ANNUAL MEETING OF STOCKHOLDERS

This Proxy Statement and the accompanying proxy card and Notice of Annual Meeting are provided in connection with the solicitation of proxies by

## Edgar Filing: ANTHRACITE CAPITAL INC - Form DEF 14A

the Board of Directors of Anthracite Capital, Inc., a Maryland corporation (the "Company"), for use at the 2004 Annual Meeting of Stockholders (the "Annual Meeting") to be held at the Omni Berkshire Place, 21 East 52nd Street, Second Floor, New York, New York 10022, on Tuesday, May 25, 2004 at 10:00 a.m., Eastern Time, and any adjournments or postponements thereof. The mailing address of the Company's executive office is 40 East 52nd Street, New York, New York 10022. This Proxy Statement, the accompanying proxy card and the Notice of Annual Meeting are first being mailed to holders of the Company's common stock, par value \$0.001 per share (the "Common Stock"), on or about April 16, 2004.

### Matters to Be Considered at the Annual Meeting

At the Annual Meeting, holders of the Company's Common Stock will vote upon (i) the election of four directors to serve on the Board of Directors of the Company; (ii) the ratification of the appointment by the Board of Directors of Deloitte & Touche LLP as the independent auditors of the Company for the fiscal year ending December 31, 2004; and (iii) such other business as may properly come before the Annual Meeting or any adjournments or postponements thereof.

### Stockholders Entitled to Vote

The Board of Directors has fixed the close of business on March 31, 2004 as the record date for the determination of stockholders entitled to notice of and to vote their shares of Common Stock at the Annual Meeting. As of March 20, 2004, the Company had 50,095,281 shares of Common Stock outstanding. Each share of Common Stock entitles its holder to one vote.

### Voting at the Annual Meeting

If the enclosed proxy is properly executed and returned to the Company in time to be voted at the Annual Meeting, it will be voted as specified on the proxy, unless it is properly revoked prior thereto. If no specification is made on the proxy as to any one or more of the proposals, the shares of Common Stock represented by the proxy will be voted as follows:

FOR the election of each of the director nominees; and

FOR the ratification of the appointment of Deloitte & Touche LLP as the independent auditors of the Company for the fiscal year ending December 31, 2004.

### Voting on Other Matters

If any other matters are properly presented at the Annual Meeting for consideration, the persons named in the proxy will have the discretion to vote on those matters for you. At the date this Proxy Statement went to press, the Company did not know of any other matter to be raised at the Annual Meeting.

### Required Vote

A majority of the votes entitled to be cast at the Annual Meeting, represented in person or by proxy, constitutes a quorum for purposes of transacting business at the Annual Meeting. Election of each nominee for director will require the affirmative vote of the holders of a plurality of the votes cast at the Annual Meeting for such nominee. The ratification of the independent auditors and any other matters submitted to a vote of the stockholders will be determined by a majority of the votes cast at the Annual Meeting.

Under the rules of the New York Stock Exchange, brokers who hold

## Edgar Filing: ANTHRACITE CAPITAL INC - Form DEF 14A

shares in "street name" may have the authority to vote on certain matters when they do not receive instructions from beneficial owners. Brokers that do not receive instructions are entitled to vote on the election of directors and the ratification of the independent auditors. In determining whether the proposal to ratify the appointment of the independent auditors has received the requisite vote, abstentions will be disregarded and will have no effect on the outcome of the vote. A vote "withheld" from a director nominee will have no effect on the outcome of the vote because a plurality of the votes cast at the Annual Meeting is required for the election of each director and the nominees who receive the most votes cast at the Annual Meeting will be elected.

### Cost of Proxy Solicitation

The Company will pay the expenses of soliciting proxies. Proxies may be solicited in person or by mail, telephone, electronic transmission and facsimile transmission on our behalf by directors, officers or employees of the Company or its subsidiaries, without additional compensation. The Company will reimburse brokerage houses and other custodians, nominees and fiduciaries that are requested to forward soliciting materials to the beneficial owners of the stock held of record by such persons.

