May 19, 2013, up to and including the maturity date for the Tranche 5 Notes, subject to the

applicable business day convention.

4

Interest reset dates Starting with the interest period scheduled to commence on May 19, 2013, the interest reset date

for each interest period will be the first day of such interest period, subject to the applicable

business day convention.

Interest determination date The interest determination date relating to a particular interest reset date will be the second

London business day preceding such interest reset date.

Business day convention Modified following.

Day count fraction Actual/360 (ISDA).

Calculation agent The Bank of New York Mellon, acting through its London branch, or its successor appointed by

the Issuer.

CUSIP Number 92857W BB5

ISIN Number US92857WBB54

#### The following terms apply to each tranche of the Notes:

Business Days For the Fixed Rate Notes, New York; for the Floating Rate Notes, London and New York.

Ranking The Notes will rank equally with all present and future unsecured and unsubordinated

indebtedness of Vodafone. Because we are a holding company, the Notes will effectively rank

junior to any indebtedness or other liabilities of our subsidiaries.

Regular Record Dates for Interest With respect to each interest payment date, the regular record date for interest on global

securities in registered form will be the close of business on the Clearing System Business Day prior to the date for payment, where Clearing System Business Day means Monday to Friday, inclusive, except December 25 and January 1. The regular record date for interest on debt securities that are represented by physical certificates will be the date that is 15 calendar days

prior to such date, whether or not such date is a business day.

Payment of Additional Amounts We intend to make all payments on the Notes without deducting United Kingdom (U.K.)

withholding taxes. If any deduction is required on payments to non-U.K. investors, we will pay additional amounts on those payments to the extent described under Description of Debt

Securities We May Offer Payment of Additional Amounts in the prospectus.

Optional Tax Redemption We may redeem the Notes before they mature if we are obligated to pay additional amounts due

to changes on or after the date of this final term sheet in U.K. withholding tax requirements, a merger or consolidation with another entity or a sale or lease of substantially all our assets and

other limited circumstances described under Description of Debt Securities We

May Offer Payment of Additional Amounts in the

prospectus. In that event, we may redeem the Notes in whole but not in part on any interest payment date, at a price equal to 100% of their principal amount plus accrued interest to the date fixed for redemption.

Adjusted Treasury Rate

Adjusted treasury rate means, with respect to any redemption date, the rate per year equal to the semi-annual equivalent yield to maturity of the comparable treasury issue, assuming a price for the comparable treasury issue (expressed as a percentage of its principal amount) equal to the comparable treasury price for such redemption date.

Comparable Treasury Issue

Comparable treasury issue means the U.S. Treasury security selected by the quotation agent as having a maturity comparable to the remaining term of such notes to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining terms of such notes.

Comparable Treasury Price

Comparable treasury price means, with respect to any redemption date, the average of the reference treasury dealer quotations for such redemption date.

**Quotation Agent** 

Quotation agent means the reference treasury dealer appointed by the Issuer. Reference treasury dealer means any primary U.S. government securities dealer in New York City selected by the Issuer.

Reference Treasury Dealer Quotations

Reference treasury dealer quotations means with respect to each reference treasury dealer and any redemption date, the average, as determined by the trustee, of the bid and asked prices for the comparable treasury issue (expressed as a percentage of its principal amount) quoted in writing to the trustee by such reference treasury dealer at 5:00 p.m. Eastern Standard Time on the third business day preceding such redemption date.

Listing

We will file an application to list the Notes on the New York Stock Exchange. We expect that the Notes will be eligible for trading on the New York Stock Exchange within 30 days after delivery of the Notes.

Use of Proceeds

We intend to use the net proceeds from the sale of the Notes for general corporate purposes.

Risk Factors

You should carefully consider all of the information in this final term sheet, the prospectus supplement and the prospectus, which includes information incorporated by reference. In particular, you should evaluate the specific factors under Risk Factors beginning on page 5 of the prospectus and Principal risk factors and uncertainties beginning on page 51 of our Annual Report on Form 20-F for the fiscal year ended March

31, 2012 for risks involved with an investment in the Notes.

Trustee and Principal Paying Agent The Bank of New York Mellon.

Timing and Delivery We currently expect delivery of the Notes to occur on or about February 19,2013.
