Item 8.01 Other Events

Certain directors and officers of IPG Photonics Corporation (the “Company”) adopt from time to time pre-arranged trading plans (each, a “Plan”) designed to comply with Rule 10b5-1 under the Securities Exchange Act of 1934, as amended, and the Company’s policies regarding stock transactions. Under Rule 10b5-1, directors, officers and other persons who are not in possession of material non-public information may adopt a plan or contract for pre-arranged sales of Company securities under specified conditions and at specified times. Using these Plans, insiders can gradually diversify their investment portfolios, spread stock trades out over an extended period of time to reduce market impact and avoid concerns about transactions occurring at a time when they might possess inside information.

The Plan adopted by Paolo Sinni, Vice President, Treasurer, provides for the sale of up to a total of 2,250 shares over a period ending December 2014, unless terminated sooner in certain circumstances. Of these shares, all would be acquired through the exercise of stock options. Shares will be sold under the Plan on the open market at prevailing market prices, subject to minimum price thresholds.

Of these shares, 27,500 shares would be acquired through the exercise of stock options. Shares will be sold under the Plan on the open market at prevailing market prices, subject to minimum price thresholds.

The Plan adopted by Alexander Ovtchinnikov, Senior Vice President, Components, provides for the sale of up to a total of 70,666 shares over a period ending April 2015, unless terminated sooner in certain circumstances. Of these shares, 26,250 shares would be acquired through the exercise of stock options. Shares will be sold under the Plan on the open market at prevailing market prices, subject to minimum price thresholds.

The Plan adopted by William Krupke, Director, provides for the sale of up to a total of 13,167 shares over a period ending September 2014, unless terminated sooner in certain circumstances. Of these shares, all would be acquired through the exercise of stock options. Shares will be sold under the Plan on the open market at prevailing market prices, subject to minimum price thresholds.

The Plan adopted by Angelo P. Lopresti, Senior Vice President, General Counsel and Secretary, provides for the sale of up to a total of 46,250 shares over a period ending March 2015, unless terminated sooner in certain circumstances. Of these shares, all would be acquired through the exercise of stock options. Shares will be sold under the Plan on the open market at prevailing market prices, subject to minimum price thresholds.

The Plan adopted by William Shiner, Vice President, Industrial Markets, provides for the sale of up to a total of 34,376 shares over a period ending April 2015, unless terminated sooner in certain circumstances. Of these shares, 33,500 would be acquired through the exercise of stock options. Shares will be sold under the Plan on the open market at prevailing market prices, subject to minimum price thresholds.

The Company does not undertake to report Plans that may be adopted by any directors or officers of the Company in the future, or to report any modification or termination of any Plan, except to the extent required by law.
