## Edgar Filing: SIMTEK CORP - Form 8-K

### Item 2.02 Results of Operations and Financial Condition.

On April 26, 2007, Simtek Corporation (the "Company") issued a press release titled, "Simtek Reports 66% Product Revenue Growth and \$0.02 Per Share Ex-item Profit for First Quarter 2007".

Following is a summary of the financial results:

Total revenue for the first quarter of 2007 was \$7.9 million, consisting entirely of product revenue, representing a 66% increase over product revenue of \$4.7 million in Q106. Revenue was reduced due to inventory returned by a distributor terminated by the Company in the quarter. The Company reported ex-item net income for the first quarter of \$321 thousand, or \$0.02 per share, compared to an ex-item net loss of \$20 thousand, or (\$0.00) per share in Q106. The 2006 net loss includes the benefit of the \$1.0 million of royalty revenue received from Cypress Semiconductor. There was no such revenue in the 2007 period. Ex-item income excludes the effects of stock options, amortization of acquisition related costs, contractual milestone payments to Cypress Semiconductor to be paid from the restricted cash account, and costs associated with the new strategic business opportunity. On a GAAP basis, the Company reported a net loss for the 2007 period of \$490 thousand or (\$.03) per share compared to a loss of \$901 thousand or (\$0.06) per share for the comparable 2006 period.

The full text of the press release is attached as Exhibit 99.1 to this Form 8-K Current Report.
