Unless the context requires otherwise, in this prospectus, we use the terms “we,” “us,” “our,” “ZAGG” and the “Company” to refer to ZAGG Inc and its subsidiaries. Our common stock is traded on the NASDAQ Global Market under the symbol “ZAGG.”

This prospectus is part of a registration statement we filed with the Securities and Exchange Commission, or SEC, using a “shelf” registration process. This prospectus provides you with a general description of the common stock we may offer. Each time we or a Selling Shareholder offers common stock, we will provide a prospectus supplement that will contain specific information about the terms of that offering. SUMMARY

Our Business (dollars in thousands)

ZAGG Inc, headquartered in Salt Lake City, Utah, designs, manufactures and distributes protective coverings, audio accessories and power solutions for consumer electronic and hand-held devices under the brand names invisibleSHIELD®, ZAGGskins™, ZAGGbuds™, ZAGGsparq™, ZAGGfolio™, ZAGGmate™, ZAGGkeys™, iFrogz™ and Earpollution™.

Our flagship product, the invisibleSHIELD, is made from a protective film covering that was developed originally to protect the leading edges of rotary blades of military helicopters. We determined that this same film product could be configured to fit onto the surface of electronic devices and marketed to consumers for use in protecting such devices from every day wear and tear, including scratches, scrapes, debris and other surface blemishes. The film also permits touch sensitivity, meaning it can be used on devices that have a touch-screen interface. The invisibleSHIELD film material is highly reliable and durable because it was originally developed for use in a high friction, high velocity context within the aerospace industry. The film provides long lasting protection for the surface of electronic devices subject to normal wear and tear. The film is a form of polyurethane substance, akin to a very thin, pliable, flexible and durable clear plastic that adheres to the surface and shape of the object it is applied to.

Table of Contents

The invisibleSHIELD is designed specifically for Apple® iPods®, iPads®, laptops, cell phones, digital cameras, watch faces, GPS systems, gaming devices, and other mobile devices. (Apple, iPod, iPad, and iPhone are all registered trademarks of Apple, Inc.) The product is “cut” to fit specific devices and packaged together with a moisture activating solution which makes the invisibleSHIELD adhere to the surface of the device, literally “like a second skin,” and virtually invisible to the eye. The patent-pending invisibleSHIELD is the first scratch protection solution of its kind on the market. The invisibleSHIELD is not ornamental, but rather provides a long lasting barrier to preserve the brand new look of the surface of an electronic device. In early 2010, we introduced the invisibleSHIELD DRY through retail partners, which is a protective film made from the same material as the original invisibleSHIELD, and engineered to be clearer, smoother to the touch, and apply without the need for fluid. In the beginning of 2011, we added the invisibleSHIELD Smudge-Proof to our line, which also incorporates the invisibleSHIELD film with added features that eliminate smudges, fingerprints, and glare from the device display. In January 2012, we introduced the invisibleSHIELD HD, a new premium version of the invisibleSHIELD that offers industry-leading clarity and finish, online at www.ZAGG.com and at select retail partners.

As of the date of this Prospectus, ZAGG offered over 5,900 precision, pre-cut invisibleSHIELD designs with a lifetime replacement warranty through online channels, big-box retailers, electronics specialty stores, resellers, college bookstores, Mac stores, and mall kiosks. We plan to increase our product lines to offer new electronic accessories to our tech-savvy customer base, as well as an expanded array of invisibleSHIELD products for other industries. Given the success of the invisibleSHIELD (evidenced by an increase in sales, comparing the three months ended March 31, 2012 to 2011, of 28%, from \$20,772 to \$26,602), ZAGG has the unique opportunity to offer additional accessories from a trusted source to gadget enthusiasts worldwide.

