**INFORMATION STATEMENT**

**AMERICAN HOSPITAL RESOURCES, INC.**

**5231-A Kuaiwi Place**

**Honolulu, Hawaii 96821**

This information statement is circulated to advise the stockholders of actions to be taken without a meeting upon the written consent of the holders of a majority of the outstanding shares of the Voting Capital Stock of the Company. Management is not soliciting proxies because a sufficient number of shares have provided written consent to the actions.

**WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE REQUESTED**

**NOT TO SEND US A PROXY.**

The matters upon which action is being taken are:

1.

Amend the Articles of Incorporation to increase the authorized capital so the total number of shares of Common Stock the Company is authorized to issue is Seven Hundred Fifty Million (750,000,000) shares with no par value and the total number of shares of Preferred Stock the Company is authorized to issue is One Hundred Fifty Million (150,000,000) shares with no par value, in such series and designations as may be authorized by the Board of Directors.

2.

Amend the Articles of Incorporation to change the name of the Company to HAPS USA, Inc., or such other similar name as may be available in Utah.

The shareholders holding shares representing 52.8% of the votes entitled to be cast at a meeting of the Company's shareholders, consented in writing to the proposed actions. The approval by the shareholders will not become

effective until 20 days from the date of mailing of this Information Statement to our shareholders.

The Company's Board of Directors approved these actions on December 13, 2004 and recommended that the Articles of Incorporation be amended to reflect the above actions. The proposed Amendment to the Articles of Incorporation will be filed with the Utah Secretary of State and will be effective when filed. The anticipated filing date will be approximately 20 days after the mailing of this Information Statement to our Shareholders.

If the proposed actions were not adopted by written majority shareholder consent, it would have been necessary for these actions to be considered by the Company's Shareholders at a Special Shareholder's Meeting convened for the specific purpose of approving the actions.

The elimination of the need for a special meeting of the shareholders to approve the actions is authorized by Section 16-10a-704 of the Utah Revised Business Corporation Act, (the Utah Law ). This Section provides that the written consent of the holders of outstanding shares of voting capital stock, having not less than the minimum number of votes which would be necessary to authorize or take the action at a meeting at which all shares entitled to vote on a matter were present and voted, may be substituted for the special meeting. According to Section 16-10-a-1003 of the Utah Law, a majority of the outstanding shares of voting capital stock entitled to vote on the matter is required in order to amend the Company's Articles of Incorporation. In a special meeting and in order to effect the Amendment as early as possible in order to accomplish the purposes of the Company, the Board of Directors of the Company voted to utilize the written consent of the majority shareholders of the Company.

The date on which this Information Statement was first sent to the shareholders is on, or about April 18, 2005. The record date established by the Company for purposes of determining the number of outstanding shares of Voting Capital Stock of the Company was December 15, 2004, (the Record Date ).

**Outstanding Voting Stock of the Company**

As of the Record Date, there were 12,609,327 shares of Common Stock issued and outstanding. The Common Stock constitutes the outstanding class of voting securities of the Company. Each share of Common Stock entitles the holder to one (1) vote on all matters submitted to the shareholders.

Also, as of the Record Date, there were 2,247,648 shares of Preferred A Stock issued and outstanding with 5 to 1 voting rights for a total of 11,238,240 voting shares. Further, as of the Record Date, there were 28,867 shares of Preferred C Stock issued and outstanding with 5 to 1 voting rights for a total of 144,335 voting shares.

As of the Record Date, the total number of voting shares, including Common Stock, Preferred A Stock and Preferred C Stock, was 23,991,902.

None of the persons who have been directors or officers of the Company at any time since the beginning of the last fiscal year, nor any associate of any such persons, has any interest in the matters to be acted upon. No director of the Company has informed the registrant in writing that he intends to oppose any action to be taken by the Company. No proposals have been received from security holders.

**SECURITY OWNERSHIP OF MANAGEMENT AND PRINCIPAL STOCKHOLDERS**

As of December 15, 2004, the Company had no shareholders with beneficial ownership of 5% of the total number of voting shares. The following table sets forth as of February 23, 2005, the name and the number of voting shares of the Registrant, no par value, held of record or was known by the Registrant to own beneficially more than 5% of the 23,991,902 voting shares issued and outstanding, and the name and shareholdings of each officer and director individually and of all officers and directors as a group. Except as otherwise indicated, the persons named in the table have sole voting and dispositive power with respect to all shares beneficially owned, subject to community property laws where applicable.

