 Delmar Janovec
 President

This information statement is being furnished to all holders of the common stock of AMRE in connection with the Proposed Action by Written Consent to authorize the Board of Directors to carry out an increase in the number of authorized shares of common stock to 50 billion shares.

ITEM 1.

INFORMATION STATEMENT

This information statement is being furnished to all holders of the common stock of AmeriResource Technologies, Inc., a Delaware Company ("AMRE"), in connection with resolutions of the Board of Directors and the written consent of the holders of in excess of 50% of the voting rights of the shareholders of AMRE. The Board of Directors, as approved by the written consent of the holders of in excess of 50% of the voting rights of the shareholders of AMRE, provides public notice of the approval and authorization for an increase in the number of authorized shares of the common stock of AMRE to 50 billion. The Amendment to the Articles of Incorporation to increase the number of authorized shares of common stock would be filed at a future date and time to be determined by the Board of Directors.

The Board of Directors, and persons owning a majority of the outstanding voting securities of AMRE, have unanimously adopted, ratified and approved the proposed actions by the AMRE Board of Directors. No other votes are required or necessary. See the caption "Vote Required for Approval" below. The increase in the authorized number of common shares would become effective upon filing of an amendment to the Articles of Incorporation of AMRE with the Delaware Secretary of State's office.

The Form 10-QSB for quarterly periods ended March 31, 2007 and June 30, 2007 and the form 10-KSB for the year ended December 31, 2006, and any reports on Form 8-K filed by AMRE during the past year with the Securities and Exchange Commission may be viewed on the Securities and Exchange Commission's web site at www.sec.gov in the Edgar Archives. AMRE is presently current in the filing of all reports required to be filed by it. See the caption, Additional Information, below.

GRANT AUTHORITY TO THE BOARD OF DIRECTORS TO AMEND THE ARTICLES OF INCORPORATION TO INCREASE THE AUTHORIZED NUMBER OF COMMON SHARES TO FIFTY BILLION.

AMRE's Articles of Incorporation, as currently in effect, authorizes AMRE to issue up to 3,000,000,000 shares of common stock, par value \$0.0001 per share. The Board of Directors has proposed an increase in the number of authorized shares of the common stock of AMRE. Upon the approval by the consenting shareholders holding a majority of the outstanding voting securities and then the filing of the Amended Articles of Incorporation, AMRE will be authorized to issue 50,000,000,000 shares of common stock, the stated par value per share will be \$0.0001 and the authorized shares of preferred stock, \$0.001 par value per share, will remain at 10,000,000 shares.

The Board of Directors believes that it is in AMRE's and AMRE's stockholders' best interests to increase the availability of additional authorized but unissued capital stock to provide AMRE with the flexibility to issue equity for other proper corporate purposes which may be identified in the future. Such future activities may include, without limitation, raising equity capital, adopting Employee Stock or Incentive Plans or making acquisitions through the use of stock. The Board of Directors has no immediate plans, understandings, agreements or commitments to issue additional shares of stock for any purpose not previously disclosed in the company's public filings.

The Board of Directors believes that the increase in authorized capital will make a sufficient number of shares available, should AMRE decide to use its shares for one or more of such previously mentioned purposes or otherwise. AMRE reserves the right to seek a further increase in authorized shares from time to time in the future as considered appropriate by the Board of Directors.

The increased capital will provide the Board of Directors with the ability to issue additional shares of stock without further vote of the stockholders of AMRE, except as provided under Delaware corporate law or under the rules of any national securities exchange on which shares of stock of AMRE are then listed. Under AMRE's Articles, the AMRE stockholders do not have preemptive rights to subscribe to additional securities which may be issued by AMRE, which means that current stockholders do not have a prior right to purchase any new issue of capital stock of AMRE in order to maintain their proportionate ownership of AMRE's stock. In addition, if the Board of Directors elects to issue additional shares of stock, such issuance could have a dilutive effect on the earnings per share, voting power and shareholdings of current stockholders.