Additional Products

The ZAGGaudio brand of electronics accessories and products were first released in late 2008, and continue to focus on innovation and superior value. The flagship product within ZAGGaudio is the award winning ZAGGsmartbuds™ line, which includes ZAGGaquabuds, a water-resistant earbud introduced in late 2010. A previous winner of the coveted CES Design and Innovation award, the ZAGGsmartbuds line has been well received by professional reviewers, experts and the consumer base. On January 12, 2010, we were awarded patent number US D 607,875 by the U.S. Patent and Trademark Office, covering design elements of ZAGGsmartbuds in-ear headphones.

ZAGGskins were introduced in November 2009, and combine customizable, high-resolution images with the scratch protection of ZAGG’s invisibleSHIELD. To create a ZAGGskin, consumers select from a library of professional designs or upload their own high-resolution personal photos or images. The printed image, custom designed for their device, is then merged with the exclusive, ultra-tough, patented invisibleSHIELD film, which allows customers to both protect and individualize their gadgets with a single product.

In early 2009, we introduced the ZAGGsparq, a small, powerful, portable battery that can recharge a power-hungry “smartphone” up to four times before the ZAGGsparq itself needs to be recharged. Featuring a 6000ma lithium polymer cell, the ZAGGsparq plugs into a wall outlet and provides two USB ports for charging mobile devices. An adapter is also included that fits many international standards. The ZAGGsparq is compatible with any USB-charged device, including Apple iPads, iPods, and iPhones, as well as cell phones, handheld gaming systems, and digital cameras.

We also introduced ZAGG LEATHERskins in early 2010. ZAGG LEATHERskins are thin, pliable cases that apply directly to personal electronics like a film, and are created from genuine leather. Available in typical leather shades and premium animal patterns, ZAGG LEATHERskins use an adhesive that holds the skin firmly in place on the device, but can be removed if necessary. Later in 2010, we broadened the line to include ZAGG sportLEATHER, which are also created from genuine leather and feature authentic recreations of baseball, football and basketball

textures. ZAGG LEATHERskins and sportLEATHERS are available for the most popular personal electronics.

Table of Contents

We introduced the ZAGGmate in November 2010. The ZAGGmate is a protective and functional companion to the Apple iPad and iPad 2, as well as the new iPad, that accentuates both the appearance and utility of Apple's innovative device. Made from aircraft-grade aluminum with a high quality finish, the patent-pending ZAGGmate matches the design, look and feel of the iPad, iPad 2, and the new iPad. The ZAGGmate line features two models, one with a simple, innovative stand and built-in wireless Bluetooth® keyboard that allows for fast, responsive typing, and interaction with the iPad's features. The second model replaces the keyboard with a more versatile stand that provides multiple angles for use. The ZAGGmate was the recipient of several prestigious industry awards, including the Macworld Expo 2011 Best of Show and recognition as a CES Innovations Design and Engineering Honoree. On April 7, 2011, we partnered with Logitech on the ZAGGmate product and renamed it the Logitech Keyboard Case by ZAGG. Under the partnership with Logitech, we receive royalty payments for all units sold by Logitech.

As a follow up to our very successful ZAGGmate, we launched the ZAGGfolio in July 2011. The ZAGGfolio is a stylish and functional case for the iPad 2, the new iPad, and Samsung Galaxy tablet that not only offers full protection, but increases productivity through a removable, Bluetooth keyboard. Operating with Bluetooth 3.0, the integrated battery will last for months between charges. A true 3-in-1 solution with a keyboard, stand and full protective cover, the patent pending ZAGGfolio is the winner of multiple awards including the 2012 CES Innovations Design and Engineering Showcase Honors. In fall of 2011, we expanded the ZAGGfolio family to include 11 different colors, textures and patterns, including genuine leather.

In November 2011, ZAGG launched the ZAGGkeys FLEX, a portable Bluetooth keyboard and stand. As implied by its name, the FLEX offers flexible function for the two most popular tablet and smartphone operating systems; a switch on the keyboard toggles between the Apple iOS and Android®. The ZAGGkeys FLEX utilizes same keyboard layout as our award-winning Logitech Keyboard Case and ZAGGfolio, ensuring a true typing experience. The ZAGGkeys FLEX includes a unique keyboard cover that easily converts into a stable stand compatible with nearly any tablet or smartphone. The ZAGGkeys FLEX was named an honoree at the 2012 CES Innovations Design and Engineering Showcase.