### Revocation of Proxies

A person giving the enclosed proxy has the power to revoke it at any time before it is exercised by (i) attending the Annual Meeting and voting in person, (ii) duly executing and delivering a proxy bearing a later date prior to the Annual Meeting or (iii) sending written notice of revocation to the Company's Secretary prior to the Annual Meeting at 40 East 52nd Street, New York, New York 10022.

### List of Stockholders

A list of stockholders entitled to vote at the Annual Meeting will be available at the Annual Meeting and for ten days prior to the Annual Meeting, between the hours of 9:00 a.m. and 5:00 p.m., at the Company's executive office at 40 East 52nd Street, New York, New York 10022, by contacting the Secretary of the Company.

### Copies of Annual Report to Stockholders

A copy of the Annual Report on Form 10-K filed by the Company with the Securities and Exchange Commission (the "SEC") for its latest fiscal year is available without charge to stockholders at the Company's website at [www.anthracitecapital.com](http://www.anthracitecapital.com) or upon written request to Anthracite Capital, Inc., 40 East 52nd Street, New York, New York 10022, Attention: Secretary.

### Confidentiality of Voting

The Company keeps all proxies, ballots and voting tabulations confidential as a matter of practice. The Company only lets its Inspector of Election, American Stock Transfer and Trust Company, examine these documents.

### Voting Results

American Stock Transfer and Trust Company, the Company's independent tabulating agent, will count the votes and act as the Inspector of Election. The Company will publish the voting results in its Quarterly Report on Form 10-Q for the fiscal quarter ending June 30, 2004, which the Company plans to file with the SEC in August 2004.

### Recommendations of the Board of Directors

## Edgar Filing: ANTHRACITE CAPITAL INC - Form DEF 14A

The Board of Directors recommends a vote FOR each of the nominees for director and FOR the ratification of the appointment of Deloitte & Touche LLP as the independent auditors of the Company for the fiscal year ending December 31, 2004.

### PROPOSAL 1

#### ELECTION OF DIRECTORS

The Company's By-Laws provides that the Board of Directors shall consist of no less than three and no more than nine directors, and the number of directors may be increased or decreased by the Board of Directors. The Company's Board of Directors is presently comprised of seven members classified into three groups, designated Class I, Class II and Class III. The term of office of the members of one class of directors expires each year in rotation so that the members of one class are elected at each annual meeting to serve for full three-year terms, or until their successors are elected and qualified. Each class consists, as nearly as may be possible, of one-third of the total number of directors constituting the entire Board of Directors.

At the Annual Meeting, three directors will be elected to serve on the Board of Directors of the Company for a three-year term expiring in 2007, and one director will be elected to serve on the Board of Directors of the Company for a term expiring in 2006 and, in each case, until their respective successors have been duly elected and qualified. The shares of Common Stock represented by the enclosed proxy will be voted for the election as directors of the four nominees named below, unless a vote is withheld from any of the four individual nominees. If any nominee becomes unavailable or unwilling to serve as a director on the Board of Directors of the Company for any reason, shares of Common Stock represented by the accompanying proxy will be voted for such other person as the Board of Directors may nominate. The Board of Directors has no reason to doubt the availability of any nominee, and each nominee has indicated his willingness to serve as a director of the Company if elected by the stockholders at the Annual Meeting.

#### Information Concerning the Director Nominees

The Board of Directors has unanimously proposed Donald G. Drapkin, Carl F. Geuther, Leon T. Kendall and Clay G. Lebhar as nominees for election as directors of the Company.

The Board of Directors recommends a vote FOR each of the nominees for director.

### Unaffiliated Directors

The Articles of Incorporation of the Company require that a majority of the Company's directors be "Unaffiliated Directors." "Unaffiliated Director" means any director who (a) does not own greater than a de minimis interest in the Manager or any of its affiliates, other than the Company and any person controlled by the Company or (b) within the last two years has not directly or indirectly (i) been an officer of or employed by the Company or the Manager or any of their respective affiliates, (ii) been a director of the

## Edgar Filing: ANTHRACITE CAPITAL INC - Form DEF 14A

Manager or any of its affiliates, other than the Company and any person controlled by the Company, (iii) performed more than a de minimis amount of services for the Manager or any of its affiliates or (iv) had any material business or professional relationship with the Manager or any of its affiliates other than as a director of the Company or any person controlled by the Company. There are presently four Unaffiliated Directors on the Company's Board of Directors: Messrs. Drapkin, Geuther, Keil and Kendall. If elected, Mr. Lebhar would qualify as an Unaffiliated Director.

