Annual Meeting of Shareholders
March 15, 2006

PROXY STATEMENT

SOLICITATION, VOTING AND REVOCABILITY OF PROXIES

This Proxy Statement is furnished to the holders (the "Shareholders") of common stock of Hurco Companies, Inc. ("Hurco" or the "Company") in connection with the solicitation of proxies by the Board of Directors for the 2006 Annual Meeting of Shareholders to be held at 10:00 a.m. EST on Wednesday, March 15, 2006 at the corporate headquarters of Hurco Companies, Inc., One Technology Way, Indianapolis, Indiana, and at any adjournments thereof. This Proxy Statement and the accompanying form of proxy are being mailed to Shareholders on or about February 1, 2006. Proxies are being solicited principally by mail. Directors, officers and regular employees of Hurco may also solicit proxies personally by telephone, electronic mail or otherwise. All expenses incident to the preparation and mailing of this Proxy Statement and form of Proxy will be paid by Hurco.

Shareholders of record as of the close of business on January 13, 2006, are entitled to notice of and vote at the Annual Meeting or any adjournments thereof. On such record date, Hurco had 6,338,020 shares of common stock outstanding and entitled to vote. Each share will be entitled to one vote with respect to each matter submitted to a vote. The presence in person or by proxy of the holders of a majority of the outstanding shares entitled to vote at the Annual Meeting is necessary to constitute a quorum for the transaction of business.

If the enclosed form of proxy is executed and returned, it may be revoked at any time before it is voted by giving written notice to the Secretary of the Company. If a Shareholder executes more than one proxy, the proxy having the latest date will revoke any earlier proxies. Shareholders who attend the Annual Meeting may revoke their proxies and vote in person.

A proxy, if returned properly executed and not subsequently revoked, will be voted in accordance with the instructions of the Shareholder in the proxy. If no instructions are given, the proxy will be voted for the election to the Board of Directors of the nominees named in this Proxy Statement. Directors will be elected by a plurality of the votes cast. A proxy may indicate that all or a portion of the shares represented by such proxy are not being voted with respect to a specific proposal. This could occur, for example, when a broker is not permitted to vote shares held in street name on certain proposals in the absence of instructions from the beneficial owners. Shares that are not voted with respect to a specific proposal will be considered present for purposes of determining a quorum and voting on other proposals. Abstentions on a specific proposal will be considered as present, but not as voting in favor of such proposal. Neither the non-voting of shares nor abstentions will affect the matters to be voted on at the Annual Meeting.

ELECTION OF DIRECTORS

The Board of Directors currently consists of seven members, each of which has been nominated for reelection. Each director will serve for a term of one year, which expires at the next Annual Meeting of Shareholders of the Company, when his successor has been elected. The seven nominees are: Stephen H. Cooper, Robert W. Cruickshank, Michael Doar, Richard T. Niner, O. Curtis Noel, Charlie Rentschler, and Gerald V. Roch. A majority of the director nominees are “independent directors” as defined by the listing standards for Nasdaq companies and the Board of Directors has affirmatively determined that such independent directors have no relationship with the Company that would impair their independence. The independent director nominees are Messrs. Cooper, Cruickshank, Niner, Noel, Rentschler, and Roch. Unless authority is specifically withheld, the shares represented by the enclosed form of proxy will be voted in favor of these nominees.

If any of these nominees becomes unable to accept election, the persons named in the proxy will exercise their voting power in favor of such person or persons as the Board may recommend. All of the nominees have consented to being named in this Proxy Statement and to serve if elected. The Board of Directors knows of no reason why any of the nominees would be unable to accept election.

The following information sets forth the name of each director, his age, tenure as a director, principal occupation and business experience for the last five years:

Board Meetings and Committees

During the last fiscal year, the Board of Directors held four meetings. All of the current directors attended at least 75% of the aggregate number of meetings of the Board and the committees on which they served. Directors are expected to attend Board meetings and meetings of committees on which they serve, and to spend the time needed and meet as frequently as necessary to properly discharge their responsibilities. The directors who are independent as defined by the Nasdaq listing standards held four executive sessions during fiscal 2005. All current directors attended the 2005 annual meeting of shareholders.

