Item 2.02 Results of Operations and Financial Condition.

On April 26, 2007, SM&A, a Delaware corporation, issued a press release announcing its financial results for the fiscal quarter ending March 31, 2007. A live audio-only webcast of the presentation was broadcast via the internet and an archived replay of the presentation is available at the SM&A website at www.smawins.com.

A copy of the press release is furnished as Exhibit 99.1 to this report.

The attached press release contains non-GAAP financial measures. To supplement our first quarter 2007 consolidated financial results presented in accordance with Generally Accepted Accounting Principles in the United States, or GAAP, we have identified certain charges we incurred in the first quarter as non-recurring, which is not a measurement under GAAP. These non-GAAP financial measures are provided to enhance the user's overall understanding of our current financial performance and our prospects for the future. We believe the inclusion of these non-GAAP financial measures provides consistency and comparability in our financial reporting to prior periods for which these charges were not relevant. These non-GAAP financial measures should not be considered or used as a substitute for or superior to GAAP financial measures. Reconciliations of the non-GAAP financial measures to the underlying GAAP financial measures are explained in the attached press release.

Item 9.01 Financial Statements and Exhibits.