### Compensation of Directors

Directors generally are elected for a term of three years and hold office until their successors are elected and qualified. The Company pays an annual director's fee to each Unaffiliated Director of \$20,000 and a fee of \$1,000 for each meeting of the Board of Directors attended by the Unaffiliated Director. In addition, the Unaffiliated Directors who serve as chair of the Nominating and Corporate Governance Committee or chair of the Compensation Committee, each receives an additional \$5,000 per year, and the Unaffiliated Director who serves as chair of the Audit Committee receives an additional \$10,000 per year. The Company will also grant each Unaffiliated Director options to purchase 1,000 shares of Common Stock of the Company on the date of each annual meeting of the Company's stockholders with an exercise price equal to the closing price of the Common Stock on the New York Stock Exchange on such date. Such options will be immediately exercisable. The Company reimburses the costs and expenses of all directors for attending meetings of the Board of Directors. Affiliated directors will not be, and have not been, separately compensated by the Company other than through the Company's 1998 Stock Option Plan (discussed below).

### Determination of Director Independence

At least a majority of the directors serving on the Board of Directors must be independent directors. For a director to be considered independent, the board must determine that the director does not have any direct or indirect material relationship with the Company. The Board of Directors has established categorical standards to assist it in determining director independence, which conform to the independence requirements in the New York Stock Exchange listing rules. These categorical standards are available on the investor relations page of the Company website, [www.anthracitecapital.com](http://www.anthracitecapital.com), under "Corporate Governance." In addition to applying these guidelines, the Board of Directors will consider all relevant facts and circumstances in making an independence determination. The board has determined that the following directors and director nominee satisfy the independence requirements of the Board of Directors and the New York Stock Exchange: Messrs. Drapkin, Geuther, Keil, Kendall and Lebhar.

With respect to the determination by the Board of Directors of Mr. Drapkin's independence, the Board of Directors considered that Mr. Drapkin's son-in-law is currently an employee of the Manager, holding a non-executive position; his job at the Manager has no connection to the Company and has no involvement with any of the services that the Manager provides; and his compensation is not tied to the Company. Based on these facts, the Board of Directors determined that Mr. Drapkin still met the criteria to be an independent director.

### Board and Committee Meetings

The Board of Directors has three standing committees: an Audit Committee, a Nominating and Corporate Governance Committee and a Compensation Committee. Each of the committees are composed entirely of independent directors, as determined in accordance with the applicable rules of the New York Stock Exchange. The current charters for each of the Audit Committee,

## Edgar Filing: ANTHRACITE CAPITAL INC - Form DEF 14A

Nominating and Corporate Governance Committee and Compensation Committee are available on the investor relations page of the Company website, [www.anthracitecapital.com](http://www.anthracitecapital.com), under "Corporate Governance." Further, the Company will provide a copy of these charters without charge to each stockholder upon written request. Requests for copies should be addressed to Anthracite Capital, Inc., 40 East 52nd Street, New York, New York 10022, Attention: Secretary.

The following descriptions of the functions performed by the committees of the Board of Directors are general in nature and are qualified in their entirety by reference to the committees' charters.

### Audit Committee

The Audit Committee of the Board of Directors, presently composed of Messrs. Geuther, Keil and Drapkin, makes recommendations to the Board of Directors concerning the selection of independent auditors, reviews the financial statements of the Company and considers such other matters in relation to the internal and external audit of the financial affairs of the Company as may be necessary or appropriate to facilitate accurate and timely financial reporting. The Board of Directors adopted a revised charter for the Audit Committee on March 11, 2004. A copy of that charter is included as Exhibit A to this proxy statement. Each Audit Committee member is "independent" as defined in the New York Stock Exchange listing standards and the applicable SEC rules. The Board of Directors has determined that Mr. Geuther qualifies as an "audit committee financial expert" as defined in the SEC rules, and the Board of Directors has determined that each member of the Committee has accounting and related financial management expertise within the meaning of the listing standards of the New York Stock Exchange. The Audit Committee met seven times during the fiscal year ended December 31, 2003.

### Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee of the Board of Directors, presently composed of Messrs. Drapkin, Geuther and Kendall, recommends to the Board of Directors individuals qualified to serve as directors of the Company and on committees of the Board of Directors; advises the Board of Directors with respect to the composition of the Board of Directors, procedures and committees; advises the Board of Directors with respect to the corporate governance principles applicable to the Company; and oversees the evaluation of the Board of Directors and the Company's management. The Board of Directors adopted a charter for the Nominating and Corporate Governance Committee on June 25, 2003, which was subsequently revised on March 11, 2004. The Nominating and Corporate Governance Committee met one time during the fiscal year ended December 31, 2003.

The Nominating and Corporate Governance Committee, as required by the Company's By-Laws, will consider director candidates recommended by stockholders. In considering candidates submitted by stockholders, the Nominating and Corporate Governance Committee will take into consideration the needs of the Board of Directors and the qualifications of the candidate and may take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held.

The Company's By-Laws provide certain procedures that a stockholder must follow to nominate persons for election to the Board of Directors. Nominations for director at an annual stockholder meeting must be submitted in writing to the Company's Secretary at Anthracite Capital, Inc., 40 East 52nd Street, New York, New York 10022. The Secretary must receive the notice of a stockholder's intention to introduce a nomination or proposed item of business at an annual stockholders meeting:

## Edgar Filing: ANTHRACITE CAPITAL INC - Form DEF 14A

- o not later than the close of business on the 60th day nor earlier than the close of business on the 90th day prior to the first anniversary of the preceding year's annual meeting; or
- o in the event that the date of the annual meeting is advanced by more than 30 days or delayed by more than 60 days from such anniversary date, not earlier than the close of business on the 90th day prior to such annual meeting and not later than the close of business on the later of the 60th day prior to such annual meeting or the 10th day following the day on which public announcement of the date of such meeting is first made by the Company.

The By-Laws also provide that the stockholder nomination notice must contain all information relating to such nominee that is required to be disclosed in solicitations of proxies for elections of directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934 (including such person's written consent to being named in the proxy statement as a nominee and to serve as director if elected).

As to the stockholder giving notice and the beneficial notice, if any on whose behalf the proposal is being made, the notice must include:

- o the name and record address of the stockholder, as they appear on the Company's books, and of such beneficial owner; and
- o the number of shares of each class of stock of the Company which are owned beneficially and of record by such stockholder and such beneficial owner.

In considering the qualifications for serving as a director of the Company, the Nominating and Corporate Governance Committee examines a candidate's experience, knowledge, skills, expertise, diversity, ability to make independent analytical inquiries, understanding of the Company's business environment and willingness to devote adequate time and effort to the responsibilities of the Board of Directors.

The Nominating and Corporate Governance Committee identifies potential nominees by asking current directors and executive officers to notify the Committee if they become aware of suitable candidates. The Nominating and Corporate Governance Committee also may, from time to time, engage firms that specialize in identifying director candidates. As described above, the Committee will also consider candidates recommended by stockholders.

Once a person has been identified by the Nominating and Corporate Governance Committee as a potential candidate, the Committee may collect and review publicly available information regarding the person to assess whether the person should be considered further. If the Nominating and Corporate Governance Committee determines that the candidate warrants further consideration, the Chairman or another member of the Committee will contact the person. Generally, if the person expresses a willingness to be considered and to serve on the Board of Directors, the Nominating and Corporate Governance Committee requests information from the candidate and reviews the person's accomplishments and qualifications. The Committee's evaluation process does not vary based on whether or not a candidate is recommended by a stockholder, although, as stated above, the Board of Directors may take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held.

A non-management director recommended Clay G. Lebhar for

consideration by the Nominating and Corporate Governance Committee.

### Compensation Committee

The Compensation Committee of the Board of Directors, presently composed of Messrs. Kendall, Drapkin and Keil, administers the Company's 1998 Stock Option Plan, reviews all aspects of the management agreement between the Company and the Manager and makes recommendations on such matters to the full Board of Directors. During 2003, the Company did not pay any cash compensation to its executive officers, and there was no grant of stock options or stock appreciation rights to the Company's executive officers during the fiscal year ended December 31, 2003. The Compensation Committee met one time during the fiscal year ended December 31, 2003, to approve the compensation provided by the Company to the independent directors who serve on the Board of Directors.

