## **Item 1.01**

### **Entry Into a Material Definitive Agreement.**

On February 19, 2008, Simtek Corporation ( Simtek ) announced the formation of its majority owned subsidiary, AgigA Tech, Inc., a Delaware corporation ( AgigA ). AgigA plans to focus on the development and commercialization of low-cost, ultra-high density, nonvolatile random access memory (NVRAM) solutions. A copy of the press release is attached as Exhibit 99.1.

Simtek owns all of the preferred stock of AgigA, which gives it voting control of AgigA and substantially all of the economic interests in AgigA until the occurrence of certain liquidity events. The minority stockholders are certain employees of AgigA, including Ronald Sartore, who holds 100 shares of common stock of AgigA, representing a 10% equity interest of AgigA on a fully diluted basis. In addition, as is customary for emerging growth companies, a portion of the equity has been set aside for future issuance to employees and others in connection with services to be rendered. As described below, Mr. Sartore was a director of Simtek until becoming a stockholder of AgigA.

As of February 13, 2008, Simtek, AgigA and Ronald Sartore entered into a Founders Stock Agreement (the Agreement ). Under the Agreement, Mr. Sartore s common stock vests over five years. Subject to certain exceptions, Mr. Sartore must remain an employee of AgigA for vesting to occur. Mr. Sartore s common stock will become immediately vested upon an initial public offering or changed of control of AgigA. If Mr. Sartore ceases performing services for AgigA, Sartore will immediately transfer to AgigA all shares that have not become vested.

Pursuant to the terms of the Agreement, AgigA has the right of first refusal to acquire Mr. Sartore s shares upon a proposed sale of such shares. AgigA also has the right to acquire Mr. Sartore s shares of common stock upon his termination from employment with AgigA upon certain circumstances. If Simtek proposes to sell a substantial portion of its interest in AgigA, Mr. Sartore has the right to include some of his vested shares in such sale.

The Agreement provides the terms and procedures pursuant to which Simtek will provide additional funding to AgigA.

## **Item 5.02**

### **Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

Effective February 13, 2008, Ronald Sartore resigned as a director from the Simtek Board of Directors. Mr. Sartore resigned to focus on his new role with Simtek s majority-owned subsidiary, AgigA. He will serve as president and as a director of AgigA.

**Item 8.01**

**Other Events.**

The Board of Directors of Simtek has noted the trend for many public companies to separate the offices of Chairman of the Board of Directors and Chief Executive Officer. Accordingly, on February 13, 2008, the Board of Directors elected current director Robert C. Pearson as the non-executive Chairman of the Board of Directors of Simtek. Harold Blomquist will remain the Chief Executive Officer and a Director of Simtek. A copy of the press release describing such changes is attached hereto as Exhibit 99.2.