Acquisition of iFrogz

On June 21, 2011, the Company, ReminderBand, Inc., dba iFrogz (“iFrogz”), and the owners of iFrogz entered into a Stock Purchase Agreement pursuant to which ZAGG acquired 100% of the outstanding shares of iFrogz. The combination of ZAGG and iFrogz represents an opportunity to create a market leader in the mobile device accessories industry by building on complementary brands and increasing overall market share by growing product lines and expanding distribution.

iFrogz is headquartered in Logan, Utah, and designs, manufactures and distributes protective coverings and digital audio accessories for consumer electronic and hand-held devices under the brand names iFrogz™ and Earpollution™.

iFrogz began in 2006 by creating protective covers for iPods with a unique combination of fashion and quality that was received well by the marketplace through online sales only. In early 2007, iFrogz began distributing through large retailers. Subsequently, the iFrogz product offering has expanded into cell phones, other music devices, and a wider variety of fashion assortments for mobile devices, while continuing to expand its retail customer base.

In the summer of 2007, iFrogz released its first line of audio products under the Earpollution brand. The eclectic selection of Earpollution™ earbuds and headphones targets a younger demographic, yet still appeals to a wide demographic of consumers.

iFrogz continues to innovate its product lines allowing it to remain ahead of the curve in the electronic device accessory fashion market.

DESCRIPTION OF CAPITAL STOCK

The following description of our capital stock and provisions of our certificate of incorporation and bylaws are summaries and are qualified by reference to the certificate of incorporation and the bylaws. Copies of these documents are exhibits to our registration statement, of which this prospectus forms a part, and are incorporated by reference into the registration statement.

Our authorized capital stock consists of 100,000,000 shares of common stock, par value \$0.001 per share. As of May 7, 2012, we had 30,247,533 shares of common stock outstanding. Our common stock is listed on the NASDAQ Global Market under the symbol "ZAGG."

Common Stock

Our common stock is entitled to one vote per share on all matters submitted to a vote of the stockholders, including the election of directors. Except as otherwise required by law, the holders of our common stock will possess all voting power. Generally, all matters to be voted on by stockholders must be approved by a majority (or, in the case of election of directors, by a plurality) of the votes entitled to be cast by all shares of our common stock that are present in person or represented by proxy. Holders of our common stock representing fifty percent (50%) of our capital stock issued, outstanding and entitled to vote, represented in person or by proxy, are necessary to constitute a quorum at any meeting of our stockholders. A vote by the holders of a majority of our outstanding shares is required to effectuate certain fundamental corporate changes such as liquidation, merger or an amendment to our Articles of Incorporation. Our Articles of Incorporation do not provide for cumulative voting in the election of directors.

The holders of shares of our common stock will be entitled to such cash dividends as may be declared from time to time by our board of directors from funds available therefore.

Upon liquidation, dissolution or winding up, the holders of shares of our common stock will be entitled to receive pro rata all assets available for distribution to such holders.

In the event of any merger or consolidation with or into another company in connection with which shares of our common stock are converted into or exchangeable for shares of stock, other securities or property (including cash), all holders of our common stock will be entitled to receive the same kind and amount of shares of stock and other securities and property (including cash).

Holdings of our common stock have no pre-emptive rights, no conversion rights and there are no redemption provisions applicable to our common stock.

Dividend Policy

We have never declared or paid any cash dividends on our common stock. We currently intend to retain future earnings, if any, to finance the expansion of our business. As a result, we do not anticipate paying any cash dividends in the foreseeable future.

