The Fund is organized as a Delaware corporation. In addition, the Fund is a registered investment company.

A properly completed and submitted proxy will be voted in accordance with your instructions, unless you subsequently revoke your instructions. If you submit a signed proxy card without indicating your vote, the person voting the proxy will vote your shares according to the Board's recommendations thereon. Proxy solicitation will be principally by mail but may also be made by telephone or personal interview conducted by officers and regular employees of First Pacific Advisors, LLC, the Fund's investment adviser ("FPA" or "Adviser"), or Computershare Shareowner Services, the Fund's Transfer Agent, and the Fund reserves the right to retain outside agencies for the purpose of soliciting proxies. The cost of solicitation of proxies will be borne by the Fund, which will reimburse banks, brokerage firms, nominees, fiduciaries, and other custodians for reasonable expenses incurred by them in sending the proxy material to beneficial owners of shares of the Fund.

On March 9, 2012 (the record date for determining shareholders entitled to notice of and to vote at the Meeting), there were 8,655,240 shares of Common Stock and 1,969,212 shares of Preferred Stock outstanding. On February 29, 2012, the net assets of the Fund were \$564,703,651. ## 1. ELECTION OF THE BOARD OF DIRECTORS

The Fund's Board of Directors is comprised of individuals with considerable and varied business experiences, backgrounds, skills, and qualifications who collectively have a strong knowledge of business and financial matters and are committed to helping the Fund achieve its investment objective while acting in the best interests of the Fund's shareholders. Several members of the Board have had a long and continued service with the Fund. As noted in the table below, the nominees bring a variety of experiences and qualifications through their business backgrounds in the fields of accounting, consulting and strategic planning, entertainment, business journalism, and investment management. The Board believes that each particular nominee's financial and business experience give him the qualifications and skills to serve as a director.

At the Meeting, six directors are to be elected to serve until the next annual meeting of shareholders or until their successors are duly elected and qualified. The holders of the Preferred Stock, as a separate class, are entitled to elect two directors, and the holders of Common Stock, as a separate class, are entitled to elect the remaining four directors. Shares of both classes have cumulative voting rights, which means that, with regard to the election of directors only, each shareholder has the right to cast a number of votes equal to the number of shares owned multiplied by the number of directors to be elected by that class of stock, and each shareholder may cast the whole number of votes for one candidate or distribute such votes among candidates as such shareholder chooses. Unless otherwise instructed, the proxy holders intend to vote proxies received by them for the six nominees named below, reserving the right, however, to cumulate such votes in each class and distribute them among nominees at the discretion of the proxy holders. The affirmative votes of a majority of the shares of each class present in person or represented by proxy at the meeting are required to elect each director to be elected by that class. The following table sets forth certain information regarding each nominee for election as director. Except for Allan M. Rudnick, all of the nominees are incumbent directors. Mr. Rudnick has been nominated and recommended by the Board to fill the vacancy created by the retirement of a current director, Paul G. Schloemer, effective as of the date of the Meeting.

The Board of Directors has designated the members identified by footnote (1) to the preceding table, in addition to Paul G. Schloemer, as the Audit Committee of the Board. All members of the Audit Committee are "independent," as that term is defined in the applicable listing standards of the New York Stock Exchange ("NYSE"). No member is considered an "interested person" of the Fund within the meaning of the 1940 Act. The Audit Committee makes recommendations to the Board of Directors concerning the selection of the Fund's independent registered public accounting firm and reviews with such firm the results of the annual audit, including the scope of auditing procedures, the adequacy of internal controls and compliance by the Fund with the accounting, recording, and financial reporting requirements of the 1940 Act. In each instance, before an accountant has been

engaged by the Fund, the engagement has been approved by the Audit Committee. The Audit Committee met five times during the last fiscal year. Willard H. Altman, Jr. and Thomas P. Merrick, each a member of the Audit Committee of the Fund, also serve as a member of the Audit Committees of FPA Capital Fund, Inc., FPA New Income, Inc., FPA Paramount Fund, Inc., FPA Perennial Fund, Inc., FPA Funds Trust's FPA Crescent Fund, and FPA Funds Trust's FPA International Value Fund, all of which are registered open-end investment companies. Patrick B. Purcell, a member of the Audit Committee of the Fund, also serves as a member of the Audit Committee of FPA Capital Fund, Inc., FPA New Income, Inc., FPA Funds Trust's FPA Crescent Fund, and FPA Funds Trust's FPA International Value Fund. FPA is the investment adviser of the Fund and each of the registered open-end investment companies named above. The Board of Directors of the Fund, at a meeting held on August 1, 2011, considered the matter of simultaneous service, and determined that Messrs. Altman's, Merrick's, and Purcell's simultaneous service as a member of those Audit Committees does not impair their ability to serve on the Audit Committee of the Fund. The responsibilities of the Audit Committee are set forth in the Audit Committee Charter, which is available on the Fund's website, [www.fpafunds.com](http://www.fpafunds.com), and is available without charge, upon request, by calling (800) 982-4372.

