**The9 Limited Announces US\$50 Million Share Repurchase Program**

Shanghai, China September 12, 2008. The9 Limited (NASDAQ: NCTY) (The9), a leading online game operator in China, today announced that its Board of Directors has approved a buy-back of up to US\$50 million of its American Depositary Shares, each of which represents one share of The9's ordinary shares. The company will buy the shares in the open market and expects the purchases to be funded from existing cash reserves.

The share repurchase program illustrates the confidence we have in the long-term performance of our company. We think that the current shares price level does not reflect our company's fair value and potential. We believe this share repurchase program is a good investment opportunity at the prevailing price level, said Jun Zhu, Chairman and Chief Executive Officer of The9.
