Section 2 - Financial Information

Item 2.02 Results of Operations and Financial Condition

Due to adverse publicity associated with a government review of China poultry supply - and the corresponding significant impact on KFC China sales during the last two weeks of December - we now expect China Division same-store sales to be -6% for the fourth quarter of 2012, versus our previous forecast of -4%. The Company expects full-year 2012 earnings per share, excluding Special Items, of approximately \$3.24. We do not anticipate providing any further updates or commentary until our scheduled earnings release on February 4, 2013.