## **AUDIT COMMITTEE REPORT**

To the Board of Directors  
of Source Capital, Inc.: February 13, 2012

Our Committee has reviewed and discussed with management of the Fund and Deloitte & Touche LLP, the independent registered public accounting firm of the Fund, the audited financial statements of the Fund as of December 31, 2011, and the financial highlights for the year then ended (the "Audited Financial Statements"). In addition, we have discussed with Deloitte & Touche LLP the matters required by Codification of Statements on Auditing Standards No. 114 regarding communications with audit committees.

The Committee also has received and reviewed the written disclosures and the letter from Deloitte & Touche LLP required by Public Company Accounting Oversight Board (United States) Ethics and Independence Rule 3526 (Communication with Audit Committees Concerning Independence), and we have discussed with that firm its independence from the Fund and its adviser. We also have discussed with management of the Fund and the independent registered public accounting firm such other matters and received such assurances from them as we deemed appropriate.

Management is responsible for the Fund's internal controls and the financial reporting process. Deloitte & Touche LLP is responsible for performing an independent audit of the Fund's financial statements in accordance with generally accepted auditing standards and issuing a report thereon. The Committee's responsibility is to monitor and oversee these processes.

Based on the foregoing review and discussions and a review of the report of Deloitte & Touche LLP with respect to the Audited Financial Statements, and relying thereon, we have recommended to the Fund's Board of Directors the inclusion of the Audited Financial Statements in the Fund's Annual Report to Shareholders for the year ended December 31, 2011, for filing with the Securities and Exchange Commission.

### **Audit Committee:**

David Rees, Chairman  
Willard H. Altman, Jr.  
Thomas P. Merrick  
Patrick B. Purcell  
Paul G. Schloemer

The Board of Directors has designated the members identified by footnote (2) to the preceding table, in addition to Paul G. Schloemer, as the Corporate Responsibility Committee. All members of the Corporate Responsibility Committee are "independent," as that term is defined in the applicable listing standards of the NYSE. No member is considered an "interested person" of the Fund within the meaning of the 1940 Act. The Corporate Responsibility Committee recommends to the full Board of Directors nominees for election as directors of the Fund to fill vacancies on the Board, when and as they occur. While the Corporate Responsibility Committee expects to be able to identify from its own resources an ample number of qualified candidates, it will review recommendations from shareholders of persons to be considered as nominees to fill future vacancies. The determination of nominees recommended by the Corporate Responsibility Committee is within the sole discretion of the Corporate Responsibility Committee, and the final selection of nominees is within the sole discretion of the Board. Therefore, no assurance can be given that persons recommended by shareholders will be nominated as directors. The responsibilities of the Corporate Responsibility Committee are set forth in the Corporate Responsibility Committee Charter, a copy of which was attached as Exhibit A in the Fund's 2011 proxy statement for the fiscal year ended December 31, 2010. The Corporate Responsibility Committee met five times during the last fiscal year.

The Corporate Responsibility Committee is responsible for searching for director candidates that meet the evolving needs of the Board of Directors. Director candidates must have the highest personal and professional ethics and integrity. Additional criteria weighed by the Corporate Responsibility Committee in the director identification and selection process include the relevance of a candidate's experience in investment company and/or public company businesses, enterprise or business leadership and managerial experience, broad economic and policy knowledge, the candidate's independence from conflict or direct economic relationship with the Fund, financial literacy and knowledge, and the candidate's ability and willingness to devote the proper time to prepare for, attend and participate in discussions in meetings. The Committee also takes into account whether a candidate satisfies the criteria for independence under the rules and regulations of the 1940 Act and of the NYSE, and if a nominee is sought for service on the Audit Committee, the financial and accounting expertise of a candidate, including whether the candidate would qualify as an Audit Committee financial expert. While the Corporate Responsibility Committee does not have a formal policy respecting diversity on the Board of Directors, consideration is given to nominating persons with different perspectives and experience to enhance the deliberation and decision-making processes of the Board of Directors.

During 2011, the Board of Directors held five meetings. Each director attended more than 75% of the aggregate of (1) the total number of meetings of the Board of Directors and (2) the total number of meetings held by all Committees of the Board on which they served. All of the directors attended the Fund's prior year's annual meeting.

### **Corporate Governance**

As noted above, the Fund has adopted a charter for both its Audit Committee and Corporate Responsibility Committee. The Board has also adopted a Code of Ethics, which applies to, among others, all of the Fund's officers and directors, as well as a Code of Ethics for Senior Executive and Financial Officers that applies to and has been signed by all officers of the Fund, including the Principal Executive Officer and Principal Financial Officer of the Fund. These materials are available on the website of the Securities and Exchange Commission, [www.sec.gov](http://www.sec.gov), or without charge, upon request, by calling (800) 982-4372.

### **The Board of Directors and Its Leadership Structure**

The Board of Directors has general oversight responsibility with respect to the Fund's business and affairs. Although the Board has delegated day-to-day oversight to the Adviser, all Fund operations are supervised by the Fund's Board, which meets quarterly.

