Item 3. Source and Amount of Funds or Other Consideration

As more fully described in Item 4, the Proposal that has been submitted by or on behalf of Andy and AdamsMark, and that is supported (but not made) by the other Reporting Persons, contemplates the merger (the "Merger") of the Company with an entity to be formed by AdamsMark (the "Acquisition Entity"). As a result of the Merger, all of the outstanding shares of Common Stock of the Company would be converted into cash or, at the election of the Company's stockholders (subject to certain limits), equity interests in either the Company or the Acquisition Entity, whichever is the survivor in the Merger (the "Surviving Entity"). It is anticipated that such cash will be obtained through use of available funds and other liquid assets of the Company that will be the Surviving Entity's upon and after the Merger, through borrowings from one or more banks (in the ordinary course of business), and through third-party financing received from securitization of assets of the Company that will be the Surviving Entity's upon and after the Merger. Any of such equity interests in the Surviving Entity will be issued by the Surviving Entity.

Item 4. Purpose of Transaction

At a regular Board meeting on August 2, 2006, Andy requested the Board to authorize the release of confidential information of the Company to certain possible financing sources for the purpose of evaluating whether it would be feasible for him or AdamsMark to make a proposal to acquire the Company. The Board authorized the release of information, subject to a confidentiality agreement or obligation of the recipients, and appointed a special committee of independent members of the Board (the "Committee") to receive and consider any such proposal that Andy or AdamsMark might make.

On October 5, 2006, Andy and AdamsMark orally submitted the Proposal, to acquire the Company through the Merger, for consideration by the Committee. Under the Proposal, each outstanding share of Common Stock would be converted in the Merger into \$30.00 in cash, a preferred equity interest in the Surviving Entity having a value of \$30.00, or a common equity interests in the Surviving Entity having a value of \$30.00, or any combination of cash or such equity interests (collectively, the "Merger Consideration"), at the election of each stockholder of the Company. The number of stockholders that could elect to receive each class of equity interests in the Surviving Entity would be limited, however, so that the Surviving Entity would not be required to register a class of equity securities under the Securities Exchange Act of 1934, as amended (the "Act"). The right of any holder to transfer any such equity

interest after the Merger would also be restricted for the same reason. All of the shares of Common Stock owned of record by AdamsMark would be converted into common equity interests in the Surviving Entity. The Merger would be subject to third-party financing arranged by AdamsMark and to stockholders of the Company holding approximately \$100 million of Common Stock (valued at the price per share in the Proposal) electing to receive equity interests in the Surviving Entity. The Merger would result in the Surviving Entity being a privately held entity and the Company's stockholders receiving the Merger Consideration in exchange for all of the outstanding shares of Common Stock.

On October 6, 2006, Andy and AdamsMark were informed that the Committee considers the price per share in the Proposal to be inadequate and that the Committee desires more particular information about other aspects of the Proposal. Andy and AdamsMark anticipate responding to the Committee no later than October 14, 2006.

Springland, Dorothy, Adams Group, the Children's Trust, the Foundation and the Grandchildren's Trust have indicated that they support the Proposal.

If the Merger is effected, the Common Stock would no longer be listed on the New York Stock Exchange and would be eligible for termination of registration pursuant to Section 12(g)(4) of the Act. The Board has appointed the Committee to review and consider the Proposal. For the Merger to be effected, it would require authorization of the Board (in light of a recommendation of the Committee), the execution of a definitive merger agreement and the satisfaction of various conditions to be set forth in that merger agreement, including the approval of the stockholders of the Company.

Other than as set forth in the preceding paragraphs, the Reporting Persons do not have any specific plans or proposals which relate to or would result in any extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Company or any of its subsidiaries; a sale or transfer of a material amount of assets of the Company or any of its subsidiaries; any change in the present board of directors or management of the Company; any material change in the present capitalization or dividend policy of the Company; any other material change in the Company's business or corporate structure; changes in the Company's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Company by any person; causing a class of securities of the Company to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association; a class of equity securities of the Company becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Act; or any action similar to any of those enumerated above; but such Reporting Persons reserve the right to propose or undertake or participate in any of the foregoing actions in the future.

Item 5. Interest in Securities of the Issuer

(a) The following chart reflects the number of shares of Common Stock beneficially owned by the Reporting Persons and the percentage of the outstanding shares of Common Stock that such shares represent:

Name	Shares Beneficially Owned	Percentage of Outstanding Shares
W. Andrew Adams	2,758,121	9.9 %
AdamsMark, L.P.	2,758,121	9.9 %
Springland Ventures, L.P.	2,758,121	9.9 %
Dorothy B. Adams	2,758,121	9.9 %
The Adams Group, L.P.	2,758,121	9.9 %
The Adams Children's Trust	2,758,121	9.9 %
Adams Family Foundation II	2,758,121	9.9 %
The W. Andrew and Dorothy B. Adams Grandchildren's Trust	2,758,121	9.9 %

The percentage calculations are based upon 27,749,239 shares of Common Stock outstanding on August 8, 2006, which is the number of shares of Common Stock reported in the Company's Quarterly Report on Form 10-Q for the quarter ended June 30, 2006, and filed with the Securities and Exchange Commission on August 8, 2006.

(b) Andy is the sole general partner of AdamsMark and Springland and one of the trustees of the Children's Trust, the Foundation and the Grandchildren's Trust. The Reporting Persons may be deemed to constitute a group for purposes of Section 13(d)(3) of the Act by virtue of their intention to act in concert regarding the Proposal Andy and AdamsMark in submitting it, and Springland, Dorothy, Adams Group, the Children's Trust, the Foundation and the Grandchildren's Trust in supporting it. Accordingly, each of the Reporting Persons may be deemed to beneficially own all of the shares beneficially owned by each other Reporting Person.

Andy shares voting and dispositive power with the other Reporting Persons over 546,621 shares of Common Stock which are owned directly by AdamsMark and over 44,000 shares of Common Stock which are owned directly by Springland. Andy shares voting and dispositive power with the other Reporting Persons over 1,864,043 shares of Common Stock which are owned directly by Adams Group and over 3,250 shares which are owned directly by the Children's Trust. Dorothy is the sole general partner of Adams Group. Andy may be deemed to be the beneficial owner of the shares owned directly by Adams Group by virtue of influence over Dorothy's decisions as the general partner of Adams Group with respect to the voting and disposition of those shares. Andy and Dorothy are the sole trustees of the Children's Trust, and each of them as trustee has the power to act independently on behalf of the Children's Trust. Andy shares voting and dispositive power with his five adult siblings, Robert G. Adams, Joanne Adams Coggin, Fred M. Adams, Carl E. Adams Jr. and A. B. Adams (collectively, the Siblings), and with the other Reporting Persons over 71,600 shares of Common Stock which are owned directly by The Carl E. and Jennie Mae Adams Grandchildren's Trust (the Second Grandchildren's Trust). Andy and the Siblings are the trustees of the Second

Grandchildren's Trust. Andy shares voting and dispositive power with Dorothy, their three adult offspring, Andrew Adams, Andrea A. Brown and Anthony Adams (collectively, the Offspring), and with the other Reporting Persons over 222,307 shares of Common Stock owned directly by the Foundation and over 6,500 shares of Common Stock owned directly by the Grandchildren's Trust. Andy, Dorothy and the Offspring are the sole trustees of the Grandchildren's Trust.