Antitakeover Provisions

Our Amended and Restated Articles of Incorporation and First Amended Bylaws contain various provisions that could render more difficult certain unsolicited or hostile attempts to take us over, that could disrupt us, divert the attention of our directors, officers and employees and adversely affect the independence and integrity of our business. These

provisions include:

- **Special Meetings of Stockholders** — Our First Amended Bylaws provide that special meetings of the stockholders may only be called by our Board of Directors, the Chairman of the Board, the President, a Vice President, the Secretary, or by stockholders holding not less than ten percent (10%) of the voting power of the Company.
- **Advance Notice Bylaws** — Under our First Amended Bylaws, in order for a stockholder to properly bring a director nominee or any other business before an annual meeting of stockholders, or to propose a director nominee for purposes of a special meeting of stockholders, the stockholder must provide us with timely notice thereof (including, in the case of director nominations, certain information regarding the nominee and the proposing stockholder). This provision could make it more difficult for stockholders to propose business at our stockholder meetings.
- **Vacancies** — Our First Amended Bylaws provide that vacancies on our board may be filled by a majority of directors in office, although less than a quorum.
- **Authorized but Unissued Shares** — Subject to the rules of the NASDAQ Global Market, our Board of Directors may cause us to issue our authorized but unissued shares of common stock in the future without stockholder approval. These additional shares may be utilized for a variety of corporate purposes, including future public offerings to raise additional capital, corporate acquisitions and employee benefit plans. The existence of authorized but unissued shares of common stock could render more difficult or discourage an attempt to obtain control of a majority of our common stock by means of a proxy contest, tender offer, merger, or otherwise.

Limitation of Liability and Indemnification Matters; Indemnification for Securities Act Liabilities

Our Amended and Restated Articles of Incorporation provide, to the fullest extent permitted by the laws of the State of Nevada, as the same now exists or may hereafter be amended or supplemented, that no director or officer of the Company shall be liable to the Company or to its stockholders for damages for breach of fiduciary duty as a director or officer.

Additionally, a director of the Company shall not be personally liable to the Company or to its shareholders for monetary damages for breach of fiduciary duty as a director: except that this provision shall not eliminate or limit the liability of a director to the Corporation or to its shareholders for monetary damages otherwise existing for (i) any breach of the director's duty of loyalty to the Company or to its shareholders; (ii) acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law; (iii) acts specified in Section 78.300 of the Nevada Revised Statutes; or (iv) any transaction from which the director directly or indirectly derived any improper personal benefit. If Nevada corporation laws are hereafter amended to eliminate or limit further the liability of a director, then, in addition to the elimination and limitation of liability provided by the preceding sentence, the liability of each director shall be eliminated or limited to the fullest extent permitted by the Nevada corporation laws so amended.

The effect of these provisions of our Amended and Restated Articles of Incorporation is to eliminate our rights and our stockholders' rights (through stockholders' derivative suits on behalf of the Company) to recover damages against a director or officer for breach of the fiduciary duty of care as a director or officer (including breaches resulting from negligent or grossly negligent behavior), except under certain situations defined by statute. We believe that the indemnification provisions in our Amended and Restated Articles of Incorporation and the indemnification agreements are necessary to attract and retain qualified persons as directors and officers.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling us pursuant to the foregoing provisions, or otherwise, we have been advised that in the opinion of the SEC, such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable.

As permitted by the Nevada Revised Statutes, our Amended and Restated Articles of Incorporation contain the following provision:

- The Corporation shall indemnify, to the fullest extent permitted by applicable law in effect from time to time, any person, and the estate and personal representative of any such person, against all liability and expense (including attorneys' fees) incurred by reason of the fact that he is or was a director or officer of the Corporation or while serving as a director or officer of the Corporation, he is or was serving at the request of the Corporation as a director, officer, partner, trustee, employee, fiduciary or agent of, or in any similar managerial or fiduciary position of, another domestic or foreign corporation or other individual or entity or of an employee benefit plan. The Corporation shall also indemnify any person who is serving or has served the Corporation as director, officer, employee, fiduciary or agent, and that person's estate and personal representative, to the extent and in the manner provided in any bylaw, resolution of the shareholders or directors, contract, or otherwise, so long as such provision is legally permissible.