The Board is currently composed of six directors, including five directors who are not "interested persons" of the Fund, as that term is defined in the 1940 Act (each an "Independent Director"). The Board holds executive sessions (with and without partners and/or employees of the Adviser) in connection with its regularly scheduled Board meetings, and the Independent Directors frequently correspond with each other in between meetings to discuss specific matters that may require attention at or prior to the Board's next regularly scheduled meeting. The Audit Committee of the Board of Directors meets quarterly at regularly scheduled meetings and the Corporate Responsibility Committee meets at least twice a year. The Independent Directors have retained "independent legal counsel" as defined in the 1940 Act.

The Board has not appointed a Chairman of the Board. J. Richard Atwood, Treasurer of the Fund and an interested person of FPA, acts as chairman at meetings of the Board (other than executive sessions). In such a capacity, Mr. Atwood also initiates the preparation of the agenda for Board meetings (with input from the Independent Directors), determines which matters need to be acted upon by the Board, and seeks to ensure that the Board obtains all the information necessary to perform its functions and take actions. Mr. Atwood also acts, with the assistance of staff, as a liaison with service providers, officers, attorneys, and the Independent Directors between meetings. The Board has determined that formally designating an Independent Director to serve as Chairman of the Board or "lead" Independent Director is not desirable at the present time. Rather, the Board believes that it is in the best interests of the Fund to review these determinations from time to time based upon the then-existing position and direction of the Fund and the membership of the Board. Considering its present composition and that the five of six Directors are or would be considered Independent Directors, the Board believes that its current structure ensures a greater shared role for the Independent Directors in the oversight of the Fund's business and affairs and active participation of the Independent Directors in helping to set agendas and establish Board priorities and procedures.

The Board of Directors has delegated day-to-day Fund management and risk oversight to the Adviser, which is responsible for managing all Fund operations and the Fund's risk management processes. The Board oversees the processes implemented by the Adviser or other service providers to manage relevant risks and considers risk management issues as part of its responsibilities throughout the year at regular meetings. The Audit Committee also considers risk management issues affecting the Fund's financial reporting and controls at its regular meetings throughout the year. The Adviser and other service providers prepare regular reports for Board and Audit Committee meetings that address a variety of risk-related matters, and the Board as a whole or the Audit Committee may also receive special written reports or presentations on a variety of risk issues at their request. For example, the portfolio managers of the Fund meet regularly with the Board to discuss portfolio performance, including investment risk, counterparty risk and the impact on the Fund of investments in particular securities. The Adviser also prepares reports for the Board regarding various issues, including valuation and liquidity.

The Board has also appointed a chief compliance officer ("CCO") for the Fund. The CCO reports directly to the Board and participates in the meetings of the Board. The Independent Directors meet quarterly in executive session with the CCO, and the CCO prepares and presents periodic written compliance reports which update compliance activities to date and results thereon. Additionally, the CCO presents an annual written report to the Board evaluating the Fund's compliance policies and procedures. The Board expects the CCO to report any material risk, should it arise, to the Board. The CCO is also the CCO of the Adviser.

Shareholders wishing to communicate with the Board may do so by sending a written communication to the Secretary of the Fund, at the following address: 11400 West Olympic Boulevard, Suite 1200, Los Angeles, California 90064-1550.

### Section 16(a) Beneficial Ownership Compliance

The Fund's directors and officers are required to file reports with the Securities and Exchange Commission and the NYSE concerning their ownership and changes in ownership of the Fund's Common and Preferred Stock. Based on its review of such reports, the Fund believes that all filing requirements were met by its directors and officers during 2011.

### Compensation

During 2011, the Fund did not pay any salaries directly to officers but paid an investment advisory fee to FPA. The following information relates to director compensation. During 2011, each director who was not an interested person of FPA was compensated by the Fund at the rate of \$22,000 per year plus a fee of \$2,000 per day for Board of Directors meetings attended, a fee of \$500 per day to the Chairman of the Audit and Chairman of the Corporate Responsibility Committees for Committee meetings attended, a fee of \$1,250 per day for Committee meetings attended on a day other than a Board meeting, and \$500 per day for Special Board of Directors or Committee meetings held and attended via telephone conference. The five directors who were not interested persons of FPA received total directors' fees of \$165,250 for 2011. Each such director is also reimbursed for out-of-pocket expenses incurred as a director.

### **Voting Requirements**

A quorum of shareholders is required to take action at this Annual Meeting of Shareholders. Under the rules of the NYSE, brokers who hold shares in street name for customers have the authority to vote on all of the proposals set forth herein if they have not received instructions from beneficial owners.

**Shareholder Proposals**

Any shareholder proposal to be considered for inclusion in the Fund's proxy statement and form of proxy for the 2013 annual meeting of shareholders should be received by the Secretary of the Fund no later than November 29, 2013. Any such adjournment will require the affirmative vote of a majority of the shares present at the Meeting.