### Communications with Directors

The Board of Directors has established a process to receive communications from stockholders and other interested parties. Stockholders and other interested parties may contact any member (or all members) of the Board of Directors (including without limitation the director that presides over the executive sessions of non-management directors, or the non-management directors as a group), any Board of Directors committee or any chair of any such committee by mail or electronically. To communicate with the Board of Directors, any individual directors or any group or committee of directors, correspondence should be addressed to the Board of Directors or any such individual directors or group or committee of directors by either name or title. All such correspondence should be sent c/o Corporate Communications Department, Anthracite Capital, Inc., 40 East 52nd Street, New York, New York 10022. To communicate with the Board of Directors electronically, the Company has established an e-mail address, anthracitebod@blackrock.com, to which stockholders may send correspondence to the Board of Directors or any such individual directors or group or committee of directors.

All communications received as set forth in the preceding paragraph will be opened by the Corporate Communications and Legal and Compliance Departments of the Manager, for the sole purpose of determining whether the contents represent a message to the directors. Any contents that are not in the nature of advertising, promotions of a product or service, or patently offensive material will be forwarded promptly to the addressee. In the case of communications to the Board of Directors or any group or committee of directors, sufficient copies of the contents will be made for each director who is a member of the group or committee to which the envelope or e-mail is addressed. Concerns relating to accounting, internal controls or auditing matters are brought to the attention of the Chairman of the Audit Committee and handled in accordance with procedures established by the Audit Committee with respect to such matters.

### Number of Meetings of the Board of Directors and Attendance in 2003

During the fiscal year ended December 31, 2003, the Board of Directors of the Company met on five occasions. The Company expects each director serving on its Board of Directors to regularly attend meetings of the Board of Directors and committees on which such director serves, and to review prior to meetings material distributed in advance for such meetings. A director who is unable to attend a meeting is expected to notify the chairman of the Board of Directors or the chairman of the appropriate committee in advance of such meeting.

The value of the unexercised in-the-money options is calculated by multiplying (A) the number of securities underlying such options by (B) the difference between (i) \$11.07 (the closing price of the Common Stock on the New York Stock Exchange on December 31, 2003) and (ii) the option exercise price.

### 1998 Stock Option Plan

On March 23, 1998, the Company adopted a stock option plan (the "1998 Stock Option Plan") that provides for the grant of both qualified incentive stock options ("ISOs") that meet the requirements of Section 422 of the Internal Revenue Code and non-qualified stock options, stocks appreciation

## Edgar Filing: ANTHRACITE CAPITAL INC - Form DEF 14A

rights and dividend equivalent rights (collectively, "Awards"). Awards other than ISOs may be granted to (i) any employee or director of the Company, any subsidiary of the Company or the Manager, (ii) the Manager or (iii) any other individual or entity performing services for the Company or a subsidiary. ISOs may be granted to officers and key employees of the Company. The exercise price for any option granted under the 1998 Stock Option Plan may not be less than 100% of the fair market value of the shares of Common Stock at the time the option is granted.

As of December 31, 2003, net of terminated options, the Company granted options to purchase up to 1,716,451 shares of Common Stock, predominantly to directors and executive officers of the Company.

Subject to anti-dilution provisions for stock splits, stock dividends and similar events, the 1998 Stock Option Plan authorizes the grant of options to purchase up to an aggregate of 2,470,453 shares of the Company's Common Stock. If an option granted under the 1998 Stock Option Plan expires or terminates, the shares of Common Stock subject to any unexercised portion of that option will again become available for the issuance of further options under the 1998 Stock Option Plan. Unless previously terminated by the Board of Directors, the 1998 Stock Option Plan will terminate ten years from its effective date, and no options may be granted under the 1998 Stock Option Plan thereafter.

