Ladies and Gentlemen:

I am the Vice President, General Counsel and Assistant Secretary for Steelcase Inc., a Michigan corporation (the "Company"), and have acted as counsel to the Company in connection with preparation and filing with the Securities and Exchange Commission (the "Commission") of a Registration Statement on Form S-8 (the "Registration Statement"), for registration under the Securities Act of 1933, as amended (the "Securities Act"), of 6,715,273 shares of the Company's Class A Common Stock (the "Class A Common Stock"), issued or to be issued pursuant to (a) the Steelcase Inc. Incentive Compensation Plan, as amended (the "Plan"), or (b) options granted under the Plan.

This opinion is being furnished in accordance with the requirements of Item 601(b)(5) of Regulation S-K under the Securities Act of 1933, as amended.

In my examination, I have assumed the legal capacity of all natural persons, the genuineness of all signatures, the authenticity of all documents submitted to me as originals, the conformity to original documents of all documents submitted to me as certified, conformed or photostatic copies and the authenticity of the originals of such latter documents. In making my examination of executed documents, I have assumed that the parties thereto, other than the Company, had the power, corporate or other, to enter into and perform all obligations thereunder and have also assumed the due authorization by all requisite action, corporate or other, and the execution and delivery of such documents by the parties to such documents, and the validity and binding effect thereof. As to any facts material to the opinions expressed herein that were not independently established or verified, I have relied upon oral or written statements and representations of officers and other representatives of the Company and others.

I am admitted to the practice of law in the State of Michigan, and I express no opinion as to the laws of any other jurisdiction other than the Business Corporation Act of the State of Michigan and the Federal laws of the United States of America, but only to the extent specifically referred to herein.

In connection with this opinion, I have examined originals or copies, certified or otherwise identified to my satisfaction, of (i) the Registration Statement; (ii) the Plan; and (iii) certain resolutions of the Board of Directors of the Company and the shareholders of the Company relating to the Plan and related matters. I have also examined originals or copies, certified or otherwise identified to my satisfaction, of such records of the Company and such agreements, certificates of public officials, certificates of officers or other representatives of the Company and others, and such other documents, certificates and records as I have deemed necessary or appropriate as a basis for the opinions set forth herein.

Based upon the foregoing and subject to the limitations, qualifications, exceptions and assumptions set forth herein, it is my opinion that the shares of Class A Common Stock to be offered by the Company under the Plan pursuant to the Registration Statement have been duly authorized and, (a) when issued and granted by the Company in accordance with the Plan or (b) when issued and sold by the Company in accordance with options granted under the Plan, will be