The Board has an Audit Committee that held ten meetings during the last fiscal year. The Audit Committee has the authority to oversee the Company's accounting and financial reporting activities, and meets with the Company's independent registered public accounting firm and the Chief Financial Officer to review the scope, cost and results of the annual audit and to review the Company's internal accounting controls, policies and procedures. The report of the Audit Committee is included on page 8 of this Proxy Statement. The Audit Committee selects the independent auditors of Hurco. See independent registered public accounting firm on page 11.

The Board has a Compensation Committee that held one meeting during the last fiscal year. The Compensation Committee reviews and recommends to the Board the compensation of the officers and managers of Hurco and guidelines for the general wage structure of the entire workforce. The Compensation Committee also oversees the administration of the Company's employee benefit plans. The report of the Compensation Committee regarding executive compensation is included on page 7 of this Proxy Statement.

The Nominating and Corporate Governance Committee has a formal written charter, which specifies the scope and purpose of the Committee. Pursuant to its charter, the Committee is to (1) assist the Board by identifying individuals qualified to become Board members, and to recommend to the Board the director nominees for reelection or appointment at the annual meeting of shareholders; (2) develop and recommend to the Board Corporate Governance Principles and a Code of Business Conduct and Ethics; (3) lead the Board in an annual self-evaluation; (4) recommend members and chairs for each standing committee; and (5) determine and evaluate succession plans for the Chief Executive Officer. The Nominating and Governance Committee also reviews the Company's Corporate Governance Principles regularly and updates them as appropriate.

The Nominating and Governance Committee will consider candidates recommended by shareholders. A shareholder who wishes to recommend a director candidate for consideration by the Nominating and Governance Committee should send such recommendation to the Secretary of the Company, One Technology Way, Indianapolis, Indiana 46268, who will forward it to the Committee. Any such recommendation should include a description of the candidate's qualifications for board service; the candidate's written consent to be considered for nomination and to serve if nominated and elected, and addresses and telephone numbers for contacting the shareholder and the candidate for more information. A shareholder, who wishes to nominate an individual to the Nominating and Governance Committee as a nominee, must comply with the advanced notice requirements set forth in the Company's By-Laws which are more fully explained later in this proxy statement under "Shareholder Proposals."

The Nominating and Governance Committee will identify potential nominees based on specified objectives in terms of the composition of the Board, taking into account such factors as industry experience and areas of expertise. Nominees will be evaluated on the basis of their experience, judgment, integrity, ability to make independent inquiries, understanding of the Company and willingness to devote adequate time to Board duties.

The members of these Committees are identified in the table on page 2.

Compensation of Directors

Each director who is not an employee of the Company receives a fee of \$1,500 for each meeting of the Board of Directors attended. Each such director also receives \$5,000 per fiscal quarter. Directors are also entitled to receive reimbursement for travel and other expenses incurred in attending such meetings. Mr. Niner receives additional annual compensation of \$36,000 for his services as Presiding Independent Director and Mr. Roch receives an additional \$36,000 for consulting services.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors and executive officers, and persons who own more than 10% of the Company's common stock, to file reports of ownership with the Securities and Exchange Commission and Nasdaq. Such persons are also required to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on the Company's review of the copies of such forms received by it, or written representations from certain reporting persons that they were not required to file a Form 5 to report previously unreported ownership or changes in ownership, the Company believes that, during its fiscal year ending October 31, 2005, its officers, directors and greater than 10% beneficial owners complied with all filing requirements under Section 16(a), except for a Form 5 which was filed late by Mr. Gerald V. Roch to report a single transaction involving a gift of 1,500 shares for fiscal 2005.

Code of Business Conduct and Ethics

Pursuant to Section 406 of the Sarbanes-Oxley Act of 2002 and Nasdaq listing requirements, the Company has adopted a Code of Business Conduct and Ethics, which applies to all Company's directors, officers and employees, including its principal executive officer, principal financial officer and principal accounting officer. If the Company makes any substantive amendment of, or grants any waiver to, the Code of Business Conduct and Ethics, the Company will disclose the nature of such amendment of waiver in a current report of Form 8-K. A copy of the Code of Business Conduct and Ethics is available on our website at www.hurco.com.

**COMPENSATION COMMITTEE
REPORT ON EXECUTIVE COMPENSATION**

The Compensation Committee of the Board of Directors establishes policies relating to the compensation arrangements of the Chief Executive Officer and all other executive officers. All decisions of the Compensation Committee relating to the compensation of the Company's executive officers are reviewed by the full Board.

