If no such specifications are made, the proxies for the Common Stock will be voted by those persons named in the Proxies at the Annual Meeting FOR the election of the nominees specified under the caption "Election of Directors" and FOR approval of the Sharps Compliance Corp. 2010 Stock Plan. Tusa, Corporate Secretary, Sharps Compliance Corp., 9220 Kirby Drive, Suite 500, Houston, Texas 77054, at any time before the proxy is voted, by executing and delivering a later-dated proxy, or by attending the Annual Meeting and voting his or her shares in person. No such notice of revocation or later-dated proxy will be effective, however, until received by the Company at or prior to the Annual Meeting. Such revocation will not affect a vote on any matters taken prior to the receipt of such revocation. Mere attendance at the Annual Meeting will not of itself revoke the proxy.

The Audit Committee pre-approves or rejects the proposed services and fees as it deems appropriate.
- If additional audit or non-audit services are presented for pre-approval during the year, the Audit Committee pre-approves or rejects such additional services and the fees associated with such services as it deems appropriate.
- In deciding whether to pre-approve any proposed services, the Audit Committee considers, (i) potential conflicts of the proposed services with SEC and PCAOB rules on auditor independence, (ii) whether the independent registered public accountants are qualified to perform the proposed services, (iii) the benefits of the proposed services to the Company and (iv) the relationship between fees for audit and non-audit services. VOTING SECURITIES AND PRINCIPAL STOCKHOLDERS

General

The Board has fixed the close of business on September 27, 2010 as the record date (the "Record Date") for the Annual Meeting. Only holders of record of the outstanding shares of Common Stock at the close of business on the Record Date are entitled to notice of and to vote at the Annual Meeting and any adjournment(s) thereof. At the close of business on September 27, 2010, there were 14,931,909 shares of Common Stock outstanding and entitled to be voted at the Annual Meeting. The Common Stock is the only class of stock entitled to vote at the Annual Meeting. Each share of Common Stock is entitled to one vote on each matter presented to the stockholders. Cumulative voting is not permitted by Common Stock shareholders of the Company.

Quorum and Vote Required

The presence, in person or by proxy, of a majority of the total shares of Common Stock issued and outstanding at the close of business on the Record Date is necessary to constitute a quorum for transaction of business at the Annual Meeting. Assuming the existence of a quorum, pursuant to our bylaws, the affirmative vote of a plurality of the shares of Common Stock present, either in person or represented by proxy, and entitled to vote at the Annual Meeting is required to elect directors. With respect to matters other than the election of directors, our bylaws provide that, if a quorum is present, the affirmative vote of a majority of the shares of Common Stock present, either in person or represented by proxy, and entitled to vote at the Annual Meeting is required to decide any such matter brought before such meeting, except as otherwise provided by our Certificate of Incorporation or applicable law. Accordingly, a majority of the shares of Common Stock represented in person or by proxy at the Annual Meeting must be cast in favor of the proposal for the approval of the adoption of the Sharps Compliance Corp. 2010 Stock Plan in order for such proposal to be approved by our stockholders. If a quorum is not present in person or by proxy, the Annual Meeting may be adjourned until a quorum is obtained.

Abstentions are counted toward the calculation of a quorum and will have the same effect as a vote against a proposal. Broker non-votes occur when a broker or nominee holding shares for a beneficial owner does not vote on a non-routine proposal because the broker or nominee has not received voting instructions from the beneficial owner and does not have discretionary voting power with respect to such proposal. Rule 452 of the New York Stock Exchange, which has been adopted by the NASDAQ stock market, provides that a broker or other nominee holding shares for a beneficial owner may generally vote on routine matters, but not non-routine matters, without receiving voting instructions. Under a recent change to Rule 452, the uncontested election of directors (Proposal 1) and the adoption of the Sharps Compliance Corp. 2010 Stock Plan (Proposal 2) are now considered non-routine matters. If you do not provide such voting instructions, your shares will not be voted for Proposals 1 and 2. Please provide instructions to your brokers or nominee on how to vote your shares.

The Bylaws of the Company provide that the Board of Directors shall consist of not fewer than three nor more than fifteen members and that the number of directors, within such limits, shall be determined by resolution of the Board of Directors at any meeting or by the stockholders at the Annual Meeting. The Board of Directors of the Company has set the number of directors comprising the Board of Directors at six.

The Corporate Governance Committee of the Board of Directors has nominated the individuals named below to be elected as Directors at the Annual Meeting. Five of the nominees are presently serving as a Director of the Company. Each of the nominees has agreed to stand for election as a director of the Company, to serve until the Company's 2011 Annual Meeting of Stockholders or until their respective successors have been duly elected and qualified.

The table below sets forth the names and ages of the nominees for director and the year each nominee first became a Director of the Company. Biographical information on the nominees is set forth below under "Management."

Name (Age)	Director Since
John W. Dalton (69)	2008

Unless otherwise indicated on any duly executed and dated proxy, the persons named in the enclosed proxy intend to vote the shares that it represents for the election of the nominees listed in the table above for the term specified. Proxies will be voted in accordance with the specifications marked thereon, and if no specification is made, will be voted "FOR" the nominees.

PROPOSAL TWO (2)

APPROVAL OF THE 2010 STOCK PLAN TO REPLACE THE 1993 STOCK PLAN

Effective November 16, 1993 and as amended February 12, 2003, the Stockholders of the Company approved the Sharps Compliance Corp. 1993 Stock Plan (the "1993 Stock Plan"), the text of which has

previously been filed with the SEC. The Board of Directors now proposes to replace, in its entirety, the 1993 Stock Plan with the Sharps Compliance Corp. 2010 Stock Plan (the “2010 Stock Plan”). On September 14, 2010, the Board unanimously approved, subject to shareholder approval at the Annual Meeting, the 2010 Stock Plan. The proposed 2010 Stock Plan provides for the issuance of up to 1,000,000 shares over the life of the plan, subject to annual limitations. The 2010 Stock Plan will continue indefinitely until it is terminated by the Board of Directors of the Company, however, no incentive stock option may be granted under the 2010 Stock Plan on or after ten years. The material features of the 2010 Stock Plan are discussed below, but the description is subject to and is qualified in its entirety by the full text of the 2010 Stock Plan, which is attached as Exhibit A to this Proxy Statement. The principle differences between the 2010 Stock Plan and the 1993 Stock Plan are changes necessary (i) to comply with changes in laws enacted since the last amendment to the 1993 Stock Plan and (ii) to reflect “best practice” customary for similar incentive plans.

The Board of Directors believes that the 2010 Stock Plan will assist the Company in attracting and retaining qualified employees, officers and directors and will have the effect of more significantly aligning the interests of the Company’s employees, officers and directors with the Company’s Stockholders. Further, replacement of the 1993 Stock Plan with the 2010 Stock Plan facilitates compliance with laws and regulations and demonstrates “best practice” with claw back and forfeiture provisions and additional flexibility by expanding the types of awards offered. The Board of Directors recommends a vote “FOR” approval of the 2010 Stock Plan.

General. The 2010 Stock Plan is intended to advance the best interests of the Company and its stockholders by providing those persons who have substantial responsibility for the management and growth of the Company with additional performance incentives and an opportunity to obtain or increase their proprietary interest in the Company, thereby encouraging them to continue in their employment or affiliation with the Company. The Plan permits the grant of incentive stock options (“ISOs”), nonqualified stock options (“NQSOs”), restricted stock, restricted stock unit awards (“RSUs”), other stock-based awards and cash-based awards (individually or collectively, the “Awards”). Grants of ISOs are intended to satisfy the requirements of Section 422 of the Internal Revenue Code of 1986 as amended (the “Internal Revenue Code”). The 2010 Stock Plan includes a forfeiture provision which allows the Administrator, under certain circumstances, to cancel unexercised stock awards previously granted to a participant.

Shares Subject to the 2010 Stock Plan. The 2010 Stock Plan would authorize the issuance of up to 1,000,000 shares. During any fiscal year, the maximum number of shares of Stock which may be granted is 250,000 for each of ISOs and NQSOs.

Administration. The 2010 Stock Plan will be administered by the Compensation Committee of the Board, except for the case of awards issued to Directors which will be administered by the Board (individually or collectively, the “Administrator”). Subject to the terms of the 2010 Stock Plan, the Administrator will have the authority to determine the persons to whom Awards will be granted; the number and exercise price of shares of stock covered in each Award; the terms, provisions and conditions of each Award; acceleration of vesting; and all other determinations and actions necessary to properly administer the plan. The Administrator may authorize one or more officers of the Company to designate employees to receive Awards as well as the size of such Awards, subject to certain limitations.

Eligibility. Awards may be granted to employees and directors of the Company, except for ISOs which can only be awarded to key employees. Awards other than ISOs may also be granted to persons who are expected to become key employees within six months.

Awards. Options may be granted under the 2010 Stock Plan at the discretion of the Administrator. The Administrator specifies whether the option is intended to be an ISO or an NQSO, the option price, the duration of the option, the number of shares of stock to which the option pertains and any restrictions on the exercise of the award. No options will be awarded with dividend equivalent rights. The option price

will be at least 100% of the fair market value of the stock on the grant date, except for ISOs awarded to holders of ten percent or more of the Company's stock which will be at least 110% of the fair market value of the stock on the grant date. The Administrator will oversee the methods of exercise of options with attention being given to compliance with appropriate securities laws and regulations. Already owned common stock can be used as payment for the exercise price of options. Holders of options shall not have all the rights of a stockholder with respect to the shares until the options are exercised.

Restricted Stock Awards may be granted under the 2010 Stock Plan at the discretion of the Administrator. The amount of vesting, forfeitures and transferability restrictions applicable to any restricted stock awards are determined at the discretion of the Administrator. Holders of restricted stock awards shall have all the rights of a stockholder with respect to the shares during the restriction period.

Other Awards may be granted under the 2010 Stock Plan to eligible persons in such number and upon such terms at the discretion of the Administrator including RSUs and cash based awards. However, these have not been awarded in the past and are not expected to be used under existing incentive plans.

Change in Capital Structure. The existence of outstanding Awards shall not affect in any way the right or power of the Company or its shareholders to make or authorize any or all adjustments, recapitalizations, reorganizations or other changes in the Company's capital structure or its business, any merger or consolidation of the Company, any issue of bonds, debentures, preferred or prior preference shares ahead of or affecting the Company's Common Stock or stock rights, the dissolution or liquidation of the Company, any sale or transfer of all or any part of its assets or business or any other corporate act or proceeding, whether of a similar character or otherwise.

Change in Control. In the event of an occurrence of a change in control of the Company as defined in the 2010 Stock Plan, all outstanding ISOs and NQSOs and Restricted Stock Awards granted under the Plan will become fully vested and exercisable and all risk of forfeiture restrictions applicable thereto shall lapse. The effect, if any, of a change in control of the Company on any other Award granted under the Plan will be determined in accordance with the award agreement applicable to such award.

For purposes of the 2010 Stock Plan, a "change in control" of the Company means:

(a) a change in control of the Company of a nature that would be required to be reported in response to Item 6(e) of Schedule 14A of Regulation 14A promulgated under the Exchange Act, whether or not the Company is then subject to such reporting requirement;

(c) the Continuing Directors cease to constitute a majority of the Company's Board of Directors; provided that

Except as specified in the applicable award agreement or in a domestic relations court order, an Award granted under the 2010 Stock Plan shall not be transferable by the holder thereof (whether for consideration or otherwise) other than by will or under the laws of descent and distribution, and shall be exercisable, during such holder's lifetime, only by him or her.

Federal Income Tax Consequences. The following discussion summarizes certain federal income tax consequences of the issuance and receipt of options and awards pursuant to the Plan under the law as in effect on the date of this proxy statement. The rules governing the tax treatment of such options and awards are quite technical, so the following discussion of tax consequences is necessarily general in nature and is not complete. In addition, statutory provisions are subject to change, as are their interpretations, and their application may vary in individual circumstances. This summary does not purport to cover all federal employment tax or other federal tax consequences associated with the Plan, nor does it address state, local, or non-U.S. taxes.

A participant generally is not required to recognize income on the grant of an Award other than a cash-based award. Instead, ordinary income generally is recognized on the date the option is exercised, or in the case of restricted stock awards, upon the issuance of shares and/or the payment of cash pursuant to the terms of the awards. In general, the amount of ordinary income required to be recognized is (a) in the case of an option, an amount equal to the excess, if any, of the fair market value of shares on the exercise date over the exercise price and (b) in the case of restricted stock awards, the amount of cash and/or the fair market value of any shares received in respect thereof, plus the amount of taxes withheld from such amounts. Upon payment of a cash-based award, a participant is required to recognize ordinary income in the amount of the award.

Termination and Amendment of the 2010 Stock Plan. The Board of Directors may terminate or amend the 2010 Stock Plan in any respect or at any time, except that no amendment requiring stockholder

approval will be effective without approval of the stockholders as required by applicable law or stock exchange rules.

Board’s Leadership Structure and Role in Risk Oversight

Director Independence

The Board has determined that each of Messrs. Parker, Dalton, Gillman, Holmes and Zerrillo is an “independent director” within the meaning of the applicable rules of the SEC and the NASDAQ Capital Market (the “NASDAQ”). The Audit Committee, Compensation Committee, Acquisition Committee and Corporate Governance Committee of the Board are composed entirely of independent directors.

In the past, the Board determined that it is was in the best interest of the Company for the position of Chairman of the Board (“Chairman”) to be filled by the Company's Chief Executive Officer and believed that the Company benefited from the cohesive and consistent leadership resulting from this structure. Since July 1998, the positions of Chairman and Chief Executive Officer have been held by Dr. Burton J. Kunik. The Board believed that this structure facilitated communication between the Board and management, created an efficient and productive relationship between the Board's strategic role and management's control of daily operations, and used Dr. Kunik’s knowledge of the Company's business and industry to the Company's best advantage.

Lead Independent Director

To ensure a strong and independent Board of Directors, F. Gardner Parker was named Lead Independent Director of the Company's Board of Directors in November 2008. The Board of Directors considers it to be useful and appropriate to designate a non-employee director to serve in a lead capacity to coordinate the activities of the other non-employee directors and to perform such other duties and responsibilities as the Board of Directors may determine. The responsibilities of the Lead Independent Director include, but are not limited to, the following, (i) advising the Chairman as to an appropriate schedule of Board meetings, (ii) seeking to ensure that the non-employee directors can perform their duties responsibly while not interfering with on-going Company operations, (iii) approving with the Chairman the information, agenda and the meeting schedules for the Board of Directors and Board Committee meetings, (iv) advising the Chairman as to the quality, quantity and timeliness of the information submitted to the Board by the Company's management that is necessary or appropriate for the non-employee directors to effectively and responsibly perform their duties, (v) calling meetings of the non-employee directors and (vi) serving as principal liaison between the non-employee Directors and the Chairman on sensitive issues.

In connection with its annual self-evaluation, the Board considers whether the current leadership structure continues to be appropriate for the Company. The Board believes that directors should be responsive to the Company's evolving circumstances and objectives, and accordingly adapt the Board's leadership structure when necessary.

Succession and Transition

The Board has determined that it is in the best interest of the Company for the position of the Chairman to be filled by an independent director. On September 7, 2010, Dr. Burton Kunik, Founder of the Company, announced his retirement and that he would not stand for reelection as a member of the Board at the Annual Meeting. David P. Tusa was appointed to the role of Chief Executive Officer effective September 30, 2010. Since July 1998, Dr. Kunik has been driving change in the medical waste industry. He is an industry expert and has successfully led the Company from its initial focus on the home health care market to a successful expansion of serving more than 4,000 customers across the United States, including many new markets such as the government, professional and retail sectors. Dr. Kunik built a dynamic, sustainable business model based on innovation and solid execution, has developed a strong management team, and leaves the Company with significant growth opportunities. Dr. Kunik's knowledge of the Company's business and industry has positioned the Company to now capitalize on its early penetration into emerging markets, and uniquely positions the Company for strong future growth.

Mr. Tusa has been with the Company for over seven years and has been a key player in driving the Company's growth, strengthening the balance sheet and ensuring efficiency in operations. Mr. Tusa has been instrumental in the development and management of the Company's Medical Waste Management System™ program with a U. S. Government agency. The Board believes Mr. Tusa's primary role should be to manage the day-to-day operations of the Company. Mr. Tusa has extensive knowledge of the day-to-day operations of the Company and his focus continues to be on expanding the Company's customer base and expanding relationships with existing customers.

A newly appointed Chairman of the Board is expected to organize the Board activities to enable the Board to effectively guide, oversee and hold management accountable. To fulfill that role, the Chairman is expected to create and maintain an effective working relationship with the Chief Executive Officer and other members of the Board; provide the Chief Executive Officer on-going direction as to Board needs, interest and opinions; and ensure that the Board agenda is appropriately directed to the matters of greatest importance to the Company. The Chairman is expected to preserve the distinction between management and oversight, ensuring that management develops a corporate strategy and the Board of Directors reviews and expresses its views on the corporate strategy. In addition the Chairman's roles would include but are not limited to the following, (i) advising the Chief Executive Officer as to an appropriate schedule of Board meetings, (ii) seeking to ensure that the directors can perform their duties responsibly while not interfering with on-going Company operations, (iii) approving with the Chief Executive Officer an agenda and the meeting schedules for the Board of Directors and Board Committee meetings, (iv) advising the Chief Executive Officer as to the quality, quantity and timeliness of the

information submitted to the Board by the Company's management that is necessary or appropriate for the directors to effectively and responsibly perform their duties, (v) calling meetings of the directors, and (vi) acting as the principal liaison between the directors and the Chief Executive Officer on sensitive issues.

Board's Role in Risk Oversight

The Board is responsible for determining the ultimate direction of our business, determining the principles of our business strategy and policies and promoting the long-term interests of the Company. The Board possesses and exercises oversight authority over the business, subject to our governing documents and applicable law, but delegates day-to-day management of the Company to our Chief Executive Officer and our other executive officers. This structure requires clear and timely communication between the Chief Executive Officer and Chairman, regarding management decisions that will impact the Board. Viewed from this perspective, the Board generally oversees risk management, and the Chief Executive Officer and other executive officers manage the material risks that we face. The Board focuses on the most significant risks facing the Company and the Company's general risk management strategy, and also ensures that risks undertaken by the Company are consistent with such strategy.

Risks falling within this area would include but are not limited to business ethics, general business and industry risks, operating risks and financial risks. We have not concentrated within our executive officers responsibility for all risk management in a single risk management officer, but rather rely on various executive and other management personnel to understand, assess, mitigate and generally manage material risks that we face in various areas including capital expenditure plans, liquidity, operations and health, safety and environmental. As necessary, the Chief Executive Officer and other executive officers report to the Board and its committees, as appropriate, regarding material risk and the management of risk facing the Company. The Board monitors the risk management information provided to it and provides feedback to management from time to time.

The Audit Committee assists the Board in the oversight of the integrity of the Company's financial statements and various matters relating to our publicly available financial information and our internal and independent auditors. The Audit Committee also evaluates related party transactions and potential conflicts of interest for the Company as they arise. The Audit Committee's role includes receiving information from our employees and others regarding public disclosure, our internal controls over financial reporting and material violations of law. Risks associated with retaining and incentivizing management fall within the scope of the authority of the Compensation Committee, which assists the Board in reviewing and administering compensation, benefits, and incentive and equity-based compensation plans. These committees periodically receive reports from management regarding management's assessment of risks and report regularly to the full Board regarding such risks.

MEETINGS, COMMITTEES, AND BOARD COMPENSATION

Board and Committee Meetings

The Board meets on a quarterly basis and holds special meetings whenever circumstances require. The Board held four regularly scheduled quarterly meetings and three special meetings during the fiscal year ended June 30, 2010. The independent Board members meet in executive sessions at each quarterly and special Board of Directors meeting. During 2010, each of the directors attended at least 75% of the aggregate number of meetings of the Board and the committees on which he served that were held during the period in which he served as a director or committee member. The Company does not have a policy regarding director attendance at the Company's Annual Meeting of Stockholders. All of the directors attended the Company's 2009 Annual Meeting of Stockholders.

Committees of the Board

The Board currently has four standing committees: Audit, Compensation, Acquisition and Corporate Governance.

Audit Committee Report. The information contained in this report shall not be deemed to be “soliciting material” or “filed” or incorporated by reference in future filings with the SEC, or subject to liabilities of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), except to the extent that we specifically request that the information be treated as soliciting material or specifically incorporate it by reference into a document filed under the Securities Act of 1933, as amended (the “Securities Act”), or the Exchange Act.

The Audit Committee’s purpose is to assist the Board in its oversight of the Company’s internal controls and financial statements and the audit process. The Board, in its business judgment, has determined that all members of the Audit Committee are “independent,” as required by applicable standards of the SEC and NASDAQ. The Audit Committee operates pursuant to a written charter adopted by the Board. The charter of the Audit Committee is available on the Company’s website. The address of the Company’s website is <http://www.sharpsinc.com>. Messrs. Dalton, Parker (Chairman) and Zerillo are the current members of the Audit Committee. The Board has determined that Mr. Parker is an independent director who, in light of his experience detailed above, qualifies as an audit committee financial expert, as that term is defined by the SEC and the applicable listing standards of the NASDAQ. The Audit Committee is responsible for pre-approving all services provided by the Company’s independent registered public accounting firm, UHY.

Management is responsible for the preparation, presentation and integrity of the Company’s financial statements, accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The Company’s independent registered public accounting firm, UHY, is responsible for performing an audit of (1) the Company’s consolidated financial statements in accordance with the standards of the Public Company Accounting and Oversight Board (United States) and (2) the Company’s internal control over financial reporting based on criteria established in the Internal Control - Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (“COSO”). In performing its oversight role, the Audit Committee has reviewed and discussed the audited financial statements with management and the independent registered public accounting firm. The Audit Committee has also discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards (“SAS”) No. 61, Communication with Audit Committees, and related interpretations, as amended and currently in effect. The Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by PCAOB Rule 3526. The Audit Committee has also considered whether the provision of non-audit services by the independent registered public accounting firm is compatible with maintaining its independence and has discussed with the independent registered public accounting firm its independence.

In overseeing the preparation of the Company’s financial statements and internal control over financial reporting, the Audit Committee met with both management and UHY to review and discuss all financial statements prior to their issuance, all assessments of internal control over financial reporting, and to discuss significant accounting issues.

Based on the reports, review and discussions described in this report, the Audit Committee recommended to the Board that the audited financial statements be included in the Company’s Annual Report on Form 10-K for the fiscal year ended June 30, 2010.

The Audit Committee met four times in the fiscal year ended June 30, 2010.

Compensation Committee Report. The information contained in this “Compensation Committee Report on Executive Compensation” shall not be deemed to be “soliciting material” or to be

“filed” with the Commission, nor shall such information be incorporated by reference into any future filings under the Securities Act, as amended, or the Exchange Act, except to the extent that the Company specifically incorporates it by reference into such filing.

The Compensation Committee has furnished the following report on the Company’s executive compensation policies. This report describes the Compensation Committee’s policies applicable to the compensation of the Company’s executive officers and provides specific information regarding the compensation of the Company’s Chief Executive Officer.

The Compensation Committee currently is comprised of three outside directors, Messrs. Dalton (Co-Chairman), Gillman (Co-Chairman), and Holmes, and administers and oversees all aspects of the Company’s Executive Compensation Policy and reports its determinations to the Board. The Compensation Committee’s overall goal is to develop executive compensation policies that are consistent with, and linked to, the Company’s strategic business objectives and values. The Compensation Committee approves the design of, assesses the effectiveness of and administers executive compensation programs in support of the Company’s compensation policies. At least annually, the Company’s Chief Executive Officer reports to the Compensation Committee an evaluation of executive performance and a recommendation regarding salary and other remuneration for executives. The Compensation Committee considers these evaluations and recommendations during its regularly scheduled sessions, and may choose to adopt the recommendations or modify them at its sole discretion. The Compensation Committee reviews and approves all salary arrangements and other remuneration for executives, evaluates executive performance and considers related matters.

Compensation Philosophy The Company’s executive compensation policies have four primary objectives: to attract and retain highly competent executives to manage the Company’s business, to offer executives appropriate incentives for accomplishment of the Company’s business objectives and strategy, to encourage stock ownership by executives to enhance mutuality of interest with stockholders and to maximize long-term stockholder value.

Elements of Compensation The key elements of the Company’s executive compensation are base salary, annual incentive and long-term incentive. These key elements are addressed separately below. In determining compensation, the Compensation Committee considers all elements of an executive’s total compensation package.

Base Salary Base salaries for executives are determined initially by evaluating the executive’s level of responsibility, prior experience, breadth of knowledge, internal equity issues and external pay practices. Increases to base salaries are driven primarily by individual performance. Individual performance is evaluated based on sustained levels of individual contribution to the Company. When evaluating individual performance, the Compensation Committee considers the executive’s efforts in promoting Company values, continuing educational and management training, improving product quality, developing relationships with customers and vendors and demonstrating leadership abilities among co-workers.

Annual Incentive Each year, the Compensation Committee evaluates the performance of the Company as a whole, as well as the performance of each individual executive. Factors considered include Company performance versus expectations, as well as individual accomplishments. The Compensation Committee does not utilize formalized mathematical formulae, nor does it assign weightings to these factors. The Compensation Committee, in its sole discretion, determines the amount, if any, of incentive payments to each executive. The Compensation Committee believes that the Company’s performance versus expectations and individual accomplishments require subjectivity on the part of the Committee when determining incentive payments.

Long-Term Incentive The Company's long-term compensation philosophy provides that long-term incentives should relate to improvement in stockholder value, thereby creating a mutuality of interests between executives and stockholders. Additionally, the Compensation Committee believes that the long-term security of executives is critical for the perpetuation of the Company. Long-term incentives are currently provided to executives through the Company's 1993 Stock Plan, in the form of stock options and restricted stock awards. The Board has proposed the 2010 Stock Plan which would replace the 1993 Stock Plan if approved by the shareholders at the Annual Meeting. Proposal Two (2) details the material features of the 2010 Stock Plan.

Stock Options Stock options, when awarded, have been granted at an option price not less than the fair market value of the Common Stock on the date of grant. Accordingly, stock options have value only if the price of the Common Stock appreciates after the date the options are granted. The design focuses executives on the creation of stockholder value over the long-term and encourages equity ownership in the Company.

The Compensation Committee met three times during the fiscal year ended June 30, 2010.

The Acquisition Committee reviews the Company's acquisition strategy and candidates as presented by the Company's senior management. The Acquisition Committee also evaluates acquisition transactions and makes formal recommendations to the Board with respect to such transactions. The Acquisition Committee also reviews and provides guidance with respect to negotiations, letters of intent and the final transaction terms and conditions. The Acquisition Committee is comprised of Parris H. Holmes (Chairman), John W. Dalton and F. Gardner Parker.

The Acquisition Committee did not meet during the fiscal year ended June 30, 2010.

The Corporate Governance Committee is appointed by the Board to ensure that the Board is appropriately constituted to meet its fiduciary obligations to the Company and its stockholders. The Corporate Governance Committee assists in monitoring and shaping the corporate governance of the Company and assists the Board in connection with Board nominations matters. The Corporate Governance Committee evaluates the structure and membership of the Board and its committees and assesses the qualifications of prospective nominees to the Board. It considers factors it deems relevant, including each member and nominee's general understanding of marketing, finance, accounting, or other elements relevant to the success of a publicly traded company in the current business environment, understanding of our business on an operational level, integrity, education and professional background, and willingness to devote time to the Board's duties.

In addition, the Board evaluates each individual in the context of the Board as a whole, with the objective of recommending individuals that can best perpetuate the success of our business and represent stockholder interests through the exercise of sound business judgment using their diversity of experience in these various areas. The Board of Directors oversees Chief Executive Officer and senior management succession planning. The process focuses on building management depth, considers continuity and stability within the Company, and responds to the Company's evolving needs and changing circumstances.

The Board of Directors does not specifically consider diversity in regards to ethnicity, gender, race, or age in assessing the qualifications of director nominees nor does it have a policy regarding diversity of nominee candidates. However, as stated above, the committee does consider the diversity of professional experiences and the background of nominees, both individually, and in the context of the whole board.

The Corporate Governance Committee periodically reviews and assesses the adequacy of the Company's Code of Ethics and makes recommendations to the Board regarding any amendments, modifications or waivers of the provisions thereof.

The Committee is composed of at least three members of the Board, each of whom meets the independence requirements under the applicable listing standards of NASDAQ and the SEC. Messrs. Dalton, Parker and Zerrillo (Chairman) are the current members of the Corporate Governance committee. The Board has adopted a written charter for the Corporate Governance Committee. The charter of the Corporate Governance Committee is available on the Company's website. The address of the Company's website is <http://www.sharpsinc.com>. In addition to the responsibilities and functions described above, the Corporate Governance Committee also:

- recommends a slate of director nominees for approval by the Board and election by the stockholders in connection with the Company's Annual Meeting of Stockholders;
- reviews stockholder nominations for candidacy to the Board, if any, and any shareholder proposals affecting corporate governance and makes recommendations to the Board accordingly;
- periodically reviews overall corporate governance principles, procedures and practices of the Company and makes recommendations to the Board as appropriate;
 - periodically reviews and reports to the Board on the effectiveness of the Company's corporate governance;
- periodically reviews the Charter of the Corporate Governance Committee, the Company's Certificate of Incorporation, Bylaws and other corporate governance documents and recommends any changes or amendments to the Board, as the Committee deems appropriate, including changes necessary to satisfy any applicable requirements of NASDAQ, the SEC and any other regulatory requirements;
 - monitors the independence of directors under all applicable rules and regulations;
- reviews any potential conflicts of interest between the directors or its executive officers and the interests of the Company;
- oversees and reviews the Company's processes for providing information to the Board so that the Board obtains appropriately detailed information in a timely fashion; and
- provides a report of the Corporate Governance Committee's activities to the full Board not less than once per year.

In addition to the responsibilities listed above, the Corporate Governance Committee shall undertake such other duties as the Board delegates to it and perform such other activities as are consistent with the charter of the Corporate Governance committee.

Stockholders desiring to make recommendations for candidacy to the Board should submit such recommendations to David P. Tusa, Corporate Secretary, Sharps Compliance Corp., 9220 Kirby Drive, Suite 500, Houston, Texas 77054. The Corporate Governance Committee will evaluate candidates properly proposed by stockholders in the same manner as all other candidates.

The Corporate Governance Committee met one time during the fiscal year ended June 30, 2010.

EMPLOYEE BENEFIT PLANS

Sharps Compliance Corp. 1993 Stock Plan

General. Effective November 16, 1993, the stockholders of the Company approved the 1993 Stock Plan. Under the Stock Plan, (a) employees of the Company and any subsidiary of the Company may be awarded incentive stock options ("ISOs"), as defined in Section 422A(b) of the Internal Revenue Code and (b) employees, consultants and

affiliates or any other person or entity, as determined by the Administrator to be in the best interests of the Company, may be granted (i) stock options which do not qualify as ISOs ("Non-qualified Options"), (ii) awards of stock in the Company ("Awards"), (iii) stock appreciation rights ("SARs") in conjunction with, or independently of, options granted thereunder, (iv) performance awards in the form of units ("Units") representing phantom shares of stock, (v) non-employee director options and (vi) opportunities to make direct purchases of stock in the Company

("Purchases"). ISOs and Non-qualified Options are collectively referred to as "Options," and together with Awards, SARs, Units, Purchases and non-employee director options are collectively referred to as "Stock Rights."

Shares Subject to the 1993 Stock Plan. The 1993 Stock Plan currently authorizes the issuance of up to 4,000,000 shares. At September 27, 2010, 105,173 shares are available for issuance under the 1993 Stock Plan. If any Stock Right granted under the Stock Plan terminates, expires or is surrendered, new Stock Rights may thereafter be granted covering such shares.

Administration. The 1993 Stock Plan is administered by the Board of Directors (the "1993 Administrator"). Subject to the terms of the 1993 Stock Plan, the 1993 Administrator has the authority to determine the persons to whom Stock Rights (except non-employee director options) shall be granted, the number of shares covered by each such grant, the exercise or purchase price per share, the time or times at which Stock Rights shall be granted, whether each option granted shall be an ISO or a Non-qualified Option, whether restrictions such as repurchase options are to be imposed on shares subject to Stock Rights and the nature of such restrictions, if any. The interpretation or construction by the 1993 Administrator of the 1993 Stock Plan or with respect to any Stock Rights granted thereunder shall, unless otherwise determined by the Board, be final. The option price for ISOs may not be less than 100% of the fair market value of the Common Stock on the date of grant, or 110% of the fair market value with respect to any ISO issued to a holder of 10% or more of the Company's shares. There is no price requirement for Non-qualified Stock Options. In no event may the aggregate fair market value (determined on the date of the grant of an ISO) of Common Stock for which ISOs granted to any employee under the 1993 Stock Plan are exercisable for the first time by such employee during any calendar year exceed \$100,000. The 1993 Stock Plan further directs the 1993 Administrator to set forth provisions in Option agreements regarding the exercise and expiration of Options according to stated criteria. The 1993 Administrator oversees the methods of exercise of Options, with attention being given to compliance with appropriate securities laws and regulations. The 1993 Stock Plan permits the use of already owned Common Stock as payment for the exercise price of Stock Rights.

Eligibility for Granting of Stock Rights. ISOs may be granted under the 1993 Stock Plan only to employees of the Company. Non-qualified Options, SARs and Units may be granted to any officer, employee, consultant or affiliate of the Company, or any other person or entity, as determined by the 1993 Administrator to be in the best interests of the Company.

Awards. Restricted stock awards may be granted under the 1993 Stock Plan at the discretion of the 1993 Administrator. The grantee purchases the number of shares subject to the Award, usually for a nominal price such as the par value. The shares, however, are held in escrow and may not be sold until they are vested in accordance with the terms of the grant, such as continued employment for a specific period of time, accomplishment by the Company of certain goals, or a combination of criteria. Upon termination of the Award, all unvested shares are repurchased by the Company for the same nominal purchase price originally paid for the stock. The Company issues Awards to non-employee Directors as partial compensation for service to be provided on the Board (see Non-Employee Board of Director Compensation Policy above).

Stock Appreciation Rights. Options (except non-employee director options) granted under the 1993 Stock Plan may be granted in tandem with SARs ("tandem SARs") or independently of and not in tandem with an Option ("naked SARs"). SARs will become exercisable at such time or times, and on such conditions, as specified in the grant. Any tandem SAR granted with an ISO may be granted only at the date of grant of such ISO. Any tandem SAR granted with a Non-qualified Option may be granted either at or after the time such Option is granted. As of June 30, 2010, the Company had not granted any SARs under the 1993 Stock Plan.

A tandem SAR is the right of an optionee, without payment to the Company (except for applicable withholding taxes), to receive the excess of the fair market value per share on the date which

such SAR is exercised over the option price per share as provided in the related underlying Option. A tandem SAR granted with an Option shall pertain to, and be exercised only in conjunction with, the related underlying Option granted under the 1993 Stock Plan and shall be exercisable and exercised only to the extent that the underlying Option is exercisable. The tandem SAR shall become either fully or partially non-exercisable and shall then be fully or partially unexercisable and fully or partially forfeited if the exercisable portion, or any part thereof, of the underlying Option is exercised, and vice versa.

A naked SAR may be granted irrespective of whether the recipient holds, is being granted or has been granted any Options under any stock plan of the Company. A naked SAR may be granted irrespective of whether the recipient holds, is being granted or has been granted any tandem SARs. A naked SAR may be made exercisable without regard to the exercisability of any Option.

Units. The 1993 Stock Plan provides that performance awards in the form of Units may be granted either independently of or in tandem with a Stock Right, except that such Units shall not be granted in tandem with ISOs. Units granted shall be based on various performance factors and have such other terms and conditions at the discretion of the 1993 Administrator. As of June 30, 2010, the Company had not granted any Units under the Stock Plan.

Termination and Amendment of the Stock Plan. The Board of Directors may terminate or amend the 1993 Stock Plan in any respect or at any time, except that no amendment requiring stockholder approval under the provisions of the Internal Revenue Code and related regulations relating to ISOs or under Rule 16b-3 will be effective without approval of stockholders as required and within the times set by such rules. The Board has proposed the 2010 Stock Plan which would replace the 1993 Stock Plan if approved by the shareholders at the 2010 Annual Meeting. Proposal Two (2) details the material features of the 2010 Stock Plan.

EXECUTIVE INCENTIVE COMPENSATION PLAN

The Compensation Committee of the Board of Directors (“Committee”) of the Company has adopted its Executive Incentive Compensation Plan effective for the fiscal year ended June 30, 2010 and 2011. The Executive Incentive Compensation Plan (the “Plan”) is designed to allow eligible executive full-time employees to share in achievements based on attainment of pre-established Company financial performance as well as achievement of individual goals. The Plan is designed to motivate and reward eligible participants whose performance is considered by the Committee to be critical and integral to the overall success of the Company.

Eligibility and Plan Year

Plan eligibility is determined by the Committee. For the fiscal years ending June 30, 2010 and 2011 participation in the Plan is limited to the Company’s Chief Executive Officer, Chief Financial Officer and Senior Vice President of Sales and Marketing. The Committee may, at its sole discretion, add other Company executives as participants to the Plan.

Elements of the Plan

Each eligible participant has a target bonus, calculated as a specified percentage of that executive’s then current annual salary. For the fiscal year ending June 30, 2010 and 2011 the specified percentage of participant’s annual salary is 60% for each of the Chief Executive Officer, Chief Financial Officer and Senior Vice President of Sales and Marketing. The bonus amount will be computed based upon achievement of goals in three categories: (1) positioning the Company for future growth, (2) the achievement of fiscal year budgeted earnings and (3) achievement of fiscal year budgeted revenues.

Individual Performance Element (determines 25% of target bonus)

The computation of this portion of the target bonus will be based upon accomplishments of the Company and the executive participants designed to position the Company for future growth. The Committee will review accomplishments prepared by executive participants and determine achievement of the goal in their sole discretion.

Earnings Performance Element (determines 25% of target bonus)

Achievement of this element will be based upon the Company meeting the budgeted net earnings goal for the respective fiscal year.

Revenue Performance Element (determines 50% of target bonus)

Achievement of this element will be based upon the Company meeting the budgeted consolidated revenue goal for the respective fiscal year.

With respect to the Senior Vice President of Sales and Marketing one-half of this element will be based upon achievement by the Company of its budgeted revenue goal for its Core Business (excludes MWMS-related revenues) and one-half based upon achievement by the Company of its budgeted revenue goal for the consolidated revenues of the Company.

In addition to the above, executive participants will recommend to the Committee a fiscal year bonus pool for non-executive employees.

Eligibility and Payments to Participants

The participant must be an active, full-time employee of the Company on the last day of the fiscal year for which the incentive award is earned to be entitled to the bonus.

Awards shall be paid in cash less applicable taxes, no later than five (5) days after the public release of the Company's annual fiscal year end financial results or such earlier date as deemed appropriate by the Committee.

The Plan, as set forth in this document, represents the general guidelines the Committee presently intends to utilize to determine executive incentive compensation. If, however, at the sole discretion of the Committee, the Company's best interest is served by applying different guidelines in special or for unusual circumstances, it reserves the right to do so. The Committee reserves the right to amend or discontinue this Plan at any time in the best interests of the Company and its shareholders. Without in anyway limiting the foregoing rights of the Company, should a material business event, significant customer contract, acquisition, disposition or change in control occur during the Plan period, the Committee reserves the right to amend or supplement the Plan following such event in such manner as the Committee, in its sole discretion, deems appropriate.

The Committee shall have full power and authority to interpret and administer the Plan and shall be the sole arbiter of all manners of interpretation and application of the Plan and the Committee's determination shall be final. Any inconsistencies that may occur between the Plan provisions and the calculation of the incentive results will be interpreted and resolved on an individual basis by the Committee.

EMPLOYMENT CONTRACTS, TERMINATION OF EMPLOYMENT AND CHANGE IN CONTROL AGREEMENTS

The Company entered into an employment agreement with Dr. Burton J. Kunik on December 11,

2002 which became effective January 1, 2003. This agreement provided for a two-year term, unless terminated as provided therein, an annual salary of \$200,000 and an incentive bonus at the discretion of the Compensation Committee. In conjunction with the execution of the Agreement in December 2002, Dr. Kunik received a cash bonus in the amount of \$80,000. The Company entered into a new employment agreement with Dr. Kunik on November 29, 2004 (effective December 1, 2004). This agreement superseded the agreement dated December 11, 2002 noted above. This agreement provides for a three-year term, unless terminated as provided therein, an annual salary of \$200,000 and an incentive bonus at the discretion of the Compensation Committee. The agreement automatically renewed on December 1, 2007 for a two (2) year period (i.e. through December 1, 2009) and also automatically renewed for a two (2) year period on December 31, 2009 (i.e., through December 31, 2011). On November 15, 2007, the Compensation Committee of the Board of Directors approved an increase in Dr. Kunik's annual salary to \$260,000 effective December 31, 2007.

(a) To the extent that any outstanding Award is forfeited or cancelled for any reason or is settled in cash in lieu of shares of Stock, the shares of Stock allocable to such portion of the Award may again be subject to an Award granted under the Plan.

(b) If shares of Stock are withheld from payment of an Award to satisfy tax obligations with respect to the Award, such shares of Stock will count against the aggregate number of shares of Stock with respect to which Awards may be granted under the Plan.

(c) If shares of Stock are tendered in payment of an Option Price of an Option, such shares of Stock will count against the aggregate number of shares of Stock with respect to which Awards may be granted under the Plan.

(d) The maximum number of shares of Stock available for issuance under the Plan shall not be reduced to reflect any dividends or Dividend Equivalents that are reinvested into additional shares of Stock or credited as additional Restricted Stock, Restricted Stock Units, or other Stock-Based Awards.

4.3 Non-Transferability. Except as specified in the applicable Award Agreements or in domestic relations court orders, an Award shall not be transferable by the Holder other than by will or under the laws of descent and distribution, and shall be exercisable, during the Holder's lifetime, only by him or her. Any attempted assignment of an Award in violation of this Section shall be null and void. In the discretion of the Committee, any attempt to transfer an Award other than under the terms of the Plan and the applicable Award Agreement may terminate the Award.

4.4 Requirements of Law. The Company shall not be required to sell or issue any shares of Stock under any Award if issuing those shares of Stock would constitute or result in a violation by the Holder or the Company of any provision of any law, statute or regulation of any governmental authority. Specifically, in connection with any applicable statute or regulation relating to the registration of securities, upon exercise of any Option or pursuant to any other Award, the Company shall not be required to issue any shares of Stock unless the Committee has received evidence satisfactory to it to the effect that the Holder will not transfer the shares of Stock except in accordance with applicable law, including receipt of an opinion of counsel satisfactory to the Company to the effect that any proposed transfer complies with applicable law. The determination by the Committee on this matter shall be final, binding and conclusive. The Company may, but shall in no event be obligated to, register any shares of Stock covered by the Plan pursuant to applicable securities laws of any country or any political subdivision. In the event the shares of Stock issuable on exercise of an Option or pursuant to any other Award are not registered, the Company may imprint on the certificate evidencing the shares of Stock any legend that counsel for the Company considers necessary or advisable to comply with applicable law, or, should the shares of Stock be represented by book or electronic entry rather than a certificate, the Company may take such steps to restrict transfer of the shares of Stock as counsel for the Company considers necessary or advisable to comply with applicable law. The Company shall not be obligated to take any other affirmative action in order to cause or enable the exercise of an Option or any other Award, or the issuance of shares of Stock pursuant thereto, to comply with any law or regulation of any governmental authority.

4.5 Changes in the Company's Capital Structure.

(a) The existence of outstanding Awards shall not affect in any way the right or power of the Company or its stockholders to make or authorize any or all adjustments, recapitalizations, reorganizations or other changes in the Company's capital structure or its business, any merger or consolidation of the Company, any issue of bonds, debentures, preferred or prior preference shares ahead of or affecting the Stock or Stock rights, the dissolution or liquidation of the Company, any sale or transfer of all or any part of its assets or business or any other corporate act or proceeding, whether of a similar character or otherwise.

(b) If the Company shall effect a subdivision or consolidation of Stock or other capital readjustment, the payment of a Stock dividend, or other increase or reduction of the number of shares of Stock outstanding, without receiving compensation therefor in money, services or property, then (i) the number, class or series and per share price of Stock subject to outstanding Awards under the Plan shall be appropriately adjusted in such a manner as to entitle a Holder to receive upon exercise of an Award, for the same aggregate cash consideration, the equivalent total number and class or series of Stock the Holder would have received had the Holder exercised his or her Award in full immediately prior to the event requiring the adjustment, and (ii) the number and class or series of Stock then reserved to be issued under the Plan shall be adjusted by substituting for the total number and class or series of Stock then reserved, that number and class or series of Stock that would have been received by the owner of an equal number of outstanding shares of Stock of each class or series of Stock as the result of the event requiring the adjustment.

(c) If while unexercised Awards remain outstanding under the Plan (i) the Company shall not be the surviving entity in any merger, consolidation or other reorganization (or survives only as a subsidiary of an entity other than an entity that was wholly-owned by the Company immediately prior to such merger, consolidation or other reorganization), (ii) the Company sells, leases or exchanges or agrees to sell, lease or exchange all or substantially all of its assets to any other person or entity (other than an entity wholly-owned by the Company), (iii) the Company is to be dissolved or (iv) the Company is a party to any other corporate transaction (as defined under section 424(a) of the Code and applicable Department of Treasury regulations) that is not described in clauses (i), (ii) or (iii) of this sentence (each such event is referred to herein as a "Corporate Change"), then, except as otherwise provided in an Award Agreement or another agreement between the Holder and the Company (provided that such exceptions shall not apply in the case of a reincorporation merger), or as a result of the Committee's effectuation of one or more of the alternatives described below, there shall be no acceleration of the time at which any Award then outstanding may be exercised, and no later than ten days after the approval by the stockholders of the Company of such Corporate Change, the Committee, acting in its sole and absolute discretion without the consent or approval of any Holder, shall act to effect one or more of the following alternatives, which may vary among individual Holders and which may vary among Awards held by any individual Holder (provided that, with respect to a reincorporation merger in which Holders of the Company's ordinary shares will receive one ordinary share of the successor corporation for each ordinary share of the Company, none of such alternatives shall apply and, without Committee action, each Award shall automatically convert into a similar award of the successor corporation exercisable for the same number of ordinary shares of the successor as the Award was exercisable for ordinary shares of Stock of the Company):

(1) accelerate the time at which some or all of the Awards then outstanding may be exercised so that such Awards may be exercised in full for a limited period of time on or before a specified date (before or after such Corporate Change) fixed by the Committee, after which specified date all such Awards that remain unexercised and all rights of Holders thereunder shall terminate;

(2) require the mandatory surrender to the Company by all or selected Holders of some or all of the then outstanding Awards held by such Holders (irrespective of whether such Awards are then exercisable under the provisions of the Plan or the applicable Award Agreement evidencing such Award) as of a date, before or after such Corporate Change, specified by the Committee, in which event the Committee shall thereupon cancel such Award and the Company shall pay to each such Holder an amount of cash per share equal to the excess, if any, of the per share price offered to stockholders of the Company in connection with such Corporate Change over the exercise prices under such Award for such shares;

(3) with respect to all or selected Holders, have some or all of their then outstanding Awards (whether vested or unvested) assumed or have a new award of a similar nature substituted for some or all of their then outstanding Awards under the Plan (whether vested or unvested) by an entity which is a party to the transaction resulting in such Corporate Change and which is then employing such Holder or which is affiliated or associated with such Holder in the same or a substantially similar manner as the Company prior to the Corporate Change, or a parent or subsidiary of such entity, provided that (A) such assumption or substitution is on a basis where the excess of the aggregate fair market value of the Stock subject to the Award immediately after the assumption or substitution over the aggregate exercise price of such Stock is equal to the excess of the aggregate fair market value of all Stock subject to the Award immediately before such assumption or substitution over the aggregate exercise price of such Stock, and (B) the assumed rights under such existing Award or the substituted rights under such new Award, as the case may be, will have the same terms and conditions as the rights under the existing Award assumed or substituted for, as the case may be;

(4) provide that the number and class or series of Stock covered by an Award (whether vested or unvested) theretofore granted shall be adjusted so that such Award when exercised shall thereafter cover the number and class or series of Stock or other securities or property (including, without limitation, cash) to which the Holder would have been entitled pursuant to the terms of the agreement or plan relating to such Corporate Change if, immediately prior to such Corporate Change, the Holder had been the holder of record of the number of shares of Stock then covered by such Award; or

(5) make such adjustments to Awards then outstanding as the Committee deems appropriate to reflect such Corporate Change (provided, however, that the Committee may determine in its sole and absolute discretion that no such adjustment is necessary to reflect such Corporate Change).

Any adjustment effected by the Committee under Section 4.5 shall be designed to provide the Holder with the intrinsic value of his or her Award, as determined prior to the Corporate Change, or, if applicable, equalize the Fair Market Value of the Award before and after the Corporate Change.

In effecting one or more of the alternatives set out in paragraphs (3), (4) or (5) immediately above, and except as otherwise may be provided in an Award Agreement, the Committee, in its sole and absolute discretion and without the consent or approval of any Holder, may accelerate the time at which some or all Awards then outstanding may be exercised.

(d) In the event of changes in the outstanding Stock by reason of recapitalizations, reorganizations, mergers, consolidations, combinations, exchanges or other relevant changes in capitalization occurring after the date of the grant of any Award and not otherwise provided for by this

Section 4.5, any outstanding Award and any Award Agreement evidencing such Award shall be subject to adjustment by the Committee in its sole and absolute discretion as to the number and price of Stock or other consideration subject to such Award. In the event of any such change in the outstanding Stock, the aggregate number of shares of Stock available under the Plan may be appropriately adjusted by the Committee, whose determination shall be conclusive.

(e) After a merger of one or more corporations into the Company or after a consolidation of the Company and one or more corporations in which the Company shall be the surviving corporation, each Holder shall be entitled to have his or her Restricted Stock appropriately adjusted based on the manner in which the shares of Stock were adjusted under the terms of the agreement of merger or consolidation.

(f) The issuance by the Company of stock of any class or series, or securities convertible into, or exchangeable for, stock of any class or series, for cash or property, or for labor or services either upon direct sale or upon the exercise of rights or warrants to subscribe for them, or upon conversion or exchange of stock or obligations of the Company convertible into, or exchangeable for, stock or other securities, shall not affect, and no adjustment by reason of such issuance shall be made with respect to, the number, class or series, or price of shares of Stock then subject to outstanding Awards.

4.6 Election Under Section 83(b) of the Code. No Holder shall exercise the election permitted under section 83(b) of the Code with respect to any Award without the prior written approval of the Chief Financial Officer of the Company or his delegate. Any Holder who makes an election under section 83(b) of the Code with respect to any Award without the prior written approval of the Chief Financial Officer of the Company or his delegate may, in the discretion of the Committee, forfeit any or all Awards granted to him or her under the Plan.

4.7 Forfeiture for Cause. Notwithstanding any other provision of the Plan or an Award Agreement, if the Committee finds by a majority vote that a Holder, before or after his or her Separation from Service (a) committed a felony or a crime including fraud, embezzlement or any other material act of dishonesty or criminal action in the course of his or her employment by the Company or an Affiliate which conduct significantly damaged the Company or an Affiliate; (b) substantially and repeatedly failed to perform duties of the office held by the Holder as reasonably directed by the Company or an Affiliate, (c) committed gross negligence or willful misconduct with respect to the Company or an Affiliate; (d) committed a material breach of any employment agreement between the Holder and the Company or an Affiliate as applicable; (e) failed, within ten (10) days after receipt by the Holder of written notice thereof from the Company or an Affiliate, to correct, cease or otherwise alter any failure to comply with instructions or other action or omission which the Board reasonably believes does or may materially or adversely affect the Company's or an Affiliate's business or operations, (f) committed misconduct which is of such a serious or substantial nature that a reasonable likelihood exists that such misconduct will materially injure the reputation of the Company or an Affiliate, (g) committed a material violation of the Company's policies that is not cured within ten (10) days after receipt of written notice thereof from the Company or the Affiliate, (h) misappropriated funds or assets of the Company or an Affiliate for personal use or willfully violated the Company policies or standards of business conduct as determined in good faith by the Board, (i) failed, due to some action or inaction on the part of the Holder, to have immigration status that permits the Holder to maintain full-time employment with the Company or an Affiliate in the United States in compliance with all applicable immigration law, (j) disclosed trade secrets, including but not limited to customer data, of the Company or an Affiliate, then as of the date the Committee makes its finding, any Awards awarded to the Holder that have not been exercised by the Holder (including all Awards that have not yet vested) will be forfeited to the Company. The findings and decision of the Committee or the Board, if applicable, with respect to such matter, including those regarding the acts of the Holder and the damage done to the Company, will be final for all purposes. No decision of the Committee, however, will affect the finality of the discharge of the individual by the Company or an Affiliate.

4.8 Forfeiture Events. The Committee may specify in an Award Agreement that the Holder's rights, payments, and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture, or recoupment upon the occurrence of certain specified events, in addition to any otherwise applicable vesting or performance conditions of an Award. Such events may include, but shall not be limited to, Separation from Service for cause, Separation from Service for any other reason, violation of material policies of the Company and its Affiliates, breach of noncompetition, confidentiality, or other restrictive covenants that may apply to the Holder, or other conduct by the Holder that is detrimental to the business or reputation of the Company and its Affiliates.

4.9 Award Agreements. Each Award shall be embodied in a written Award Agreement that shall be subject to the terms and conditions of the Plan. The Award Agreement shall be signed by an executive officer of the Company, other than the Holder, on behalf of the Company, and may be signed by the Holder to the extent required by the Committee. The Award Agreement may specify the effect of a change in control of the Company on the Award. The Award Agreement may contain any other provisions that the Committee in its discretion shall deem advisable which are not inconsistent with the terms and provisions of the Plan.

4.10 Amendments of Award Agreements. The terms of any outstanding Award under the Plan may be amended from time to time by the Committee in its discretion in any manner that it deems appropriate and that is consistent with the terms of the Plan or necessary to implement the requirements of the Plan. However, no such amendment shall adversely affect in a material manner any right of a Holder without his or her written consent. Except as specified in Section 4.5(b), the Committee may not directly or indirectly lower the exercise price of a previously granted Option.

4.11 Rights as Stockholder. A Holder shall not have any rights as a stockholder with respect to Stock covered by an Option, an RSU or an Other Stock-Based Award payable in Stock until the date, if any, such Stock is issued by the Company; and, except as otherwise provided in Section 4.5, no adjustment for dividends, or otherwise, shall be made if the record date therefor is prior to the date of issuance of such Stock.

4.12 Issuance of Shares of Stock. Shares of Stock, when issued, may be represented by a certificate or by book or electronic entry.

4.13 Restrictions on Stock Received. The Committee may impose such conditions and/or restrictions on any shares of Stock issued pursuant to an Award as it may deem advisable or desirable. These restrictions may include, but shall not be limited to, a requirement that the Holder hold the shares of Stock for a specified period of time.

4.14 Compliance With Section 409A. Awards shall be designed, granted and administered in such a manner that they are either exempt from the application of, or comply with, the requirements of Section 409A. The Plan and each Award Agreement under the Plan that is intended to comply the requirements of Section 409A shall be construed and interpreted in accordance with such intent. If the Committee determines that an Award, Award Agreement, payment, distribution, deferral election, transaction, or any other action or arrangement contemplated by the provisions of the Plan would, if undertaken, cause a Holder to become subject to additional taxes under Section 409A, then unless the Committee specifically provides otherwise, such Award, Award Agreement, payment, distribution, deferral election, transaction or other action or arrangement shall not be given effect to the extent it causes such result and the related provisions of the Plan and/or Award Agreement will be deemed modified, or, if necessary, suspended in order to comply with the requirements of Section 409A to the extent determined appropriate by the Committee, in each case without the consent of or notice to the Holder. The exercisability of an Option shall not be extended to the extent that such extension would subject the Holder to additional taxes under Section 409A.

4.15 Date of Grant. The date on which an option is granted shall be the date the Company completes the corporate action constituting an offer of stock for sale to a Holder under the terms and conditions of the Option; provided that such corporate action shall not be considered complete until the date on which the maximum number of shares that can be purchased under the Option and the minimum Option price are fixed or determinable. If the corporate action contemplates an immediate offer of stock for sale to a class of individuals, then the date of the granting of an Option is the time or date of that corporate action, if the offer is to be made immediately. If the corporate action contemplates a particular date on which the offer is to be made, then the date of grant is the contemplated date of the offer.

4.16 Source of Shares Deliverable Under Awards. Any shares of Stock delivered pursuant to an Award may consist, in whole or in part, of authorized and unissued shares of Stock or of treasury shares of Stock.

ARTICLE V

OPTIONS

5.1 Authority to Grant Options. Subject to the terms and provisions of the Plan, the Committee, at any time, and from time to time, may grant Options under the Plan to eligible persons in such number and upon such terms as the Committee shall determine; provided that ISOs may be granted only to eligible Employees of the Company or of any Parent Corporation or Subsidiary Corporation (as permitted by section 422 of the Code and the regulations thereunder).

5.2 Type of Options Available. Options granted under the Plan may be NQSOs or ISOs.

5.3 Option Agreement. Each Option grant under the Plan shall be evidenced by an Award Agreement that shall specify (a) whether the Option is intended to be an ISO or an NQSO, (b) the Option Price, (c) the duration of the Option, (d) the number of shares of Stock to which the Option pertains, (e) subject to the provisions of Article XI, the exercise restrictions, if any, applicable to the Option and (f) such other provisions as the Committee shall determine that are not inconsistent with the terms and provisions of the Plan. Notwithstanding the designation of an Option as an ISO in the applicable Award Agreement for such Option, to the extent the limitations of Section 5.11 of the Plan are exceeded with respect to the Option, the portion of the Option in excess of the limitation shall be treated as a NQSO. An Option granted under the Plan may not be granted with any Dividend Equivalents rights.

5.4 Option Price. The price at which shares of Stock may be purchased under an Option (the "Option Price") shall not be less than one hundred percent (100%) of the Fair Market Value of the shares of Stock on the date the Option is granted; provided, however, if the Option is an ISO granted to a Ten Percent Stockholder, the Option Price must not be less than one hundred ten percent (110%) of the Fair Market Value of the shares of Stock on the date the ISO is granted. Subject to the limitations set forth in the preceding sentences of this Section 5.4, the Committee shall determine the Option Price for each grant of an Option under the Plan.

5.5 Duration of Option. An Option shall not be exercisable after the earlier of (a) the general term of the Option specified in the applicable Award Agreement (which shall not exceed seven (7) years, or, in the case of a Ten Percent Stockholder, no ISO shall be exercisable later than the fifth (5th) anniversary of the date of its grant) or (b) the period of time specified herein that follows the Holder's Separation from Service.

(a) General Term of Option. Unless the Award Agreement specifies a shorter general term, an Option shall expire on the seventh anniversary of the date the Option is granted. Notwithstanding the foregoing, unless the Award Agreement specifies a shorter term, in the case of an Incentive Stock Option granted to a Ten Percent Stockholder, the Option shall expire on the fifth anniversary of the date the Option is granted.

(b) Early Termination of Option Due to Separation from Service Other Than for Death or Disability. Except as may be otherwise expressly provided by the Committee in an Award Agreement, an Option shall terminate on the earlier of (i) the date of the expiration of the general term of the Option or (ii) the date that is three months after the date of the Holder's Separation from Service, whether with or without cause, for any reason other than the death or Disability of the Holder, during which period the Holder shall be entitled to exercise the Option in respect of the number of shares of Stock that the Holder would have been entitled to purchase had the Holder exercised the Option on the date of such Separation from Service. The Committee shall determine whether an authorized leave of absence, absence on military or government service, or any other absence from service shall constitute a termination of the employment relationship between the Holder and the Company and all Affiliates. Notwithstanding the foregoing, in the case of an Incentive Stock Option, if an Holder has an authorized leave of absence from employment with the Company, a Parent Corporation or a Subsidiary Corporation that exceeds 90 days and the Holder's right to reemployment is not guaranteed by either statute or contract, the Holder will be deemed to incur a Termination of Employment on the 91st day of such leave.

(c) Early Termination of Option Due to Death. Unless the Committee specifies otherwise in the applicable Award Agreement, in the event of the Holder's Separation from Service due to death before the date of expiration of the general term of the Option, the Holder's Option shall terminate on the earlier of the date of expiration of the general term of the Option or the first anniversary of the date of the Holder's death, during which period the Holder's executors or administrators or such persons to whom such Options were transferred by will or by the laws of descent and distribution, shall be entitled to exercise the Option in respect of the number of shares of Stock that the Holder would have been entitled to purchase had the Holder exercised the Option on the date of his death.

(d) Early Termination of Option Due to Disability. Unless the Committee specifies otherwise in the applicable Award Agreement, in the event of the Separation from Service due to Disability before the date of the expiration of the general term of the Option, the Holder's Option shall terminate on the earlier of the expiration of the general term of the Option or the first anniversary of the date of the Separation from Service due to Disability, during which period the Holder shall be entitled to exercise the Option in respect of the number of shares of Stock that the Holder would have been entitled to purchase had the Holder exercised the Option on the date of such Separation from Service.

5.6 Amount Exercisable. Each Option may be exercised at the time, in the manner and subject to the conditions the Committee specifies in the Award Agreement in its sole discretion. Unless the Holder's applicable Award Agreement specifies otherwise, an Option shall not continue to vest after the Holder's Separation from Service for any reason.

5.7 Exercise of Option.

(a) General Method of Exercise. Subject to the terms and provisions of the Plan and the applicable Award Agreement, Options may be exercised in whole or in part from time to time by the delivery of written notice in the manner designated by the Committee stating (i) that the Holder wishes to exercise such Option on the date such notice is so delivered, (ii) the number of shares of Stock with respect to which the Option is to be exercised and (iii) the address to which a stock certificate, if any, representing such shares of Stock should be mailed or delivered, or the account to which the shares of Stock represented by book or electronic entry should be delivered. Except in the case of exercise by a third party broker as provided below, in order for the notice to be effective the notice must be accompanied by payment of the Option Price (and all applicable federal, state, local and foreign withholding taxes described in Section 14.3) by any combination of the following: (w) cash, certified check, bank draft or postal or express money order for an amount equal to the Option Price under the Option, (x) Mature Shares with a Fair Market Value on the date of exercise equal to the Option Price

under the Option (if approved in advance by the Committee or an executive officer of the Company), (y) an election to make a cashless exercise through a registered broker-dealer (if approved in advance by the Committee or an executive officer of the Company) or (z) except as specified below, any other form of payment which is acceptable to the Committee. If Mature Shares are used for payment by the Holder, the aggregate Fair Market Value of the shares of Stock tendered must be equal to or less than the aggregate Option Price of the shares of Stock being purchased upon exercise of the Option, and any difference must be paid by cash, certified check, bank draft or postal or express money order payable to the order of the Company.

If, at the time of receipt by the Company or its delegate of such written notice, (i) the Company has unrestricted surplus in an amount not less than the Option Price of such shares of Stock, (ii) all accrued cumulative preferential dividends and other current preferential dividends on all outstanding shares of preferred stock of the Company have been fully paid, (iii) the acquisition by the Company of its own shares of Stock for the purpose of enabling such Holder to exercise such Option is otherwise permitted by applicable law, does not require any vote or consent of any stockholder of the Company and does not violate the terms of any agreement to which the Company is a party or by which it is bound, and (iv) there shall have been adopted, and there shall be in full force and effect, a resolution of the Board authorizing the acquisition by the Company of its own shares of stock for such purpose, then such Holder may deliver to the Company, in payment of the Option Price of the shares of Stock with respect to which such Option is exercised, (x) certificates registered in the name of such Holder that represent a number of shares of stock legally and beneficially owned by such Holder (free of all liens, claims and encumbrances of every kind) and having a Fair Market Value on the date of receipt by the Company or its delegate of such written notice that is not greater than the Option Price of the shares of Stock with respect to which such Option is to be exercised, such certificates to be accompanied by stock powers duly endorsed in blank by the record holder of the shares of Stock represented by such certificates, with the signature of such record holder guaranteed by a national banking association, and (y) if the Option Price of the shares of Stock with respect to which such Option is to be exercised exceeds such Fair Market Value, a cashier's check drawn on a national banking association and payable to the order of the Company, in an amount, in United States dollars, equal to the amount of such excess. Notwithstanding the provisions of the immediately preceding sentence, the Committee, in its sole discretion, may refuse to accept shares of Stock in payment of the Option Price of the shares of Stock with respect to which such Option is to be exercised and, in that event, any certificates representing shares of Stock that were received by the Company or its delegate with such written notice shall be returned to such Holder, together with notice by the Company or its delegate to such Holder of the refusal of the Committee to accept such shares of Stock. If, at the expiration of seven business days after the delivery to such Holder of such written notice from the Company or its delegate, such Holder shall not have delivered to the Company or its delegate a cashier's check drawn on a national banking association and payable to the order of the Company in an amount, in United States dollars, equal to the Option Price of the shares of Stock with respect to which such Option is to be exercised, such written notice from the Holder to the Company or its delegate shall be ineffective to exercise such Option. Whenever an Option is exercised by exchanging shares of Stock owned by the Holder, the Holder shall deliver to the Company or its delegate certificates registered in the name of the Holder representing a number of shares of Stock legally and beneficially owned by the Holder, free of all liens, claims, and encumbrances of every kind, accompanied by stock powers duly endorsed in blank by the record holder of the shares represented by the certificates, (with signature guaranteed by a commercial bank or trust company or by a brokerage firm having a membership on a registered national stock exchange). The delivery of certificates upon the exercise of Option is subject to the condition that the person exercising the Option provide the Company with the information the Company might reasonably request pertaining to exercise, sale or other disposition of an Option.

(b) Issuance of Shares. Subject to Section 4.4 and Section 5.7(c), as promptly as practicable after receipt of written notification and payment, in the form required by Section 5.7(a), of an amount of money necessary to satisfy any withholding tax liability that may result from the exercise of such Option, the Company shall deliver to the Holder certificates for the number of shares with respect to which the Option has been exercised, issued in the Holder's name. Delivery of the shares shall be deemed effected for all purposes when a stock transfer agent of the Company shall have deposited the certificates in the United States mail, addressed to the Holder, at the address specified by the Holder or shall have transferred to the account designated by the Holder to which the shares of Stock represented by book or electronic entry are to be delivered.

(c) Exercise Through Third-Party Broker. The Committee may permit a Holder to elect to pay the Option Price and any applicable tax withholding resulting from such exercise by authorizing a third-party broker to sell all or a portion of the shares of Stock acquired upon exercise of the Option and remit to the Company a sufficient portion of the sale proceeds to pay the Option Price and any applicable federal, state, local and foreign tax withholding resulting from such exercise.

(d) Limitations on Exercise Alternatives. The Committee shall not permit a Holder to pay such Holder's Option Price upon the exercise of an Option by having the Company reduce the number of shares of Stock that will be delivered pursuant to the exercise of the Option. In addition, the Committee shall not permit a Holder to pay such Holder's Option Price upon the exercise of an Option by using shares of Stock other than Mature Shares. An Option may not be exercised for a fraction of a share of Stock.

5.8 Transferability—Incentive Stock Options. Notwithstanding anything in the Plan or an Award Agreement to the contrary, no ISO granted under the Plan may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution, and all ISOs granted to an Employee under this Article V shall be exercisable during his or her lifetime only by such Employee.

5.9 Notification of Disqualifying Disposition. If any Employee shall make any disposition of shares of Stock issued pursuant to the exercise of an ISO under the circumstances described in section 421(b) of the Code (relating to certain disqualifying dispositions), such Employee shall notify the Company of such disposition within ten (10) days thereof.

5.10 No Rights as Stockholder. A Holder of an Option shall not have any rights as a stockholder with respect to Stock covered by an Option until the date a stock certificate for such Stock is issued by the Company; and, except as otherwise provided in Section 4.5, no adjustment for dividends, or otherwise, shall be made if the record date therefor is prior to the date of issuance of such certificate.

5.11 \$100,000 Limitation on ISOs. To the extent that the aggregate Fair Market Value of shares of Stock with respect to which ISOs first become exercisable by a Holder in any calendar year exceeds \$100,000, taking into account both shares of Stock subject to ISOs under the Plan and Stock subject to ISOs under all other plans of the Company, such Options shall be treated as NQSOs. For this purpose, the "Fair Market Value" of the shares of Stock subject to Options shall be determined as of the date the Options were awarded. In reducing the number of Options treated as ISOs to meet the \$100,000 limit, the most recently granted Options shall be reduced first. To the extent a reduction of simultaneously granted Options is necessary to meet the \$100,000 limit, the Committee may, in the manner and to the extent permitted by law, designate which shares of Stock are to be treated as shares acquired pursuant to the exercise of an ISO.

5.12 Separation from Service. Each Award Agreement shall set forth the extent to which the Holder of an Option shall have the right to exercise the Option following the Holder's Separation from Service. Such

provisions shall be determined in the sole discretion of the Committee, need not be uniform among all Options issued pursuant to the Award Agreement or the Plan, and may reflect distinctions based on the reasons for termination.

ARTICLE VI

RESTRICTED STOCK AWARDS

6.1 Restricted Stock Awards. Subject to the terms and provisions of the Plan, the Committee, at any time, and from time to time, may make Awards of Restricted Stock under the Plan to eligible persons in such number and upon such terms as the Committee shall determine. The amount of, the vesting (subject to the provisions of Article XI), forfeiture and the transferability restrictions applicable to any Restricted Stock Award shall be determined by the Committee in its sole discretion. If the Committee imposes vesting, forfeiture or transferability restrictions on a Holder's rights with respect to Restricted Stock, the Committee may issue such instructions to the Company's share transfer agent in connection therewith as it deems appropriate. The Committee may also cause the certificate for shares of Stock issued pursuant to a Restricted Stock Award to be imprinted with any legend which counsel for the Company considers advisable with respect to the restrictions or, should the shares of Stock be represented by book or electronic entry rather than a certificate, the Company may take such steps to restrict transfer of the shares of Stock as counsel for the Company considers necessary or advisable to comply with applicable law.

6.2 Restricted Stock Award Agreement. Each Restricted Stock Award shall be evidenced by an Award Agreement that contains any vesting, forfeiture and transferability restrictions and other provisions not inconsistent with the Plan as the Committee may specify.

6.3 Holder's Rights as Stockholder. Subject to the terms and conditions of the Plan, each recipient of a Restricted Stock Award shall have all the rights of a stockholder with respect to the shares of Restricted Stock included in the Restricted Stock Award during the Period of Restriction established for the Restricted Stock Award. Dividends paid with respect to Restricted Stock in cash or property other than shares of Stock or rights to acquire shares of Stock shall be paid to the recipient of the Restricted Stock Award currently. Dividends paid in shares of Stock or rights to acquire shares of Stock shall be added to and become a part of the Restricted Stock. During the Period of Restriction, certificates representing the Restricted Stock shall be registered in the Holder's name and bear a restrictive legend to the effect that ownership of such Restricted Stock, and the enjoyment of all rights appurtenant thereto, are subject to the restrictions, terms, and conditions provided in the Plan and the applicable Award Agreement. Such certificates shall be deposited by the recipient with the Secretary of the Company or such other officer or agent of the Company as may be designated by the Committee, together with all stock powers or other instruments of assignment, each endorsed in blank, which will permit transfer to the Company of all or any portion of the Restricted Stock which shall be forfeited in accordance with the Plan and the applicable Award Agreement.

ARTICLE VII

RESTRICTED STOCK UNIT AWARDS

7.1 Authority to Grant RSU Awards. Subject to the terms and provisions of the Plan, the Committee, at any time, and from time to time, may grant RSU Awards under the Plan to eligible persons in such amounts and upon such terms as the Committee shall determine. The amount of, the vesting, forfeiture and the transferability restrictions applicable to any RSU Award shall be determined by the Committee in its sole discretion. The Committee shall maintain a bookkeeping ledger account which reflects the number of RSUs credited under the Plan for the benefit of a Holder.

7.2 RSU Award. An RSU Award shall be similar in nature to a Restricted Stock Award except that no shares of Stock are actually transferred to the Holder until a later date specified in the applicable Award Agreement. Each RSU shall have a value equal to the Fair Market Value of a share of Stock.

7.3 RSU Award Agreement. Each RSU Award shall be evidenced by an Award Agreement that contains any Substantial Risk of Forfeiture, transferability and forfeiture restrictions, form and time of payment provisions and other provisions not inconsistent with the Plan as the Committee may specify.

7.4 Dividend Equivalents. An Award Agreement for an RSU Award may specify that the Holder shall be entitled to the payment of Dividend Equivalents under the Award.

7.5 Form of Payment Under RSU Award. Payment under an RSU Award shall be made in cash, shares of Stock or any combination thereof, as specified in the applicable Award Agreement.

7.6 Time of Payment Under RSU Award. A Holder's payment under an RSU Award shall be made at such time as is specified in the applicable Award Agreement. The Award Agreement shall specify that the payment will be made (a) by a date that is no later than the date that is two and one-half (2 1/2) months after the end of the Fiscal Year in which the RSU Award payment is no longer subject to a Substantial Risk of Forfeiture or (b) at a time that is Permissible under Section 409A.

7.7 Holder's Rights as Stockholder. Each recipient of an RSU Award shall have no rights of a stockholder with respect to the Holder's RSUs. A Holder shall have no voting rights with respect to any RSU Awards.

ARTICLE VIII

OTHER STOCK-BASED AWARDS

8.1 Authority to Grant Other Stock-Based Awards. Subject to the terms and provisions of the Plan, the Committee, at any time, and from time to time, may grant other types of equity-based or equity-related Awards not otherwise described by the terms and provisions of the Plan (including the grant or offer for sale of unrestricted shares of Stock) under the Plan to eligible persons in such number and upon such terms as the Committee shall determine. Such Awards may involve the transfer of actual shares of Stock to Holders, or payment in cash or otherwise of amounts based on the value of shares of Stock and may include, without limitation, Awards designed to comply with or take advantage of the applicable local laws of jurisdictions other than the United States.

8.2 Value of Other Stock-Based Award. Each Other Stock-Based Award shall be expressed in terms of shares of Stock or units based on shares of Stock, as determined by the Committee.

8.3 Payment of Other Stock-Based Award. Payment, if any, with respect to an Other Stock-Based Award shall be made in accordance with the terms of the Award, in cash, shares of Stock or any combination thereof, as the Committee determines.

8.4 Separation from Service. The Committee shall determine the extent to which a Holder's rights with respect to Other Stock-Based Awards shall be affected by the Holder's Separation from Service. Such provisions shall be determined in the sole discretion of the Committee and need not be uniform among all Other Stock-Based Awards issued pursuant to the Plan.

8.5 Time of Payment of Other Stock-Based Award. A Holder's payment under an Other Stock-Based Award shall be made at such time as is specified in the applicable Award Agreement. If a payment

A-16

under the Award Agreement is subject to Section 409A, the Award Agreement shall specify that the payment will be made (a) by a date that is no later than the date that is two and one-half (2 1/2) months after the end of the calendar year in which the Other Stock-Based Award payment is no longer subject to a Substantial Risk of Forfeiture or (b) at a time that is Permissible under Section 409A.

ARTICLE IX

CASH-BASED AWARDS

9.1 Authority to Grant Cash-Based Awards. Subject to the terms and provisions of the Plan, the Committee, at any time, and from time to time, may grant Cash-Based Awards under the Plan to eligible persons in such amounts and upon such terms as the Committee shall determine.

9.2 Value of Cash-Based Award. Each Cash-Based Award shall specify a payment amount or payment range as determined by the Committee.

9.3 Payment of Cash-Based Award. Payment, if any, with respect to a Cash-Based Award shall be made in accordance with the terms of the Award, in cash.

9.4 Time of Payment of Cash-Based Award. Payment under a Cash-Based Award shall be made at such time as is specified in the applicable Award Agreement. If a payment under the Award Agreement is subject to Section 409A, the Award Agreement shall specify that the payment will be made (a) by a date that is no later than the date that is two and one-half (2 1/2) months after the end of the calendar year in which the Cash-Based Award payment is no longer subject to a Substantial Risk of Forfeiture or (b) at a time that is Permissible under Section 409A.

9.5 Separation from Service. The Committee shall determine the extent to which a Holder's rights with respect to Cash-Based Awards shall be affected by the Holder's Separation from Service. Such provisions shall be determined in the sole discretion of the Committee and need not be uniform among all Cash-Based Awards issued pursuant to the Plan.

ARTICLE X

SUBSTITUTION AWARDS

Awards may be granted under the Plan from time to time in substitution for stock options and other awards held by employees of other entities who are about to become Employees, or whose employer is about to become an Affiliate as the result of a merger or consolidation of the Company with another corporation, or the acquisition by the Company of substantially all the assets of another corporation, or the acquisition by the Company of at least fifty percent (50%) of the issued and outstanding stock of another corporation as the result of which such other corporation will become a subsidiary of the Company. The terms and conditions of the substitute Awards so granted may vary from the terms and conditions set forth in the Plan to such extent as the Board at the time of grant may deem appropriate to conform, in whole or in part, to the provisions of the awards in substitution for which they are granted. If shares of Stock are issued under the Plan with respect to an Award granted under this Article such shares of Stock will not count against the aggregate number of shares of Stock with respect to which Awards may be granted under the Plan.

ARTICLE XI

ACCELERATION OF VESTING FOR CERTAIN AWARDS
ON CHANGE IN CONTROL OF THE COMPANY

11.1 Vesting on Change in Control of the Company. Notwithstanding any provision of the Plan to the contrary, in the event of an occurrence of a Change in Control of the Company all then outstanding Options and Restricted Stock Awards granted under the Plan shall become fully vested, and exercisable and all substantial risk of forfeiture restrictions applicable thereto shall lapse. The effect, if any, of a Change in Control of the Company upon any other Award granted under the Plan shall be determined in accordance with the terms of the applicable Award Agreement issued by the Committee that are applicable to the Award.

11.2 Definitions.

(a) “Change in Control of the Company” means:

(i) a change in control of the Company of a nature that would be required to be reported in response to Item 6(e) of Schedule 14A of Regulation 14A promulgated under the Exchange Act, whether or not the Company is then subject to such reporting requirement;

(ii) the public announcement (which, for purposes of this definition, shall include, without limitation, a report filed pursuant to Section 13(d) of the Exchange Act) by the Company or any “person” (as such term is used in Sections 13(d) and 14(d) of the Exchange Act) that such person has become the Beneficial Owner, directly or indirectly, of securities of the Company representing 30% or more of the combined voting power of the Company’s then outstanding securities, determined in accordance with Rule 13d-3, excluding, however, any securities acquired directly from the Company (other than an acquisition by virtue of the exercise of a conversion privilege unless the security being so converted was itself acquired directly from the Company); however, that for purposes of this clause the term “person” shall not include the Company, any subsidiary of the Company or any employee benefit plan of the Company or of any subsidiary of the Company or any entity holding shares of the Stock organized, appointed or established for, or pursuant to the terms of, any such plan;

(iii) the Continuing Directors cease to constitute a majority of the Company’s Board of Directors;

(iv) consummation of a reorganization, merger or consolidation of, or a sale or other disposition of all or substantially all of the assets of, the Company (a “Business Combination”), in each case, unless, following such Business Combination, (A) all or substantially all of the persons who were the beneficial owners of the Company’s outstanding voting securities immediately prior to such Business Combination beneficially own voting securities of the corporation resulting from such Business Combination having more than 50% of the combined voting power of the outstanding voting securities of such resulting corporation and (B) at least a majority of the members of the Board of Directors of the corporation resulting from such Business Combination were Continuing Directors at the time of the action of the Board of Directors of the Company approving such Business Combination; or

(v) approval by the shareholders of the Company of a complete liquidation or dissolution of the Company.

(b) “Acquiring Person” means any “person” (as such term is used in Sections 13(d) and 14(d) of the Exchange Act) who or which, together with all Acquiring Affiliates and Acquiring Associates of such person, is the Beneficial Owner, directly or indirectly, of securities of the Company representing 20% or more of the combined voting power of the Company’s then outstanding securities, but shall not include the Company, any subsidiary of the Company or any employee benefit plan of the Company or of any subsidiary of the Company or any entity holding shares of the Stock organized, appointed or established for, or pursuant to the terms of, any such plan.

(c) “Acquiring Affiliate” means an “Affiliate” as such term is defined in Rule 12b-2 promulgated under the Exchange Act.

(d) “Acquiring Associate” means an “Associate” as such term is defined in Rule 12b-2 promulgated under the Exchange Act.

(e) “Continuing Director” shall mean any person who is a member of the Board, while such person is a member of the Board, who is not an Acquiring Person or an Acquiring Affiliate or Acquiring Associate of an Acquiring Person, or a representative of an Acquiring Person or of any such Acquiring Affiliate or Acquiring Associate, and who (x) was a member of the Board on the Effective Date or (y) subsequently becomes a member of the Board, if such person’s initial nomination for election or initial election to the Board is recommended or approved by a majority of the Continuing Directors.

ARTICLE XII

ADMINISTRATION

12.1 Awards. The Plan shall be administered by the Committee or, in the absence of the Committee or in the case of awards issued to Directors, the Plan shall be administered by the Board. The members of the Committee (that is not itself the Board) shall serve at the discretion of the Board. The Committee shall have full and exclusive power and authority to administer the Plan and to take all actions that the Plan expressly contemplates or are necessary or appropriate in connection with the administration of the Plan with respect to Awards granted under the Plan.

12.2 Authority of the Committee. The Committee shall have full and exclusive power to interpret and apply the terms and provisions of the Plan and Awards made under the Plan, and to adopt such rules, regulations and guidelines for implementing the Plan as the Committee may deem necessary or proper, all of which powers shall be exercised in the best interests of the Company and in keeping with the objectives of the Plan. A majority of the members of the Committee shall constitute a quorum for the transaction of business relating to the Plan or Awards made under the Plan, and the vote of a majority of those members present at any meeting shall decide any question brought before that meeting. Any decision or determination reduced to writing and signed by a majority of the members shall be as effective as if it had been made by a majority vote at a meeting properly called and held. All questions of interpretation and application of the Plan, or as to Awards granted under the Plan, shall be subject to the determination, which shall be final and binding, of a majority of the whole Committee. No member of the Committee shall be liable for any act or omission of any other member of the Committee or for any act or omission on his or her own part, including but not limited to the exercise of any power or discretion given to him or her under the Plan, except those resulting from his or her own willful misconduct. In carrying out its authority under the Plan, the Committee shall have full and final authority and discretion, including but not limited to the following rights, powers and authorities to (a) determine the persons to whom and the time or times at which Awards will be made; (b) determine the number and exercise price of shares of Stock covered in each Award subject to the terms and provisions of the Plan; (c) determine the terms, provisions and conditions of each Award, which need not be identical and need not match the default terms set forth in the Plan; (d) accelerate the time at which any outstanding Award will vest; (e) prescribe, amend and

rescind rules and regulations relating to administration of the Plan; and (f) make all other determinations and take all other actions deemed necessary, appropriate or advisable for the proper administration of the Plan.

The Committee may make an Award to an individual who the Company expects to become an Employee of the Company or any of its Affiliates within six (6) months after the date of grant of the Award, with the Award being subject to and conditioned on the individual actually becoming an Employee within that time period and subject to other terms and conditions as the Committee may establish.

The Committee may correct any defect or supply any omission or reconcile any inconsistency in the Plan or in any Award to a Holder in the manner and to the extent the Committee deems necessary or desirable to further the Plan's objectives. Further, the Committee shall make all other determinations that may be necessary or advisable for the administration of the Plan. As permitted by law and the terms and provisions of the Plan, the Committee may delegate to one or more of its members or to one or more officers of the Company, and/or its Affiliates or to one or more agents or advisors such administrative duties or powers as it may deem advisable, and the Committee or any person to whom it has delegated duties or powers as aforesaid may employ one or more persons to render advice with respect to any responsibility the Committee or such person may have under the Plan. The Committee may, by resolution, authorize one or more officers of the Company to do one or more of the following on the same basis as can the Committee: (a) designate Employees to be recipients of Awards and (b) determine the size of any such Awards; provided, however, (i) the Committee shall not delegate such responsibilities to any such officer for Awards granted to an Employee that is considered an Insider; (ii) the resolution providing such authorization sets forth the total number of Awards such officer(s) may grant; and (iii) the officer(s) shall report periodically to the Committee regarding the nature and scope of the Awards granted pursuant to the authority delegated. The Committee may employ attorneys, consultants, accountants, agents, and other persons, any of whom may be an Employee, and the Committee, the Company, and its officers and Board shall be entitled to rely upon the advice, opinions, or valuations of any such persons.

12.3 Decisions Binding. All determinations and decisions made by the Committee or the Board, as the case may be, pursuant to the provisions of the Plan and all related orders and resolutions of the Committee or the Board, as the case may be, shall be final, conclusive and binding on all persons, including the Company, its Affiliates, its stockholders, Holders and the estates and beneficiaries of Holders.

12.4 No Liability. Under no circumstances shall the Company, its Affiliates, the Board or the Committee incur liability for any indirect, incidental, consequential or special damages (including lost profits) of any form incurred by any person, whether or not foreseeable and regardless of the form of the act in which such a claim may be brought, with respect to the Plan or the Company's, its Affiliates', the Committee's or the Board's roles in connection with the Plan.

ARTICLE XIII

AMENDMENT OR TERMINATION OF PLAN

13.1 Amendment, Modification, Suspension, and Termination. Subject to Section 13.2, the Board may, at any time and from time to time, alter, amend, modify, suspend, or terminate the Plan and the Committee may, at any time and from time to time, alter, amend, modify, suspend, or terminate any Award Agreement in whole or in part; provided, however, that, without the prior approval of the Company's stockholders and except as provided in Section 4.5, the Committee shall not directly or indirectly lower the Option Price of a previously granted Option, cancel a previously granted Option for a payment of cash or other property if the aggregate fair market value of such Award is less than the aggregate Option Price of such Award in the case of an Option, and no amendment of the Plan shall be made without stockholder approval if stockholder approval is required by applicable law or stock exchange rules.

A-20

13.2 Awards Previously Granted. Notwithstanding any other provision of the Plan to the contrary, no termination, amendment, suspension, or modification of the Plan or an Award Agreement shall adversely affect in any material way any Award previously granted under the Plan, without the written consent of the Holder holding such Award.

ARTICLE XIV

MISCELLANEOUS

14.1 Unfunded Plan/No Establishment of a Trust Fund. Holders shall have no right, title, or interest whatsoever in or to any investments that the Company or any of its Affiliates may make to aid in meeting obligations under the Plan. Nothing contained in the Plan, and no action taken pursuant to its provisions, shall create or be construed to create a trust of any kind, or a fiduciary relationship between the Company and any Holder, beneficiary, legal representative, or any other person. To the extent that any person acquires a right to receive payments from the Company under the Plan, such right shall be no greater than the right of an unsecured general creditor of the Company. All payments to be made hereunder shall be paid from the general funds of the Company and no special or separate fund shall be established and no segregation of assets shall be made to assure payment of such amounts, except as expressly set forth in the Plan. No property shall be set aside nor shall a trust fund of any kind be established to secure the rights of any Holder under the Plan. The Plan is not intended to be subject to the Employee Retirement Income Security Act of 1974, as amended.

14.2 No Employment Obligation. The granting of any Award shall not constitute an employment or service contract, express or implied, and shall not impose upon the Company or any Affiliate any obligation to employ or continue to employ, or to utilize or continue to utilize the services of, any Holder. The right of the Company or any Affiliate to terminate the employment of, or the provision of services by, any person shall not be diminished or affected by reason of the fact that an Award has been granted to him, and nothing in the Plan or an Award Agreement shall interfere with or limit in any way the right of the Company or its Affiliates to terminate any Holder's employment or service relationship at any time or for any reason not prohibited by law.

14.3 Tax Withholding. The Company or any Affiliate shall be entitled to deduct from other compensation payable to each Holder any sums required by federal, state, local or foreign tax law to be withheld with respect to the vesting or exercise of an Award or lapse of restrictions on an Award. In the alternative, the Company may require the Holder (or other person validly exercising the Award) to pay such sums for taxes directly to the Company or any Affiliate in cash or by check within one day after the date of vesting, exercise or lapse of restrictions. In the discretion of the Committee, and with the consent of the Holder, the Company may reduce the number of shares of Stock issued to the Holder upon such Holder's exercise of an Award or the vesting of an Award to satisfy the tax withholding obligations of the Company or an Affiliate; provided that the Fair Market Value of the shares of Stock held back shall not exceed the Company's or the Affiliate's Minimum Statutory Tax Withholding Obligation.

The Committee may, in its discretion, permit a Holder to satisfy any Minimum Statutory Tax Withholding Obligation arising upon the vesting of or payment under an Award by delivering to the Holder a reduced number of shares of Stock in the manner specified herein. If permitted by the Committee and acceptable to the Holder, at the time of vesting of shares under the Award, the Company shall (a) calculate the amount of the Company's or an Affiliate's Minimum Statutory Tax Withholding Obligation on the assumption that all such shares of Stock vested under the Award are made available for delivery, (b) reduce the number of such shares of Stock made available for delivery so that the Fair Market Value of the shares of Stock withheld on the vesting date approximates the Company's or an Affiliate's Minimum Statutory Tax Withholding Obligation and (c) in lieu of the withheld shares of Stock, remit cash to the United States Treasury and/or other applicable governmental authorities, on behalf of the Holder, in the amount of the Minimum Statutory Tax Withholding Obligation. The Company shall withhold only whole shares of Stock to satisfy its Minimum Statutory Tax

A-21

Withholding Obligation. Where the Fair Market Value of the withheld shares of Stock does not equal the amount of the Minimum Statutory Tax Withholding Obligation, the Company shall withhold shares of Stock with a Fair Market Value slightly less than the amount of the Minimum Statutory Tax Withholding Obligation and the Holder must satisfy the remaining minimum withholding obligation in some other manner permitted under this Section 14.3. The withheld shares of Stock not made available for delivery by the Company shall be retained as treasury shares or will be cancelled and the Holder's right, title and interest in such shares of Stock shall terminate.

The Company shall have no obligation upon vesting or exercise of any Award or lapse of restrictions on an Award until the Company or an Affiliate has received payment sufficient to cover the Minimum Statutory Tax Withholding Obligation with respect to that vesting, exercise or lapse of restrictions. Neither the Company nor any Affiliate shall be obligated to advise a Holder of the existence of the tax or the amount which it will be required to withhold.

14.4 Indemnification of the Committee. The Company shall indemnify each past, present and future member of the Committee against, and each member of the Committee shall be entitled without further action on his or her part to indemnity from the Company for, all expenses (including attorney's fees, the amount of judgments and the amount of approved settlements made with a view to the curtailment of costs of litigation, other than amounts paid to the Company itself) reasonably incurred by such member in connection with or arising out of any action, suit or proceeding in which such member may be involved by reason of such member being or having been a member of the Committee, whether or not he or she continues to be a member of the Committee at the time of incurring the expenses, including, without limitation, matters as to which such member shall be finally adjudged in any action, suit or proceeding to have been negligent in the performance of such member's duty as a member of the Committee. However, this indemnity shall not include any expenses incurred by any member of the Committee in respect of matters as to which such member shall be finally adjudged in any action, suit or proceeding to have been guilty of willful misconduct in the performance of his or her duty as a member of the Committee. In addition, no right of indemnification under the Plan shall be available to or enforceable by any member of the Committee unless, within 60 days after institution of any action, suit or proceeding, such member shall have offered the Company, in writing, the opportunity to handle and defend same at its own expense. This right of indemnification shall inure to the benefit of the heirs, executors or administrators of each member of the Committee and shall be in addition to all other rights to which a member of the Committee may be entitled as a matter of law, contract or otherwise.

14.5 Gender and Number. If the context requires, words of one gender when used in the Plan shall include the other and words used in the singular or plural shall include the other.

14.6 Severability. In the event any provision of the Plan shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of the Plan, and the Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

14.7 Headings. Headings of Articles and Sections are included for convenience of reference only and do not constitute part of the Plan and shall not be used in construing the terms and provisions of the Plan.

14.8 Other Compensation Plans. The adoption of the Plan shall not affect any other option, incentive or other compensation or benefit plans in effect for the Company or any Affiliate, nor shall the Plan preclude the Company from establishing any other forms of incentive compensation arrangements for Employees or Directors.

14.9 Retirement and Welfare Plans. Neither Awards made under the Plan nor shares of Stock or cash paid pursuant to such Awards, may be included as "compensation" for purposes of computing the benefits payable to any person under the Company's or any Affiliate's retirement plans (both qualified and non-qualified)

or welfare benefit plans unless such other plan expressly provides that such compensation shall be taken into account in computing a participant's benefit.

14.10 Other Awards. The grant of an Award shall not confer upon the Holder the right to receive any future or other Awards under the Plan, whether or not Awards may be granted to similarly situated Holders, or the right to receive future Awards upon the same terms or conditions as previously granted.

14.11 Successors. All obligations of the Company under the Plan with respect to Awards granted hereunder shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business and/or assets of the Company.

14.12 Law Limitations/Governmental Approvals. The granting of Awards and the issuance of shares of Stock under the Plan shall be subject to all applicable laws, rules, and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required.

14.13 Delivery of Title. The Company shall have no obligation to issue or deliver evidence of title for shares of Stock issued under the Plan prior to (a) obtaining any approvals from governmental agencies that the Company determines are necessary or advisable; and (b) completion of any registration or other qualification of the Stock under any applicable national or foreign law or ruling of any governmental body that the Company determines to be necessary or advisable.

14.14 Inability to Obtain Authority. The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any shares of Stock hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such shares of Stock as to which such requisite authority shall not have been obtained.

14.15 Investment Representations. The Committee may require any person receiving Stock pursuant to an Award under the Plan to represent and warrant in writing that the person is acquiring the shares of Stock for investment and without any present intention to sell or distribute such Stock.

14.16 Persons Residing Outside of the United States. Notwithstanding any provision of the Plan to the contrary, in order to comply with the laws in other countries in which the Company or any of its Affiliates operates or has employees, the Committee, in its sole discretion, shall have the power and authority to (a) determine which Affiliates shall be covered by the Plan; (b) determine which persons employed outside the United States are eligible to participate in the Plan; (c) amend or vary the terms and provisions of the Plan and the terms and conditions of any Award granted to persons who reside outside the United States; (d) establish subplans and modify exercise procedures and other terms and procedures to the extent such actions may be necessary or advisable -- any subplans and modifications to Plan terms and procedures established under this Section 14.16 by the Committee shall be attached to the Plan document as Appendices; and (e) take any action, before or after an Award is made, that it deems advisable to obtain or comply with any necessary local government regulatory exemptions or approvals. Notwithstanding the above, the Committee may not take any actions hereunder, and no Awards shall be granted, that would violate the Exchange Act, the Code, any securities law or governing statute or any other applicable law.

14.17 Arbitration of Disputes. Any controversy arising out of or relating to the Plan or an Award Agreement shall be resolved by arbitration conducted in Houston, Texas pursuant to the arbitration rules of the American Arbitration Association. The arbitration shall be final and binding on the parties.

14.18 No Fractional Shares. No fractional shares of Stock shall be issued or delivered pursuant to the Plan or any Award. The Committee shall determine whether cash, additional Awards, or other property shall be

A-23

issued or paid in lieu of fractional shares of Stock or whether such fractional shares or any rights thereto shall be forfeited or otherwise eliminated.

14.19 Governing Law. The provisions of the Plan and the rights of all persons claiming thereunder shall be construed, administered and governed under the laws of the State of Texas, excluding any conflicts or choice of law rule or principle that might otherwise refer construction or interpretation of the Plan to the substantive law of another jurisdiction. Unless otherwise provided in the Award Agreement, recipients of an Award under the Plan are deemed to submit to the sole and exclusive jurisdiction and venue of the federal or state courts of the State of Delaware to resolve any and all issues that may arise out of or relate to the Plan or any related Award Agreement.
