Item 1.01. Entry into a Material Definitive Agreement

The information required by this Item 1.01 is included in Item 2.01 below and incorporated herein by reference.

Item 2.01. Completion of Acquisition or Disposition of Assets

On October 29, 2004, Security Capital Corporation (Security Capital) announced that on October 25, 2004 its wholly owned subsidiary, Pumpkin Ltd. (Pumpkin), entered into a definitive agreement and consummated the sale of substantially all of the assets of Pumpkin to Rauch Industries, Inc. (Rauch) for \$7.0 million, subject to a working capital adjustment. The terms of the asset purchase agreement relating to the transaction were established through arm s-length negotiation between Pumpkin and Rauch.

At the closing of the transaction, Pumpkin received sales proceeds of \$7.0 million plus \$1.048 million, which represented one-half of the estimated working capital adjustment payment, repaid its outstanding revolving line of credit of \$4.464 million and paid transaction costs of \$0.437 million, resulting in net proceeds of \$3.148 million. Pumpkin also retained \$1.591 million of cash on hand at the time of the closing.

Security Capital has been accounting for Pumpkin as a discontinued operation since December 31, 2003 when it decided to engage an investment banking firm to actively market the Pumpkin business.

A copy of the October 29, 2004 press release announcing the entry into a definitive agreement with respect to, and consummation of, the transaction is attached hereto as Exhibit 99.1 and incorporated herein by reference.

The foregoing description of the asset sale of Pumpkin is qualified in its entirety by reference to the full text of that certain Asset Purchase Agreement dated as of October 25, 2004 between Pumpkin Ltd. and Rauch Industries, Inc., a copy of which is attached hereto as Exhibit 99.2 and incorporated herein by reference.

Item 9.01. Financial Statements and Exhibits

(b) ***Pro Forma Financial Information.***

As previously stated, Security Capital has been accounting for Pumpkin as a discontinued operation since December 31, 2003. Accordingly, Security Capital is not providing separate pro forma financial statements at June 30, 2004 and for the year ended December 31, 2003 and the six

months ended June 30, 2004 with this Form 8-K filing as it believes that the applicable financial statements previously filed adequately depict Security Capital's financial position and results of operations assuming the sale of Pumpkin occurred at the beginning of the applicable periods.

The assets and liabilities of Pumpkin were reported separately on the June 30, 2004 balance sheet, and the results of operations for Pumpkin for the six months ended June 30, 2004 were reported separately as a net loss from discontinued operations. For the year ended December 31, 2003, the reported net loss from discontinued operations was \$1.969 million, or \$0.31 per basic and diluted share. In addition to Pumpkin results, this amount included the results of Possible Dreams Ltd., which filed for bankruptcy and was deconsolidated during the fourth quarter of 2003. The reported net loss from discontinued operations of \$1.969 million included income from Pumpkin of \$1.143 million or \$0.18 and \$0.17 per basic and diluted share, respectively. Accordingly, excluding Pumpkin, pro forma net loss from discontinued operations would have been \$3.112 million or \$0.48 per basic and diluted share and pro forma net income would have been \$2.240 million or \$0.35 and \$0.34 per basic and diluted share, respectively.
