Item 7.01 Regulation FD Disclosure.

At the J.P. Morgan Aviation, Transportation and Industrials Conference on March 8th, and the Raymond James 37th Annual Institutional Investors Conference on March 9th, Robert M. Knight, Jr., Executive Vice President-Finance and Chief Financial Officer of Union Pacific Corporation (the Company), indicated that the Company now expects coal volumes to be down around 30 percent in the First Quarter of 2016 versus the prior year. Total volumes for the first quarter are still expected to be down in the mid-single digit range in 2016 versus 2015.

Mr. Knight also noted that the Company now expects its total cumulative capital spending on Positive Train Control (PTC) to be approximately \$2.9 billion over time.

This Form 8-K disclosure contains forward-looking statements that are subject to risks and uncertainties that could cause actual performance or results to differ materially from those expressed in the statements. Important factors, including risk factors, regarding forward-looking information and these risks and uncertainties are discussed in the Company's filings with the Securities and Exchange Commission.
