**Item 1.01. Entry into a Material Definitive Agreement.**

The corporate governance practices of Sunoco, Inc. ( Sunoco ) are designed so that qualified independent directors are elected. Recognizing that corporate governance is of critical importance to Sunoco and its shareholders, the Governance Committee of Sunoco 's Board of Directors (the Committee ) believes that the compensation program for the independent directors should be designed to attract highly qualified directors; provide appropriate compensation for their time, efforts, commitment and contributions to Sunoco and Sunoco 's shareholders; and align the interests of the independent directors and Sunoco 's shareholders. The Committee 's compensation philosophy includes providing a competitive level of compensation necessary to attract experienced and qualified individuals. The Committee directly engages a third-party compensation consultant to advise it on an annual basis as to the best practices and emerging trends in director compensation. The compensation consultant also benchmarks Sunoco 's director compensation compared to the proxy performance peer group, the oil industry generally and general industry data.

As part of its annual review of director compensation, the Committee recommended and the full Board approved on September 1, 2005, increases to certain portions of the compensation paid to the Company 's independent directors. These changes will be effective October 1, 2005. Specifically, the changes are as follows:

The cash portion of the annual retainer was increased from \$34,900 to \$50,000;

The restricted share credit under the Directors' Deferred Compensation Plan was increased from \$27,500 to \$60,000; and

The annual retainer for serving as a Committee chair was increased from \$2,000 to \$5,000.

A full summary of director compensation reflecting the above-referenced actions is attached as Exhibit 10.1 to this Form 8-K.
