PROXY STATEMENT

Edgar Filing: PROFILE TECHNOLOGIES INC - Form DEF 14A

ANNUAL MEETING OF SHAREHOLDERS

INTRODUCTION

The enclosed Proxy is solicited by and on behalf of the Board of Directors of Profile Technologies, Inc., a Delaware corporation (the "Company"), to be voted at the Annual Meeting of Shareholders (the "Annual Meeting") to be held at the Company's offices at 2257 Northgate Spur, Suite 200, Ferndale, Washington 98248 at 11:00 a.m. local time on Monday, December 15, 2003, and at any and all adjournments of the Annual Meeting. The enclosed materials will be mailed to Shareholders on or about November 7, 2003.

The Company anticipates that the Company's shareholders will consider and vote upon the following matters at the Annual Meeting:

1. To elect a Board of Directors consisting of four persons to serve a term of one year (until the next Annual Meeting of the Shareholders) or until their respective successors are elected and have been qualified; and
2. To transact such other business as may properly come before the Annual Meeting and any postponement or adjournment of the Annual Meeting.

VOTING OF PROXIES

Shares represented by proxies properly signed and returned, unless subsequently revoked, will be voted at the Annual Meeting in accordance with the instructions marked on the proxy. If a proxy is signed and returned without indicating any voting instructions, the shares represented by the proxy will be voted FOR approval of the proposals stated in this proxy statement, and in the discretion of the holders of the proxies, on other matters that may properly come before the Annual Meeting.

If you have executed and delivered a proxy, you may revoke such proxy at any time before it is voted by attending the Annual Meeting and voting in person, by giving written notice of revocation of the proxy, or by submitting a signed proxy bearing a later date. In order for the notice of revocation or later proxy to revoke the prior proxy, the Company's Transfer Agent must receive such notice or later proxy before the vote of shareholders at the Annual Meeting. Unless you vote at the meeting or take other action, your attendance at the Annual Meeting will not revoke your proxy.

2

VOTING PROCEDURES

The presence, in person or by proxy, of the holders of a majority of the issued and outstanding shares of the common stock of the Company is necessary to constitute a quorum at the meeting. Votes cast by proxy or in person at the Annual Meeting will be counted by a person appointed by the Company to act as the election inspector for the Annual Meeting. The election inspector will treat shares of the Company's common stock represented by proxies that reflect abstentions as shares that are present and entitled to vote for purposes of determining the presence of a quorum. Under Delaware law and the Company's Bylaws, directors are elected by a plurality of the votes cast in the election at a meeting at which quorum is present. Other matters are approved if affirmative votes cast by the holders of the shares represented at the meeting at which quorum is present exceed votes opposing the election, unless Delaware law or the Company's Certificate of Incorporation or Bylaws require a greater

Edgar Filing: PROFILE TECHNOLOGIES INC - Form DEF 14A

number of affirmative votes or voting by classes. Therefore, abstentions and broker non-votes have no effect and will be disregarded.

All of the officers and directors and their affiliates (who own in the aggregate approximately 604,786 of the issued and outstanding shares of the Company's common stock) have informed the Company that they intend to vote in favor of management's nominees for directors as set forth in this proxy statement.

VOTING SECURITIES

The Board of Directors has fixed the close of business on October 27, 2003 as the record date (the "Record Date") for determining the holders of the Company's common stock entitled to receive notice of, and to vote at, the Annual Meeting. At the close of business on the Record Date, there were 5,461,659 issued and outstanding shares of the Company's common stock, \$.001 par value, entitled to vote at the Annual Meeting, held by approximately 943 registered holders. As of the Record Date, the only outstanding voting securities of the Company were shares of the Company's common stock. As a holder of the outstanding shares of the Company's common stock as of the Record Date, you are entitled to one vote for each share held on each matter properly submitted at the Annual Meeting.

Scott, the former Chairman of the Board of Directors, a 1/2% royalty interest, which interest has passed to his estate; and (3) to the Company's former legal counsel, Alan Reeves, a 1/4% royalty interest, which interest has now passed to his heirs or beneficiaries. This royalty arrangement also applies to all future patent rights and technology developed by Mr. Burnett and assigned to the Company.
