## Use of Non-GAAP Financial Information

Cypress provides certain non-GAAP financial measures as additional information relating to its operating results. Cypress's management believes that the presentation of these measures provides useful information to investors regarding certain additional financial and business trends relating to its financial condition and results of operations. These measures are not in accordance with, or an alternative to, generally accepted accounting principles and may be different from non-GAAP measures used by other companies. The calculations of non-GAAP financial measures have been adjusted to exclude the effects of acquisition costs, restructuring charges, impairments, asset write-downs, non-cash deferred compensation, gains on bond retirement and certain employee loan reserves.

Pursuant to the requirements of Regulation G, we have provided a reconciliation of the non-GAAP financial measures to the most directly comparable GAAP financial measures.

The information in this report, including the exhibit hereto, shall not be deemed to be "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liability of that section. The information contained herein and in the accompanying exhibit shall not be incorporated by reference into any filing with the U.S. Securities and Exchange Commission made by Cypress, whether made before or after the date hereof, regardless of any general incorporation language in such filing.
