ITEM 2. ACQUISITION OR DISPOSITION OF ASSETS

On September 18, 2003, Metron Technology N.V. (Metron) announced that it had completed its acquisition of the Eclipse® physical vapor deposition equipment product line from Tokyo Electron Ltd. (TEL). A Letter of Intent to reach this agreement was previously announced on July 10, 2003.

In consideration for this acquisition, Metron Technology Distribution Corporation (MTDC), a wholly owned subsidiary of Metron, issued to TEL a promissory note in the principal amount of approximately \$7.7 million primarily for the purchase of Eclipse® inventory. As part of the agreement, MTDC paid approximately \$33,000 at closing for the excess over \$100,000 of TEL's net book value of fixed assets acquired, which Metron intends to continue to use in the conduct of the business. Additionally, MTDC entered into a license agreement providing for royalty payments over a 5 year period totaling \$6.0 million. The purchase price was determined based upon arms-length negotiation between the parties.

A copy of the press release issued by Metron on September 18, 2003 concerning this acquisition is filed herewith as Exhibit 99.1 and is incorporated herein by reference.
