Dear Fellow Shareholder,

You recently received proxy materials in connection with the annual meeting of shareholders of CEL-SCI Corporation ("the Company") to be held on July 22, 2014.

Edgar Filing: CEL SCI CORP - Form DEFA14A

According to our latest records, your PROXY VOTE for this meeting HAS NOT YET BEEN RECEIVED.

The Company is asking shareholders to approve five proposals: the election of directors; the 2014 Incentive Plan; an advisory vote on the compensation of the Company's named executive officers ("say on pay"); an advisory vote on the frequency of the say on pay vote and the ratification of auditors.

IT IS EXTREMELY IMPORTANT THAT SHAREHOLDERS VOTE
IN FAVOR OF ALL FIVE PROPOSALS

2014 Incentive Plan

On May 27, 2014, upon recommendation of the Compensation Committee, the Board of Directors, subject to approval by the Company's shareholders, approved the adoption of the CEL-SCI Corporation 2014 Incentive Stock Bonus Plan.

The primary purpose of the 2014 Plan is to promote the interests of the Company and its shareholders by providing executive officers and significant employees of the Company with appropriate incentives and rewards to encourage them to enter into and remain in their positions with the Company and to acquire a significant proprietary interest in the long-term success of the Company, while at the same time tying these incentives and rewards to specific performance milestones that will correlate with increased financial returns for shareholders.

A vital ingredient to the Company's long-term success lies in retaining its key personnel for the duration of the Company's projects, including the development phase of Multikine. These employees have the uniquely specialized product and institutional knowledge, as well as the determination, to deal with complex issues as they arise. The 2014 Incentive Stock Bonus Plan represents the best way to move forward in that it ties key individuals to the Company through the crucial development stage and rewards them only for success.

Under the 2014 Plan the Company's proposes to award key employees restricted shares of Company common stock, which will only be earned and retained if the Company meets certain very important milestones that:

1) lead to the commercialization of the Company's Multikine technology; or 2) result in significant increases in the market price the Company's shares.

IF MILESTONES ARE NOT MET, PLAN PARTICIPANTS WILL NOT
RECEIVE THE STATED EQUITY AWARDS

You can find more information on all of the proposals in the proxy materials filed on the SEC website at <http://www.sec.gov/Archives/edgar/data/725363/000100487814000212/definproxy2014may-14.txt>.