Additionally, as permitted by the Nevada Revised Statutes, our bylaws provide as follows:

- The Corporation shall indemnify and person who was or is a part or is threatened to be made a party to any proceeding, whether civil criminal administrative or investigative (other than an action by or in the right of the

Corporation) by reason of the fact that such person is or was a Director, Trustee, Officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a Director, Trustee, Officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgment fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the Corporation and with respect to any criminal action or procedure had no reasonable cause to believe such person's conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which such person reasonably believed to be in or not opposed to the best interests of the Corporation, and with respect to any criminal action proceeding, had reasonable cause to believe that such person's conduct was unlawful.

Insofar as indemnification for liabilities arising under the Securities Act may be extended to directors, officers or persons controlling us pursuant to the foregoing, we have been informed that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by us of expenses incurred or paid by a director, officer or controlling person in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, we will, unless in the opinion of our counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification is against public policy as expressed in the Securities Act and we will be governed by the final adjudication of such issue.

Additional information about the Selling Shareholders, where applicable, will be set forth in a prospectus supplement, in a post-effective amendment, or in filings we make with the Commission, which are incorporated by reference into this prospectus.

The Company will not receive any proceeds from the sales of shares by the Selling Shareholders. Upon the cash exercise of any of the warrants held by the Selling Shareholders, the Company will receive the cash payment of the exercise price for such warrants.

USE OF PROCEEDS

Unless otherwise indicated in any prospectus supplement, the net proceeds from the sale of common stock offered by this prospectus will be used for general corporate purposes and working capital requirements. We may also use all or a portion of the net proceeds to fund possible investments in and acquisitions of complementary businesses, assets, partnerships, minority investments, products or technologies. The timing and amount of our actual expenditures will be based on many factors, including cash flows from operations and the anticipated needs of our business. As a result, unless otherwise indicated in any prospectus supplement, our management will have broad discretion to allocate the net proceeds of the offerings.

As noted above, the Company will not receive any proceeds from the sales of shares by the Selling Shareholders. Upon the cash exercise of any of the warrants held by the Selling Shareholders, the Company will receive the cash payment of the exercise price for such warrants. Unless otherwise indicated in any prospectus supplement, the net proceeds from the exercise price of the warrants will be used for general corporate purposes and working capital requirements.

PLAN OF DISTRIBUTION

We and any Selling Shareholder may, from time to time, offer the securities registered hereby up to the maximum amount. We and any Selling Shareholder may sell the securities from time to time pursuant to underwritten public offerings, negotiated transactions, block trades or a combination of these methods. We and any Selling Shareholder may sell the securities to or through underwriters or dealers, with or without an underwriting syndicate, through agents, or directly to one or more purchasers or a combination of these methods. We and any Selling Shareholder may distribute securities from time to time in one or more transactions or offerings:

at a fixed price or prices, which may be changed;

at market prices prevailing at the time of sale;

at prices related to such prevailing market prices; or

at negotiated prices or in competitive bid transactions.

A prospectus supplement or supplements will describe the terms of the offering of the securities, including:

the name or names of the underwriters, dealers or agents, if any, and the types and amounts of securities underwritten or purchased by each of them;

the purchase price of the securities and the proceeds we will receive from the sale;

any over-allotment options under which underwriters may purchase additional securities from us;

any agency fees or underwriting discounts and other items constituting agents' or underwriters' compensation;

any public offering price;

any discounts or concessions allowed or reallocated or paid to dealers; and

any securities exchange or market on which the securities may be listed.

Table of Contents

Only underwriters named in the prospectus supplement will be underwriters of the securities offered by the prospectus supplement.