In addition to the corporate purposes discussed above, the authorization of additional capital, under certain circumstances, may have an anti-takeover effect, although this is not the intent of the Board of Directors. For example, it may be possible for the Board of Directors to delay or impede a takeover or transfer of control of AMRE by causing such additional authorized shares to be issued to holders who might side with the Board in opposing a takeover bid that the Board of Directors determines is not in the best interests of AMRE and our stockholders. The increased authorized capital therefore may have the effect of discouraging unsolicited takeover attempts. By potentially discouraging initiation of any such unsolicited takeover attempts, the increased capital may limit the opportunity for AMRE stockholders to dispose of their shares at the higher price generally available in takeover attempts or that may be available under a merger proposal. The increased authorized capital may have the effect of permitting AMRE's current management, including the current Board of Directors, to retain its position, and place it in a better position to resist changes that stockholders may wish to make if they are dissatisfied with the conduct of AMRE's business. However, the Board of Directors is not aware of any attempt to take control of AMRE and the Board of Directors did

not propose the increase in AMRE's authorized capital with the intent that it be utilized as a type of anti-takeover device.

The relative voting and other rights of holders of the common stock will not be altered by the authorization of additional shares of common stock, nor the authorization of a class of preferred shares. Each share of common stock will continue to entitle its owner to one vote. As a result of the increased authorization, the potential number of shares of common stock outstanding will be increased.

CERTAIN FEDERAL INCOME TAX CONSIDERATIONS

The following discussion describes certain material federal income tax considerations relating to the proposed increase in authorized shares. This discussion is based upon the Internal Revenue Code, existing and proposed regulations thereunder, legislative history, judicial decisions, and current administrative rulings and practices, all as amended and in effect on the date hereof. Any of these authorities could be repealed, overruled, or modified at any time. Any such change could be retroactive and, accordingly, could cause the tax consequences to vary substantially from the consequences described herein. No ruling from the Internal Revenue Service (the "IRS") with respect to the matters discussed herein has been requested, and there is no assurance that the IRS would agree with the conclusions set forth in this discussion.

This discussion may not address federal income tax consequences that may be relevant to particular shareholders in light of their personal circumstances or to shareholders who may be subject to special treatment under the federal income tax laws. This discussion also does not address any tax consequences under state, local or foreign laws.

SHAREHOLDERS ARE URGED TO CONSULT THEIR TAX ADVISORS AS TO THE PARTICULAR TAX CONSEQUENCE OF THE INCREASE IN AUTHORIZED SHARES AND RESTATEMENT OF PAR VALUE FOR THEM, INCLUDING THE APPLICABILITY OF ANY STATE, LOCAL OR FOREIGN TAX LAWS, CHANGES IN APPLICABLE TAX LAWS AND ANY PENDING OR PROPOSED LEGISLATION.

The increase in the number of authorized shares will not affect any existing shareholder's number of shares as they currently exist, the reduction in the stated par value of each share may result in a decrease in the valuation assigned to such shares compared to their current valuation.

QUESTIONS AND ANSWERS REGARDING THE PROPOSED INCREASE IN THE NUMBER OF AUTHORIZED COMMON SHARES AND THE CHANGE IN THE STATED PAR VALUE OF THE COMMON STOCK

Q. WHY HAS THE PROPOSAL BEEN MADE TO INCREASE THE NUMBER OF COMMON SHARES?

A. Our Board of Directors believes that the authorized shares of Common Stock remaining available for issuance is not sufficient to enable AMRE to respond to potential business opportunities and to pursue important objectives that may be anticipated. Accordingly, our Board of Directors believes that it is in our best interests to increase the number of authorized shares of Common Stock as proposed. Our Board of Directors believes that the availability of such shares will provide us with the flexibility to issue Common Stock for proper corporate purposes that may be identified by our Board of Directors from time to time, such as financing, acquisitions, compensation of employees, the establishment of strategic business relationships with other companies or the expansion of AMRE's business or product lines through the acquisition of other businesses or products. The increase in the number of authorized shares of common stock is recommended by AMRE's Board in order to provide a sufficient reserve of such shares for the future growth and requirements of AMRE.

