On May 10, 2012, Lime Energy Co. (the Company) participated on a conference call with investors during which management reiterated its previous guidance regarding anticipated revenue and adjusted EBITDA earnings for full year 2012. Management stated that it expects the Company's revenue for 2012 to be between \$143 million and \$152 million with adjusted EBITDA of between \$4 million and \$5 million.

Adjusted EBITDA is a non-GAAP financial measure management provides because it believes that it provides a meaningful comparison of operating results to prior period results.