If underwriters are used in the sale, they will acquire the securities for their own account and may resell the securities from time to time in one or more transactions at a fixed public offering price or at varying prices determined at the time of sale. The obligations of the underwriters to purchase the securities will be subject to the conditions set forth in the applicable underwriting agreement. We may offer the securities to the public through underwriting syndicates represented by managing underwriters or by underwriters without a syndicate. Subject to certain conditions, the underwriters will be obligated to purchase all of the securities offered by the prospectus supplement, other than securities covered by any over-allotment option. Any public offering price and any discounts or concessions allowed or reallocated or paid to dealers may change from time to time. We may use underwriters with whom we have a material relationship. We will describe in the prospectus supplement, naming the underwriter, the nature of any such relationship.

Any Selling Shareholders may also resell all or a portion of their shares of our common stock in transactions exempt from the registration requirements of the Securities Act in reliance upon Rule 144 under the Securities Act provided they meet the criteria and conform to the requirements of that rule, Section 4(1) of the Securities Act, or other applicable exemptions, regardless of whether the securities are covered by the registration statement of which this prospectus forms a part.

If we use dealers in the sale of securities, we will sell securities to such dealers as principals. The dealers may then resell the securities to the public at varying prices to be determined by such dealers at the time of resale. We may solicit offers to purchase the securities directly, and we may sell the securities directly to institutional or other investors, who may be deemed underwriters within the meaning of the Securities Act with respect to any resales of those securities. The terms of these sales will be described in the applicable prospectus supplement. If we use agents in the sale of securities, unless otherwise indicated in the prospectus supplement, they will use their reasonable best efforts to solicit purchases for the period of their appointment. Unless otherwise indicated in a prospectus supplement, if we sell directly, no underwriters, dealers or agents would be involved. We will not make an offer of securities in any jurisdiction that does not permit such an offer.

Any Selling Shareholders, underwriters, broker-dealers, and agents that participate in the distribution of the securities may be deemed to be "underwriters" as defined in the Securities Act. Any commissions paid or any discounts or concessions allowed to any such persons, and any profits they receive on resale of the securities, may be deemed to be underwriting discounts and commissions under the Securities Act. Additionally, because the Selling Shareholders may be deemed to be "underwriters" within the meaning of Section 2(11) of the Securities Act, the Selling Shareholders may be subject to the prospectus delivery requirements of the Securities Act.

We and any Selling Shareholder may sell securities directly or through agents we designate from time to time. We will name any agent involved in the offering and sale of securities and will describe any commissions we will pay the agent in the prospectus supplement. Unless the prospectus supplement states otherwise, our agent will act on a best-efforts basis for the period of its appointment.

We and any Selling Shareholder may authorize underwriters, dealers, or agents to solicit offers by certain types of institutional investors or other purchasers to purchase our securities from them at the public offering price set forth in the prospectus supplement pursuant to delayed delivery contracts providing for payment and delivery on a specified date in the future. The contracts will be subject to those conditions set forth in the prospectus supplement, and the prospectus supplement will set forth any commissions or discounts we pay for solicitation of these contracts.

We may provide agents and underwriters with indemnification against civil liabilities, including liabilities under the Securities Act, or contribution with respect to payments that the agents or underwriters may make with respect to these liabilities. Agents and underwriters may engage in transactions with, or perform services for, us in the ordinary course of business.

