LETTER TO SHAREHOLDERS SENT BY CB BANCSHARES

###

Dear Fellow Shareholder,

Aloha. We are extremely pleased to report that your company generated record earnings for the year ended December 31, 2003. As you can see, CB Bancshares, Inc. employees and management have been galvanized by the year's events and we have strengthened our resolve to grow your company by providing superior service and products to City Bank customers.

Fourth Quarter Earnings Rise 90.7%

Consolidated net income for the year ended December 31, 2003 was \$20.7 million, or \$4.72 per diluted share. This is a 53.9% increase over consolidated net income of \$13.5 million, or \$3.11 per diluted share, in 2002.

Consolidated net income for the quarter and year ended December 31, 2003 includes \$470,000 (\$320,000, or \$0.08 per share, after tax) and \$6.6 million (\$4.4 million, or \$1.01 per share, after tax), respectively, in expenses associated with the defense of the unsolicited hostile takeover proposal announced by Central Pacific Financial Corp. on April 16, 2003.

Consolidated net income for the quarter ended December 31, 2003 totaled \$6.9 million, or \$1.56 per diluted share, a 90.7% increase over consolidated net income of \$3.6 million, or \$0.83 per diluted share, over the same quarter in 2002.

City Bank has delivered three consecutive quarters of outstanding financial performance fueled by increased growth of the Bank's core businesses. Loan volume in our California operations and our Hawaii mortgage banking business continue to exceed expectations. As we continue to execute on our business plan and improve our asset quality, we believe City Bank is better-positioned than ever to deliver sustainable growth and enhance value for CB Bancshares shareholders.

At December 31, 2003, total stockholders' equity was \$169.2 million, an increase of \$18.2 million, or 12.1%, over December 31, 2002. Return on equity for the year ended December 31, 2003 was 13.00% (15.77% excluding the unsolicited hostile takeover proposal expenses), an increase from 9.35% in 2002. In December 2003, the Company paid a cash dividend of \$0.36 per common share, an increase of 227.3% over the \$0.11 per common share paid in December 2002.

City Bank Wins National SBA Award

In December, our dedication and commitment to our small business customers were recognized by the U.S. Small Business Administration Office of Advocacy, which named City Bank the top small-business-friendly bank in the State of Hawaii. Mahalo to our small business customers for their patronage.

Opinion Poll Shows Massive Opposition to Takeover

A recent public opinion poll conducted by The Pacific Fielding Center reveals broad community opposition to the attempted hostile takeover of City Bank by Central Pacific Financial Corp. Using standard survey protocols, telephone interviews were conducted with Hawaii residents, including a randomly selected sample of Central Pacific's own business loan customers. The results are dramatic.

When asked if the State of Hawaii should approve Central Pacific's hostile takeover attempt of City Bank, an **overwhelming 79%** of the general population said they believe the State should reject it. Only 7% support State approval, an **eleven-to-one opposition to State approval.**

Central Pacific's own customers oppose the takeover in even greater numbers than the general public, with an **overwhelming 82% saying the State should not approve the merger.**

A significant majority, 73% of the general public and 75% of Central Pacific's customers, say that a hostile takeover is **not the way to do business in Hawaii.**

When asked what the effects of the merger would be, respondents cited **less access to service in small communities, a reduction in service to small business, less competition, less friendly service, higher fees and higher loan rates.**

(Sample size for the general public was 400 and has a margin of error of 4.7%. 125 Central Pacific customers were polled with a margin of error of 8.4%. A detailed copy of the poll is available online at CityBankHawaii.com.)

Thousands Support City Bank at Public Hearing

The support reflected in the opinion poll echoes testimony given at the public hearing held by the State of Hawaii Division of Financial Institutions in December. In an unprecedented two days of public testimony, shareholders, customers, employees, businesses and labor organizations spoke out against the hostile takeover attempt being waged by Central Pacific.

More than 200 individuals testified in favor of City Bank at the hearings. Thousands more signed petitions, wrote letters and submitted testimony in support of our position. Testifiers said they believed a forced merger between City Bank and Central Pacific would result in less competition, less choice, and a decline in services in what is already one of the most under-banked states in the nation. Only 20 people most of them Central Pacific's own directors, managers and consultants testified at the hearing in support of the hostile takeover attempt.

Mahalo For Your Support

Our record financial results in 2003 demonstrate that our Board and management are successfully executing on our business plan and delivering sustainable growth. We hope that you share our enthusiasm for all that our company has accomplished over the past year. We are gratified by the support and loyalty of our shareholders, customers and employees and intend to work even harder in 2004. On behalf of the entire City Bank family, we thank you for allowing us to be a part of your company. We are all Proud To Be City Bank.

Sincerely,

Lionel Y. Tokioka