The 1998 Stock Option Plan is administered by a committee of the Board of Directors comprised entirely of Unaffiliated Directors, referred to as the Compensation Committee. Options granted under the 1998 Stock Option Plan become exercisable in accordance with the terms of the grant made by the Compensation Committee. The Compensation Committee has discretionary authority to determine at the time an option is granted whether it is intended to be an ISO or a non-qualified option, and when and in what increments shares of Common Stock covered by the option may be purchased. If stock options are proposed to be granted to the Unaffiliated Directors, then the full Board of Directors must first approve such grants.

Generally, each option must terminate no more than ten years from the date it is granted. Options may be granted on terms providing that they will be exercisable in whole or in part at any time or times during their respective terms, or only in specified percentages at stated time periods or intervals during the term of the option.

The exercise price of any option granted under the 1998 Stock Option Plan is payable in full (i) in cash, (ii) by surrender of shares of the Company's Common Stock having a market value equal to the aggregate exercise price of all shares to be purchased, (iii) by cancellation of indebtedness owed by the Company to the option holder, (iv) pursuant to procedures approved by the Company through a broker-dealer, (v) if approved by the Compensation Committee, by a full recourse promissory note executed by the option holder or (vi) by any combination of the foregoing. The terms of the promissory note may be changed from time to time by the Company's Board of Directors to comply with applicable regulations or other relevant pronouncements of the Internal Revenue Service or the SEC.

The Company's Board of Directors may, without affecting any outstanding options, from time to time revise or amend the 1998 Stock Option Plan, and may suspend or discontinue it at any time. However, no such revision or amendment may increase the number of shares of common stock subject to the 1998 Stock Option Plan (with the exception of adjustments resulting from changes in capitalization) without stockholder approval.

### CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Relationship between the Company and the Manager

The Manager is a wholly owned subsidiary of BlackRock, Inc. BlackRock, Inc. is approximately 70% owned by PNC Bank, National Association, which is itself a wholly owned subsidiary of The PNC Financial Services Group, Inc. The Manager, subject to the supervision of the Board of Directors, is responsible for the day-to-day operations of the Company pursuant to a Management Agreement.

## Edgar Filing: ANTHRACITE CAPITAL INC - Form DEF 14A

On March 6, 2003, the Unaffiliated Directors approved an extension of the Management Agreement from its expiration of March 27, 2003 for one year through March 31, 2004. The terms of the renewed agreement provide for a base management fee equal to 1% per annum of average invested assets rated less than BB- or not rated, 0.75% of average invested assets rated BB- through BB+ and 0.20% of average invested assets rated above BB+. During the third quarter of 2003, the Manager agreed to reduce its management fees by 20% from its calculated amount for the third and fourth quarter of 2003 and the first quarter of 2004. The base management fee is intended to compensate the Manager for its costs in providing management services to the Company. The Board of Directors of the Company may adjust the base management fee with the consent of the Manager in the future if necessary to align the fee more closely with the costs of such services.

In addition to the base management fee, the Company pays the Manager an incentive fee, calculated based on a rolling four-quarter high watermark. In determining the rolling four-quarter high watermark, the Manager calculates the incentive fee based upon the current and prior three quarters' net income (the "Yearly Incentive Fee"). The Manager is paid an incentive fee in the current quarter if the Yearly Incentive Fee is greater than what was paid to the Manager in the prior three quarters cumulatively. The Company phased in the rolling four-quarter watermark in the second quarter of 2003. Calculation of the incentive fee is based on GAAP and adjusted to exclude special one-time events pursuant to changes in GAAP accounting pronouncements after discussion between the Manager and the Unaffiliated Directors. The high watermark is based on the existing incentive fee hurdle, which provides for the Manager to be paid 25% of the amount of earnings (calculated in accordance with GAAP) per share of Common Stock that exceeds the product of the adjusted issue price per share of the Company's Common Stock (\$11.39 as of December 31, 2002) and the greater of 9.5% or 350 basis points over the Ten-Year U.S. Treasury Rate.

The Company also reimburses the Manager for out-of-pocket expenses paid by the Manager to third parties. The Manager may engage PNC Bank, Midland Loan Services, Inc. ("Midland"), a wholly owned subsidiary of PNC Bank, or unaffiliated third parties to conduct due diligence with respect to potential portfolio investments and to provide certain other services. Accordingly, a portion of the out-of-pocket expenses may be paid to PNC Bank or Midland in such capacities. The Company's guidelines require the contract for such engagement to be conducted at arm's length, as evidenced by documentation provided by the Manager to the Board of Directors. PNC Bank and Midland are paid fees and out-of-pocket expenses as would customarily be paid to unaffiliated third parties for such services.

