on the dividend payment date following the next Record Date if the shareholder is still a holder of record on that Record Date.

8. May a shareholder enroll as to some, but not all, shares held of record?

Yes, a shareholder may enroll in the Plan as to some, but not all shares of common stock owned of record by the shareholder.

Voluntary Cash Contributions

Edgar Filing: JUNIATA VALLEY FINANCIAL CORP - Form S-3D

9. How may voluntary cash contributions to the Plan be made?

Each participant in the Plan may make voluntary cash contributions to the Plan up to a total amount of \$3,000 each year, with a minimum of \$500 per deposit. The same amount need not be invested each time a voluntary cash contribution is made. Participants are under no obligation to make any voluntary cash contributions. A voluntary cash payment may be made by forwarding a check drawn from a U.S. bank in U.S. currency payable to Registrar and Transfer Company. Because participants will not be credited with interest on their voluntary cash contributions and because the Plan Agent is prohibited from holding such voluntary cash contributions for extended periods of time prior to investing them, participants are strongly encouraged to submit voluntary cash contributions as near as possible to the applicable dividend payment date. Voluntary cash payments may be received by the Plan Agent no more than thirty (30) days prior to the dividend payment date. Any payments received by the Plan Agent earlier than this time will be returned to the shareholder.

10. How will voluntary cash contributions be used?

The Plan Agent will apply each voluntary cash payment received from a participant within thirty (30) days prior to the dividend payment date to the purchase of Stock for the account of that participant on the next dividend payment date. A voluntary cash contribution will not be deemed to have been made by a participant or received by the Plan Agent until the funds so contributed are actually collected. Interest will not be paid on cash contributions. Payments received more than thirty (30) day prior to a dividend payment date will be returned.

11. May voluntary cash contributions be returned to a participant?

Yes. Voluntary cash contributions will be returned to a participant if the Plan Agent receives the cash contributions prior to thirty (30) days before a dividend payment date. In addition, cash contributions will be returned upon written request to the Plan Agent, provided that the request is received no later than the last business day prior to the next scheduled Record Date.

Purchases

12. What is the source of the Stock purchased under the Plan?

9

The Plan Agent will purchase Stock in a number of ways. The Stock may be purchased directly from Juniata Valley, in which event the shares purchased will be either authorized but unissued shares or shares held in the treasury of Juniata Valley. The Plan Agent may also purchase Stock on the open market, or by a combination of these means.

13. How will the price of shares purchased under the Plan be determined?

The price of the shares purchased from Juniata Valley will be no more than the fair market value of the shares as of the Record Date. As defined in the Plan, "fair market value" on a particular date means (i) the closing sale price of the Stock as reported on the OTCBB by the National Association of Securities Dealers Automated Quotation System (NASDAQ); or (ii) if no closing sale price is reported on the given date, the closing sale price of a share of Stock on the next preceding day on which the Stock was traded, as reported on the OTCBB by NASDAQ. The price of shares purchased on the open market will be the average

Edgar Filing: JUNIATA VALLEY FINANCIAL CORP - Form S-3D

cost (including brokerage commissions) to the Plan Agent of such purchases.

14. What is the Record Date?

"Record Date" means the date on which a person must be registered as a shareholder on the records of Juniata Valley in order to receive a dividend. Historically, the Record Dates of Juniata Valley have been fourteen (14) days prior to the dividend payment date.

15. How many shares will be purchased by the Plan Agent for a participant in the Plan?

The number of shares to be purchased for a participant by the Plan Agent will depend on the amount of the participant's dividend and voluntary cash payment, if any, and the price of the shares. Each participant's account will be credited with the number of whole and fractional shares equal to the amount to be invested divided by the applicable purchase price. Fractional shares shall be calculated to four (4) decimal places.

16. When will shares be purchased?

Shares acquired from Juniata Valley will be purchased as of the close of business on the applicable dividend payment date. Shares of common stock acquired on the open market may be purchased at any time, but in any event, no later than thirty (30) days after the dividend payment date. Dividend and voting rights will commence upon settlement of the purchase. For the purposes of making purchases, the Plan Agent will commingle each participant's funds with those of all other participants.

Dividends

17. How will dividends be paid on shares held by the Plan Agent?

As the record holder of the shares held in participants' accounts under the Plan, the Plan Agent will receive dividends on all such shares held in the Plan on each dividend Record Date. The Plan Agent will credit dividends to participants' accounts on the basis of whole or fractional shares held in each account under the Plan and will automatically reinvest these dividends in Juniata Valley's common stock.

Costs

18. What are the costs to a participant in the Plan?

No brokerage fees will be charged to participants in connection with the purchase of common stock from Juniata Valley. Participants will be charged the actual cost (including brokerage commissions) of all shares purchased in the open market. All other costs of administration of the Plan will be borne by Juniata Valley; however, a nominal service charge will be deducted from a participant's account at the time of the participant's withdrawal from the Plan (currently the withdrawal fee is \$10) or at any time any share certificate is requested by a participant.

19. What kind of reports will be sent to participants in the Plan?

As soon as practicable after completion of each investment on behalf of a participant, the Plan Agent will mail to the participant a statement showing: (i) the amount of the dividend and the voluntary cash contribution, if any, applied toward such investment; (ii) the taxes withheld, if any; (iii) the net amount invested; (iv) the number of shares purchased; (v) the average cost per share, including any brokerage commissions paid; and (vi) the total shares accumulated under the Plan, computed to four (4) decimal places. Annually, the Plan Agent will send each participant an Internal Revenue Service Form 1099 reporting dividend income received by the participant.

Certificates for Shares

20. Will certificates be issued for shares purchased?

All shares purchased under the Plan will be registered in the name of the Plan Agent or its nominee, as agent for the participants. Certificates for such shares will not be issued to participants unless requested in writing. Certificates for any number of whole shares will be issued to a participant within 15 days of a written request to the Plan Agent signed by the participant. Any remaining whole or fractional shares will continue to be held by the Plan Agent as the agent for the participant. Certificates for fractional shares will not be issued under any circumstances.

Voting Rights

21. How will shares held by the Plan Agent be voted?

For each meeting of shareholders, the Plan Agent will forward a proxy card to each participant and will vote the participant's shares in accordance with the instructions received from the participant. The shares of a participant who does not return a properly executed proxy card will not be voted.

Change in the Number of Outstanding Shares

22. What happens to the number of shares of Stock available under the Plan if there is a change in the number of outstanding shares of Juniata Valley due to a stock split, stock dividend or recapitalization?

If there is an increase or decrease in the number of outstanding shares of Juniata Valley common stock due to a stock split, payment of stock dividend or a recapitalization, then, the maximum number of shares of common stock offered under the Plan will be proportionately increased or decreased.

23. What happens to the Stock in participants' accounts if Juniata Valley declares a stock dividend or a stock split?

If Juniata Valley declares any stock dividend or stock split, the stock dividend or stock split will be paid with respect to shares held by the Plan Agent for a Plan participant's account as well as with respect to shares registered in the participant's name. Stock dividends or stock split shares distributed on shares of Stock registered in a participant's name will be mailed directly to the participant in the same manner as shares will be mailed to shareholders who do not participate in the Plan.

24. What happens if Juniata Valley makes a rights offering?

In the event of a rights offering by Juniata Valley, the Plan Agent will sell rights received on shares held of record by the Plan Agent and will invest the proceeds of sale in additional shares of Stock. The additional shares of Stock purchased with the proceeds will be retained by the Plan Agent and credited proportionately to the accounts of the participants. A participant who wishes to exercise such rights individually must request the Plan Agent to forward a share certificate to the participant (see Question 20 above). Such request must be made prior to the Record Date for exercising such rights. Rights on shares of Stock registered in the name of a participant will be mailed directly to the participant.

Withdrawal; Amendment or Termination of Plan

25. How and when may a participant withdraw from the Plan?

A participant may terminate participation in the Plan by at any time by giving written notice to the Plan Agent. Within 15 days after the date on which such notice is received by the Plan Agent (the "Termination Date"), the Plan Agent will deliver to the participant (i) a certificate for all whole shares held under the Plan and (ii) a check in lieu of the issuance of any fractional share in the participant's account, equal to the fractional share held under the Plan multiplied by the fair market value per share of the Stock on the Termination Date.

26. May the Plan be amended or terminated?

Yes. Juniata Valley may amend, supplement, suspend, modify or terminate the Plan at any time without the approval of the participants. Thirty (30) days' notice of any suspension or material amendment shall be sent to all participants, who shall in all events have the right to withdraw from the Plan.

Federal Income Tax Consequences

27. What are the federal income tax consequences of participation in the Plan?

When the Plan Agent buys shares with reinvested dividends for Plan accounts directly from Juniata Valley, each participant is deemed, for federal income tax purposes, to receive a dividend equal to the fair market value of the shares purchased for that participant's account.

The "fair market value" of a share, for federal income tax purposes, is the average of the highest and lowest sale prices of Juniata Valley common stock, as reported on the OTCBB, on the date of sale. If there are no other sales of Juniata Valley common stock on the date of sale, "fair market value" is the weighted average of the means between the highest and lowest sale prices on the nearest date before and the nearest date after the date Juniata Valley pays the dividend.

The "fair market value" of a share, for federal income tax purposes, is not necessarily equal to the "fair market value" at which the Plan Agent purchased the shares under the Plan as discussed in question number 13. For this reason, "fair market value" as shown on a participant's statement of account may be different from the amount shown on a participant's Form 1099 for federal income tax purposes.