(1) For purposes of this table, a beneficial owner is one who, directly or indirectly, has or shares with others (a) the power to vote or direct the voting of the Voting Stock (b) investment power with respect to the Voting Stock which includes the power to dispose or direct the disposition of the Voting Stock.

(2) Officer and/or Director of the Company

Other than described below in the potential HAPS transaction, there are no contracts or other arrangements that could result in a change of control of the Company.

**No Dissenters Rights**

Under Utah Law, any dissenting shareholders are not entitled to appraisal rights with respect to our amendment, and we will not independently provide shareholders with any such right.

**Purpose and Effect of the Actions**

**Amend the Articles of Incorporation to increase the authorized capital.** By increasing the total number of shares of Common Stock the Company is authorized to issue is Seven Hundred Fifty Million (750,000,000) shares with no par value and the total number of shares of Preferred Stock the Company is authorized to issue is One Hundred Fifty Million (150,000,000) shares with no par value, in such series and designations as may be authorized by the Board of Directors, the Company will be postured to consummate a merger or acquisition of a suitable target. Currently, insufficient shares are authorized to effect a merger or acquisition without reversing the stock of our existing shareholders.

The change in capital will not affect the relative rights or privileges of our common stock shareholders. The newly authorized common stock will have the same rights as the presently authorized shares of Common Stock. The Preferred Stock, once authorized, requires future board approval in order to fix and determine the designations, rights, preferences or other variations of each class or series.

There can be no assurance, nor can the Board of Directors of the Company predict what effect, if any, the proposed increase in our authorized common and preferred stock will have on the market price of the Company's common stock.

**Amend the Articles of Incorporation to change the name of the Company.** Due to the evolving nature of the Company's business and in keeping with the spirit of the quasi-reorganization and anticipated acquisition described below, the Board of Directors has determined that it is the best interests of the Company to change its corporate name to HAPS USA, Inc., or such other similar name as may be available in Utah. The name change will be effected by an amendment to the Company's Articles of Incorporation. By changing the name of the Company to HAPS USA, Inc., management believes the Company will no longer be associated with hospital services and would appear more attractive to the potential acquisition candidate.

Potential Acquisition. The Company entered into an Agreement of Purchase and Sale of Stock with HAPS USA, Inc., a Delaware corporation ( HAPS ) and the shareholders of HAPS whereby the Company would acquire all of the issued and outstanding stock of HAPS making HAPS a wholly owned subsidiary of the Company. HAPS is the parent

company of Hikari Systems CO., Ltds., a Japanese company. The transaction requires the Company to increase its authorized capital shares as detailed above and change the Company's name. The Company will issue 116,595,760 shares of Preferred Stock with a new designation to the shareholders of HAPS in exchange for all of the issued and outstanding stock of HAPS.

Hikari Systems Co., Ltd. is one the leading operators within the Japanese Pachinko Industry. Hikari has six operating locations. The Pachinko market is undergoing a period of consolidation and modernization. With its state of the art information technology (IT) infrastructure, Hikari is already taking advantage of the opportunity to increase customer loyalty, increase market share and the competitiveness of its locations. Hikari plans to build upon its success expanding in two main geographic areas. These areas have highly positive market characteristics and demographics for the Pachinko Industry. With the opening of each new establishment greater economies of scale for operations will be achieved.

The acquisition of HAPS USA, Inc. is contingent upon certain terms and conditions including the increase in authorized capital. The complete agreement between the Company and HAPS USA, Inc. may be viewed at the Securities and Exchange Commission website, [www.sec.gov](http://www.sec.gov).

**DILUTION TO SHAREHOLDERS AND SECURITY OWNERSHIP OF MANAGEMENT AND PRINCIPAL  
STOCKHOLDERS FOLLOWING THE POTENTIAL ACQUISITION**

Upon completion of the potential acquisition, on a fully diluted basis, (meaning all of the preferred and convertible securities were converted into common stock) there will be a total of 627,858,929 shares of common stock issued and outstanding. Currently there are 32,342,949 shares issued and outstanding on a fully diluted basis. This means that if all of the preferred shares were converted into common stock, there would be 32,342,949 shares of common stock held by current AMHR shareholders. The Company intends to issue an additional 116,595,760 preferred shares for the acquisition that are convertible into 5 shares each of common stock after a three year period. The Company will issue an additional 2,507,436 Class A Preferred shares as compensation to consultants that are convertible into 5 shares each of common stock at any time. If all of the post acquisition shares were converted, there would be a total of 627,858,929 common shares issued and outstanding.

Once the acquisition is completed, the following persons will have voting control of the Company through their ownership of Preferred Stock with 5 to 1 voting rights.