The Management Agreement was extended in March 2004 for one year through March 31, 2005. The terms of the extended agreement provide for a base management fee based on 2% of the Company's total stockholders' equity, and an incentive fee equal to 25% of the amount that earnings per share exceeds the product of the adjusted issue price of the Company's common stock per share and the greater of 8.5% or 4% over the ten-year U.S. Treasury note.

For the year ended December 31, 2003, the Company paid the Manager \$9,411,000 in base management fees and \$0 in incentive compensation. In accordance with the provisions of the Management Agreement, the Company recorded reimbursements to the Manager of \$66,000 for certain expenses incurred on behalf of the Company by the Manager during 2003.

In addition, for the year ended December 31, 2003, the Company paid the Manager \$173,000 pursuant to the terms of an administration agreement between the Manager and the Company. Under the terms of the administration agreement, the Manager provides financial reporting, audit coordination and accounting oversight services. The Company pays the Manager a monthly administrative fee at an annual rate of 0.06% of the first \$125 million of

## Edgar Filing: ANTHRACITE CAPITAL INC - Form DEF 14A

average net assets, 0.04% of the next \$125 million of average net assets and 0.03% of average net assets in excess of \$250 million subject to a minimum annual fee of \$120,000.

Relationship between the Manager or The PNC Financial Services Group, Inc. and the Company's Directors and Executive Officers

In addition to being Chairman of the Board of Directors of the Company, Laurence D. Fink is Chairman of the Board of Directors and Chief Executive Officer of the Manager. Chris A. Milner is a Managing Director of the Manager in addition to his position as President, Chief Executive Officer and Chief Investment Officer of the Company. Ralph L. Schlosstein is President and a Director of the Manager, as well as a Director of the Company. Hugh R. Frater is an Executive Vice President at The PNC Financial Services Group, Inc., as well as a Director of the Company. Richard M. Shea is a Managing Director of the Manager in addition to his position as Chief Operating Officer and Chief Financial Officer of the Company. Similarly, each of the Company's executive officers also serves as an officer of the Manager.

Other Material Transactions between the Company and the Manager

On July 20, 2001, the Company entered into a \$50 million commitment to acquire shares in Carbon Capital, Inc. ("Carbon"), a private commercial real estate income opportunity fund managed by the Manager. The period during which the Company may be required to purchase shares under the commitment expires in July 2004. On December 31, 2003, the Company owned 19.8% of the outstanding shares in Carbon. On December 31, 2003 and 2002, the Company accrued dividends from its investment of \$1,042,000 and \$1,089,000, respectively. The Company's remaining commitment at December 31, 2003 and 2002 was \$23,034,000 and \$35,116,000, respectively. On March 17, 2004, the Company funded a capital call notice in the amount of \$4,349,000, which was used by Carbon to acquire commercial mortgage loans.

On May 15, 2000, the Company completed the acquisition of CORE Cap, Inc. At the time of the CORE Cap acquisition, the Manager had an agreement with GMAC (CORE Cap, Inc.'s external advisor) to pay GMAC \$12,500,000 over a ten-year period (the "Installment Payment") to purchase the right to manage the assets under the then existing management contract of CORE Cap, Inc. (the "GMAC Contract"). The Manager offered to buy out the GMAC Contract, and the Company agreed that should the Management Agreement with its Manager be terminated, not renewed or not extended for any reason other than for cause, the Company would pay to the Manager an amount equal to the Installment Payment less the sum of all payments made by the Manager to GMAC. As of December 31, 2003, the Installment Payment would be \$8,000,000 payable over seven years. The Company does not accrue for this contingent liability.

### ADDITIONAL INFORMATION

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as "householding," potentially provides extra convenience for stockholders and cost savings for companies. The Company and some brokers household proxy materials, delivering a single proxy statement to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker or the Company that they or the Company will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement, please notify your broker if your shares are held in a brokerage account or the Company if you hold registered shares. You can notify the Company by sending a written request to Anthracite Capital, Inc., 40 East 52nd Street, New York, New York 10022, Attention: Secretary.

