Customers Bank Acquires ISN Bank of Cherry Hill, New Jersey

WYOMISSING, PA, September 13, 2010 — Customers Bank announced today that it has entered into a Purchase & Assumption Agreement with the Federal Deposit Insurance Corporation (FDIC) to acquire all of the deposits and assets of ISN Bank, a full-service bank headquartered in Cherry Hill, NJ. ISN Bank offers traditional banking services to businesses and consumers in Camden County, New Jersey market area.

ISN Bank will be open for business on Monday, September 20, 2010 as a division of Customers Bank. ISN Bank will be led by Warren Taylor, Executive Vice President. “Depositors of ISN Bank will continue to be insured by the FDIC under normal guidelines. There will not be any interruptions in customer service. All customers of ISN Bank can access their money by writing checks or using ATM or debit cards. Checks drawn on the bank will continue to be processed. Loan customers should continue to make their payments as usual,” according to Jim Collins.

The New Jersey Department of Banking and Insurance turned over ISN Bank to the FDIC earlier this evening. The FDIC and Customers Bank entered into a loss-share transaction on ISN Bank’s assets.

As a result of the acquisition, Customers Bank will acquire deposits of the failed institution which totaled approximately \$79.6 million at June 30, 2010.

“With the acquisition, ISN Bank becomes part of a safe, secure and successful bank. The past year has been exceptional for Customers Bank,” said Jay Sidhu, Chairman and Chief Executive Officer of Customers Bank. “We assembled a very experienced management team, developed a strategy to take advantage of the void created by the banking crisis and started executing on that strategy. In the past year, we more than quadrupled the Bank’s assets to more than \$1.0 billion, increasing both deposits and loans, and raising about \$70 million in new capital. Over the next few years, we hope to become a multi-billion dollar asset community bank by focusing on providing exceptional value, service and convenience to all our customers,” Sidhu continued. Customers Bank will have 16 branch locations after completing this deal and our recently announced acquisition of Berkshire Bank.

“Our success in large part is due to our philosophy that touches every area of our organization: making the needs of our customers the highest priority,” said Warren Taylor, Executive Vice President of Customers Bank. “The acquisition provides ISN Bank customers an entirely new way of banking featuring a sophisticated level of high tech, high touch banking convenience and customized service. This includes unrivaled benefits such as ‘appointment and concierge banking’ available 12 hours a day/7 days a week, individualized financial packages, advanced online banking tools including opening accounts on-line, and direct access to senior management” Taylor continued.

According to Taylor, ISN Bank will strive to do five things for our customers: protect their money, figure out how to make them more money, save them time, save them money and lend them money. “With this acquisition, Customers Bank will enter New Jersey for the first time. In the next 3 years, we plan on building a \$500 million bank in this market,” Taylor concluded.
