Item 1. Information Required by Items of Schedule 14A.

Introduction.

This Information Statement has been filed with the Securities and Exchange Commission and is being mailed or otherwise furnished to the registered stockholders of Azonic Corp. ("Azonic" or the "Company") in connection with the prior approval by the board of directors of Azonic, and receipt by the board of approval by written consent of the holders of a majority of Azonic's outstanding shares of common stock, of a resolution to,

amend Article 5 of the Certificate of Incorporation of Azonic by increasing the number of authorized shares from 50,000,000 shares of common stock to 100,000,000 shares of common stock, all with a par value of \$0.001 per share, and correspondingly increase the number of issued and outstanding shares of common stock held by each stockholder of record, on a four-for-one (4-1) forward split basis,

(the "Amendment").

Section 78.320 of the Nevada Revised Statutes and the By-laws of Azonic provide that any action required or permitted to be taken at a meeting of the stockholders may be taken without a meeting if stockholders holding at least a majority of the voting power sign a written consent approving the action.

On January 30, 2004, the board of directors of Azonic approved and recommended the Amendment. Subsequently, the holders of a majority of the voting power signed and delivered to Azonic written consents approving the Amendment, in lieu of a meeting. Since the holders of the required majority of shares of common stock have approved the Amendment, no other votes are required or necessary and no proxies are being solicited with this Information Statement.

Azonic has obtained all necessary corporate approvals in connection with the Amendment and your consent is not required and is not being solicited in connection with the approval of the Amendment. This Information Statement is furnished solely for the purpose of informing stockholders in the manner required under the Securities Exchange Act of 1934 of these corporate actions before they take effect.

This Information Statement is dated March 2, 2004 and is first being mailed to stockholders on or about March 2, 2004. Only shareholders of record at the close of business on March 1, 2004 are entitled to receive this Information Statement.

2

Effective Date

The Amendment will not become effective until (i) 21 days from the date this Information Statement is first mailed to the stockholders, or, (ii) such later date as approved by the board of directors, in its sole discretion. The Amendment will be effective by filing a Certificate of Amendment with the Secretary of State of Nevada, and is expected to become effective on or about March 23, 2004.

Dissenter's Rights Of Appraisal

Neither the Articles and Bylaws of Azonic nor the Nevada Revised Statutes provide for dissenters' rights of appraisal in connection with the Amendment.

Stock Certificates

Stockholders will be required to exchange their stock certificates for new certificates representing the shares of common stock after giving effect to the Amendment with our Transfer Agent. Upon receipt of an existing stock certificate, Interwest Transfer Company, Inc. (the "Transfer Agent"), of 1981 E. Murray Holladay Road, Suite 100, P.O. Box 17136, Salt Lake City, Utah 84117, telephone number (801) 272-9294, will issue to the stockholder a new certificate representing the aggregate number of shares of common stock, as the result of the Amendment. For example, if a stockholder owns ten shares of existing common stock as of the effective date, then that stockholder will own forty shares of common stock resulting from the Amendment, and upon the Transfer Agent's receipt of existing stock certificate representing ten shares, the Transfer Agent will issue to that stockholder a certificate representing forty shares of common stock the stockholder will be entitled to as a result of the Amendment and cancel the stock certificate representing the existing ten shares.

The certificates representing shares of new common stock will contain the same restrictive legend as is on the shares of existing common stock in exchange for which the new shares are being issued. As applicable, the time period during which a stockholder has held the existing common stock will be included in the time period during which such stockholder actually holds the certificates representing the additional new common stock received as a result of the share divisions for the purposes of determining the term of the restrictive period applicable to the new common stock.