In connection with any offering, the underwriters may purchase and sell securities in the open market. Any underwriter may engage in short sales, over-allotment, stabilizing transactions, short-covering transactions and penalty bids in accordance with Regulation M under the Exchange Act. Short sales involve the sale by the underwriters of a greater number of securities than they are required to purchase in an offering. Over-allotment involves sales in excess of the offering size, which create a short position. Stabilizing transactions permit bids to purchase the underlying security so long as the stabilizing bids do not exceed a specified maximum price and are made for the purpose of preventing or retarding a decline in the market price of the securities while an offering is in progress. Syndicate-covering or other short-covering transactions involve purchases of the securities, either through exercise of the over-allotment option or in the open market after the distribution is completed, to cover short positions. Penalty bids permit the underwriters to reclaim a selling concession from a dealer when the securities originally sold by the dealer are purchased in a stabilizing or covering transaction to cover short positions. These activities by the underwriters may stabilize, maintain or otherwise affect the market price of the securities. As a result, the price of the securities may be higher than the price that otherwise might exist in the open market. If these activities are commenced, they may be discontinued by the underwriters at any time. These transactions may be effected on an exchange or automated quotation system, if the securities are listed on an exchange or admitted for trading on an automated quotation system, in the over-the-counter market, or otherwise.

Any underwriters that are qualified market makers on the NASDAQ Global Market may engage in passive market making transactions in our common stock on the NASDAQ Global Market in accordance with Regulation M under the Exchange Act, during the business day prior to the pricing of the offering, before the commencement of offers or sales of the common stock. Passive market makers must comply with applicable volume and price limitations and must be identified as passive market makers. In general, a passive market maker must display its bid at a price not in excess of the highest independent bid for such security; if all independent bids are lowered below the passive market maker's bid, however, the passive market maker's bid must then be lowered when certain purchase limits are exceeded. Passive market making may stabilize the market price of the securities at a level above that which might otherwise prevail in the open market and, if commenced, may be discontinued at any time.

In compliance with guidelines of the Financial Industry Regulatory Authority, or FINRA, the maximum consideration or discount to be received by any FINRA member or independent broker dealer may not exceed 8% of the aggregate amount of the securities offered pursuant to this prospectus and any applicable prospectus supplement.

Table of Contents

We may enter into derivative transactions with third parties, or sell securities not covered by this prospectus to third parties in privately negotiated transactions. If the applicable prospectus supplement indicates in connection with those derivatives then the third parties may sell securities covered by this prospectus and the applicable prospectus supplement, including in short sale transactions. If so, the third party may use securities pledged by us or borrowed from us or others to settle those sales or to close out any related open borrowings of stock, and may use securities received from us in settlement of those derivatives to close out any related open borrowings of securities. The third party in such sale transactions will be an underwriter and will be identified in the applicable prospectus supplement (or a post-effective amendment).

LEGAL MATTERS

The validity of the securities offered by this prospectus and any prospectus supplement will be passed upon by Durham Jones & Pinegar, P.C., of Salt Lake City, Utah. Additional legal matters may be passed on for us, or any underwriters, dealers or agents, by counsel that we will name in the applicable prospectus supplement.

EXPERTS

The consolidated financial statements of ZAGG Inc as of December 31, 2011 and 2010, and for each of the years in the two-year period ended December 31, 2011, and management's assessment of the effectiveness of internal control over financial reporting as of December 31, 2011 have been incorporated by reference herein in reliance upon the reports of KPMG LLP, independent registered public accounting firm, incorporated by reference herein and upon the authority of said firm as experts in accounting and auditing.

The audit report on the effectiveness of internal control over financial reporting as of December 31, 2011, expresses an opinion that ZAGG Inc did not maintain effective internal control over financial reporting as of December 31, 2011 because of the effect of a material weakness on the achievement of the objectives of the control criteria and contains an explanatory paragraph that states that a material weakness related to a lack of a sufficient number of accounting and IT professionals with the necessary experience and training has been identified.

The audit report on the effectiveness of internal control over financial reporting as of December 31, 2011, contains an explanatory paragraph that states that the Company acquired iFrogz during 2011 and management excluded from its assessment of the effectiveness of the Company's internal control over financial reporting as of December 31, 2011, iFrogz's internal control over financial reporting associated with total assets of \$108.8 million and total net sales of \$36.0 million included in the consolidated financial statements of the Company and subsidiaries as of and for the year ended December 31, 2011. Our audit of internal control over financial reporting of the Company also excluded an evaluation of the internal control over financial reporting of iFrogz.