Edgar Filing: JUNIATA VALLEY FINANCIAL CORP - Form S-3D

When the Plan Agent buys shares with reinvested dividends for Plan accounts in the open market, each participant is deemed, for federal income tax purposes, to receive a dividend equal to the total amount of

12

cash used to purchase shares on that participant's account, less the brokerage commissions paid by the Plan Agent on behalf of the participant.

28. When and how are gains and losses determined?

A participant will realize a gain or loss whenever a participant sells shares purchased under the Plan and whenever a participant receives a cash payment for a fractional share credited to the participant's account. The amount of gain or loss will be the difference between the amount the participant receives for the full or fractional shares and the participant's tax basis for the shares. The tax basis of a share acquired directly from Juniata Valley will equal its "fair market value," as defined for federal income tax purposes, on the date Juniata Valley pays the dividend or the date the Plan Agent buys shares with voluntary cash payments. The tax basis of a share acquired in the open market will equal its purchase price plus any trading expense.

THE FOREGOING SUMMARIZES THE FEDERAL INCOME TAX CONSEQUENCES OF THE PLAN AND DOES NOT INCLUDE A DISCUSSION OF STATE OR LOCAL TAX CONSEQUENCES OF THE PLAN. IT DOES NOT ADDRESS THE PARTICULAR CIRCUMSTANCES OF INDIVIDUAL PARTICIPANTS. YOU SHOULD CONSULT YOUR OWN TAX ADVISOR FOR FURTHER INFORMATION ON THE FEDERAL, STATE AND LOCAL INCOME TAX CONSEQUENCES OF PARTICIPATION IN THE PLAN.

31. What are the responsibilities of Juniata Valley and the Plan Agent, if any, with respect to the Plan?

Juniata Valley is unable to predict the number of shares of Stock that will be purchased from Juniata Valley under the Plan or the prices at which the shares will be purchased.

Juniata Valley presently intends to invest in and/or advance to JVB the net proceeds of sales pursuant to the Plan to provide additional capital to support anticipated growth in loans and deposits, expansion of services and branches, upgrading of facilities and equipment and for general corporate purposes. It is possible, however, that some or all of such proceeds may be used, directly or indirectly, now or in the future, in connection with permissible expansion of the business activities conducted by Juniata Valley or JVB, either de novo or by acquisition, although Juniata Valley has no present commitments so to expand. Proceeds of the offering are expected to strengthen Juniata Valley's capital structure, facilitating possible future expansion of business activities.

ITEM 15

Indemnification of Directors and Officers -----

Juniata Valley's Articles of Incorporation provide that Juniata Valley may indemnify its directors and officers to the full extent permissible under the Pennsylvania Business Corporation Law. Article 20 of the Bylaws of Juniata Valley provide that directors, officers and employees of Juniata Valley are generally entitled to be indemnified by Juniata Valley if they are made a party to litigation or other legal proceedings or are threatened by legal action by reason of the fact that they are a director, officer or employee of Juniata Valley or were serving in a similar capacity for another corporation, such as a subsidiary of Juniata Valley, at the request of Juniata Valley. Indemnification is not available unless the director, officer or employee acted in good faith

Edgar Filing: JUNIATA VALLEY FINANCIAL CORP - Form S-3D

and in a manner he reasonably believed to be in, or not opposed to, the best interests of Juniata Valley. If the proceedings are criminal in nature, indemnification is not available unless the director' officer or employee had no reason to believe his conduct was unlawful. Indemnification is available for actions brought by or in the right of Juniata Valley or by or on behalf of parties not related to Juniata Valley, and extends to expenses of litigation, including fees and to any judgment, fine or other amount reasonably incurred with respect to the action. However, in an action or suit by or in the right of Juniata Valley, indemnification is not available in respect of any claim or matter as to which the person is adjudged to be liable for misconduct in the performance of his duty to Juniata Valley. Juniata Valley's Bylaws also set forth a procedure for payment of legal expenses in advance of final disposition of a case, subject to repayment by the director, officer or employee if the director, officer or employee is ultimately determined not to be entitled to indemnification. Juniata Valley's Bylaws provide that its directors, officers and employees are presumed to be entitled to indemnification unless a court, a majority of the directors not involved in the proceedings or holders of 33 1/3% of Juniata Valley's outstanding common stock determine that indemnification is not available.

The Pennsylvania Business Corporation Law of 1988, 15 Pa. C.S.A. (S)(S)1501 et. seq. (the "BCL") became effective on October 1, 1988. Insofar as the BCL is contrary to the Bylaws and Articles of Incorporation of Juniata Valley, the BCL shall govern.

17

Directors and officers are also insured against certain liabilities by an insurance policy obtained by Juniata Valley. The policy specifically excludes claims for an accounting of profits made from purchases and/or sales by directors or officers of Juniata Valley's securities within the meaning of Section 16(b) of the Securities Exchange Act of 1934.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers or persons controlling of the registrant pursuant to the foregoing provisions, the registrant has been informed that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is therefore unenforceable.

In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