Compensation Policy

The goal of the Company's executive compensation policy is to ensure that an appropriate relationship exists between executive pay and the creation of shareholder value, while at the same time motivating and retaining key employees. To achieve this goal, the Company's executive compensation policy integrates annual base compensation with incentive compensation plans based upon corporate performance and individual initiatives and performance. Measurement of corporate performance is primarily based on Company goals and industry performance levels. Accordingly, in years in which performance goals and industry levels are achieved or exceeded, executive compensation tends to be higher than in years in which performance is below expectations. Annual cash compensation, together with stock option incentives, are designed to attract and retain qualified executives and to ensure that such executives have a continuing stake in the long-term success of the Company.

Stock options are granted from time to time to key employees, based primarily on such person's potential contribution to the Company's growth and profitability. The Compensation Committee feels that stock options are an effective incentive for managers to create value for shareholders since the value of an option bears a direct relationship to the Company's stock price. The Compensation Committee believes that linking compensation for the Chief Executive Officer and all other executive officers to corporate performance results in a better alignment of compensation with corporate goals and shareholder interest. As performance goals are met or exceeded, resulting in increased value to shareholders, executives are rewarded commensurately.

Fiscal 2005 Executive Compensation

For fiscal 2005, the Company's compensation program for the Chief Executive Officer and all other executive officers consisted of base salary and bonus awards described above. No stock options were granted in fiscal 2005. During fiscal year 2005, the annual compensation of the Chief Executive Officer consisted of base salary and a performance bonus. In evaluating 2005 performance, the Committee considered the Company's financial performance in relation to its business plan and other corporate performance criteria and determined that bonuses would be awarded to the Chief Executive Officer and other corporate executive officers. The Committee believes that compensation levels for the Chief Executive Officer and all other executive officers and key employees during fiscal 2005 adequately reflect the Company's compensation goals and policies.

REPORT OF AUDIT COMMITTEE

The Company's Audit Committee is comprised of three Directors. The Board of Directors and the Audit Committee believe that the Audit Committee's current composition satisfies the Nasdaq listing requirements that govern audit committee composition, including the requirement that audit committee members all be "independent directors" as defined by Nasdaq listing requirements. The Board of Directors annually reviews the independence of the audit committee members in view of the Nasdaq listing requirements and the Securities and Exchange Commission's definition of independence for audit committee members and the audit committee independence requirements in our Corporate Governance Principles (a copy of which is on our website at www.hurco.com). The Board has determined that Robert W. Cruickshank meets the Securities and Exchange Commission's definition of an "audit committee financial expert."

The primary function of the Audit Committee is to assist the Board in fulfilling its oversight responsibilities by reviewing the financial information, which will be provided to the shareholders and others, the system of internal controls which management has established, and the audit process. In doing so, it is the responsibility of the Audit Committee to provide an open avenue of communication between the Board of Directors, management, and the independent auditors.

The Audit Committee has adopted a formal, written charter which specifies the scope of the Audit Committee's responsibilities and how it should carry out those responsibilities. The Audit Committee reviews and reassesses the adequacy of the charter on an annual basis.

The Audit Committee has reviewed and discussed the audited financial statements of the Company for the fiscal year ended October 31, 2005, with the Company's management. The Audit Committee has discussed with PricewaterhouseCoopers LLP, the Company's independent registered public accounting firm, the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (Communication with Audit Committees). The Audit Committee has also received the written disclosures and the letter from PricewaterhouseCoopers LLP required by Independence Standards Board Standard No. 1 (Independence Discussion with Audit Committees) and the Audit Committee has discussed the independence of PricewaterhouseCoopers LLP with that firm.

The members of the Audit Committee have also confirmed that there have been no new circumstances or developments since their appointment to the Committee that would impair any member's ability to act independently.

Based on the review and discussions with the Company's independent registered public accounting firm for the fiscal year ended October 31, 2005, the Audit Committee recommended to the Board of Directors that the financial statements be included in the Company's Annual Report on Form 10-K for filing with the Securities and Exchange Commission.

The Audit Committee’s policy is to pre-approve all audit and permissible non-audit services provided by the independent registered public accounting firm. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. The independent registered public accounting firm and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent auditor in accordance with this pre-approval, and the fees for the services performed to date. The Audit Committee may also pre-approve particular services on a case-by-case basis. For fiscal 2005, pre-approved non-audit services included only those services described above for “Audit Related Fees,” “Tax Fees,” and “All Other Fees.”