Audit Committee

Board of Directors of Anthracite Capital, Inc.

Authority and Committee Composition

## Edgar Filing: ANTHRACITE CAPITAL INC - Form DEF 14A

The Audit Committee (the "Committee") of the Board of Directors (the "Board") of Anthracite Capital, Inc. (the "Company") is established pursuant to Section 14 of Article III of the Company's Bylaws (the "Bylaws"). Committee members shall be appointed by the Board on the recommendation of the Board's Nominating & Corporate Governance Committee and must number no less than that prescribed by any applicable law, the Bylaws or New York Stock Exchange (the "NYSE") rules, as determined from time to time by resolution of the Board. Committee members may be replaced by the Board.

At the time of his or her appointment and during his or her tenure on the Committee, each Committee member must satisfy such standards of independence and experience prescribed by any applicable law or NYSE rule relating to the duties and responsibilities of Committee members. Each member of the Committee must be "financially literate," as such qualification is interpreted by the Board in its business judgment, or must become financially literate within a reasonable period of time after his or her appointment to the Committee. At least one member of the Committee shall be an "audit committee financial expert" as defined by the Securities and Exchange Commission (the "Commission").

Committee members shall not simultaneously serve on the audit committees of more than two other public companies, unless the Board determines that such simultaneous service would not impair the ability of such director to effectively serve on the Committee. Any such determination must be disclosed in the Company's annual proxy statement.

The Board will appoint one of the members of the Committee to serve as the Committee Chair. The Committee Chair will have authority to act on behalf of the Committee between meetings. Except as otherwise provided by resolution of the Board or the Committee or this Charter, the presence in person or by telephone of a majority of the Committee's members shall constitute a quorum for any meeting of the Committee.

The Committee shall meet as often as it determines necessary, but not less frequently than quarterly. The Committee shall meet periodically with management, the individuals responsible for the internal audit function and the independent auditor in separate executive sessions. The Committee may request any officer of the Company, any officer or employee of BlackRock Financial Management, Inc., the Company's manager (the "Manager"), or representatives of the Company's outside counsel or independent auditor to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee.

The Committee shall have the sole authority to appoint or replace the Company's independent auditor (subject, if applicable, to shareholder ratification). The Committee shall be directly responsible for the appointment, compensation, retention, and oversight of the work of any registered public accounting firm (including resolution of disagreements between management and such accounting firm regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company. The Company's independent auditor and any other registered public accounting firm shall report directly to the Committee.

The Committee shall pre-approve all auditing services and permitted non-audit services (including the fees and terms thereof) to be performed for the Company by its independent auditor, subject to the de minimus exceptions for non-audit services described in the Commission's rules. The Committee may form and delegate authority to subcommittees consisting of one or more members of the Committee when appropriate, including the authority to grant pre-approvals of audit and permitted non-audit services, provided that

## Edgar Filing: ANTHRACITE CAPITAL INC - Form DEF 14A

decisions of any such subcommittee to grant pre-approvals shall be presented to the full Committee at its next scheduled meeting.

The Committee shall have the authority, to the extent it deems necessary or appropriate, to retain independent legal, accounting or other advisors. The Company shall provide for appropriate funding, as determined by the Committee, for payment of compensation to the independent auditor for the purpose of rendering or issuing an audit report and to any advisors employed by the Committee.

The Committee shall make regular reports to the Board, which may be oral. The Committee shall review and reassess the adequacy of this Charter annually and recommend any proposed changes to the Board for approval. The Committee shall annually review the Committee's own performance.

### Purpose of the Committee

The Committee's primary purposes are to (a) assist Board oversight of (i) the integrity of the financial statements of the Company, (ii) the independent auditor's qualifications and independence, (iii) the performance of the Company's internal audit function and independent auditor, and (iv) the compliance by the Company with legal and regulatory requirements and (b) prepare an audit committee report as required by the Commission's rules for inclusion in the Company's annual proxy statement.

In order to fulfill its duties and responsibilities, the Committee shall:
