Item 2.01 Completion of Acquisition or Disposition of Assets

As reported on Form 8-K dated March 4, 2005, Cyttec Industries Inc. (the "Company") completed its acquisition of the Surface Specialties business

Edgar Filing: CYTEC INDUSTRIES INC/DE/ - Form 8-K/A

("Surface Specialties") of UCB S.A. ("UCB") on February 28, 2005. Item 2.01 of this Form 8-K/A is being filed in order to present the unaudited pro forma condensed combined historical statement of income of the Company for the year ended December 31, 2004 and the audited Combined Special Purpose Financial Statements of Surface Specialties (A business of UCB Group) as of December 31, 2004 and 2003 and for the years then ended. Additionally, under Item 7.01 below, the Company is furnishing as supplemental information, unaudited pro forma condensed combined historical quarterly statements of income for each of the quarters ended March 31, 2004, June 30, 2004, September 30, 2004, December 31, 2004 and March 31, 2005 as Exhibit 99.3 included herein.

This amendment modifies and supplements the Current Report on Form 8-K, filed by the Company with the Securities and Exchange Commission on March 4, 2005.

Rule 3-05 of Regulation S-X requires that the financial statements specified in Rules 3-01 and 3-02 of Regulation S-X be provided for Surface Specialties as an acquired business meeting the criteria specified in those rules. Due to circumstances related to the business of Surface Specialties, it was impracticable to have prepared complete financial statements in accordance with all the technical requirements of these rules. In particular, UCB had never prepared financial statements in accordance with US GAAP. Surface Specialties was operated by UCB as part of a segment including their Chemicals and Film sectors and never prepared stand-alone financial statements for Surface Specialties. In addition, the independent auditors for UCB have never audited or reported separately on the operations, net assets or cash flows of Surface Specialties. Another issue that makes full compliance with Rule 3-05 of Regulation S-X impracticable relates to UCB's acquisition of the resins, additives and adhesives business (the "Solutia Business") of Solutia, Inc. ("Solutia") in January 2003. The preparation of separate audited financial statements for the Solutia Business for 2002 would be impracticable to obtain since UCB, upon acquiring the Solutia Business, was not required by Belgium GAAP to present separate audited 2002 financial statements for the Solutia Business and accordingly, none were prepared. Solutia, like UCB, did not report segment financials for the business sold. In addition, UCB informed the Company that they do not have a contractual right to obtain audited financial statements from Solutia and this compounded by the fact that Solutia has been in bankruptcy (Chapter 11) since December 2003 with significant turnover in top management positions, makes it impracticable for the Company to have prepared complete 2002 audited financial statements for the Solutia Business. The Company requested from the Securities and Exchange Commission concurrence that the financial information filed herewith along with the consolidated balance sheet as of March 31, 2005, filed on the Company's 10-Q for the period ended March 31, 2005 which was filed on May 10, 2005, would fully satisfy the requirements of Rule 3-05 of Regulation S-X and received the Staff's response that it did not object to the Company's proposal.
