NOTES TO THE UNAUDITED PRO FORMA CONDENSED COMBINED FINANCIAL STATEMENTS

1. Basis of Presentation

Penn National Gaming, Inc. (the Company) has completed the acquisition of Argosy Gaming Company. The transaction was accounted for as a purchase. As a result, the net assets of Argosy Gaming Company (Argosy) were recorded at their fair value with the excess of the purchase price over the fair value of the net assets acquired allocated to goodwill. The total purchase price for the acquisition was \$2,320.2 million, including acquisition costs of \$44.5 million. The total purchase price for the acquisition was funded by the proceeds of the Company's new \$2.725 billion senior secured credit facility.

The Company acquired six Argosy casino entertainment facilities, although the Company has agreed to divest three of those properties to expedite the receipt of the regulatory approvals required to complete the merger. The Company has completed the sale of Argosy Casino-Baton Rouge to Columbia Sussex for \$149.6 million and the Company has until December 31, 2006 to enter into definitive sale agreements for the Alton and Joliet, Illinois properties.

The unaudited pro forma condensed combined financial statements have been prepared to give effect to the acquisition by the Company of Argosy, and the subsequent sale of Argosy Casino-Baton Rouge to Columbia Sussex. The pro forma financial statements are derived from our historical financial statements and the historical financial statements of Argosy. The historical financial statements have been adjusted as described in the notes to the unaudited pro forma condensed combined financial statements.

The unaudited pro forma condensed combined financial statements are prepared in accordance with Article 11 of Regulation S-X. For purposes of the unaudited pro forma condensed combined statements of income, we assumed the acquisition and divestiture occurred as of January 1, 2004. We applied the purchase method of accounting, which requires an allocation of the purchase price to the assets acquired and liabilities assumed, at fair value.

The purchase price allocation reflected in the unaudited pro forma condensed combined financial statements is preliminary and is subject to revision. This purchase price has been based upon a valuation of the tangible assets, and an identification and valuation of intangible assets. The price reflects certain other estimates and assumptions prepared by management, including the establishment of a litigation accrual, environmental liability, and severance accrual.

2. Purchase Price Allocation

The following table sets forth the determination of the consideration paid for Argosy at the effective date of acquisition, October 1, 2005 and the purchase price allocation (in thousands, except share amounts):

Reconciliation of cash paid to acquire Argosy:

Argosy Gaming Company purchase price, \$47 per share, 29,591,087 shares	\$	1,390,781
Argosy bond payment		594,237
Wells Fargo payment		241,418
Purchase price of stockholders' options		32,974
Acquisition fees and other charges:		
Transaction fees	44,547	
Legal/environmental liability	7,535	
Severance	8,746	60,828
Total purchase price	\$	2,320,238

Purchase price allocation:

Current assets	\$	117,176
Property and equipment		557,915
Other assets		704,549
Goodwill		1,340,604
Current liabilities		(117,380)
Long-term liabilities		(315,600)
Total net assets acquired		2,287,264
Costs paid by seller prior to close		32,974
Total purchase price	\$	2,320,238

3. Pro Forma Balance Sheet adjustments - Purchase:

Following are brief descriptions of the pro forma adjustments to the balance sheet to reflect the merger of Argosy with the Company:

A. Records additional borrowings to fund the merger.

B. Records deferred financing cost incurred to borrow funds to fund the merger.

C. Records the acquisition of 100% of the equity of Argosy and reflects goodwill as the excess of the purchase price over the estimated fair value of net tangible and identifiable intangible assets acquired and liabilities assumed. The Company recorded goodwill of \$1,340.6 million and eliminated Argosy goodwill in the amount of \$727.5 million. In addition, the Company recorded \$679.0 million of identifiable intangible assets, primarily consisting of trademark and license intangibles, which are deemed to have an indefinite useful life and therefore are not amortized.

4. Pro Forma Balance Sheet adjustments Sale of Baton Rouge:

D. Records the sale of 100% of the equity of Argosy Casino-Baton Rouge as if it had occurred on September 30, 2005 rather than the actual sale date of October 25, 2005. The \$149.6 million in cash proceeds from the sale are recorded as a decrease in the Company's long-term debt.

5. Pro Forma Statements of Income Adjustments Purchase:

E. Adjustments to interest expense reflect the \$2.725 billion senior secured credit facility financing and retirement of Argosy debt. The pro forma interest expense reflects the current rates in effect as of November 30, 2005 and have been applied to all periods presented. A 0.125% change in the estimated interest rate would result in an approximate change in annual pro forma interest expense of \$2.5 million for periods prior to September 30, 2005 and \$1.3 million for periods subsequent to September 30, 2005.

F. Reflects the net increase in depreciation and amortization expense resulting from the valuation of the property and equipment to fair market value.

G. Reflects the amortization resulting from other identifiable intangible assets recorded as a result of the acquisition.

H. Adjustment to reflect the income tax effect associated with the pro forma adjustments using Penn's effective tax rate of approximately 40%.

I. Adjustment to reflect conforming accounting treatment of marketing coupons.

J. Adjustment to eliminate Argosy loss on early extinguishment of debt.

6. Pro Forma Statements of Income Adjustments Sale:

K. Remove results of operations for the sale of Argosy Casino-Baton Rouge.