DISCLOSURE OF COMMISSION POSITION ON INDEMNIFICATION FOR SECURITIES ACT LIABILITIES

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers or controlling persons pursuant to the foregoing provisions, or otherwise, we have been advised that, in the opinion of the Securities and Exchange Commission, such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable. If a claim for indemnification against such liabilities (other than the payment by us of expenses incurred or paid by a director or officer of our company in the successful defense of the action, suit or proceeding) is asserted by a director or officer in connection with securities which may have been registered, we will, unless in the opinion of our counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by us is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issues.

Item 15. Indemnification of Directors and Officers

As a corporation incorporated under the laws of the State of Nevada, we are subject to the Nevada Revised Statutes, which provide that a director or officer is not individually liable to the corporation or its stockholders or creditors for any damages as a result of any act or failure to act in his capacity as a director or officer unless it is proven that his act or failure to act constituted a breach of his fiduciary duties as a director or officer and his breach of those duties involved intentional misconduct, fraud or a knowing violation of law. The Articles of Incorporation or an amendment thereto may, however, provide for greater individual liability. Furthermore, directors may be jointly and severally liable for the payment of certain distributions in violation of Chapter 78 of the Nevada Revised Statutes.

The Nevada Revised Statutes also provide that under certain circumstances, a corporation may indemnify any person for amounts incurred in connection with a pending, threatened or completed action, suit or proceeding in which he is, or is threatened to be made, a party by reason of his being a director, officer, employee or agent of the corporation or serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, if such person (a) is not liable for a breach of fiduciary duty involving intentional misconduct, fraud or a knowing violation of law or such greater standard imposed by the corporation's articles of incorporation; or (b) acted in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. Additionally, a corporation may indemnify a director, officer, employee or agent with respect to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor, if such person (a) is not liable for a breach of fiduciary duty involving intentional misconduct, fraud or a knowing violation of law or such greater standard imposed by the corporation's articles of incorporation; or (b) acted in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the corporation, however, indemnification may not be made for any claim, issue or matter as to which such a person has been adjudged by a court to be liable to the corporation or for amounts paid in settlement to the corporation, unless the court determines that the person is fairly and reasonably entitled to indemnity for such expenses as the court deems proper. To the extent that a director, officer, employee or agent of a corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to above, or in

defense of any claim, issue or matter therein, the corporation shall indemnify him against expenses, including attorneys' fees, actually and reasonably incurred by him in connection with the defense.

Our First Amended Bylaws provide:

- The Corporation shall indemnify and person who was or is a part or is threatened to be made a party to any proceeding, whether civil criminal administrative or investigative (other than an action by or in the right of the Corporation) by reason of the fact that such person is or was a Director, Trustee, Officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a Director, Trustee, Officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgment fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the Corporation and with respect to any criminal action or procedure had no reasonable cause to believe such person's conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which such person reasonably believed to be in or not opposed to the best interests of the Corporation, and with respect to any criminal action proceeding, had reasonable cause to believe that such person's conduct was unlawful; and
- The Corporation shall indemnify and person who was or is a part or is threatened to be made a party to any proceeding, whether civil criminal administrative or investigative (other than an action by or in the right of the Corporation) by reason of the fact that such person is or was a Director, Trustee, Officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a Director, Trustee, Officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgment fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action. suit or proceeding if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the Corporation and with respect to any criminal action or procedure had no reasonable cause to believe such person's conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which such person reasonably believed to be in or not opposed to the best interests of the Corporation, and with respect to any criminal action proceeding, had reasonable cause to believe that such person's conduct was unlawful.

Item 17. Undertakings

(a) The undersigned registrant hereby undertakes as follows:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser:

(A) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be

part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser in the initial distribution of the securities: the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(6) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(7) That, for purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b) (1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.

(8) That, for the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(b) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for

indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Exchange Act and will be governed by the final adjudication of such issue.