The Board of Directors also believes the availability of additional shares of Common Stock will enable AMRE to attract and retain talented employees, directors and consultants through the grant of stock options and other

stock-based incentives.

Q. HAS THE BOARD OF DIRECTORS APPROVED THE PROPOSAL TO INCREASE THE NUMBER OF COMMON SHARES?

A. The sole member of the Board of Directors, Delmar Janovec has approved the increase in the number of common shares as in the best interest of AMRE and the best interest of the current shareholders of AMRE.

Q. WILL I RECEIVE ANY ADDITIONAL SHARES OR A DIFFERENT CLASS OF SHARES AS A RESULT OF THESE PROPOSALS?

A. As a current shareholder of AMRE your class of stock and the number of shares that you hold will not be affected or change as a result of the adoption of the proposals. For example, a current holder of 500 shares of common stock will remain a holder of 500 shares of common stock.

Q. WILL THE CHANGES TO THE ARTICLES OF INCORPORATION RESULT IN ANY TAX LIABILITY TO ME?

A. The proposed changes are intended to be tax free for federal income tax purposes.

Q. WHAT VOTE OF THE SHAREHOLDERS WILL RESULT IN THE PROPOSAL BEING PASSED?

A. To approve the proposal, the affirmative vote of a majority of the potential votes cast as stock holders is required. Consents in favor of the proposal have already been received from shareholders holding a majority of the voting securities of AMRE.

Q. WHO IS PAYING FOR THIS INFORMATION STATEMENT?

A. The Company will pay for the delivery of this information statement.

Q. WHOM SHOULD I CONTACT IF I HAVE ADDITIONAL QUESTIONS?

A: Delmar Janovec, President of AMRE, 3440 East Russell Road, Suite 217, Las Vegas, Nevada 89120 (702) 214-4249 or if by email, dajanovec01@ameriresourcetechologies.com.

VOTE REQUIRED FOR APPROVAL

The vote required to approve the proposal is the affirmative vote of the holders of a majority of AMRE's voting stock. Each holder of Common Stock is entitled to one (1) vote for each share held. The record date for purposes of determining the number of outstanding shares of voting Stock of AMRE and for determining Stockholders entitled to vote, is the close of business on October 26, 2007 (the "Record Date"). As of the Record Date, AMRE has outstanding 1,834,003,412 shares of Common Stock and 1,558,287 shares of preferred stock.

Section 228 of the Delaware General Corporate Law ("Delaware Law") provides that the written consent of the holders of the outstanding shares of voting stock, having not less than the minimum number of votes which would be necessary to authorize or take action at a meeting at which all shares entitled to vote thereon were present and voted, may be substituted for such a meeting.

Pursuant to Section 228 of the Delaware Law, a majority of the outstanding voting shares of stock entitled to vote thereon is required in order to amend the Articles of Incorporation and to thus increase the number of authorized shares. In order to eliminate the costs, delay and management time involved in having a special meeting of Stockholders and obtaining proxies and in order to effect the proposed increase in authorized shares as early as possible, the Board of Directors of AMRE voted to utilize, and did in fact obtain, the written consent of the holders of a majority of the voting power of AMRE as of the Record Date.

Pursuant to Section 228(e) of the Delaware Law, the Company is required to provide prompt notice of the taking of the corporate action without a meeting of the Stockholders of record who have not consented in writing to such action. This Information Statement is tended to provide such notice. No dissenters' or appraisal rights under the Delaware Law are afforded to the Company's Stockholders as a result of the approval of the proposed increase in authorized shares.

DISSENTER'S RIGHTS OF APPRAISAL

The Delaware General Corporation Law does not provide for dissenter's rights in connection with the proposed restatement of the Articles of Incorporation.
